The Exile and the Sorcerer

The quest for the stolen chalice is a sham - her family's excuse to get rid of Tevi. Exiled in a dangerous and confusing world filled with monsters, bandits, and sorcerers, Tevi battles demons within and without as she searches for her place in the strange new world. Jemeryl has her future planned out - a future that will involve minimal contact with ordinary folk who do not understand sorcerers. Her ambition is to lead a solitary life within the Coven and to devote herself to the study of magic. It is all very straightforward - until she meets Tevi. Two unlikely allies join forces to defeat an insidious evil and on the journey find one another.

The Exile and the Sorcerer

Two women, ensnared by the conspiracies of their rulers, become reluctant allies in a dangerous quest. Monsters, sorcerers and treacherous journeys all await Tevi on her quest to find the stolen chalice. If this isn't enough, her search leads her to join forces with Jemeryl, a tempestuous sorcerer who dreams only of the day when she will have completed her studies and be able to return to the sanctuary of Lyremouth, with her books and her research.

Exiled

Stripped of his powers and banished to The Never, James must save himself before he can save his fellow sorcerers from imminent demise. Prophesied by the greatest of all seers to be the sorcerer who would bring an end to the Epoch Terminus--the destruction of his kind--James grew up developing his powers under the watchful eye of his mentor, Akil Karanis. James's insular world is shattered when he is found guilty of murdering Akil and exiled to The Never, a mysterious and dangerous place reserved for the worst of the worst, a land from which no one returns. Powerless and alone, James quickly learns that the land itself poses a greater threat than its inhabitants. If he is to have any chance of returning to his family, any chance of proving his innocence, any chance of saving his kind, he must survive the dangers and temptations meant to ensnare both body and mind in order to discover what no one else has been able to discover--a way home.

The Walls of Westernfort

All Natasha Ionadis wants is to serve the Goddess as a Temple Guard, and she volunteers eagerly for a dangerous mission to infiltrate a band of renegade warriors and imprinters. But, once away from the temple, the issues are no longer so simple and she must reevaluate her beliefs, especially in light of her growing attraction for one of the outlaws. Is it too late to work out what she really wants from life?

Rangers at Roadsend

Sergeant Chip Coppelli escaped the manipulative plots of her powerful family by becoming a soldier. After 9 years in the elite Rangers, dealing with thugs and wild predators, she has learned to spot trouble coming, and that is exactly what she sees in the mystery surrounding her new recruit, Katryn Nagata. But even so, Chip was not expecting murder.

The High Priest and the Idol

Jemeryl and Tevi's relationship is put to the test when the Guardian sends Jemeryl on a mission that lands her not only in harm's way, but also back into the sights of a previous lover. The Protectorate of Lyremouth promises liberty for all its citizens, but this does not mean that everyone is equal. When Jemeryl is summoned alone to Lyremouth, she suspects it is a ploy to separate her from her lover, Tevi. After all, many disapprove of their relationship, not because they are both woman, but because Jemeryl is a sorcerer and Tevi is not. The task Jemeryl is given, to track down an ex-lover who has turned renegade on the Coven, does nothing to assuage her doubts. However, old bonds of affection are enough to make her accept the assignment, even though she is sure that she has been told only half the true story. But Jemeryl is wrong, she has not been told even a tenth of what is behind this mission. When Jemeryl does not return, nobody can stop Tevi from going after her.

Wolfsbane Winter

The Iron Wolf mercenaries who guard travelers on the Misery Trail are notorious for their quick and casual sex lives. Deryn may fit the stereotype better than most, but she has her reasons. A childhood tragedy has left her wary of forming attachments. If you don't care, then you can't get hurt, but you can still make a mess of things—such as the error of judgment that leaves her with no money, forced to spend the winter on a lousy job in a miserable little backwater. There she meets Alana, local healer, vet, and woman of mystery. It does not take Deryn long to find out that Alana is more than she seems, and has her own perilous secret to keep. Yet Deryn still finds herself falling for the woman, so much so that her come-and-go lifestyle is at risk. This would be bad enough, but serious trouble arrives for Deryn and Alana in the form of demon magic from the Time of Chaos—revealing that old legends are not merely material for ghost stories around the fire. As the danger increases, who do they need to fear more, the living or the dead?

