Bad Guys Go to Heaven

Rhino stands on his penthouse balcony, surveying Beach Road and the girls that he pimps. Sunshine on his back and steroids in his veins, he is the expat King of Pattaya. Meanwhile Detective Copeland is a solution in search of a problem, travelling to Thailand on the hunt for internationally mobile sex offenders. They have just one commonality - local working girl, Joy. And so begins a chain of events, in which each participant seems forced to answer the question: how much evil can one tolerate before resolving to fight fire with fire?

Middle Eastern Societies and the West

For many Middle Eastern Muslims the "West" came to personify the ultimate "other," occupying a space that was simultaneously appealing, intimidating, and often abhorrent. The multilayered, ambivalent interaction between Middle Eastern societies and the West has been a major theme in the history of this region for the past two centuries. The al-Qa eda terrorist attack against the United States on September 11, 2001, the 2003 U.S. invasion of Iraq, and Israel's war against Hizbullah in the summer of 2006 have made the in-depth study of this interaction more critically important than ever. Taking the concepts of the Middle East and the West into account as useful analytical categories, the various articles in this volume examine and analyze a broad spectrum of Middle Eastern encounters and attitudes toward the West. This collection provides a fuller understanding of the complexities involved in both the historical and contemporary relationship between Middle Eastern societies and the West.

Everything You Ever Wanted to Know about Heaven

"Standing on the shoulders of C.S. Lewis\

Life After Death Today in the United States, Japan, and China

This book is about contemporary senses of life after death in the United States, Japan, and China. By collecting and examining hundreds of interviews with people from all walks of life in these three societies, the book presents and compares personally held beliefs, experiences, and interactions with the concept of life after death. Three major aspects covered by the book Include, but are certainly not

limited to, the enduring tradition of Japanese ancestor veneration, China's transition from state-sponsored materialism to the increasing belief in some form of afterlife, as well as the diversity in senses of, or disbelief in, life after death in the United States. Through these diverse first-hand testimonies the book reveals that underlying these changes in each society there is a shift from collective to individual belief, with people developing their own visions of what may, or may not, happen after death. This book will be valuable reading for students of Anthropology as well as Religious, Cultural, Asian and American Studies. It will also be an impactful resource for professionals such as doctors, nurses, and hospice workers.

A Moment of Truth John

John 3:16 is Christianity's most famous passage of Scripture. Yet, has it become so familiar to us that we no longer give it a moments' pause when reading it? In this book, Thurber takes us into the depths of this passage to illuminate all of the riches that make this the signature verse of the Gospel. In this passage we see mentioned God, the world, Jesus, and eternal life. It speaks of God's love, His giving nature, and our final destinies. A complete understanding of each section of the passage brings the entirety of God's plan for us and His creation into more splendid light, giving us the comfort and peace needed right now as we go about our lives on earth. Read now with fresh eyes the depths of this passage of Scripture and learn again why it is the cornerstone of our Christian faith. Bill provides counseling and teaching ministries dedicated to helping Christians with basic Biblical education, and to help people realize their strength in Jesus to live life now in light of eternity. He is a graduate of the University of Southern Mississippi with a Masters degree in Counseling Psychology. Bill enjoys writing, cycling, traveling, playing guitar, and photography. He is currently working on his Master of Divinity degree at Luther Rice University. He lives in Grayson, Georgia with his wife and two daughters.

Parenting: Don't Try This at Home

In this sparkling collection of parenting-affirming stories, author and award-winning columnist Phil Callaway captures the amusing and bemusing experiences that tug at the heartstrings of anyone who's experienced the rollercoaster ride called "family."

Dancing Forever with Spirit

A chance meeting with a homeless man marks the beginning of enlightening and soul searching conversations with Garnet's Spirit Guide answering all of the probing questions we all want to know about life here as well as the hereafter.

The Shoeshiner's Metropolis

Set in the mind of a man who unwittingly has his mind and body taken over to become the President of The United States in a not so distant future, where the action of surgical body-trading reigns supreme in the Underworld of Las Vegas.

