

The Millennial Hope

[#millennial generation](#) [#youth optimism](#) [#future outlook](#) [#gen y aspirations](#) [#societal change](#)

The Millennial Hope represents the collective optimism and potential of the millennial generation, facing unique global challenges with innovative solutions and a desire for positive societal change. This outlook shapes their aspirations for a better future, driving progress in various sectors, and is a powerful force influencing modern culture and the trajectory of our collective tomorrow.

Students can use these syllabi to plan their studies and prepare for classes.

Miller's Tale

Presenting one of the most humorous stories of *The Canterbury Tales* in an accessible format, this text includes *The Miller's Prologue*, *The Reeve's Prologue and Portrait of the Miller*. It includes supportive notes which provide details on the historical and literary background to the work. One section offers activities on key themes and techniques, such as the realism in Chaucer's settings, and his imagery and characterization. The text also gives practical guidance on reading Middle English, with a glossary and a complete pronunciation guide. A chronology details Chaucer's life and works, and gives information on his contemporaries.

The Lives of the Miller's Tale

With his *Miller's Tale*, Chaucer transformed a colorless Middle Dutch account into the lively, dramatic story of raunchy Nicholas, sexy Alison, foolish John and squeamish Absolon. This book focuses on the ways Chaucer made his narrative more effective through dialogue, scene division, music, visual effects and staging. The author pays special attention to the description of John the carpenter's house, the suspension of the three tubs from the beams, and the famous shot-window through which the story's bawdy climax is enacted. The book's second half covers more than 30 of the tale's retellings—translations, adaptations, bowdlerized versions for children, coloring books, novels, musicals, plays and films—and examines the ways the retellers have followed Chaucer in dramatizing the story, giving it new life on stage and screen. *The Miller's Tale* has had many lives—it promises to have many more.

The Miller's Tale

This Squid Ink Classic includes the full text of the work plus MLA style citations for scholarly secondary sources, peer-reviewed journal articles and critical essays for when your teacher requires extra resources in MLA format for your research paper.

Chaucer Miller's Tale

Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 2,0, Justus-Liebig-University Giessen (Amerikanistik und Anglistik), course: Seminar, language: English, abstract: In this paper I will show some special aspects of the *Miller's Tale* by Geoffrey Chaucer. The goal is to show how Chaucer used the iambic pentameter and why he does not constantly stick to it. Therefore I start with an introduction of the content, that includes the general prologue, the prologue to the tale and the tale itself.

The Lives of the Miller's Tale

With his *Miller's Tale*, Chaucer transformed a colorless Middle Dutch account into the lively, dramatic story of raunchy Nicholas, sexy Alison, foolish John and squeamish Absolon. This book focuses on the ways Chaucer made his narrative more effective through dialogue, scene division, music, visual effects and staging. The author pays special attention to the description of John the carpenter's house, the suspension of the three tubs from the beams, and the famous shot-window through which the story's bawdy climax is enacted. The book's second half covers more than 30 of the tale's retellings--translations, adaptations, bowdlerized versions for children, coloring books, novels, musicals, plays and films--and examines the ways the retellers have followed Chaucer in dramatizing the story, giving it new life on stage and screen. *The Miller's Tale* has had many lives--it promises to have many more.

The Miller's Prologue and Tale

Six-hundred-year-old tales with modern relevance. This stunning full-colour edition from the bestselling Cambridge School Chaucer series explores the complete text of *The Miller's Prologue and Tale* through a wide range of classroom-tested activities and illustrated information, including a map of the Canterbury pilgrimage, a running synopsis of the action, an explanation of unfamiliar words and suggestions for study. Cambridge School Chaucer makes medieval life and language more accessible, helping students appreciate Chaucer's brilliant characters, his wit, sense of irony and love of controversy.

Miller's Tale

If it were true that opposites attract, then Steve Miller and Sonja Knight were the perfect match. The handsome twenty-five year old rookie cop on the Los Angeles Police Department couldn't help but fall head over heels in love with the twenty-nine year old sassy African American defense attorney. When the two meet one evening at a report of a burglary in progress at Sonja and her roommate Chelsea's home, Steve is immediately smitten by the beautiful lawyer. They begin a tumultuous, sexually charged affair, laden with landmines and hurdles. Can the two unite and become committed to each other? Or will they allow the outside world to tear them apart? In a world where differences matter, Steve and Sonja have an uphill battle.

The Miller's Tale by Geoffrey Chaucer

Author Michael Alexander: Michael Alexander is Emeritus Professor of English Literature, University of St Andrews, UK. He is a poet and translator and has international experience of teaching English literature, both medieval and modern. Author Michael Alexander: Michael Alexander is Emeritus Professor of English Literature, University of St Andrews, UK. Therefore I start with an introduction of the content, that includes the general prologue, the prologue to the tale and the tale itself.

The Existential Dichotomies of Chaucer's 'The Miller's Tale' and 'The Reeve's Tale'

Unlock the more straightforward side of The Miller's Tale with this concise and insightful summary and analysis! This engaging summary presents an analysis of The Miller's Tale by Geoffrey Chaucer, a humorous fable from the Canterbury Tales. It is narrated by the eponymous Miller, whose drunkenness leads him to select a bawdier tale to tell his fellow travellers than he perhaps meant to. It tells the story of John the carpenter and his much younger wife Alisoun, who is seduced by the scholar who lodges with the couple. However, John is paranoid that his wife might be cuckolding him, and keeps a careful eye on her, leading the lovers to come up with a truly outlandish scheme to outwit him and steal away to spend the night together. Geoffrey Chaucer was the author of The Canterbury Tales, a collection of stories which is one of the earliest known examples of English-language literature and has been a key influence on subsequent generations of writers. Find out everything you need to know about The Miller's Tale in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? The Miller's Tale

Essay from the year 2011 in the subject English Language and Literature Studies - Literature, grade: 2.1, Churchill College, Cambridge (-), language: English, abstract: A comparative analysis of the two of Chaucer's bawdiest tales, exploring the very differing philosophy that underpins each tale.