Dynasty of Rogues

When you're short on friends and long on enemies, things can't get much worse. Until they do... Ranger Riki Sadiq is known as a troublemaker, and in the close knit heretic community, a bad name is hard to lose. Standing sentry duty on a winter's day, all she can see lying ahead is an afternoon of being cold, miserable, and bored. Her mood isn't helped by deliberate goading from people who are supposed to be working with her. Even so, retaliating in kind isn't one of Riki's better ideas. When Riki is dispatched to Westernfort for one last chance in the Rangers, the hostile reception means her list of enemies has become still longer, and prime candidate to head the list is her new patrol corporal, Tanya Coppelli. It is hate at first sight. The way Riki sees it, Tanya may have good looks, talent and sharp wits, but is that any reason to like her? However, if Riki but knew it, trouble of a deadly kind is heading her way. With their lives at stake, Riki and Tanya will have to overcome the mutual antagonism and learn to work together.

The Traitor and the Chalice

Tevi and Jemeryl, soldier and sorceress, must risk all in the race to uncover a traitor and retrieve the chalice that, in the wrong hands, could bestow dangerous powers. A dark presence is threatening to uncover long hidden secrets, and the future of the whole Protectorate is at stake. Without allies to help them, Tevi and Jemeryl will need to rely totally on each other; something made all the more difficult when the rest of the world seems intent on pulling them apart. Events will force them to re-evaluate their assumptions about society and their places in it. Success will require making difficult choices, even while they battle for their lives.

The Temple at Landfall

Lynn is an imprinter, one chosen by the Goddess to receive her greatest gift, that of creating new life. So why does she feel like a prisoner in the Temple? When Lynn learns that she is to be relocated to

the temple at Landfall, the arduous journey seems more like a gift--her last chance to see something of the outside world. She does not anticipate the dangers and temptations she will encounter along the way, nor does she expect Lieutenant Kim Ramon, an officer in the squadron of Rangers assigned to protect her. Despite all prohibitions forbidding it, attraction grows between the two women. Against them stand the powerful religious Sisterhood and their holy warriors--the Temple Guards. In a world ruled by the Church, what chance is there that Lynn can escape?

Lorimar's Chalice

Stripped of his powers and banished to The Never, James must save himself before he can save his fellow sorcerers from imminent demise. Prophesied by the greatest of all seers to be the sorcerer who would bring an end to the Epoch Terminus--the destruction of his kind--James grew up developing his powers under the watchful eye of his mentor, Akil Karanis. James's insular world is shattered when he is found guilty of murdering Akil and exiled to The Never, a mysterious and dangerous place reserved for the worst of the worst, a land from which no one returns. Powerless and alone, James quickly learns that the land itself poses a greater threat than its inhabitants. If he is to have any chance of returning to his family, any chance of proving his innocence, any chance of saving his kind, he must survive the dangers and temptations meant to ensnare both body and mind in order to discover what no one else has been able to discover--a way home.

Accusations spread quickly and Lucinda's tragic death draws three outsiders from the shadows. Oddball Cameron Whitley loved - still loves - Lucinda. Though they've hardly ever spoken, and any sensible onlooker would call him Lucinda's stalker, Cameron is convinced that he knows her better than anyone. Completely untethered by the news of her death, Cameron's erratic behaviour provides the town ample reason to suspect that he's the killer. Jade Dixon-Burns hates Lucinda. Lucinda took everything from her. The worst part was Lucinda's blissful ignorance to the damage she'd wrought. Officer Russ Fletcher doesn't know Lucinda, but he knows the kid everyone is talking about, the boy who may have killed her. Cameron Whitley is his ex-partner's son. Now Russ must take a painful journey through the past to solve Lucinda's murder and keep a promise he made long ago. PRAISE FOR GIRL IN SNOW "This brooding and intense thriller will plunge readers into a dark world they may not want to enter - but they may be unable to tear themselves free" Booklist "Girl in Snow is not just an impressive debut but one of the best literary mysteries to come along in some time" Bookpage "Captivating" Marie Claire "A sensational debut - great characters, mysteries within mysteries, and page-turning pace. Highly recommended." Lee Child bestselling author of the Jack Reacher series Longlisted for the 2018 CWA John Creasey (New Blood) Dagger

Houses of the Blooded

Final novel in the Dark Eldar Path trilogy The eternal city of Commorragh is no longer beset by the horrors of the Dysjunction, but the scars of its passage remain. Now the supreme overlord, Asdrubael Vect, strives to reassert his authority over the anarchic city before hidden challengers can make their bid for power. The noble Yllithian frantically seeks new allies to put between himself and the overlord's wrath, the Mandrake kings muster and Vect prepares to unleash his most fearsome weapons against his own people as Commorragh erupts into open war.

