How can you move most effectively from the pinnacle of business and leadership success into "post-work" life that energizes you, and leverages your experience and your interests? This book draws on the experience of several past CEOs to address the important topic of 'personal continuity' for family

The book draws extensively on the experiences of more than a dozen former family business leader interviewees. These highly driven and accomplished business leaders share stories and lessons from their own personal continuity journey as they transitioned from the top of their companies.