Chaucer Miller's Tale

Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,0, Free University of Berlin (Institut für Englische Philologie), course: Geoffrey Chaucer's Canterbury Tales, 15 entries in the bibliography, language: English, abstract: When approaching an

investigation on the elements of courtly love in a piece of literature as for instance Geoffrey Chaucer's Miller's Tale, it seems more than reasonable to first of all clarify what the term actually means, i.e. what the focus of study is to be. Consequently, such a clarification constitutes the beginning and also the basis of the examination developed in the course of this paper. It might not be a clarification, however, but at least to a certain extent rather an illustration of the scholarly controversy connected with amour courtois and its English equivalent. Still, ample characteristics of the concept behind the term will be found which are suited to be analyzed in the light of their application in the Miller's Tale. A preceding brief observation of Chaucer's Knight's Tale in the context of this issue is inserted for the purpose of gaining a more differentiated view onto the appearance of elements of courtly love in the second of the Canterbury Tales. A final conclusion will sum up central findings. Since its introduction in the nineteenth century a lot of controversy has surrounded the term amour courtois, as far as its use and necessity are concerned. What are the reasons for such difficulties in finding consent here and what are the various connotations involved in the idea of courtly love? It is by no means possible to thoroughly illustrate all conflicting positions in detail on the following pages, but some significant arguments will be outlined hereafter. A brief look at the development of the notion of courtly love might be helpful in reaching a better understanding of the issue at hand. Where does the term actually come from? When was it developed and by wh

The Miller's Tale, from Chaucer. Inscrib'd to N. Rowe, Esq; by Mr. Cobb

Each book in this established series contains the full and complete text, and is designed to motivate and encourage students who may be writing on these challenging writers for the first time. It contains useful notes to add depth and knowledge to students' understanding, comments to explain literacy and historical allusions, tasks to help students explore themes and issues, and suggestions for further reading.

The Miller's Tale by Geoffrey Chaucer (Book Analysis)

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Existential Dichotomies of Chaucer's 'The Miller's Tale' and 'The Reeve's Tale'

Spirit of the Season is the incredible story of one man's selfless journey to achieve the impossible. Set in the realistic and earthy environment of 18th-century England, Brian Lamont's startling narrative also refers to some of the darker aspects of the Industrial Revolution and introduces the listener to a host of colourful characters who are brimming with old-world charm. As mid-winter approaches, there unfolds a humorous, moving, and powerfully uplifting festive tale - for everyone.

Chaucer, The Miller's Tale

What are the reasons for such difficulties in finding consent here and what are the various connotations involved in

the idea of courtly love? It is by no means possible to thoroughly illustrate all conflicting positions in detail on the following pages, but some significant arguments will be outlined hereafter. A brief look at the development of the notion of courtly love might be helpful in reaching a better understanding of the issue at hand. Where does the term actually come from? When was it developed and by whom? BOASE states that the "term amour courtois was coined by Gaston Paris [...] in 1883." He adds that it is disputed amongst scholars, whether the idea of courtly love is an invention of the Middle Ages." LEWIS believes that courtly love appeared "quite suddenly at the end of the eleventh century in Languedoc". He continues that it was introduced by Provençal Troubadours and served as an influential factor in European literature up to the nineteenth century.

Elements of Courtly Love in Geoffrey Chaucer's 'Miller's Tale'

The Miller's Tale: Wahala Dey O! brings to life Chaucer's medieval pilgrimage transposed to a prayer retreat in Lagos, Nigeria, where a drunken miller tells of the wahala of a wealthy Urhobo carpenter tricked by his teenage wife and her lovers. The play weaves Chaucerian satire together with song, dance, and social commentary of modern Nigeria, asking bold questions about the fragile human emotions of fear, love, revenge, and our incessant need for gossip. This edition of Wahala Dey O! represents the collective work of four undergraduates of the Department of English and Drama at the University of Toronto-Mississauga, under the guidance of chief editor Jessica Lockhart. With the help of Ufuoma Overo-Tarimo and Olatunji Sotomirin and the support of Alexandra Gillespie and the University of Toronto-Mississauga, we are glad to present Wahala Dey O! in print form, exposing the play to a wider readership for the first time.

Oxford Student Texts: Geoffrey Chaucer: The Miller's Tale

In this perceptive critical study John Cunningham places the story within the context of the overall framework of "The Canterbury Tales"

The Knight's Tale

Contains full transcripts of the text of the fifty-eight pre-1500 manuscripts and printed editions of The Miller's tale, plus images of all the pages, collations to show the differences between each version, commentary, and access to every word and variant.

Spirit of the Season

In these imaginative modern parables illustrating the human quest for the divine, much-loved writer Margaret Silf shows how ordinary experience can reveal shafts of God's mystery.

Elements of courtly love in Geoffrey Chaucer's 'Miller's Tale'

The classic collection of beloved tales, both sacred and profane, of travelers in medieval England. Complete and Unabridged.

The miller's tale and the reeve's tale

SHORTLISTED FOR THE TED HUGHES PRIZE 2015 Tabard Inn to Canterb'ry Cathedral, Poet pilgrims competing for free picks, Chaucer Tales, track by track, it's the remix From below-the-belt base to the topnotch; I won't stop all the clocks with a stopwatch when the tales overrun, run offensive, or run clean out of steam, they're authentic and we're keeping it real, reminisce this: Chaucer Tales

were an unfinished business. In Telling Tales award-winning poet Patience Agbabi presents an inspired 21st-Century remix of Chaucer's Canterbury Tales retelling all of the stories, from the Miller's Tale to the Wife of Bath's in her own critically acclaimed poetic style. Celebrating Chaucer's Middle-English masterwork for its performance element as well as its poetry and pilgrims, Agbabi's newest collection is utterly unique. Boisterous, funky, foul-mouthed, sublimely lyrical and bursting at the seams, Telling Tales takes one of Britain's most significant works of literature and gives it thrilling new life.

The Miller's Tale

Seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 66 (A-), University of Warwick (Department of English), course: Medieval to Renaissance English Literature, 7 entries in the bibliography, language: English, abstract: "I have a wyf, the worste that may be," says the merchant in his prologue of Chaucer's Canterbury Tales (E.1218). However, in the beginning of the Franklin's Tale, the narrating voice speaks of "the joye, the ese, and the prosperitee / That is bitwixe an housbonde and his wyf" (F.804-05). This example shows how little unanimity there is among the characters of the Canterbury Tales when it comes to marriage, be they the pilgrims or be they the characters within the pilgrims' tales. The aim of the present paper is to show the various ways in which Chaucer represents marriage in the Canterbury Tales. I will refer to The Miller's Prologue and Tale, The Wife of Bath's Prologue and Tale, The Merchant's Prologue and Tale and to The Franklin's Tale. The first three chosen tales show marriage in a deformed shape, as a relationship over which predominance of one sex over the other and / or a strong economic interest are hovering and lead to unpleasant incidences. The fourth tale depicts wedlock as an ideal kind of marriage, a state of mutual connectedness in which values like patience, fidelity, generosity and nobility can be explored (lecture). I will support those claims with an analysis of the tales taken each by its own. I will also examine them as interrelated elements of what is considered a "marriage debate" (Hussey 135). According to this theory, the Franklin's Tale is seen as the solution and final element of a debate which begins with the Wife of Bath and runs through The Clerk's Tale and The Merchant's Tale.