Get Behind Me Satan

John Christian, his family and circle of friends lived just a couple of weeks before the Rapture and didn't know it neither did Satan. The battle of ideas between the Spirit of truth and the spirit of falsehood raged to the limit. Angels and demons influenced the characters, through spiritual warfare, to choose between right and wrong. When the Rapture occurred, some of the characters, who walked the narrow path, graduated to the heavenly scene. While those who walked the wide path went to the underworld and awaited Judgment, or stayed behind to face the Tribulation. John and the Believers watched, from the balcony of Heaven, the fulfillment of the book of Revelation. In a Tribulation, seven years of a continuous Halloween on earth, Satan tricked people and didn't offer any treats. Meanwhile, in Heaven, the Believers went through the Jesus Rewards program, a Cosmic battle, a Wedding, and a Supper. Finally, the Great Tribulation ended when 666 ran into 777 at Armageddon. The three groups then lived out their new environments to one of two final destinations determined by which side they took, God or Satan. Those who were like wheat, ended up in Heaven. Those who were like tares, ended up in Hell. Find out who goes where. www.getbehindme-satan.com Mike Yousif, was born a Christian in Iraq. He immigrated to the US thirty years ago when he was a teenager. He received a B.S. in Electrical Engineering from Michigan in 1985. After he was born again, the Holy Spirit guided him in researching the book of Revelation and inspired him to write this End-times novel. His Bible-based novel reveals

how to break down Satan's game plan to confuse and intimidate us as we live on Earth. He lives with his wife and son in Northern California.

Messages Men Hear

This text is based on over 10 years research with 500 men from different classes, backgrounds, races and ethnic groups. It constructs a theory of masculinity by exploring masculine expectancies, how men form their gender identities and how those identities influence their behaviour.

Imps or Demons for Dunces: An Everyday Story of Infernal Folk

Everything you need to know about the Occult, but were too absolutely terrified to ask.. Just when you thought it was safe to stop believing in things that go bump in the night, this warts-and-all exposé of witchcraft will have you reaching for a four-leaf clover, crossing your fingers and dancing widdershins. J.W. Mort has got hold of the memoirs of Vinegar Tom Acetum, for years assumed to be a fictional character dreamed up by the Chelmsford WI and compiled them in this fascinating kill-and-tell tale of malevolence. Who needs international pandemics, deranged presidents and conspiracy theorists when you've got the devil and all his works laid out before you like Inquisition instruments of torture? All the lads are here, from Astaroth to Zoroaster, taking you on a headlong, madcap ride through European and American history as it really was. Make no mistake; IMPS will be a set text in all thinking schools and Hollywood is very interested. Is any of the hocus pocus of this books true? Would I lie to you? Or would I garotte and burn you instead?

Are We Living in the End Times?

In the updated and expanded edition of this classic title, noted scholar Dr. Tim LaHaye gives reasons for believing that the Rapture and the Tribulation could occur during our generation. Ours is the first generation that has the technology and opportunity to fulfill many of the prophecies of Revelation. Understanding prophecy can be difficult and confusing. This book takes away all of the mystery—and the intimidation. It is user-friendly for the layperson, yet remarkably complete for the scholar.

Good Girls Go to Heaven, Bad Girls Go Everywhere

A guide to shattering the learned behavior of women everywhere outlines what keeps women from asserting themselves, describes the submissive body language that signals passivity, and shares effective strategies for women to pursue their desires.