Girl in Snow

Seventeen-year-old Ruby Thomas, newly responsible for her two young nieces after a devastating tragedy, is determined to keep her family safe in the vast, swirling world of 1920s New York City. She's got street smarts, boundless determination, and one unusual skill: the ability to throw a ball as hard as the greatest pitchers in a baseball-mad city. From Coney Island sideshows to the brand-new Yankee Stadium, Diamond Ruby chronicles the extraordinary life and times of a girl who rises from utter poverty to the kind of renown only the Roaring Twenties can bestow. But her fame comes with a price, and Ruby must escape a deadly web of conspiracy and threats from Prohibition rumrunners, the Ku Klux Klan, and the gangster underworld. Diamond Ruby "is the exciting tale of a forgotten piece of baseball's heritage, a girl who could throw with the best of them. A real page-turner, based closely on a true story" (Kevin Baker, author of *Strivers Row*).

Christianity and the Social Crisis

From the USA Today bestselling author of *Kill All Your Darlings* comes a chilling novel of guilt, regret, and a past that refuses to die.... Three months ago, Jenna Barton was supposed to meet her lifelong best friend Celia. But when Jenna arrived late, she found that Celia had disappeared—and she hasn't

been seen since. The only piece of evidence is a lone diamond earring found where Celia and Jenna were planning to meet, leading the national media to dub Celia "The Diamond Mom." And even though Jenna has obsessively surfed message boards devoted to missing persons cases, she is no closer to finding any answers—or easing her guilt. But when her son's new girlfriend disappears too, a stricken Jenna begins to unwind the tangled truth behind Celia's tragedy. And as long-buried secrets finally come to light, she discovers how completely lives can be shattered by a few simple lies.

Path of the Archon

Seline Templar hasn't experienced an easy life. First, her father died for reasons that have been shockingly concealed from her. Then Seline's mother, Molly, went missing in suspicious circumstances. So she's been raised as a ward of King Steam in the Steamman Free State, far away from the potential perils of her home in the Jackelian Kingdom. Raised in relative solitude among the machine race . . . until an old friend of the family, the steamman scientist Coppertracks, turns up in the capital with news of the most amazing discovery. It will set Seline and her companions off on a dangerous adventure to the mysterious and distant Mightadore. There's only one problem with Seline's destination. Many are those brave souls who have set out to reach the legendary city. But, nobody has ever come back alive from the trip to describe what they found! JACKELIAN SERIES 7th novel of the Jackelian fantasy series. Each book is a standalone adventure set in the same world with some of the same characters, so you don't need to read it in sequential order (although purists often do).

Diamond Ruby

An all-new corner has been added to Neil Gaiman's Sandman Universe! Welcome to the House of Dahomey, the houseboat of Erzulie Fr da, where the souls of Voodoo followers go when they sleep to beseech the flirtatious and tragic goddess to grant them their hearts' desires and counsel them on their futures and fortunes. When you arrive, you'll find a party is in full swing, filled with all kinds of fabulous and fierce folk, while fish fry and music blasts. From her bayou, Erzulie scries upon the mortal realm and sees four human girls open a mysterious and magical journal filled with whispers and rumors that, if they spread, could cause a pandemic unlike any the Earth has seen, with the power to release Sopona, the loa lord of infectious disease and cousin to Erzulie, who is currently banned from the human plane. But even the fearsome Erzulie cannot be of assistance when her dream river turns tumultuous, tossing her house from her realm and into another's

Since She Went Away

Watson, the author of the screen story for Stephen Spielberg's A.I., pens this first book in his Inquisition War series. In the bloody suppression of a rebellion, Inquisitor Jaq Draco discovers a bizarre entity and a secret conspiracy of inquisitors whose goals are to control every human--everywhere.