The Valley of Hope

Set in the early 1970s, the Valley of Hope follows a group of expatriates, predominately Americans and Australians, who are engaged at the forefront of Indonesia's ambitious quest for petroleum riches. They work for the Indonesian company NUKI—Nusa Udara Kisaran Indonesia (Island Helicopters Indonesia)—the largest helicopter operator in Indonesia. It operates a fleet of venerable Huey helicopters of Vietnam War fame—the same helicopter that is being featured daily, along with body-counts from the war, on prime-time TV. For the multitude of oil field workers and support personnel manning the rigs in the interior of Borneo, the Huey is their only link to civilization and perhaps their only chance for survival if they became injured or afflicted with illness. the Huey is both life and death. Due to the rigorous demands on both the flight crews and the aircraft, accidents are a frequent occurrence. Most NUKI employees approach life with a lighthearted attitude and strive do everything possible to make their existence in Indonesia more enjoyable. Even so, some of them are in the process of coming to terms with the traumas of their wartime experiences, while others are dealing with relationship problems. the Valley of Hope provides glimpses of Indonesian customs and culture that help to explain how decades of endemic corruption have resulted in the turmoil and political instability that is shattering Indonesia today.

The Valley of Hope

An inspirational story that will resonate with all age groups from adults to teenagers, parents, mentors, and leaders, The Valley of Hope: A fable about self-discovery and a quest to find your true destiny takes us on an uplifting quest of self-discovery. Ping, a smooth little ball adopted by the Pong family is convinced his destiny is to be a golf champion. Misguidedly believing this is his true vocation, he strives valiantly to meet the aspirations of his family and bravely bears the vicious wrath of Thorn, his tutor in golf school, who whacks him relentlessly and fails miserably to get Ping to do anything right. Ping thinks he's a loser and finds solace among the Bad Balls for a while, but realises this too is not his true calling. Befriended by intriguing characters like Sunny the Sunflower, Chippie, Daphne, and Gardenia, Ping recognises the value of true friends, who strengthen his resolve and support him through his trials and tribulations as well as the joys and triumphs of his journey. With the help of Great Ping Fu, who acts as his guide and mentor, Ping encounters the lessons and mysteries of the Less Travelled Road, the Path Unknown, the Gardens of Criticism, Destruction, Forgiveness and Resentment to find his way onto the Destiny Train that sees him fulfil his potential. His journey ends in the Valley of Hope, where he discovers his true destiny. Carolyn Landesman is an inspirational leader, executive coach,

and motivator. She believes in the power of self-help to change your life. Publisher's website: <http://sbpra.com/CarolynLandesman>

The Valley of Hope

Hope Valley is the story of two women, one Jewish-Israeli and one Palestinian-Israeli, who come together to form the unlikeliest of friendships. Tikvah and Ruby meet one summer day right before the outbreak of the 2nd intifada, in the Galilean valley that separates the segregated villages in which they live. The valley Ruby's father had called Hope came to symbolize the political enmity that has defined the history of two nations in this troubled land and which has led to parallel cultures with little meaningful interaction between them. Tikvah, a fifty-two-year old artist from Long Island, is the daughter of Holocaust survivors and was raised in a loveless and lifeless household. Ruby, a world-renowned Palestinian-Israeli artist, returns to her childhood village from a life abroad to be treated for her worsening cancer. At first, Ruby pursues Tikvah's friendship to get into Tikvah's house and retrieve the diary Ruby's father had left behind when his family was expelled from that same house in the 1948 war. But as their friendship grows, they not only open up to each other's narratives and humanity, but uncover secrets from their own lives. Tikvah's and Ruby's stories show both the strength and fragility of family ties, the power that trauma and fear has in shaping our lives, the strength we muster to face death and suffering, the vicissitudes of marriage and the glorious meaning of friendship. Their lives tap into the primal need for connection, as well as the rich and transformative bonds that can be formed from synchronistic encounters. In Hope Valley we meet two strong women from nations in conflict, who circle each other and, in recognizing each other's pain, offer us hope that fear and resentment can grow into love.

Hope Valley

The fascinating and true account of one man's journey from the clutches of evil, depths of sin and wrong side of everything into the glorious light of God's Kingdom! From being born in a prison to being born again at an old-fashioned altar, this book will captivate, inspire, and stir you like few things you've ever read or heard.

The Door of Hope

FROM THE #1 BESTSELLING AUTHOR 'If you like your conspiracies twisty, your action bone-jarring, and your heroes impossibly dashing, then look no farther' MARK DAWSON

Hope in the Valley

This book is about the many true to life and factual experiences that I have had to face, that involved my own personal struggles with incurable and progressive life-threatening illnesses, the possibility of dying, and the unimaginable circumstances which I faced that seemed to be against all odds.

Valley of Death (Ben Hope, Book 19)

This book is about the many true to life and factual experiences that I have had to face, that involved my own personal struggles with incurable and progressive life-threatening illnesses, the possibility of dying, and the unimaginable circumstances which I faced that seemed to be against all odds. It is my hope that after reading this book, and the many passages of scripture from the Bible that are included within it, that you will come to understand that no matter how dire the circumstances a person is faced with during one's life, that no matter how dark, deep, lonely, or long the valley may be, that there is always hope, that there is indeed a light at the end of every tunnel, that prayer is very much real, and that miracles do indeed happen every day.

Hope Valley

Hope in the Valley By: Penny Heggie Austin Tom and Ellen have both had their share of struggles, but from the moment they meet, they can't help their strong attraction to each other. As their love grows, the world around them becomes more complicated with a past that won't leave Tom alone. With the help of family, friends, each other, and God, Tom and Ellen will find the happiness for which they've been searching.

Through the Valley

Penelope Bourdillon felt moved to write this book six years after her beloved husband died. Her fervent hope is that some sentence, paragraph or chapter will speak deeply into the heart of each of her readers. She believes that by sharing her personal journey of grief it could help others in their suffering. Of course everyone's experience is different, and Penelope never says that it is going to be easy, but she suggests that there are ways of easing the pain - not least by having total faith and trust in God.

Through the Valley A Diary of Hope

This book is about the many true to life and factual experiences that I have had to face, that involved my own personal struggles with incurable and progressive life-threatening illnesses, the possibility of dying, and the unimaginable circumstances which I faced that seemed to be against all odds. It is also available in paperback and the Kindle Edition on Amazon and Barnes and Noble, and also in the Audio Book format on iTunes, Audible, and on Amazon.com as well.

