I Answer All Your Game Dev Questions | Q&A - I Answer All Your Game Dev Questions | Q&A by Jonas Tyroller 20,514 views 4 years ago 23 minutes - In this video I answer all of your **questions**,

about **game**, development. All the way from how to learn coding to how you can survive ...

What got you into game development?

Which education / career path did I take?

What were your games like when you started?

How long does it take to become a game developer?

Vaforite and least vaforite old game of mine?

Why did you start a YouTube channel?

Do you need a good PC to start game development?

What game engine and code language should you use?

How do you learn to code without copying?

Any tips for a noob with Unity and C#?

Are 2D games easier to create than 3D games for beginners?

Should you learn ECS as a beginner?

How do you get to a point where you know how to make full games yourself?

Is it a good idea to remake old retro games as an excercise?

How to get to the next level in game development?

How much money do you make?

Is game development a good way to make money?

How do you do marketing for your games?

Do you ever worry about your current game being unsuccessful?

Have you ever thought about programming in other fields?

Which programming languages do you know?

Top 3 favorite games of all time?

What do you think about Nintendo?

Do you ever wish your voice was different?

Are you working on another game besides Will You Snail?

What makes your games unique?

How to make a successful game?

How do you best start to promote your games?

What is your number one tip for finishing a game?

How do you come up with your ideas?

Is there an audience for my 2D topdown shooter game?

Do people prefer playing 3D games?

Any tips or advice for making a puzzle game?

Does the Unity logo still show up if you purchase it later?

How much does a game programmer make?

How to enter the game industry as a game designer?

How can I send you my game for playtesting and feedback?

Would you considder playing my mobile game?

Is there any useful but unknown software you like to use?

How can I export my game for Windows, Linux and Mac?

How to get motivation?

How can you overcome procrastination?

How do you stay focused?

How to handle decisions in a team when you disagree?

What will you do after Will You Snail?

Do you have any ambitions to work in the AAA industry one day?

Have you ever wanted to collab with another YouTuber for a full game?

Will you ever consider a proper studio name?

Would you work as a full time game developer?

What is your dream game project?

What are some of your long term goals?

Where do you see yourself / your channel in the future?

Why are you making Will You Snail in Game Maker?

Can you make a tutorial about...?