The Flaming Sword

Since the beginning of the Neolithic revolution, a pervasive phantom has haunted humanity. It neither rustles nor rattles, nor moans upon the moors. Rather, its apparition is accompanied by the continuous, unbroken rasp of the human race, who, unified in dread, have emitted one solemn plea to a world rent asunder by evil and the abandonment of reason. That sound is the question why? All people have asked this, when evil overtakes them. Formal attempts have been carefully deliberated, for twelve thousand years, to resolve this gripping human dilemma: why is there wrong and suffering. And more tormentingly, why, if there is a God, does evil exist? How can it exist? Many have the answer, only to be turned away. Now, it can be answered. Everyone has heard the story of Adam and Eve, their fall from God, and the angel posted at Paradise to turn them away. The story of fallen, broken man is well known, and his journey through a world wracked with madness and pain is well documented. But what if the real story was skipped over by the narrative? What if the angel at the gates of Paradise was only a figurehead of something much larger? The Flaming Sword is a guard to a gate: but the guard is more than a mere angel, and what it guards is more than the perfect place. It guards perfection itself. Like the angel at Eden, it is programmed to attack whatever nears it charge, including mankind. Be warned, and take heed: for the answer may be far more haunting than the question ever dreamed.

Princeton Alumni Weekly

Simon Spencer continues his Journey through manhood, as a Private Investigator and Finder of Missing Persons. Simon is hired by a long time friend to find her granddaughter who was kidnapped from her train coming home for Summer Vacation from a Texas University. Los Comancheros are a gang of renegade bikers who terrorize Interstate Highway 10 along the Texas, New Mexico and Arizona borders from Mexico. After rescuing his friend's granddaughter, he partners with the sister of

a slain undercover policeman to free the Raramuri Slaves used by the Mexican Drug Cartel to process Cocaine. Heading home to San Francisco, Simon finds he is being hunted by the Mexican Mafia who follow him to San Francisco for a major gun battle at the San Francisco Airport. There are many action packed twists to this adventure.

Los Comancheros

Brought up in the Depression, Johnny DaSilva is leader of a fun and imaginative gang that lives out their dreams in the Big Tree in which each has a branch that serves as the Lone Ranger's Silver, the race car of Morey Amsterdam, the rocket ship of Buck Rogers, the crow's nest for Black Bart the Pirate. When World War II broke out, they tried every ruse their young imaginations could think of to get into the marines, army, and navy but had to settle for the Boy Scouts. But the faux pas war to end all wars came too soon for the Big Tree Gang. Johnny is best described by an aunt as having the millstone around the neck of having a strict English Episcopalian conscience and bucking bronco Portuguese sexual proclivities. Two girls are in love with him, one wealthy and popular, the other sexually abused and who considered herself a worthless toy, until she met Johnny. Whatever they knew about the facts of life, male and female, were learned pretty much by trial and error.

The Tree of Young Dreamers

"This war, being who I am today, has cost me everything. Everyone! I've never felt more alone, and it's my goddamn fault!" Something fishy is going on in Heaven. More and more corrupt, filthy souls are entering God's Kingdom, and Satan feels like more and more innocent souls are entering Hell. He wants to properly punish those who deserve it, and to do so, Heaven's rules must change. The best course of action is to wage war against his Father. How else would He listen to him? There's just one teeny-tiny problem with his plan. It involves his moody, angry teenage son. Alan Pérez, being the spoiled, entitled brat he is, refuses to participate in his father's war and fix his timeless daddy issues. His deepest, darkest desire is to keep on living a hedonistic life on Earth and Hell, but with increasing pressure from Satan, it seems as if he'll be forced to embrace a destiny that's not his. Join Alan in a comedic, action-packed journey through Hell and Heaven, and discover the true meaning of destiny, daddy issues and maybe even life in Prince of Hell.

Prince of Hell

Hell is the most misunderstood doctrine by Christians throughout the world. This book deals with issues that I believe the Bible teaches and that are lamentably dismissed by many churches as heresy. These include: ?Humans were created with the potential to become mortal or immortal beings. As a result of the Fall humans acquired a mortal nature. ?Immortality is God's gift to the righteous. The wicked lack immortality and will be annihilated. Death and not hell is the final destiny of the wicked. ?When people die their whole being ceases to exist. Their souls do not continue to live in an intermediate state as is believed by many Christians and non-Christians. At death God withdraws his power of life resulting in cessation of being. This is why a resurrection is needed. ?The dead has no concept of time?there is no time between death and resurrection. ?At the resurrection, people will be restored back to the earthly nature. The Saints will be transformed and clothed with immortality while the wicked will be annihilated. Rev. Dr. John Muhia Karanja the author of this book is a Presbyterian Church Minister. He is married to Ann and has three children.