Hope in the Valley

Charlie couldn't understand it. No one could. He was the only one of Bill Polk's five children who was hated and abused. Forced to leave home with only the clothes on his back and an extraordinary (some said "supernatural") gift, Charlie sets out on a quest for hope, acceptance, and love. He is determined to shed the curse of his father's bad reputation and to discover why he was so severely mistreated. Along the way he is reunited with three childhood friends: Frank Wissler III, from the wealthiest and most influential family in the Valley; Priscilla Miller, a beautiful and mischievous farm girl; and Mable Shown, an attractive but simple girl of faith. When Charlie rejects Priscilla's romantic intentions but instead proposes to Mable, Priscilla frames Charlie and the resulting scandal causes him to lose everything. Even Mable delays his betrothal request, awaiting a sign from God. Ultimately he does succeed, discovers the surprising reason for his father's hatred and ascends to the most prestigious farming job in the Valley, which can only be explained by the remarkable faith of his beloved Mable. In the Valley of Hope -- is set in the early twentieth Century, from 1907 to 1919, in the Shenandoah Valley of Virginia. The story chronicles the stark contrast between the haves and have-nots, from the aristocratic Wissler family of Strathmore to the middle and low-income families represented by the Millers, Showns, and Polks. The story is inspired by actual events and my grandmother's love letters that were stored in a keepsake chocolate box.

Hope in the Valley

Author Dave Branon knows how it feels to be plunged into the valley of grief. In 2002, his 17-year old daughter was killed in a car accident. In *Beyond the Valley*, he offers honest, wrestling questions and insights to help you as you struggle through the death of a loved one. Now almost 20 years after his loss, he shares the truth about his own griefs and the assurance that God is still there. He has known the real doubts about God and His faithfulness that you may feel, and he wants you to know that there is hope.

Through the Valley A Diary of Hope

Time, The Universe, And America... In a country a lot like our own, in a time a little bit like now, Bibi Brown is an ordinary young man with an extraordinary destiny. Bibi, the first male in twelve generations of Browns not to have taken his own life, has a furious crush on a beautiful nine-fingered woman and an unbearable urge to understand the meaning of Time, the Universe, and America. So Bibi begins his quest--careening through a world of bizarre cults, gravity-defying crones, and lunatics of every stripe--all for a chance to meet his long-lost uncle Otto, a legendary junk-dealer who lives on the Hope Valley Hubcap Ranch. Because in a world that is spinning a little too fast, and a little too wildly, Bibi's destiny is to find the essence of hope, the beauty of hubcaps, and the meaning of life in the Valley of the Hubcap King.... With a touch of *Candide*, a dash of *Don Quixote*, and healthy dose of Zen, Sean Murphy's wondrous, riotous novel is the story of an ordinary man searching through a hilariously off-kilter world--for the truths that might just save us all.

The Valley of Achor, a Door of Hope; Or, the Grand Issues of the War. A Discourse [on Hos. li. 15], Etc

Hope through the valley is a thirty-day devotional that will encourage, strengthen, and challenge you in the scriptures as you face difficulties in life. You will have the opportunity to do what the scriptures

instruct. Anyone can read or hear the word and most will go about their day and forget all about it, but putting the word into action takes strength, faith, hope and purpose. James 1:22-24, But be doers of the word, and not hearers only, deceiving yourselves. For if anyone is a hearer of the word and not a doer, he is like a man observing his natural face in a mirror; for he observes himself, goes away, and immediately forgets what kind of man he was. Understand that this trial is not in your life to ruin you, its here to instruct, challenge and grow you. Romans 5:3-4, And not only that, but we also glory in tribulations, knowing that tribulation produces perseverance; and perseverance, character; and character, hope. Now hope does not disappoint, because the love of God has been poured out in our hearts by the Holy Spirit who was given to us. In reading Hope through the valley for thirty days my prayer is that you will be impacted by the love and grace of God, reignited in your faith, strengthened by the mighty hand of God, and that you will find a new perspective of your situation as you pray and do the word. Dont stop at just thirty days of Hope Through the Valley, read it again and relive the challenges.

In the Valley of Hope

Psalm 23 is the most influential poem in history. Even if you did not grow up in a faith tradition, you have probably heard, "The Lord is my shepherd," or "Even though I walk through the valley of the shadow of death." If you are searching for something greater and bigger than yourself, and you are not sure if the Bible is the place to find it, then this book is for you. If you can recite Psalm 23 without making a mistake, it might be easy to forget its beauty and significance. Maybe you have read it a hundred times and heard many sermons from Psalm 23. If this is true of you-then this book is for you. May you may recapture the heart of the Good Shepherd. Psalm 23 has given hope to millions worldwide. This book was written so you too can find hope.

Beyond the Valley

Describes the development of the Apple Macintosh through a variety of anecdotes, photographs, and sketches.

The Hope Valley Hubcap King

This book is about the many true to life and factual experiences that I have had to face, that involved my own personal struggles with incurable and progressive life-threatening illnesses, the possibility of dying, and the unimaginable circumstances which I faced that seemed to be against all odds. Readers will be able to imagine intricate details and will be deeply moved by what the author recalls in the book. Essential front pages such as an introduction, a table of contents, and dedication, are crisp and organized for readers themselves. The author also outlines the purpose of the book in a clear language and provides an enlightening commentary as well. This book is also sure to leave an impact on readers and expose them to new concepts. The final chapter summarizes the contents of the book in a concise manner, leaving the reader with insightful content to focus on as well. Available for sale in Hardcover, Paperback- (Regular and Large Print), Kindle E-Book, and Audio Versions.

Hope Through the Valley

Excerpt from The Valley of Achor: Or Hope in Trouble How strange the arrangement, that the day should rise from the bosom of night I - Yet more astonishing how grace brings light out of darkness, Joy out of sorrow, and hope out of trouble. Nothing seems more clearly written upon the workings of providence, and the economy of grace, than the scripture truth, God's ways are not as our ways, nor his thoughts, as our thoughts. The Valley of Hope

Penelope Bourdillon felt moved to write this book six years after her beloved husband died. Her fervent hope is that some sentence, paragraph or chapter will speak deeply into the heart of each of her readers. She believes that by sharing her personal journey of grief it could help others in their suffering.

Of course everyone's experience is different, and Penelope never says that it is going to be easy, but she suggests that there are ways of easing the pain - not least by having total faith and trust in God.

