Do you remember the day we met?
What was your first impression of me when we actually met?
At what point did you decide that you wanted us to be "official?"
Is there a song that you think of when you think of me?
Everything happens for a reason—why do you think we met?
Would you ever take a bath with me?
Would you kiss me on the forehead?
Where is your favorite place to be massaged?
Would you rather hug for 5 seconds or kiss for 1 second?
If you could describe me with 3 words, what would they be?
Does it make you smile when I send you a text message?
Have you ever had a dream about me?
If I was really sad, what would you do to cheer me up?
If I looked completely different, would you still love me?
Do I make you happy?
Would you risk your life to save mine?
Would you take my hand to dance, even if nobody else was on the dance floor?
Am I the kind of girl you'd take home to your parents?
Would it embarrass you if I called you a pet name in front of your friends?
If you caught another guy trying to pick me up, what would you do or say?
Has a sad movie ever made you cry?
24. Does it mean a lot to you when I say I love you?
I want to be a good lover, and I want to be there for you. What can I do for you to be that woman?
How do you describe me to others?
What qualities make me special to you?
When did you realize that you were falling in love with me?
What do you think is the most attractive trait in personality?
What is the widest thing you want to do with me?
Is there anything you dislike about me?
Do you feel complete with me?
Which song would you like to make love on?
What is the craziest thing you would do for me?
If I ask you to blindly follow me, would you?
What's one secret you've wanted to share with me, but haven't?
If you had only 5 minutes with me, what would you do?
Do I match your idea of a perfect partner?
If you could change one thing about our relationship, what will it be?

C1 MONOLOGUE - Technology and Social Interaction - C1 MONOLOGUE - Technology and Social Interaction by Talk Speak English 45,601 views 3 years ago 10 minutes, 23 seconds - This EOI C1 monologue will help you speak English confidently, learn important key phrases and show you how I would tackle C1 ...

It is clear that new technologies such as the internet, smart phones and social media have drastically changed how we socialise with each other.

In this monologue, I'm going to discuss what I believe to be the positive and negative effects of these new technologies on our social relationships

Firstly, no one can deny that one of the main ways new technology has affected social interaction positively is connectivity.

Secondly, we are no longer limited by the amount of people we can reach.

Although there are some positives, I firmly believe that new technology has had a negative impact

on our social relationships

It's well documented that these platforms are addictive and promote behaviour that I would consider dangerous.

Use phrases such as "I strongly believe"

Not only... but also

Cutting edge (adjective) Very modern

The doctors used cutting edge technology for the operation.

In addition, people aren't having meaningful conversations anymore, they are rather focused on their devices
