The Lost Book of the White

From #1 New York Times bestselling authors Cassandra Clare and Wesley Chu comes the second book in the Eldest Curses series and a thrilling new adventure for High Warlock Magnus Bane and Alec Lightwood, for whom a death-defying mission into the heart of evil is not just a job, it's also a romantic getaway. The Lost Book of the White is a Shadowhunters novel. Life is good for Magnus Bane and Alec Lightwood. They're living together in a fabulous loft, their warlock son, Max, has started learning to walk, and the streets of New York are peaceful and quiet—as peaceful and quiet as they ever are, anyway. Until the night that two old acquaintances break into Magnus's apartment and steal the powerful Book of the White. Now Magnus and Alec will have to drop everything to get it back. They need to follow the

thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. Also, someone has stabbed Magnus with a strange magical weapon and the wound is glowing, so they have that to worry about too. Fortunately, their backup consists of Clary, Jace, Isabelle, and newly minted Shadowhunter Simon. In Shanghai, they learn that a much darker threat awaits them. Magnus's magic is growing unstable, and if they can't stop the demons flooding into the city, they might have to follow them all the way back to the source—the realm of the dead. Can they stop the threat to the world? Will they make it back home before their kid completely wears out Alec's mom?

His last before heading off to college in the fall where he won't have his best friend, Diego. Where—despite his social anxiety—he'll be left to make friends on his own. Knowing his time with Diego is limited, Isaac enacts a foolproof plan: snatch up a pair of badges for the epic comic convention, Legends Con, and attend his first ever Teen Pride. Just him and Diego. The way it should be. But when an unexpected run-in with Davi—Isaac's old crush—distracts him the day tickets go on sale, suddenly he's two badges short of a perfect summer. Even worse, now he's left making it up to Diego by hanging with him and his gamer buddies. Decidedly NOT part of the original plan. It's not all bad, though. Some of Diego's friends turn out to be pretty cool, and when things with Davi start heating up, Isaac is almost able to forget about his Legends Con blunder. Almost. Because then Diego finds out what really happened that day with Davi, and their friendship lands on thin ice. Isaac assumes he's upset about missing the convention, but could Diego have other reasons for avoiding Isaac?

The #1 New York Times and USA TODAY bestseller is now available at an incredible low price for a limited time only! Discover the "compulsively readable" (Booklist) first book in the Infernal Devices trilogy, prequel to the internationally bestselling Mortal Instruments series! Clockwork Angel is a Shadowhunters novel. When Tessa Gray crosses the ocean to find her brother, her destination is England, the time is the reign of Queen Victoria, and something terrifying is waiting for her in London's Downworld, where vampires, warlocks, and other supernatural folk stalk the gaslit streets. Only the Shadowhunters, warriors dedicated to ridding the world of demons, keep order amidst the chaos. Kidnapped by a secret organization called The Pandemonium Club, Tessa learns that she herself is a Downworlder with a rare ability: the power to transform into another person. What's more, the Magister, the shadowy figure who runs the Club, will stop at nothing to claim Tessa's power for his own. Friendless and hunted, Tessa takes refuge with the Shadowhunters of the London Institute, who swear to find her brother if she will use her power to help them. She soon finds herself fascinated by—and torn between—two best friends: James, whose fragile beauty hides a deadly secret, and Will, whose caustic wit and volatile moods keep everyone in his life at arm's length...everyone, that is, but Tessa. As their search draws them deep into the heart of an arcane plot that threatens to destroy the Shadowhunters, Tessa realizes that she may need to choose between saving her brother and helping her new friends save the world...and that love may be the most dangerous magic of all.

What Really Happened in Peru

Fans of The Mortal Instruments and The Infernal Devices know that Magnus Bane is banned from Peru—and now they can find out why. One of ten adventures in The Bane Chronicles. There are good reasons Peru is off-limits to Magnus Bane. Follow Magnus's Peruvian escapades as he drags his fellow warlocks Ragnor Fell and Catarina Loss into trouble, learns several instruments (which he plays shockingly), dances (which he does shockingly), and disgraces his host nation by doing something unspeakable to the Nazca Lines. This standalone e-only short story illuminates the life of the enigmatic Magnus Bane, whose alluring personality populates the pages of the #1 New York Times bestselling series The Mortal Instruments and The Infernal Devices. This story in The Bane Chronicles, What Really Happened in Peru, is written by Cassandra Clare and Sarah Rees Brennan.

Clockwork Prince

As the Council attempts to strip Charlotte of her power, shapechanger Tessa Gray works with the London Shadowhunters to find the Magister and destroy his clockwork army, learning the secret of her own identity while investigating his past.

It Ends with Us

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Chain of Gold

"A brand-new series in the Shadowhunter world."--Cover.

