Complementary and Alternative Medicine - What You Need To Know - Complementary and Alternative Medicine - What You Need To Know by Rehealthify 175,399 views 9 years ago 2 minutes, 3 seconds - Complementary and **alternative medicine**, (CAM) is the term for medical products and practices that are not part of standard care.

Standard care is what medical doctors, doctors of osteopathy and allied health professionals, such as nurses and physical therapists, practice

Complementary medicine is used together with standard medical care

An example is using acupuncture to help with side effects of cancer treatment

Alternative medicine is used in place of standard medical care

An example is treating heart disease with chelation therapy (which seeks to remove excess metals from the blood) instead of using a standard approach.

Studies are underway to determine the safety and usefulness of many CAM practices

Complementary and Alternative Therapies - Complementary and Alternative Therapies by College of Physicians and Surgeons of British Columbia 3,640 views 3 years ago 2 minutes, 59 seconds - An overview of the College's **Complementary and Alternative Therapies**, practice standard released in May 2020.

The College of Physicians and Surgeons of BC's Complementary and Alternative Therapies practice standard was revised in 2020

Can physicians provide complementary and alternative therapies?
 What do physicians need to know about providing complementary and alternative therapies?
 Physicians must have the appropriate skills, knowledge and training
 Physicians must ensure the patient is aware of the risks and benefits, and provides informed consent
 Physicians must discuss fees with patients and keep in mind their ability to pay
 Physicians must follow up with the patient throughout the treatment
 Visit www.cpsbc.ca to read the Complementary and Alternative Therapies practice standard

Complementary and Alternative Therapies - Complementary and Alternative Therapies by College of Physicians and Surgeons of British Columbia 3,642 views 3 years ago 2 minutes, 59 seconds - An overview of the College's Complementary and **Alternative Therapies**, practice standard released in May 2020.

The College of Physicians and Surgeons of BC's Complementary and Alternative Therapies practice standard was revised in 2020

Can physicians provide complementary and alternative therapies?

What do physicians need to know about providing complementary and alternative therapies?

Physicians must have the appropriate skills, knowledge and training

Physicians must ensure the patient is aware of the risks and benefits, and provides informed consent

Physicians must discuss fees with patients and keep in mind their ability to pay

Physicians must follow up with the patient throughout the treatment

Visit www.cpsbc.ca to read the Complementary and Alternative Therapies practice standard