Souls

This volume presents the timeless wisdom of masters of the Japanese martial arts, men and women whose lives have been defined by their training. 100 photos.

Hell on Trial

'Is Heaven Right For Me?' Many of you might be asking yourself, "What kind of silly question is that; doesn't everybody want to go to heaven, even the bad guys?" Our automatic response is yes. But when given some additional thought we might ask, 'What exactly is heaven and why do we believe that it is true and real.' This book details the story of one man's journey to find answers about life's most important questions: Who am I am? Where did I come from and why am I here? And finally, Is there any meaning to life? The answers might surprise you!

The Warrior's Path

Gathered together for the first time, a gourmet selection of the most read, most shared, and most insulted columns by the Bengal tiger Lucano Divina! After escaping from the Acheron Zoo, Lucano has been involved in the struggle against the imperialism of human stupidity, touching a range of subjects such as: the worst advice for a broken heart, you don't know what you got until someone else enjoys it, love gets better with damage, profession is the oldest prostitution in the world, and twenty-one things you shouldn't do to forget your ex, among other irrational truths. Thanks to his writings that strip the self-denominated most intelligent species on the planet, he has shown himself worthy of five death threats that would turn him into a rug, at least ten emails after each publication that seek to drive him mad with offenses, more than two-hundred thousand followers on social media, nineteen marriage proposals, and a previous book (Prince Charming Opens Doors, the Buffoon Opens Legs) that continues to enjoy sales success. *Livin' la Vida Boba* not only compiles the highest peaks of the aforementioned struggle—from September 3, 2007 to December 31, 2015—but also frames them in a new human life cycle: you are born, you grow up, you try to reproduce, you get cheated on, you reproduce (with another partner), and you die.

Is Heaven Right for Me?

THE KEY TO LIVING A LIFE OF PURPOSE STARTS WITH CATCHING A GLIMPSE OF HEAVEN. Many of us have become so preoccupied by the here and now that we've lost sight of the fact that Heaven is our home. Our minds have fallen captive to a thousand distractions. EXPERIENCING HEAVEN will help you regain your focus and your sense of purpose by helping you pay attention to Heaven in a new and fresh way. These daily readings, scripture passages, prayers, and stories will help you recover a vision of Heaven that is strong and real and will encourage you in the midst of your everyday life.

Livin' la Vida Boba

"The Power of Knowing How Life Works"; is a true life experience. "The Knowledge" has arrived through me, for "you", explaining to all of us the facts about "How Life Works". The missing piece of the humanity puzzle has been found. I am referring to the understanding of how everyday life works. I leave open all religious and scientific possibilities for you to apply, as you see fit. My only goal is to share "The Knowledge" that has arrived through me for "you". Have you ever wondered how the universe began; how our physical beings manage the maze of life, WHAT HAPPENS WHEN WE DIE? I am able to provide for you "The Power of Knowing How Life Works". An intriguing new look into where your thoughts, feelings, beliefs and emotions reside and how your thoughts control the world you live in and create your reality. On November 17th, 2009 @ 6:24 AM wide awake, no dreams, no near death experience, I was provided "The Knowledge" that will answer all of your questions. If you think the answers have previously arrived, ask yourself a simple question: "How is it working so far?" We have poverty, war, greed, depression and confusion throughout the world. The prisons are bursting at the seams; people are losing jobs, their homes, and their dreams. You too can possess "The Power of Knowing How Life works", the issue is; will you be open enough to accept "The Knowledge". www.thepowerofknowinghowlifeworks.com