Through the Valley

Late one August evening, Amy Conner was awoken from her sleep and given the most devastating news she had ever received. Her husband, Curt, had died (at the painfully young age of thirty-two) in an accident while hunting. She and her two young children, ages four and two at the time, were sent reeling into grief. With the unending support from her friends and family, Amy was eventually able to find herself in a place of healing and hope. She has written this book for her children to remind them of the honorable and loving man their father was. In addition, she has felt compelled to help any young widow who has had to suffer a loss such as hers by sharing her story. There is light, strength, and peace to be found in this walk in the valley of the shadow of death (reference to the Bible's Psalm 23). You just have to open your heart and believe.

The Valley of Achor; Or, Hope in Trouble

From the author of *The Farm*, this is the story of twentieth century working-class England through four generations of a Yorkshire mining family

Revolution in The Valley [Paperback]

This is the story of one of the lesser known Civil War battles. It was a brief yet violent battle over the control of the mountain turnpikes and supply lines that provided access to the West.

Through the Valley a Diary of Hope

Twelve-year-old Indian-American Pandita Paul deals with change, grief, friendship, and growing up in a community facing a housing crisis.

The Valley of Achor

Can God be good when life is not? Rediscover faith in the character, power, and presence of God. Even in the questions. Even in the hurt. "I want to believe, I want to have hope, but . . ." Pastor and bestselling author Craig Groeschel hears these words often and has asked them himself. We want to know God, feel his presence, and trust that he hears our prayers, but in the midst of great pain, we may wonder if he really cares about us. Even when we have both hope and hurt, sometimes it's the hurt that shouts the loudest. In *Hope in the Dark*, Groeschel explores the story of the father who brought his demon-possessed son to Jesus, saying, "I believe! Help my unbelief!" In the man's sincere plea, Jesus heard the tension in the man's battle-scarred heart. He healed not only the boy but the father too, driving out the hopelessness that had overtaken him. He can do the same for us today. As Groeschel shares his pain surrounding the health challenges of his daughter, he acknowledges the questions we may ask in our own deepest pain: "Where was God when I was being abused?" "Why was my child born with a disability?" "Why did the cancer come back?" "Why are all my friends married and I'm alone?" He invites us to wrestle with such questions as we ask God to honor our faith and heal our unbelief. Because in the middle of your profound pain, you long for authentic words of understanding and hope. You long to know that even in overwhelming reality, you can still believe that God is good. *Hope in the Dark* is also available in Spanish, *Esperanza en la Oscuridad*.

Hope in the Valley

Dubbed the Indiana Jones of wildlife science by *The New York Times*, Alan Rabinowitz has devoted—and risked—his life to protect nature's great endangered mammals. He has journeyed to the remote corners of the earth in search of wild things, weathering treacherous terrain, plane crashes, and hostile governments. *Life in the Valley of Death* recounts his most ambitious and dangerous adventure yet: the creation of the world's largest tiger preserve. The tale is set in the lush Hukaung Valley of Myanmar, formerly known as Burma. An escape route for refugees fleeing the Japanese army during World War II, this rugged stretch of land claimed the lives of thousands of children, women, and soldiers. Today it is home to one of the largest tiger populations outside of India—a population threatened by rampant poaching and the recent encroachment of gold prospectors. To save the remaining tigers, Rabinowitz must navigate not only an unforgiving landscape, but the tangled web of politics in Myanmar. Faced with a military dictatorship, an insurgent army, tribes once infamous for taking the heads of their

enemies, and villagers living on less than one U.S. dollar per day, the scientist and adventurer most comfortable with animals is thrust into a diplomatic minefield. As he works to balance the interests of disparate factions and endangered wildlife, his own life is threatened by an incurable disease. The resulting story is one of destruction and loss, but also renewal. In forests reviled as the valley of death, Rabinowitz finds new life for himself, for communities haunted by poverty and violence, and for the tigers he vowed to protect.

Hope Valley Through Time

The story of a young, loving Belgian couple who immigrate to the New World to escape persecution and certain death to find a better life and raise their new family. Guillaume and Adrienne de la Vigne are real people who lived in the 16th and 17th Centuries. Heirs to a family business, they finally decide to leave their ancestral city and all behind as the Spanish Inquisition is closing in. A spell-binding story of family love, commitment, fear and struggle in a post-Renaissance world, this three part story begins at the time of an unexpected return of the Black Plague as the family patriarch sacrifices his life to save his family. A record breaking cold and stormy winter almost destroys the Netherlands. Then starvation and fires, and roving bands of ruffians and troublemakers are upon them. Still the family continues as their Protestant brothers and sisters and their faith sustains them. Much of the story takes place in the small city of Valenciennes-- the valley of swans--in southern Belgium, and later in the safe northern city of Amsterdam, away from the ruthless, ragtag armies of the King of Spain. Finally, the de la Vignes become the first of 30 families selected by the Dutch West India Company to establish a permanent fur trading settlement in and around what is today New York City. This historical novel is the result of twenty years of careful research and translation of source documents by the author, a descendant of the de la Vignes.

As We Walk Through the Valley

Piers Brendon's magisterial overview of the 1930s is the story of the dark, dishonest decade - child of one world war and parent of the next - that determined the course of the twentieth century. Dealing individually with each of the period's great powers - the USA, Germany, Italy, France, Britain, Japan, Spain and Russia - Brendon takes us through the ten years dominated by the Great Depression and political turmoil. When Broadway, Piccadilly Circus, the Kurfurstendamm and the Ginza - neon metaphors of hope after four years of carnage - grew dim as the giants of unemployment, hardship, strife and fear took their hold. From the concentration camps of Dachau and Kolyma, the Ukraine famine and the American Dust Bowl, to the Moscow metro, the Empire State Building and the Paris Exposition, *The Dark Valley* brings the 1930's back to life through meticulous scholarship. Brendon examines the great leaders - Hitler, Stalin, Mussolini, Mao Tse-Tung, Haile Selassie and countless others - not with hindsight but in the context of their age; but also, through a vivid chronicling of contemporary experience, he gives us a sense of what it was to be living then.

