Intro

"You don't need to have played any other Dragon Quest games to enjoy this one!"

Break pots! Read books! Grab shinies!

Be mindful of stuff to come back to later! For example: red doors!

"Do the quests! They're easy and fun. It's like Animal Crossing except with monster murder and raging rewards."

"Don't grind! (Until you have all the characters.)"

"Get familiar with the skill board. You can undo your skill point assignments (for a price)."

Every possible party formation is viable. Some are just slightly easier. (You can swap the hero out, by the way.)

If you are afraid the game is gonna be too easy, the English version has optional restrictions that ostensibly turn the whole game into a boss battle.