Experiencing Heaven

By writing the book of the "Ancient Alien Angels the Healing of Billie\

The Knowledge

The VANISHMENT describes a fictional account of a modern day visitation by the late great Jesus Christ. The appearance of the spirit in the personage of the son of God or God himself, with all his miraculous powers, in the back yard of a middle class white guy, begins an astounding series of happenings that change mankind and the world forever. The book relates the authors rather wry and at times hilarious and wishful account of the "second coming" as has been predicted for two thousand years. Why Jesus decides to visit humanity in 2011 and why he returns to a poolside patio in Boca Raton Florida is left to the imagination of the writer and the reader. Equally, it remains for the reader to comprehend Jesus' actions as he goes about his business. Most certainly there are echoes of the day of Judgment, so colorfully described in the Book of Revelations, the last chapter in the Christian Bible, dealing with the prophetic visions John, a servant of Jesus, received from God. The author, in imagining

the reasoning and actions of JC as he goes about "cleaning up" the mess mankind has made of his lovely world, delivers to the reader a vision of God's vision of a perfect world, with all its poisonous influences surgically removed by a miraculous intervention.' Nothing, but nothing, can top God when it comes to removing "stains" from the carpet of history. From one problem to the other, God, who knows the hearts of all men, makes decisions to improve his world and preserve his chosen people, which, as it turns out, aren't entirely and solely the Jews. In the end, a perfect world remains, cleansed of all a evil' influences..... The question for the reader is this: Is the world "fixed" by Jesus Christ a better one?

Ancient Aliens the Healing of Billie: Save Planet Earth

Death is a much avoided topic. Literature does exist on mourning, but its focus remains upon the death of others. The fact of one's own mortality and its inevitable psychic impact on one's life is not optimally covered either in this literature or elsewhere in psychiatry and psychoanalysis. Bringing together contributions from distinguished psychoanalysts, *The Wound of Morality* fills this gap by addressing the issue of death in a comprehensive manner.

The Vanishment

Heaven's Defender By: Ilan Garza In the middle of a vengeful war between Heaven and Hell, the world is crumbling. Lucifer has been overthrown by his son who seeks vengeance on God for casting his father down from Heaven. As Malthor leads the demons ravaging the earth, an ancient covenant prevents God from taking action. Thus, Heaven must choose a defender to bestow blessings upon in order to turn the tides of war in their favor. Follow the adventure to watch the fate of Heaven and Earth unfurl.

The Wound of Mortality

This collection is a combination of romantic, philosophic, mystical, and spiritual poetry written to warm even the coldest of hearts. They come from a very inspired place that speaks of a great desire to understand ourselves. The elusive butterfly in all of us, that out of its innate curiosity to learn and experience things by necessity, transforms itself. They also speak of the unique place that we all share in the divine tapestry we call life and how we are all intimately connected. The poems reflect on the betrayal and hypocrisy that we all inevitably encounter on our journey through life. Most importantly, a message of hope and joy runs through them, so that we are always reminded that even in our darkest moments, the light of truth and love has never abandoned us. The book also shares some of the stories that inspired and motivated some of the poems. They run the gamut, from gut-wrenching tearjerkers to deeply impassioned pleas for universal kindness to the whimsical frolic of a playful little child. Included is a section titled *Musings on Life*. These are philosophic perspectives intended to be life lessons for the reader. It's been said that not all men are masters, but all masters have been men. Along that same line of thinking, the author feels that although not all philosophers are poets, all poets are philosophers.

Heaven's Defender

"Fans of the crime caper will rejoice" that Linwood Barclay is back with the hilarious follow-up to his "riotously funny and irreverent" debut, in which paranoid pop Zack Walker plotted to transplant his city-savvy wife and two teenage kids to the tranquillity of the burbs—where planned communities prevail and fathers rest easy. Well, not quite...and now the Walkers have moved home only to find themselves living in the precarious crosshairs of urban sprawl once again, and Zack can't help but be worried—really worried—that just around the corner lurks the presence of some really bad guys. Zack is back, and much to his family's relief, the work-at-home science-fiction writer has left the house to take a job as a features writer for the city paper. But now that Zack's incessant plotting can no longer be hatched from the comforts of his own home, he must be ever more vigilant to outwit the evil at large, whether in the suburbs, the city, or his own imagination. Zack is ready...or so he thinks. While researching his first feature article, Zack stumbles upon a real-life crime scene, but what seems like an ordinary hit-and-run may actually be a homicide linked to a gang that's been burglarizing Crandall's high-end shops. Suddenly Zack finds himself at the center of a violent crime wave and destined for a confrontation with Barbie Bullock, an unsettling figure infamous in the crime syndicate for his ruthless business tactics and peculiar proclivity for collecting dolls. And all is not quiet on the home front either. Zack's protective instincts launch into overdrive when he discovers that his daughter's rejected suitor has been tracing her every step and may harbor a much more ominous motivation than winning a Saturday night date. Nor does his son's strange behavior and recent friendship with a creepy computer recluse inspire joy

