Deal Breakers

Deciding when to work on a relationship and when to walk away is a skill that can prevent us wasting months and even years of our lives on partners that will never make us truly happy. Once we have learned to identify the deal breaker in a relationship we can empower ourselves to action, and then change and improve our lives. Whereas books like *'He's Just Not That Into You'* explored relationship troubles in black and white, *'Deal Breakers'* covers all the shades of grey that lie in between - all those areas where relationships can hit an impasse. Some deal breakers are easy to identify - one partner wants marriage, the other doesn't - yet many are more subtle and difficult to pinpoint. Dr Bethany Marshall is a relationships expert. She has identified specific male archetypes and the traits that frustrate and infuriate their partners. Here, for the first time in book form, is advice that can help any woman who is trying too hard to make her relationship work.

Rule Breaker

Is it really wrong to want to murder your boss? Dylan has worked for Gabe for two years. Two long years of sarcastic comments. Two long years of insults, and having to redo the coffee pot four times in the mornings to meet his exacting standards. Not surprisingly he has devoted a lot of time to increasingly inventive ways to murder Gabe. From stabbing him with a cake fork, to garroting him with his expensive tie, Dylan has thought of everything. However, a chance encounter opens his eyes to the attraction that has always lain between them, concealed by the layers of antipathy. There are only two problems - Gabe is still a bastard, and he makes wedding planners look like hardened pessimists. But what happens when Dylan starts to see the real Gabe? What happens when he starts to fall in love with the warm, wary man that he sees glimpses of as the days pass? Because Gabe is still the same commitment shy, cold man that he's always been, or is he? Has Dylan had the same effect on Gabe, and has his solid gold rule of no commitment finally been broken? With his heart taken Dylan desperately needs to know, but will he get hurt trying to find the answers? From the author of 'The Summer of Us' comes another scorchingly hot romantic comedy, showing what happens between two men when rules get broken.

The Deal Breaker

The Deal Breaker incorporates a cast of colorful characters who work in and love The Carriage House restaurant, a long-established, fine-dining establishment in New York State. When The House burns as a result of arson, the staff is horrified and full of questions, but none more so than Kitty Cunningham, The House's bartender, and the debonair maitre'd/part owner, Tommy Defalco, whose smooth, charismatic personality conceals serious flaws. Tommy operates The House under a series of rules he calls "Deals," one of which he breaks himself when he falls in love with Kitty and pulls her into a dark and mysterious lifestyle with his past lover, Lillian Mondale, who owns the local country club, and her partner, renowned surgeon John Vassar. Mildred Vassar, John's wife, is a regular at the Carriage House, and she knows all too well about her husband's nefarious side business. She becomes concerned when she learns that her two favorite friends, Kitty and Tommy, are dangerously close to her husband. Suspecting that their lives are in peril, she whisks them off to her Palm Beach Villa, the last place she believes her husband or Lillian will ever look for them. It is there, however, that Kitty and Tommy discover each other's secrets--and their lives are changed forever. The Deal Breaker is story of love, hate, treachery, betrayal, lust, greed, and redemption, as the storyline takes the human condition full circle and teaches some hard but vital lessons.

Deal Makers

From USA Today bestselling author, Laura Lee, comes a hot and hilarious brother's best friend romance. I'VE OFFICIALLY SCREWED THE POOCH. I mean, not literally, because that would be disgusting. But I did break one of the cardinal rules of Bro Code, which is equally appalling. You see, I fell for my best friend's sister after he explicitly forbid me to go near her. As if that weren't bad enough, I went ahead and married her while sh*tfaced in Vegas. I know that I should get an annulment and forget the whole thing ever happened, despite the fact that our wedding night was the hottest thing I've ever experienced. The last thing I should do is go back for seconds. Or thirds. Or...you get the point. And what I definitely shouldn't do, is say f*ck the consequences and give this marriage a real shot. But here's the problem with that: I'm pretty sure that Charlotte Harris is the one. And if that's the case,

nothing is going to keep me away from her. Not even her brother. *Deal Makers is a brother's best friend / firefighter / best friend's sister romance filled with lots of laughs, drunken Vegas shenanigans, and hot sexy times. It is the third installment in the Dealing With Love series but each one can be read as a standalone.