The Valley

Through the Valley is the captivating memoir of the last U.S. Army soldier taken prisoner during the Vietnam War. A narrative of courage, hope, and survival, *Through the Valley* is more than just a war story. It also portrays the thrill and horror of combat, the fear and anxiety of captivity, and the stories of friendships forged and friends lost. In 1971 William Reeder was a senior captain on his second tour in Vietnam. He had flown armed, fixed-wing OV-1 Mohawks on secret missions deep into enemy territory in Laos, Cambodia, and North Vietnam on his first tour. He returned as a helicopter pilot eager to experience a whole new perspective as a Cobra gunship pilot. Believing that Nixon's Vietnamization would soon end the war, Reeder was anxious to see combat action. To him, it appeared that the Americans had prevailed, beaten the Viet Cong, and were passing everything over to the South Vietnamese Army so that Americans could leave. Less than a year later, while providing support to forces at the besieged base of Ben Het, Reeder's chopper went down in a flaming corkscrew. Though Reeder survived the crash, he was captured after evading the enemy for three days. He was held for weeks in jungle cages before enduring a grueling forced march on the Ho Chi Minh Trail, costing the lives of seven of his group of twenty-seven POWs. Imprisoned in the notorious prisons of Hanoi, Reeder's tenacity in the face of unimaginable hardship is not only a captivating story, but serves as an inspiration to all. In *Through the Valley* William Reeder shares the torment and pain of his ordeal, but does so in the light of the hope that he never lost. His memoir reinforces the themes of courage and sacrifice, undying faith, strength of family, love of country, loyalty among comrades, and a realization

of how precious is the freedom all too often taken for granted. Sure to resonate with those serving in the armed forces who continue to face the demands of combat, *Through the Valley* will also appeal especially to readers looking for a powerful, riveting story.

Green Brier!

A lyrical and poignant gift from one of America's great storytellers. On a sunny summer day in 1948, Noah Locke arrives in Bowerstown, a small North Carolina community bordered by lakes and set deep in the Valley of Light. A quiet, simple man and a war veteran, Noah has a mystical gift for fishing, yet he remains haunted by the war and by the terrible scenes he witnessed when his infantry unit liberated Dachau. His wandering -- doing odd jobs and catching fish for sale or trade -- is both an escape from his past and a search for a place to call home. In the valley, Noah is initially treated with amusement by the locals he meets at Taylor Bowers's general store -- until he begins fishing. Once they see his almost magical skills, however, he becomes the talk of the valley and is urged to stay long enough to participate in the annual school fishing contest. He agrees, accepting a job offer by Taylor to paint his store when he isn't filling orders for fish. He finds lodging in an abandoned shack by a small lake the locals call the Lake of Grief and, also, the Lake of No Fish, because they think all the fish have disappeared. Noah knows they are wrong. Beneath the water is a warrior bass waiting to test Noah's gift. In the way that innocence creates powerful events, Noah meets Eleanor Cunningham, a young widow whose husband supposedly killed himself after returning home from the war. Over the course of a week, Noah will be led into the secret lives of the residents of the Valley of Light, will join them as they mourn a tragedy, and will experience a miracle that will guide him home at last. Luminous, memorable, and deeply moving, *The Valley of Light* is the finest work to date from a brilliant storyteller.

Hope in the Valley

The second book in a fantasy series about the Dwarons, a small, peaceful non-firebreathing variety of dragon, living on the island of Divinia. Their idyllic existence on the secluded island is threatened, till they find the 'light at the end of the tunnel'.

Hope in the Dark

The Valley of Achor, a Door of Hope

There is Still Hope (Volume 1)

Every Christian goes through a period in life when everything becomes dull, painful and dry. Surely, there are no easy answers to life's tragedies for they can be very terrible and unbearable. However, one thing is certain: Such seasons eventually come to pass away and through them, our love for God is often strengthened. This Volume has been put together to remind the reader of the unwavering availability of HOPE in God through any and every season of life. The entries in this Volume are meant to assure you that you can be transformed through the trials and temptations of life. May you be marvellously helped by this resource in your life's journey.

There is Still Hope (Volume 2)

Every Christian goes through a period in life when everything becomes dull, painful and dry. Surely, there are no easy answers to life's tragedies, for they can be very terrible and unbearable. However, one thing is sure: Such seasons eventually pass away, and our love for God is often strengthened through them. This Volume has been put together to remind the reader of the unwavering availability of HOPE in God through any and every season of life. The entries in this Volume are meant to assure you that you can be transformed through the trials and temptations of life. May you be marvellously helped by this resource in your life's journey.

There Is Still Hope

Find hope in trying times. We're living through extraordinary times. Everyday brings new, once unfathomable strain. Living with that stress takes a toll on our physical and emotional well-being. Learning to not only survive these trying times can feel so overwhelming you don't know where to begin. Thriving despite the turmoil sounds like an oxymoron, but it's not impossible if you know where to begin. "There is Still Hope" is a timely book of insightful poems and meaningful words of encouragement aims to

guide through the inevitable difficult days ahead and to inspire you to be a changemaker for yourself and those around you with simple gestures, moments of much-needed joy, and reflection that inspires action. If you like peace and happiness is not an option during difficult days or you need inspiration to help you endure whatever you may be experiencing or you want motivation to make a difference in someone else's life, "There is Still Hope" will move you to take action, find solutions, and embrace the good that still exists in this world, and most especially, in your life.

There is Still Hope (Volume 4)

Every Christian goes through a period in life when everything becomes dull, painful and dry. Surely, there are no easy answers to life's tragedies for they can be very terrible and unbearable. However, one thing is certain: Such seasons eventually come to pass away and through them, our love for God is often strengthened. The entries in this Volume are meant to assure you that you can be transformed through the trials and temptations of life. May you be marvellously helped by this resource in your life's journey.

There is Still Hope (Volume 3)

Every Christian goes through a period in life when everything becomes dull, painful and dry. Surely, there are no easy answers to life's tragedies, for they can be very terrible and unbearable. However, one thing is sure: Such seasons eventually pass away, and our love for God is often strengthened through them. This Volume has been put together to remind the reader of the unwavering availability of HOPE in God through any and every season of life. The entries in this Volume are meant to assure you that you can be transformed through the trials and temptations of life. May you be marvellously helped by this resource in your life's journey.

As Long as There Is Breath in Your Body, There Is Still Hope

Sharing the gritty details of her own journey, as well as the real-life stories of those she has helped, Rosalind shows you how to renew your own journey of hope. This book will teach you how to adopt a hopeful lifestyle, make a difference in the lives of others through the power of hope, and change the world, one person at a time.

There is still a hope

About The Book The book "There is still a hope" is all about keeping the hope alive. The changing lifestyle of people where stress has become a norm is affecting their mental development adversely. We are witnessing a drastic surge in anxiety and depression related issues among masses. Everyone who is capable of contributing to the cause is doing so through different ways. A good book is considered to be of a great help and this book is compiled with the same purpose. The book consists of fictitious stories written by different authors. In all the stories, writers have portrayed the hope that keeps the life going on. Anyone can connect to these stories so well that they can find their motivation to give everything a one more attempt. The book is based on the theme of motivation. Every so often, we all need that one push to continue and not give up, so, this book is meant to be that push in anyone's life.