in a father's heart. As worlds begin to collide and boundaries between family and foe blur, Zack goes on the attack, and heaven help the bad guys when this resourceful father comes to make good on a deal gone bad.

New Covenant

Over a millennium ago, demons from the sixth and seventh level of Hell fought their way to the third level... the level made up of mostly soldiers from the many wars mankind had waged throughout history. There, the lower demons were stopped, but not before over a thousand escaped into an alter world to wreak havoc on the human populace. The reigning Lord of the Third Level was tasked by the Guardians of the Gates to pursue those demons, return them to Hell or leave them doomed to roam endlessly without form or substance. The demons from the third level were sorely taxed, with little to show for a millennium of fighting... until she showed up. 1LT Sarah MacLocklin is the commander of a combat medical/surgical team on her way to a fourth tour in the "Big Sand-Box". All she wanted was to do a little hiking in Virginia to calm the nightmares from watching her friends die in her arms. She laid down in the forests of Virginia, and woke in the middle of a new nightmare not of her making. The question is not whether she is ready to stand against the demons escaped so long ago into a world of flintlocks and swords, or walk the dark corridors of Hell to the Gates of Heaven. The question is...are they ready for her?! "Hell's Blade" will take you on a roller-coaster ride through the passages of Hell, to the gates of Heaven and into a storm of demons bringing pain and horror to the inhabitants of an alter Earth.

The Wind from Heaven's Window

A comprehensive presentation of group-oriented rites for modern magicians inspired by the occult works of Aleister Crowley. Group ritual has been a cornerstone of spiritual practice since time immemorial, yet its history and importance have often been overlooked by occultists of the modern age. This book is an essential resource on the topic, featuring rituals written by Aleister Crowley for his own magic circles—many of them unpublished during his lifetime, plus rare ancient texts that were Crowley's own inspiration. The rituals are newly edited and explained by practicing magician Rodney Orpheus, drawing on his wealth of experience performing and teaching them within Crowley's magical order, Ordo Templi Orientis. Orpheus introduces each ritual, explaining its historical context and its function and mode of operation. He also includes detailed notes on each ritual's proper setting and performance. Whether absolute beginner or seasoned expert, magicians of all paths will find this volume to be an eminently workable and extremely powerful grimoire spanning centuries from ancient Mithraic and Bacchanalian rites, Goetia, and Gnosticism, right up to present day Crowleyan invocations and sexual magick.

Bad Guys

At bedtime, Tommy, a seven-year-old boy, enjoys his father's tale of the Hebrews and their plight in Egypt. For several nights, his dad continues the story. When Tommy falls asleep, to his amazement, he finds himself transported to an unknown land, Paradisegate. As he begins to explore, he meets a young man that will become his companion and guide. He awakens in the morning and finds on his dresser a bronze key with the words "Treasure Awaits" emblazoned on its shaft. He wonders how the key got there. Is there a connection between the story his dad is telling him and this land he discovered? As he falls asleep for the next several nights, he realizes he is back in Paradisegate. The quest and the mystery continue as he discovers that this land is much more than what it seems at first glance. His curiosity is triggered. Will this bronze key he has discovered reveal the secret of Paradisegate?

