Pagan Portals - Australian Druidry

Pagan Portals: Australian Druidry works as a supplement to the study of Druidry and other nature-based spiritual paths as practiced in Australia. The seasons, animals, plants and ancestral histories of the land in Australia are quite different from those of the Celtic lands where Druidry originates. Julie Brett discusses the difficulties of following a nature-based tradition in an environment wildly different from Druidism's place of origin, and offers practical information on how to adapt the practice of Druidry to suit the energy of the land and respect its spirits and ancestors.

The Book of Druidry

This is a comprehensive study of the Druids, from their earliest history to the present-day renaissance. Written by a former Chosen Chief of the Order of Bards, Ovates, and Druids, this is a definitive account of the history and practice of Druidry, their principal deities, their myths, their wisdom and their social organization.

A Wiccan's Walk in Oz

Are you ready to explore Wicca Down Under? To walk gently and explore the unique landscape around you? Whether you are a beginner or an advanced practitioner, A Wiccan's Walk In Oz will further your connection and individual journey. Living in the Southern Hemisphere as a Wiccan can certainly be confusing. Combined, Caithe Cameron and Rebecca Major have walked the Wiccan walk for over seventy years as Solitary Practitioners. Using their experience and research, they have created a collection to guide and develop your commitment and dedication to the Wiccan walk. Learn about Sacred Space, Circle Casting, Deities, Energetic Realms, Indigenous Australian Pantheons and the magick of Australian animals and plants. You will discover: What is Wicca and it's history? Writing your

own rede. How do I design a ritual? Quarters? Directions? Energies? Help! Preparation, tools and protection. Sabbats and Esbats for the Southern Hemisphere. Moon Magick. With the inclusion of correspondences, activities and sample ceremonies, you will be inspired to explore your magickal abilities and enhance your ritual workings. Caithe Cameron and Rebecca Major are Solitary Practitioners of Wicca. With their respective families, they live in South-East Queensland. This compilation evolved from numerous workshops, discussions and podcasts. In perfect love and perfect trust. Blessed be.

Dancing the Sacred Wheel

There are eight seasonal festivals (referred to as sabbats) that make up the "Wheel of the Year". "Dancing the Sacred Wheel" draws on the author's own personal experience of following a traditional Pagan spiritual path and creating ritual over 20 years in southern Australia. Combining traditional Pagan lore with history in order to develop a relationship with her local environment, the author also offers invaluable pointers as to how to incorporate the localised elements into something that also provides a "traditional" feel. "Dancing the Sacred Wheel" not only provides an in-depth look the folklore and myth associated with each sabbat, but also discusses ways of creating specific rituals and observances that acknowledge each seasonal "gateway" when the local environment is reflecting something completely different. "Dancing the Sacred Wheel" challenges the reader, regardless of which hemisphere they reside, to draw inspiration from their environment, and to create their own unique Wheel of the Year.

In this study, which is first of all a folk-lore study, we pursue principally an anthropo-psychological method of interpreting the Celtic belief in fairies, though we do not hesitate now and then to call in the aid of philology; and we make good use of the evidence offered by mythologies, religions, metaphysics, and physical sciences.

Out of the Forest of Time come two Gods for the Twenty-First Century. Join Andrew Anderson as he makes a pilgrimage to discover more about the ancient Celtic Bear Gods. Weaving together archaeology, folklore and spiritual practice, this book pieces together the evidence to create a clearer picture of who Artio and Artaois were and how they can be honoured today. The journey will take the reader from the medieval city of Bern to the depths of an English forest, from the Rothar Mountains in Germany to the Highlands of Scotland, from the slopes of Glastonbury Tor to the rocky headland of Tintagel. With voices from an array of practitioners and experts, this is a journey back to the very beginning of human belief.

Belonging to the Earth is a collection of personal insights, stories of journeys and rituals, community events and conversations between activists, First Nations community leaders, and those practicing nature spirituality. Each part of the book offers thoughtful and personal perspectives about connecting with the land, paying respect to ancestral traditions, Indigenous cultures and First Nations people, and finding ways to practice nature spirituality with integrity. Each part of the journey of the book explores how we can all come together to work for a better future and develop a greater understanding of how we belong to the Earth.

Belonging to the Earth

Historians of art or religion and mythologists, such as Joseph Campbell and Mircea Eliade, have written extensively on prehistoric religion, but no one before has offered a comprehensive and uniquely archaeological perspective on the subject. Hayden opens his book with an examination of the difference between traditional religions, which are passed on through generations orally or experientially, and more modern "book" religions, which are based on some form of scripture that describes supernatural beings and a moral code, such as Judaism, Christianity, and Islam. He attempts to answer the question of why religion developed at all, arguing that basic religious behaviors of the past and present have been shaped by our innate emotional makeup, specifically our ability to enter into ecstatic states through a variety of techniques and to create binding relationships with other people, institutions, or ideals associated with those states.