Take Me There

Seventeen-year-old Dylan Dawson is trying to pull his life together after his release from juvenile hall. But going straight isn't easy, and Dylan just can't seem to keep out of trouble. His problems escalate fast, and soon he has no choice but to hit the road, even though it means leaving behind the girl of his dreams. He heads south for Texas, on the run and in search of his father. (Dylan has no idea how his life became such a mess, but he knows that his dad is at the root of it.) When Dylan finds him, he certainly gets answers—but they're answers to questions he wishes he'd never asked.

Words Give Us Hope

Words Give Us Hope : NOTEBOOK For everyone still clinging to their dream, and for everyone who believes that there is still hope. A gift for friends, coworkers and family members. (120 pages, 6x9 in with white pages)

There Is Still Hope

It's a kid's worst nightmare to end up an orphan. With no one to turn to. The two people you ever knew and trusted are no longer walking the earth. Growing up in a middle class home with a loving mother and an alcoholic father who resorts to abuse when he's drunk. Jacqueline's life is turned upside down when a CPS worker shows up at her school with some bad news. Waking up one day and not knowing that you are going to be an orphan is the worst experience ever. Even after being abused occasionally by her father, she still loved him and never wanted him to die. She didn't think things would ever get better until she meets Trevor, a fellow orphan who befriends her. He gives her hope but that is all taken away when he has to leave abruptly. The two come back together in what she considers a miraculous way. And she believes that there is still hope after all.

Lily Dawn FBI Suspense Thriller Bundle: Still Alive (#1), Still Hope (#2), and Still Awake (#3)

A bundle of books #1 (STILL ALIVE), #2 (STILL HOPE), and #3 (STILL AWAKE) in Ava Strong's Lily Dawn FBI Suspense Thriller series! This bundle offers books one, two, and three in one convenient file, with over 100,000 words of reading. FBI BAU Special Agent Lily Dawn, half Dutch, half Hispanic, raised in the Caribbean, knows the isles like the back of her hand. When a surge in serial killers in the region prods the FBI to assemble a task force, Lily is the natural choice. But Lily is reluctant to face the demons of her past, including her missing sister. "The plot has many twists and turns, but it is the ending, which I did not see coming at all, that totally defines this book as one of the most riveting that I have read in years." —Reader review for Not Like Us In STILL ALIVE (Book #1), when a bloated body is found floating in international waters, twenty miles out at sea, Lily Dawn is called back to the Caribbean. But this is not a happy homecoming. She hasn't seen her parents since moving to Miami ten years ago, and now her sister has been declared legally dead. Can Lily stop the killer before he strikes again? Or will she sink under the weight of her past? In STILL HOPE (Book #2), when a new serial killer strikes, leaving victims on a series of remote islands, Lily gears up for a deadly game of cat and mouse. Will Lily be able to map out the killer's twisted mind? In STILL AWAKE (Book #3), when victims of a new serial killer appear at high end resorts on the Caribbean coast, it is up to Lily to uncover the truth. Who is this killer targeting? And why? A complex psychological crime thriller full of twists and turns and packed with heart-pounding suspense, the LILY DAWN mystery series will make you fall in love with a brilliant new female protagonist and keep you turning pages late into the night. Future books in the series are now also available.

Hope in the Dark

Bestselling author Rebecca Solnit reminds us that activism has changed the world in remarkable ways.

Still Waiting

What if God wants you to wait? Most of us know what it's like to wait for God to change our circumstances. But, whether we're waiting for physical healing, emotional breakthrough, or better relationships, waiting is something we usually try to avoid. Why? Because waiting is painful and hard. The truth is, it's also inevitable. In *Still Waiting*, Ann Swindell explores the depths of why God wants us to wait by chronicling her own compelling story of waiting for healing from an incurable condition. She offers a vibrant retelling of the biblical account of the Bleeding Woman that parallels her story—and yours, too. Let Ann help you see the promise that is hidden in the ache of waiting and the hope of what God can—and will—do as you wait on him.

Through Life's Storms There Is Still Hope and Victory

I am the second oldest of 10 children. This book tells of the constant abuse that we all suffered. How I was raped by a man that my mother knew and had a son. How this man kidnapped me for almost 4 months.

THERE IS STILL YET HOPE

story of my life and how God can change and bring victory into your life

There's Still Hope

This is a story of redemption for those who were led to believe there was no promise left for them. Exodus is the famous account of the Israelites, all the signs and wonders and miraculous deliverance. The only problem is... What happens when you're the one still in Egypt? The one who is surrounded by nothing but loss, pain, brokenness, and confusion-while the circumstances and heartaches of life keep telling you there's no future and no deliverer. This book takes the reader on a journey of redemption and restoration to bring faith back to those who believe they've been left behind, feel forgotten, and are hurting, dying, wondering... Is There Still Hope in Egypt?

Is There Still Hope in Egypt?

God desires that we know him. It is not until we come to understand who God is, that we can confirm who we are as the people of God, his church. Knowing and loving God, and affirming our identity in Christ are both necessary if we are to love our neighbors well. It is with this understanding-this desire to gain "Knowledge" or "Know God"-that we humbly approach our study of the Nicene Creed. Through this study, readers will first answer the question: What does the Nicene Creed say about God and about the church? Then we will answer the question: What does the Nicene Creed mean? Finally, we will explore together the significance of these truths for our own lives.

Hope for Us: Knowing God Through the Nicene Creed

Hope... what is Hope? Hope is something we rely on to get us through the toughest times in life, especially when we think there is no hope at all. Unfortunately, life can be that way, especially when there is no help to support us in our time of need. With that said, we have to remember that there is always hope, no matter what life can throw at us. Sometimes the circumstances can be awful, that is for sure, but the lack of support is what really makes it all so much worse than it should ever be. With all this said, no matter how bad things can get, there is always hope, no matter what. This book is a testimony about my life, and it is just one of many that can always show us hope, no matter what life can throw at us. Unfortunately, to understand hope, we sometimes have to understand hopelessness. For us to understand hope, we sometimes need to understand what it is really like to weather the storm. If we are really ready to get to know what hope really is, then please proceed with reading this book. Above all else, no matter what happens, please remember that hope is always there... always. No matter what, let there be Hope.

HOPE

Over two decades, *Still Hope For Suzi*, details the broken lives of the only passengers to survive a horrendous plane crash, a 22-year-old Australian and a nine-month-old American. Two ordinary

individuals struggling to escape extraordinary circumstances and how their lives are blighted in the aftermath of the disaster. Only together can they unlock the nightmare. Remarkable then that years later they should meet in England and fall in love – he is 41 and she is 19. But, finally fulfilled, at peace with their demons, happiness turns to heartache as a future together is torn from their grasp.

Still Hope for Suzi

The author's hope was lost when she developed a crippling and debilitating disease. Her own house became her lighthouse because it was her place to stay for safe harbor and refuge. The book follows her step by step until her hope is finally renewed through God.