Hell's Blade

Max Lucado says, "Need a shot of sunlight on a cloudy day? This book's for you!" From the early daze of parenthood through the mischief of toddlerhood and on into those white knuckles of the teenage years, these stories of laughter and hope remind us that even at the worst of times, the best is coming. This book contains 43 award-winning short stories all updated in a new volume complete with all the original John McPherson cartoons. "I think readers will be interested to know," says Phil, "that these stories were written by a young self-deprecating dad who didn't have the answers, so he prayed a lot. Because of God's grace, the children in these books are now relatively responsible grown-ups who are making a difference in their world. If you're a parent, I think you'll find some answers here too."

Grimoire of Aleister Crowley

An explanation about the nature of material reality and motion, how solids, liquids, and gases come to be, the nature of the Sun and planets, the importance and nature of shapes and dimensional values, human evolution, the nature of religions and God, problems upon Earth and possible solutions, the history of Islam, the history of Christianity, the history of the Bible, the history of the Knight's Templar, the history of the Freemasons, notes about wave-lengths and frequencies. I will prove to you that the Earth has never made a circle (nor an ellipse) around the Sun and never will. I will prove to you that something DOES go much faster than light and that it does, indeed, curve space. The stuff that goes faster than light is the "sub-atomic" stuff that presents to us the stuff we call matter. How about that? And that's just the beginning of surprises.

The Secret of Paradisegate

Two countries on the brink of nuclear war. The President is bent on avenging the greatest loss a man can endure: the First Lady. A dangerous religious organization vying to control the fate of the earth. A mysterious virus leading to the resurrection of the dead all over the planet. A bestial nightmare of a creature straight out of Revelation. These are the elements at play in FIRE, an epic novel of the world in what might be its final days. "Every so often, a truly seminal book is published in the horror field. Blatty's The Exorcist, King's The Stand, Barker's Books of Blood. Alan Rodgers' Fire is such a book. It is a tale of amazing sweep and scope, uniting Biblical prophecies and hightech, ancient horrors with new ones cobbled up from labs and shadows. After this book, everything changes." -- J. Michael Straczynski, creator of Babylon Five "With Fire, Alan Rodgers shows that he can set the whole world of horror alight. Powerful, frightening, apocalyptic." -- Graham Masterton "This book's pages turn like a windmill in an F-5 tornado!" -- the Publisher FIRE characters facing the end of the world Luke Munson: scientist trying to figure out dinosaur DNA Ron Hawkins: college student and janitor . . . his graduation plans are interrupted by the apocalypse President Paul Green: loses his beloved First Lady on a trip to Russia and tries to start WWII. Herman Bonner: Mad scientist and just plain whacked out ... His creation, the Beast from Revelation. And Tom, the dog who dies and comes back to life again. Along with a whole lot of other people and animals we usually eat.

I Used to Have Answers, Now I Have Kids

This book is about opening your mind and freeing the spirit within by understanding concepts to broaden the way you think about general things of life. Hopefully, this book can reach your innermost desires and make you feel the magic contained in this book. I guarantee you a laugh all the way.

The Shape of God

Teenage Shooters is about Freddy Louche's world. Who is Freddy Louche? If you asked him he would tell you that he is an all-American teenage loser who lives in a neighborhood populated by gangbangers and bullies. He hates school because the classes are boring and many of the students are intimidators. But there are three things Freddy loves: his skateboard, his video games, and his father. His skateboard is a Serial Killer which sports an image of Charles Manson. In a strange way Freddy never feels alone when he is riding Manson, who is also his protector, at least until that fateful night when Freddy's life begins to rapidly unravel. Resident Evil is Freddy's favorite video games because in the world of survival horror he can defend himself against the zombies and other monsters that remind him of the cretin bullies who hang out in the corridors of his school and the thugs that roam the streets of his city, a city that is in many ways like Raccoon City, which was also an all-American city until the walking dead and other beasties took control of its streets. Freddy's father is the one adult Freddy can always depend upon. Unfortunately, Mr. Louche, like the school authorities and the police, cannot protect his son from the thugs and bullies who constantly harass him. Thus, a time finally comes when Freddy and his loser friends must take on their tormentors.

Fire

Afterlife . . .
