American Airlines Baggage Policy

American Airlines' baggage policy allows passengers to bring one carry-on bag and one personal item for free.

Checked baggage fees vary based on the destination and fare type.

Weight and size restrictions apply, and additional charges may apply for excess or oversized baggage.

Here are 10 main points about American Airlines' baggage policy

American Airlines allows passengers to bring one personal item and one carry-on bag free of charge. The personal item should fit under the seat in front of you and can include a purse, laptop bag, or small backpack.

The carry-on bag should fit in the overhead bin and typically has size restrictions of 22 x 14 x 9 inches (56 x 36 x 23 cm).

Checked baggage fees apply for any additional or larger bags beyond the personal item and carry-on allowance.

The checked baggage fees vary based on the route, fare class, and frequent flyer status.

The weight limit for checked bags is typically 50 pounds (23 kilograms) for economy class, but it may vary for other fare classes.

Oversized and overweight bags may incur additional fees and restrictions, so it's advisable to check the airline's guidelines in advance.

American Airlines offers different baggage options, such as Priority, Preferred, and Main Cabin Extra, which may include additional baggage allowances or benefits.

Sports equipment, musical instruments, and other special items may have specific guidelines and fees, so it's recommended to contact the airline or review their website for

Passengers with elite status or traveling in premium cabins may enjoy enhanced baggage allowances or waived fees, depending on their membership level or fare class.