Within the past twenty years, contemporary Pagan leaders, progressive Christian and Goddess theologians, advocates for queer and BDSM communities, and therapeutic bodyworkers have all begun to speak forcefully about the sacredness of the body and of touch. Many assert that the erotic is a divinely transformative force, both for personal development and for social change. Although "the erotic" includes sexuality, it is not limited to it; access to connected nonsexual touch is as profound a need as that for sexual freedom and health. In this book, Christine Hoff Kraemer brings together an academic background in religious studies and theology with lived experience as a professional bodyworker and contemporary Pagan practitioner. Arguing that the erotic is a powerful moral force that can ground a system of ethics, Kraemer integrates approaches from queer theology, therapeutic bodywork, and sexual minority advocacy into a contemporary Pagan religious framework. Addressing itself to liberal religious people of many faiths, *Eros and Touch from a Pagan Perspective* approaches the right to pleasure as a social justice issue and proposes a sacramental practice of mindful, consensual touch.

Jailbreaking the Goddess is a revolutionary revisioning of the feminine divine. Where the maiden, mother, crone archetypal system is tied to female biology and physical stages of life, the fivefold model liberates the female experience from the shackles of the reproductive model. In a woman's lifetime, she will go through several different cycles of beginnings, potential, creation, mastery, and wisdom. This fivefold model is not an adaption of the threefold. It is a new system that embraces the powerful, fluid nature of the lived experience of women today. Join Lasara Firefox Allen as she explores the nature of the five archetypes; gives examples of what areas of life each might preside over; lists goddesses that fit within each archetype; suggests ways to begin building relationship with the different archetypes; and provides simple rituals for recognition, transition, and invocation. Praise: "*Jailbreaking the Goddess* is an important contribution to the writings on Goddess tradition and feminist spirituality...I love her political savvy, her sensitivity around issues of diversity and cultural awareness and appropriation, and her unabashed celebration of pleasure, sensuality, and life!"—Starhawk "This fiercely inspired body of work is art, theory, and passion. Genius."—Rosa De Anda, from her foreword "Lasara Firefox Allen delves deep into the ways in which colonialist language has shaped our experience of the divine feminine...This is an innovative work that has the potential to change the face of modern feminist spirituality."—Suzanne Sterling, founder of Voice of Change

What is civilization, and is it a good thing? It's a name for the most glorious of humanity's monuments and cultural achievements; yet it also speaks of the conquests, oppressions, and empires which make their glory possible. This book explains the essence of civilization, then asks what's wrong with it, and considers what can be done about it.

Here is the book Merlin could have given a young Arthur . . . if only it had existed. Out of the millions of Harry Potter fans worldwide, there are tens of thousands who want to really do the magical things J.K. Rowling writes about. But would-be wizards must rely on information passed down from wizard elders. Is there a Hogwarts anywhere in the real world? A real Albus Dumbledore? Where is the book these aspiring wizards need? Luckily for all those fans, Oberon Zell-Ravenheart, today's foremost genuine wizard, has written the essential handbook. What's more, he has gathered some of the greatest names in Wicca—including Ellen Evert Hopman, Raymond Buckland, Raven Grimassi, Patricia Telesco, Jesse Wolf Hardin, Morning Glory Zell-Ravenheart, and many more into a modern-day "Grey Council" to publish for the first time everything an aspiring wizard needs to know. Lurking within the pages of Grimoire for the Apprentice Wizard are: Biographies of famous wizards of history and legend Detailed descriptions of magickal tools and regalia (with full instructions for making them) Rites and rituals for special occasions A bestiary of mythical creatures The Laws of Magick Myths and stories of gods and heroes Lore and legends of the stars and constellations Instruction for performing amazing illusions, special effects, and many other wonders of the magical multiverse Praise for Grimoire for the Apprentice Wizard "I can't think of a better, more qualified person to write a Handbook for Apprentice Wizards. Oberon is a Wizard." —Raymond Buckland, author of Buckland's Complete Book of Witchcraft "Oberon is not only extremely learned in the magickal arts but he communicates that knowledge with wit and charm." —Fiona Horne, author of Witch: A Magickal Journey and star of Mad, Mad, Mad House

