Are you feeling the energy of this planet is changing?
The world has been at war with the spirit for too long
Three choices you can make to accelerate the process and get into a higher frequency
How to remember what you love
When you're having an attack of negativity, write it down
What you're rejecting is a consequence of your spirit trying to protect itself from the judgment of others
How to free up your energy to manifest what you love
Don't blame yourself, blame others, and be creative
The front door to your higher frequency