The Promise of Rain

They call him the Hound of Hell.... Lord Roland Strathmore has been ordered by the king to find and capture Lady Kyla Warwick, a noblewoman running from rumors of scandal and murder. One of England's fiercest warriors, Strathmore is torn between his loyalty to the king and his pledge to the elusive woman he has never met. For Strathmore was once betrothed to the fiery Lady Kyla--until her family's fall from grace halted plans for their union. When Kyla is seized by Strathmore, she vows to seek vengeance against the man she considers a traitor. But she's surprised when her hatred for her newfound enemy is matched by a powerful attraction--a temptation at odds with her desire to reclaim her freedom. Fueled by his own unspoken passion, Strathmore is willing to risk everything to help his beautiful captive discover the truth about her shocking past--even if only the most desperate act will save her from further ruin...or perhaps even death.

Ghosts of the Shadow Market

A #1 New York Times bestseller! From #1 New York Times and USA TODAY bestseller Cassandra Clare comes an exciting short story collection that follows Jem Carstairs as he travels through the many Shadow Markets around the world. *Ghosts of the Shadow Market* is set in the world of the Shadowhunters. The Shadow Market is a meeting point for faeries, werewolves, warlocks, and

vampires. There, the Downworlders buy and sell magical objects, make dark bargains, and whisper secrets they do not want the Shadowhunters to know. Through two centuries, however, there has been a frequent visitor to the Shadow Market from the very heart of the Shadowhunters' world. Jem Carstairs is searching through the Shadow Market, in many different cities over long years, for a relic from his past. Follow Jem and see—against the backdrop of the Shadow Market's dark dealings and spectacle—Anna Lightwood's doomed romance, Matthew Fairchild's great sin, and Tessa Gray as she is plunged into a world war. Valentine Morgenstern buys a soul at the Market and a young Jace Wayland's soul finds safe harbor. In the Market is hidden a lost heir and a beloved ghost, and no one can save you once you have traded away your heart. Not even Jem.

A #1 New York Times bestseller! "A rip-roaring adventure merged with satisfying romance." —*Entertainment Weekly* "[A] swashbuckling launch to the Eldest Curses series." —*Publishers Weekly* From #1 New York Times and USA TODAY bestseller Cassandra Clare and award-winner Wesley Chu comes the first book in a new series full of "swoon-worthy romance [and] abundant action" (*Publishers Weekly*). *The Red Scrolls of Magic* is a Shadowhunters novel. All Magnus Bane wanted was a vacation—a lavish trip across Europe with Alec Lightwood, the Shadowhunter who against all odds is finally his boyfriend. But as soon as the pair settles in Paris, an old friend arrives with news about a demon-worshipping cult called the Crimson Hand that is bent on causing chaos around the world. A cult that was apparently founded by Magnus himself. Years ago. As a joke. Now Magnus and Alec must race across Europe to track down the Crimson Hand before the cult can cause any more damage. Demons are now dogging their every step, and it is becoming harder to tell friend from foe. As their quest for answers becomes increasingly dire, Magnus and Alec will have to trust each other more than ever—even if it means revealing the secrets they've both been keeping.

The Mortal Instruments: The Graphic Novel, Vol. 1

The first installment of Cassandra Clare's bestselling urban fantasy series, The Mortal Instruments, is adapted into a graphic novel series! Hanging out with her best friend, Simon, is just about the most exciting thing in Clary's life...that is, until she realizes there are people only she can see. But when her mother disappears and a monster attacks her, Clary has to embrace a world that she never even knew existed--a world full of vampires, werewolves, demons, and those who fight for the humans, Shadowhunters...

The Promise of Rain

They call him the Hound of Hell.... Lord Roland Strathmore has been ordered by the king to find and capture Lady Kyla Warwick, a noblewoman running from rumors of scandal and murder. One of England's fiercest warriors, Strathmore is torn between his loyalty to the king and his pledge to the elusive woman he has never met. For Strathmore was once betrothed to the fiery Lady Kyla--until her family's fall from grace halted plans for their union. When Kyla is seized by Strathmore, she vows to seek vengeance against the man she considers a traitor. But she's surprised when her hatred for her newfound enemy is matched by a powerful attraction--a temptation at odds with her desire to reclaim her freedom. Fueled by his own unspoken passion, Strathmore is willing to risk everything to help his beautiful captive discover the truth about her shocking past--even if only the most desperate act will save her from further ruin...or perhaps even death.