There's Still Hope

This book shows men how to have a better relationship with their wives and children by understanding their relationship with God. This book will also educate single men in understanding who they are, and the cause and affect of every decision they make, whether good or bad. This book will also teach men the importance of leaving a legacy for their generation.

The Struggle Is Real, But There Is Still Hope

There is life in the desert! And a Small One a Strong Nation is a compilation of messages given by the inspiration of God and arranged by Dana Taylor to inspire the small one, the lack, the poverty, the dark, the hated and the envied. It will also lift up the confused, angered, afflicted, despised, forsaken, violent, wasted, and mourning. Topics to explain this unique method include: • Unction to Survive • Using Your Rut Cry • The Apple of Worth • The Power of No • A Personalized Purpose For every negative event that has transpired in your life, something positive is going to counteract that.

And A Small One A Strong Nation

"These were boys we knew, boys we trusted. 'They wouldn't do that to you,' she insisted. I wanted to believe her. But I couldn't..." On July 6, 2002, sixteen-year-old Alisa Kaplan woke, sick and disoriented, in the passenger seat of her car. She'd been at a party the night before, but there was a big blank hole where her own memories of the night should have been. So what happened at that party? Why couldn't she remember anything about the night before? As the appalling, terrifying details of that night began to surface, it ignited a media frenzy and a storm of controversy with Alisa trapped at the center: A straight-laced, straight-A student, sexually assaulted by three male friends-all caught on videotape. Her fight for justice pitted her against some of Southern California's most powerful families, and made her the target of a devastating smear campaign. Despite the evidence, the corruption and humiliation of her first trial resulted in a hung jury, and sent her spiraling into the oblivion of meth addiction. But on the threshold of her last chance and darkest moment, Alisa discovered: There was still room for hope. Now she recounts her gripping story of transforming from victim to survivor: How she got a second chance, broke her silence, and found faith and grace in God on her way to rebuilding a stronger, meaningful life. Courageous and heartbreaking, Alisa's hope-filled account demonstrates that redemption is always possible, and forgiveness can transform anyone.

Still Room for Hope

"Finally, a story about grieving that's not depressing. This is a book filled with hope that life does get better after the death of a loved one." A grateful reader Join former Navy Commander-turned evidential medium Suzanne Giesemann and her husband Ty, a retired U.S. Navy Captain, on a healing journey with three other couples, brought together by their children in the spirit world. These inspiring parents serve as shining examples of those who have experienced the devastating loss of a child, but whose joy in life has been restored through the awareness that their children continue to participate actively in their lives. This book is for you if you have a child or know someone with a child on the other side, are struggling with grief for a loved one who has passed, are seeking evidence of life after death, and/or enjoy true stories about the triumph of the human soul. This powerful true story of a very special voyage provides stunning evidence of how truly thin the veil that separates us from those who have passed can be. Through indisputable accounts of connection with their children and the personal transformations that result, these couples' stories offer comfort and reassurance to those seeking relief from grief and pain. You will come to know, as these parents do, that death is no more than a doorway to life beyond,

a life that continues to intersect with ours on a daily basis. Your loved ones are not gone. They are not lost. They are still right here.

Still Right Here: A True Story of Healing and Hope

There Is Still Hope

Rapidly disappearing bison in the late 1800s prompted progressive thinkers to call for the preservation of wild lands and wildlife in North America. Following a legendary hunt for the last wild bison in central Montana, Dr. William Hornady sought to immortalize the West's most iconic species. Activists like Theodore Roosevelt rose to the call, initiating a restoration plan that seemed almost incomprehensible in that era. Follow the journey from the first animals bred at the Bronx Zoo to today's National Bison Range. Glenn Plumb, retired National Park Service chief wildlife biologist, and Keith Aune, retired Wildlife Conservation Society director of bison programs, detail Roosevelt's conservation legacy and the landmark efforts of many others.

Theodore Roosevelt & Bison Restoration on the Great Plains

MSD, Dhoni, Mahi or Mahendra Singh Dhoni is not just the name of a person. It represents a culture in itself, a culture of sportsmanship, a mark of charisma and a never-say-die attitude at work. This book isn't yet another biography on Dhoni, nor it is a compilation of statistics on his cricket performance over the years. It is a commentary of his way of cricket and his art of living. Readers can choose to revel in this one-of-a-kind book on MSD, that presents a free-flow of how a genuine celebrity like him is perceived by a common fan. The name 'Dhoni' exudes rave fashion, a movement of goodness that comprises millions of heartbeats. With him, you never know when the lightning of cricket shots may strike upon the opposition team. Renowned for his prowess behind the stumps and for his much-talked-about 'Helicopter' shot as a batsman, Dhoni is no less than a rage in the cricket fraternity.

Stop There Is Still Hope for Your Marriage

For fashion journalist Lauren ("LoLo") Scruggs, a short flight to look at Christmas lights turned into a nightmare when she was struck by the plane's spinning propeller blades. As Lauren was rushed to the hospital, the world watched in shock and horror. Several major surgeries and thousands of prayers later, Lauren was still alive. But she had suffered brain trauma and lost her left hand and left eye. And she had to face some incredibly difficult questions: What kind of future will I have? Where is God in all this pain? Will anyone ever be able to love me now? In Still LoLo, Lauren and her family reveal what really happened that night, what Lauren's life is like today, what got them through their journey toward healing, and how they conquered all odds to persevere as a family. Containing exclusive photos and personal stories from Lauren and her family, Still LoLo is a compelling and fiercely beautiful account of faith, determination, and staying true to who you are—no matter what.

Littell's Living Age

When John Bergen's family bought a farm in the remote Strzelecki Ranges, they had no idea it would start them on a journey of discovery beyond their wildest dreams. Along the way, they gained friends and battled crooks, became captivated by the ranges' natural beauty, and received a rare glimpse into the fast-fading world of the isolated local culture. John Bergen's candid story is one of heartbreak and triumph, mistakes and forgiveness, loss and renewal. And through it all, John maintains a steadfast certainty that God is in control and always right beside him. That is, until he's confronted with circumstances that cause him to question his deepest convictions. At such a time, when faith is shaken and hope is faint, John learns the true value of perseverance.

MS Dhoni: the Magical Realist

We live in a world where Hope can be difficult to find and the hardships feel overwhelming. Join me in this book on a journey to share in both my sadness and deep struggles and also the joy and hope I

found. My life is still far from straight forward but I choose to be transparent about my ups and downs and my faith in God in the hope that others can relate and find hope and comfort in feeling understood but also in knowing that there is always hope.

Still LoLo