Ugly Love

From Colleen Hoover, the #1 New York Times bestselling author of It Starts with Us and It Ends with Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Boundary Boss

Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve! Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In *Boundary Boss*, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: • How to recognize when your boundaries have been violated and what to do next • How your unique “Boundary Blueprint” is unconsciously driving your boundary behaviors, and strategies to redesign it • Powerful boundary scripts so in the moment you will know what to say • How to manage “Boundary Destroyers”—including emotional manipulators, narcissists, and other toxic personalities • Where you fall on the spectrum of codependency and how to create healthy, balanced relationships This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. How to Find and Sustain Love

Finding and sustaining love can be challenging, but it's also one of the most rewarding experiences in life. The first step in finding love is to focus on yourself and your own happiness. This means taking care of your physical and emotional well-being, pursuing your passions and interests, and developing strong friendships and connections with others. It's important to remember that you don't have to change yourself to find love - being authentic and true to yourself is the key to attracting a compatible partner. Once you've found love, sustaining it requires ongoing effort and communication. This means being open and honest with your partner, making time for each other, and actively listening and understanding each other's needs and feelings. It's also important to maintain a sense of independence and individuality, and to continue to invest in your own growth and development. By nurturing your relationship with care and commitment, you can build a lasting and fulfilling partnership.

Written by one of the pioneers of love and sex research, Dr. Hatfield, along with her colleagues Dr. Purvis and Dr. Rapson, this book uses contemporary scientific findings to provide an updated and relevant explanation for why we do the things we do when we're in love, searching for love, making love, or attempting to keep a faltering relationship together. How to Not Die Alone

A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: -What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. How to Not Die Alone will help you find, build, and keep the relationship of your dreams.

Dancing around my office in my bra isn't exactly the way I'd have chosen to run into my ex for the first time in twelve years, but what can I say? Wes Lake has always had a knack for showing up at the most inopportune times. Unfortunately, he also has a knack for leaving. That's why I've made every effort to put him out of

my head - and my heart. But this time, he needs my help. Wes Lake, head of Manhattan's preeminent real estate development firm, needs my tiny little marketing start-up to take on a special project at his company. The money's too good to turn down, so even though I'm leery of working for my ex, I accept. There's just one problem: I can't stop kissing him. I know better. I swear I do. But that doesn't stop my lips from being magnetically drawn to his every time we're in the same room. Can you blame me? He's gorgeous, wealthy, powerful - and he still remembers how to push all the right buttons. So to keep things professional, Wes and I strike another kind of deal. - No kissing. - No talking about the past. - No seeing each other outside of work. - Did I mention no kissing? Shouldn't be a problem, right? Except I might have underestimated Wes. Because when it comes to business - or pleasure - he'll do anything to seal the deal. Even if it means breaking my heart in the process.

Mr. Unavailable and the Fallback Girl

Are you the Fallback Girl? If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. Mr Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site BaggageReclaim.com, Mr Unavailable and the Fallback Girl is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. If you want to understand your own availability, and why commitment in a healthy relationship is eluding you, Mr Unavailable and the Fallback Girl is your guide to being available and attracted to healthy, available partners. Note - the book is in British English not US English.

A Stir in the Waters

Have you ever wondered why many committed Bible-believing Christians baptize their young children? Have you ever examined the Scriptures which are used to defend the practice? Mark Kramer, a layman in the Presbyterian Church in America, has researched this topic for over three decades. In this thorough study, he followed the example of the Berean Christians by taking the Reformed Infant Baptism teachings and examined the Scriptures "to see if these things are so" (Acts 17:11). Utilizing extended quotes from top Reformed theologians, he raised and answered many challenging questions, including: How many Abrahamic covenants are there? How was circumcision a pre-Moses Mosaic law? Do circumcision and baptism signify the same things? Did Jesus teach a principle of Family Solidarity? Why were entire households really baptized? What does the Jerusalem Counsel have to say on this issue in Acts 15? Many have heard the implied reasoning for baptizing children. Time to read what the Bible teaches for yourself. Mark Kramer earned a degree in Biblical Studies from Covenant College and has done graduate work at Liberty Seminary. He is an active member of Redeemer Presbyterian Church (PCA) in Lynchburg, Virginia. A licensed optician and owner of a small-town optical boutique, Mark is married with three adult children and six grandchildren.