Mission to Mightadore

In the floating city of Sanctaphrax, fusty old professors scheme and bicker with each other as they study the weather in minute detail - mistsifting, fogprobing, researching the air blowing in from beyond the Edge. But some experiments are best left alone... Quint is the son of a sky pirate captain. He arrives in Sanctaphrax at the request of Linus Pallitax, the Most High Academe, who needs an apprentice he can trust to carry out a series of highly important tasks. Just how important, Quint is about to find out as he and Linus's only daughter, Maris, are plunged into the midst of a terrifying adventure that takes them deep within the rock upon which Sanctaphrax is built. It is here that they unwittingly invoke an ancient curse - the curse of the gloamglozer...

Lionel Asbo has just won £139,999,999.50 on the Lottery. A horribly violent, but horribly unsuccessful criminal, Lionel's attentions up to now have all been on his nephew, Desmond Pepperdine. He showers him with fatherly advice ('carry a knife') and introduces Des to the joys of internet porn. Meanwhile, Des desires nothing more than books, a girl to love and to steer clear Uncle Li's psychotic pitbulls, Joe and Jeff. But Lionel's winnings are not necessarily all good news. For Des has a secret, and its discovery could unleash his uncle's implacable vengeance. 'One of Amis's funniest novels' New Yorker 'A book that looks at us, laughs at us, looks at us harder, closer, and laughs at us harder and still more savagely' Observer

Warhammer 40,000 is the war-torn universe of the 41st millennium. This is the first book of a series in which a new threat faces embattled mankind, and Jaq Draco, Inquisitor, must keep the Darkness at bay.

The Curse of the Gloamglozer

The revealing and inspiring memoir of a woman forced into polygamous marriage in FLDS Church and her brave struggle to protect others from the same fate. Rebecca Musser grew up in fear, concealing her family's polygamous lifestyle from the "dangerous" outside world. Covered head-to-toe in strict, modest clothing, she received a rigorous education at Alta Academy, the Fundamentalist Church of Jesus Christ of Latter Day Saints' school headed by Warren Jeffs. Always seeking to be an obedient Priesthood girl, in her teens she became the nineteenth wife of her people's prophet: 85-year-old Rulon Jeffs, Warren's father. Finally sickened by the abuse she suffered and saw around her, she pulled off a daring escape and sought to build a new life and family. The church, however, had a way of pulling her back in-and by 2007, Rebecca had no choice but to take the witness stand against the new prophet of the FLDS in order to protect her little sisters and other young girls from being forced to marry at shockingly young ages. The following year, Rebecca and the rest of the world watched as a team of Texas Rangers raided the Yearning for Zion Ranch, a stronghold of the FLDS. Rebecca's subsequent testimony would reveal the horrific secrets taking place behind closed doors of the temple, sending their leaders to prison for years, and Warren Jeffs for life. *The Witness Wore Red* is a gripping account of one woman's struggle to escape the perverse embrace of religious fanaticism and sexual slavery, and a courageous story of hope and transformation.

Lionel Asbo

An elegant and evocative novel about people, place – and pests – by one of South Africa's most exciting writers. Katya Grubbs, like her father before her, deals in 'the unlovely and unloved'. Yet in contrast to her father, she is not in the business of pest extermination, but pest relocation. Katya's unconventional approach brings her to the attention of a property developer whose luxury estate on the fringes of Cape Town, Nineveh, remains uninhabited thanks to an infestation of mysterious insects. As Katya is drawn ever deeper into the chaotic urban wilderness of Nineveh, she must confront unwelcome intrusions from her own past.

Inquisitor

A California Book Award Finalist One of Oprah's Book Club's Ten Fantastic Books for Fall 2010 Historical Novel Review Editors' Choice Exiled in Paris, the frail, elderly Mathilde Kschessinska sits down to write her memoirs. A lifetime ago, she was the vain, ambitious, impossibly charming prima ballerina assoluta of the tsar's Russian Imperial Ballet in St. Petersburg. Kschessinska's riveting storytelling soon thrusts us into a world lost to time: that great intersection of the Russian court and the Russian theater. Through Kschessinska's memories of her own triumphs and defeats, we witness the stories that changed history, from the seething beginnings of revolution to the end of a grand, decadent way of life that belonged to the nineteenth century. Based on fact, Adrienne Sharp's *The True Memoirs of Little K* is "an engrossing tale of love, loss, and history" (The Wichita Eagle).