Ghosts of the Shadow Market

A #1 New York Times bestseller! From #1 New York Times and USA TODAY bestseller Cassandra Clare comes an exciting short story collection that follows Jem Carstairs as he travels through the many Shadow Markets around the world. Ghosts of the Shadow Market is set in the world of the Shadowhunters. The Shadow Market is a meeting point for faeries, werewolves, warlocks, and vampires. There, the Downworlders buy and sell magical objects, make dark bargains, and whisper

secrets they do not want the Shadowhunters to know. Through two centuries, however, there has been a frequent visitor to the Shadow Market from the very heart of the Shadowhunters' world. Jem Carstairs is searching through the Shadow Market, in many different cities over long years, for a relic from his past. Follow Jem and see—against the backdrop of the Shadow Market's dark dealings and spectacle—Anna Lightwood's doomed romance, Matthew Fairchild's great sin, and Tessa Gray as she is plunged into a world war. Valentine Morgenstern buys a soul at the Market and a young Jace Wayland's soul finds safe harbor. In the Market is hidden a lost heir and a beloved ghost, and no one can save you once you have traded away your heart. Not even Jem.

Reindeer Boy

Quincy has the same dream every year on Christmas Eve - of finding a little boy holding a special gift for her under the tree - and every Christmas morning, she's awoken to find a gift wrapped in tinfoil with her name on it... When school resumes after the winter break, Quincy's class discovers they have an unusual new transfer student named Cupid. Ridiculously cute and friendly, the new boy has everyone both enamored and confused. Those antlers can't be real...can they?? With Cupid having seemingly set his sights on Quincy, it seems she'll be having a memorable year indeed!

A Manhattan teen—Raphael Santiago—is missing, and Magnus Bane must track him down before it's too late. One of ten adventures in The Bane Chronicles. In 1950s New York City, a distraught mother hires Magnus Bane to find her missing son, Raphael. But even if he can be found, is Raphael beyond saving? This standalone e-only short story illuminates the life of the enigmatic Magnus Bane, whose alluring personality populates the pages of the #1 New York Times bestselling series The Mortal Instruments and The Infernal Devices. This story in The Bane Chronicles, Saving Raphael Santiago, is written by Cassandra Clare and Sarah Rees Brennan.

Saving Raphael Santiago

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

The #1 New York Times and USA TODAY bestseller is now available at an incredible low price for a limited time only! Discover the "compulsively readable" (Booklist) first book in the Infernal Devices trilogy, prequel to the internationally bestselling Mortal Instruments series! Clockwork Angel is a Shadowhunters novel. When Tessa Gray crosses the ocean to find her brother, her destination is England, the time is the reign of Queen Victoria, and something terrifying is waiting for her in London's Downworld, where vampires, warlocks, and other supernatural folk stalk the gaslit streets. Only the Shadowhunters, warriors dedicated to ridding the world of demons, keep order amidst the chaos. Kidnapped by a secret organization called The Pandemonium Club, Tessa learns that she herself is a Downworlder with a rare ability: the power to transform into another person. What's more, the Magister, the shadowy figure who runs the Club, will stop at nothing to claim Tessa's power for his own. Friendless and hunted, Tessa takes refuge with the Shadowhunters of the London Institute, who swear to find her brother if she will use her power to help them. She soon finds herself fascinated by—and torn between—two best friends: James, whose fragile beauty hides a deadly secret, and Will, whose caustic wit and volatile moods keep everyone in his life at arm's length...everyone, that is, but Tessa. As their search draws them deep into the heart of an arcane plot that threatens to destroy the Shadowhunters, Tessa realizes that she may need to choose between saving her brother and helping her new friends save the world...and that love may be the most dangerous magic of all.

City of Bones

In the far northern reaches of civilization, a mermaid leaves the sea to look for her land-dwelling mother among people as desperate for magic and miracles as they are for life and love. Blood calls to blood; charm calls to charm. It is the way of the world. Come close and tell us your dreams. Sanna is a mermaid — but she is only half seavish. The night of her birth, a sea-witch cast a spell that made Sanna's people, including her landish mother, forget how and where she was born. Now Sanna is sixteen and an outsider in the seavish matriarchy, and she is determined to find her mother and learn who she is. She apprentices herself to the witch to learn the magic of making and unmaking, and with a new pair of legs and a quest to complete for her teacher, she follows a clue that leads her ashore on the Thirty-Seven Dark Islands. There, as her fellow mermaids wait in the sea, Sanna stumbles into a wall of white roses thirsty for blood, a hardscrabble people hungry for miracles, and a baroness who will do anything to live forever. "I have no doubt this will end up being the best fantasy debut of the year [...] I have absolutely no doubt that [Kuang's] name will be up there with the likes of Robin Hobb and N.K. Jemisin." -- Booknest A Library Journal, Paste Magazine, Vulture, BookBub, and ENTROPY Best Books pick! Washington Post "5 Best Science Fiction and Fantasy Novel" pick! A Bustle "30 Best Fiction Books" pick! A brilliantly imaginative talent makes her exciting debut with this epic historical military fantasy, inspired by the bloody history of China's twentieth century and filled with treachery and magic, in the tradition of Ken Liu's *Grace of Kings* and N.K. Jemisin's *Inheritance Trilogy*. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn't believe a war orphan from Rooster Province could pass without cheating; to Rin's guardians, who believed they'd finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sineward—the most elite military school in Nikan—was even more surprising. But surprises aren't always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sineward. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin's shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