A powerful debut from one of the world's most respected shamanic teachers, following Marcela Lobos's journey in this world and the world of spirit. The stress, conflict, and crises of the outer world are a signal: the time has come to awaken your inner shaman. However, you don't need to be initiated into arcane mysteries to answer the call from Spirit. In this book, Marcela Lobos reveals how to use the maps offered by the shamanic Medicine Wheel and the hero's journey to activate your inner wisdom and live a self-realized existence of discovery, healing, and wholeness. From her childhood in a war-torn country to her initiation with the shamans of the Andes and her life today as a teacher and medicine woman, Marcela's story offers a flesh-and-bones context for each step on the archetypal journey to Self. It is also an invitation to step out from your ordinary life and take the first steps on your own quest for spiritual understanding and deep transformation: to learn to walk the Medicine Path and to find your own power and inner beauty.

An Authentic Guide to the Welsh Magical Bard Tradition The witch goddess Cerridwen is the focus of devotion and reverence amongst witches and Pagans around the world. This book traces Cerridwen's roots through layers of history and myth, and it provides hands-on exercises and visionary rites to help you realize her immeasurable power in your own magical practice. Based on years of intensive research by celebrated Welsh Druid Kristoffer Hughes, this wonderful work shows you how to evoke the magic of ecstatic poetry and song as you join the lineage of magical bards who have explored the secrets of Awen and Cerridwen's cauldron of inspiration. You will also discover first-ever English translations from ancient Welsh manuscripts as well as Kristoffer's powerful approach to contemplative journeying, working with sigils, and creating an altar. With rituals for initiation, affirmation, and clarity, this deeply poetic book explores the transformative energies of the goddess of witches.

Colors fill your life. Some days you want to wear one color. Other days you prefer a different selection. You prefer one color of car to another. Why? The answer is that colors affect us mentally, physically, emotionally, and spiritually. Practical Color Magick by Raymond Buckland gives you everything you need to know so you can consciously use color to affect you and everyone around you. This book is the world's leading guide for using color in magick. You'll be amazed at how many aspects of your life can be changed by using the secret powers of color. Revealed in this book is how to meditate and how using color to meditate can take you farther than you've ever been. You'll also learn how to use color to develop psychic powers and improve your abilities as a Tarot or crystal ball reader. You'll even learn how to use a pendulum, all with the help of color. Also covered is numerology, how to make and use talismans, and much more. One of the important parts of this well-researched book is the information on how to use color for healing. You'll discover how to project color and which colors affect various diseases. You'll learn how to charge water with color and use it for healing. You'll learn which colors can help your heart, your organs, your skin. You can use color to assist you in virtually any healing. One of the problems many people have with magick is that they think it is too expensive. All those wands and altars! Well, the fact is you don't need all of that. You can use very simple tools you've made yourself that use color and result in very powerful magick. So whatever your goal - healing abilities, divination, magick, meditation - you can find ways to enhance your skills with this book. You owe it to yourself to get it.

It was said in the beginning, in a garden called Eden, that woman was created at the same time as man, and not from his rib. Lilith, the first female, created equal to stand as a partner. But she proved to be a person so troublesome that she vanishes from her rightful place in civilization's mythological legends in place of Eve, the first wife. With her younger sister Eve's story heralding the future of all womankind, Lilith and her story stands alone as a testament to the Sacred Feminine and man's fear of the mysteries that lie within her. The First Sisters: Lilith and Eve is a gateway to a provocative awakening.

The Hedge Druid's Craft blends the traditions of Wicca, Witchcraft and Druidry into a spiritual path that uses the techniques of "hedge riding" to travel between the worlds, bringing back wisdom and enchantment into our everyday lives. It is about working with boundaries, with a foot in either world, living around the edges and working with liminal times and places. For those whose paths meander and often overlap, and those who would not be constrained nor confined by labels, yet who seek some definition, this book is for you. If you are interested in Witchcraft, Wicca or Druidry, this book will sing to your soul.

Using archaeology, archaeo-mythology and mitochondrial DNA we can chart the mass migrations of people throughout the ancient world and follow the footsteps of the beliefs of Old Europe. But if the concept of the Old Goddess is at odds with current popular thinking, how will we feel if we discover that the Great Mother of contemporary Paganism bears no similarity to the primal Great Goddess of

the Old European world? Is there a 'magico-spiritual' gene that could be traced back to those distant ancestors who actually worshipped the forebears of the various deities to whom we claim allegiance today? Are there time-honoured things about us all as individuals that are bred deep in the bone? Are we what our roots (our DNA) claim us to be? Perhaps, even though we are now scattered all over the globe, we cannot escape those ancient racial memories of where we originally came from.