The Lost Book of the White is a Shadowhunters novel. Life is good for Magnus Bane and Alec Lightwood. They're living together in a fabulous loft, their warlock son, Max, has started learning to walk, and the streets of New York are peaceful and quiet—as peaceful and quiet as they ever are, anyway. Until the night that two old acquaintances break into Magnus's apartment and steal the powerful Book of the White. Now Magnus and Alec will have to drop everything to get it back. They need to follow the thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. Also, someone has stabbed Magnus with a strange magical weapon and the wound is glowing, so they have that to worry about too. Fortunately, their backup consists of Clary, Jace, Isabelle, and newly minted Shadowhunter Simon. In Shanghai, they learn that a much darker threat awaits them. Magnus's magic is growing unstable, and if they can't stop the demons flooding into the city, they might have to follow them all the way back to the source—the realm of the dead. Can they stop the threat to the world? Will they make it back home before their kid completely wears out Alec's mom?

Covering both The Mortal Instruments series plus steampunk prequels The Infernal Devices, follow modern-day Clary Fray and Victorian Tessa Gray as they are inexplicably pulled into a world of magic, desire, sizzling-hot romance and unspeakable evil. Includes fascinating background facts about the characters, myths and romances covered in both series, including amazing insights into the major themes that shape the Shadowhunter world. This book is not authorized by Cassandra Clare or anyone involved in the City of Bones Movie.

The Mortal Instruments Companion

Life will not be contained in this exciting and interactive pop-up journey through the entire Jurassic saga—from pop-up legend Matthew Reinhart. The hit Jurassic World series recaptured audiences globally when it unleashed an island of new and terrifyingly realistic dinosaurs on the world. Inspired by director Steven Spielberg's 1993 classic Jurassic Park, the iconic saga has ushered in a whole new generation of film fans. Featuring explosive, pop-off-the-page depictions of the Tyrannosaurus rex, Velociraptor, and other prehistoric favorites, this deluxe pop-up book traces the evolution of the Jurassic Park and Jurassic World sagas across three decades of major motion pictures. Presented in a dynamic 360-degree format that allows fans to view and participate in the action from all sides, Jurassic World: The Ultimate Pop-Up Book also includes interactive pull-tabs and hidden surprises. Bigger than a T. rex and smarter than a Raptor, Jurassic World: The Ultimate Pop-Up Book is the definitive interactive exploration of the most gargantuan saga in movie history.

Jurassic World: The Ultimate Pop-Up Book

The #1 New York Times and USA TODAY bestseller is now available at an incredible low price for a limited time only! Discover the "compulsively readable" (Booklist) first book in the Infernal Devices trilogy, prequel to the internationally bestselling Mortal Instruments series! Clockwork Angel is a Shadowhunters novel. When Tessa Gray crosses the ocean to find her brother, her destination is England, the time is the reign of Queen Victoria, and something terrifying is waiting for her in London's Downworld, where vampires, warlocks, and other supernatural folk stalk the gaslit streets. Only the Shadowhunters, warriors dedicated to ridding the world of demons, keep order amidst the chaos. Kidnapped by a secret organization called The Pandemonium Club, Tessa learns that she herself is a Downworlder with a rare ability: the power to transform into another person. What's more, the Magister, the shadowy figure who runs the Club, will stop at nothing to claim Tessa's power for his own. Friendless and hunted, Tessa takes refuge with the Shadowhunters of the London Institute, who swear to find her brother if she will use her power to help them. She soon finds herself fascinated by—and torn between—two best friends: James, whose fragile beauty hides a deadly secret, and Will, whose caustic wit and volatile moods keep everyone in his life at arm's length...everyone, that is, but Tessa. As their search draws them deep into the heart of an arcane plot that threatens to destroy the Shadowhunters, Tessa realizes that she may need to choose between saving her brother and helping her new friends save the world...and that love may be the most dangerous magic of all.

Clockwork Angel

Set in the bleak environments of London's homeless community, The Echo is the mystery thriller from crime queen Minette Walters. It was the smell that Mrs Powell noticed first. Slightly sweet. Slightly unpleasant . . . It shocked her badly to find a dead man in the corner, his head slumped on his knees. Who was Billy Blake, other than a homeless alcoholic who wandered the streets? Why was he found

dead from starvation in one of the richest areas of one of the richest capitals in the world? And why did he die alone in the garage of wealthy architect Amanda Powell – a woman whose wealth can only be explained if her husband is dead . . .?
