Johnny Delgado

Two gorgeous girls in your room, asking for help. What can you say? Except "yes." Private Detective Johnny Delgado has his first case but it could be his last

Johnny Delgado

Edward G. Robinson, a 1930s cinema icon, had an acting career that spanned more than 60 years. After a brush with silent films, he rose to true celebrity status in sound feature films and went on to take part in radio and television performances, then back to Broadway and on the road in live theatre. This work documents Robinson's every known public performance or appearance, listing co-workers, source material, background and critical commentary. The entries include feature films, documentaries, short subjects, cartoons, television and radio productions, live theatre presentations, narrations, pageants, and recordings. Also included are entries relating to his life and career, ranging from his wives to his art collection.

The Writers Directory

Destroy the Works of the Enemy will liberate those who struggle with oppression and depression. This book will teach readers how to exercise their authority as Christians over all the works of the enemy.

The Edward G. Robinson Encyclopedia

In Jazz composition: theory and practice, Berklee College of Music Professor Ted Pease demystifies the processes involved in composing tunes as well as episodic and extended jazz works.

The British National Bibliography

Joe is hooked from the moment he sees Candy. What is it that catches his eye? Is it her hair, her smile, or just the way she's standing? When they chat over coffee there's an instant attraction - but can love ever be this sweet?

Catalog of Copyright Entries

Did I hate him? Of course I hated him. But I never meant to kill him. Martyn hated his dad, but he never meant him to die. And now he has to tell the police what happened. Or hide the body. Simple, right? Not quite. One story leads to another. Secrets and lies become darker and crazier. And then everything shatters. Life is never easy. But death is even harder.

Destroy the Works of the Enemy

Caitlin's life changes the moment she sees Lucas walking across the causeway one hot summer's day. He is the strangest, most beautiful boy she has ever seen - and when she meets him, her world comes alive.

Jazz Composition

The 1960s and 1970s were the heyday of spaghetti westerns--low-budget films about the early American West mostly filmed in Italy. Though sometimes derided as excessively violent imitations of American-made westerns, they attracted a substantial following that has endured. With its classic elements of gunfights, gambling, heroes, sidekicks, love, and death, the genre is now perceived by critics as an intriguing object of study. This book analyzes the construction of the stories presented in spaghetti westerns. It examines the content of the Italian western using concepts and constructs borrowed from scholars studying "pre-industrial" narratives. Plot, the constellation of characters, their relationship to each other, and their motives are studied. Films examined in detail include the seminal *A Fistful of Dollars* as well as *Django*, *For a Few Dollars More* and *The Good, the Bad and the Ugly*. There is also a discussion of the early spaghetti westerns. The study then probes the elements of bounty hunters, the deprived hero, partnerships, betrayal, and comedy. An appendix details the top grossing Italian westerns between 1964 and 1975, including title, director, lead actor and intake. A second appendix provides a list of films quoted by Italian title and then by English title.

Candy

New edition of a dual-narrative drama following two teens at a music festival.

Martyn Pig

A detailed and riveting account of the U.S. Navy's greatest mutiny and its wide-ranging cultural and historical impact The greatest controversy in the history of the U.S. Navy of the early American Republic was the revelation that the son of the Secretary of War had seemingly plotted a bloody mutiny that would have turned the U.S. brig *Somers* into a pirate ship. The plot discovered, he and his co-conspirators were hastily condemned and hanged at sea. The repercussions of those acts brought headlines, scandal, a fistfight at a cabinet meeting, a court martial, ruined lives, lost reputations, and tales of a haunted ship bound for the devil and lost tragically at sea with many of its crew. The *Somers* affair led to the founding of the U.S. Naval Academy and it remains the Navy's only acknowledged mutiny in its history. The story also inspired Herman Melville's *White-Jacket* and *Billy Budd*. Others connected to the *Somers* included Commodore Perry, a relation and defender of the *Somers'* captain Mackenzie; James Fenimore Cooper, whose feud with the captain, dating back to the War of 1812, resurfaced in his reportage of the affair; and Raphael Semmes, the *Somers'* last captain who later served in the Confederate Navy. *The Curse of the Somers* is a thorough recreation of this classic tale, told with the help of recently uncovered evidence. Written by a maritime historian and archaeologist who helped identify the long-lost wreck and subsequently studied its sunken remains, this is a timeless tale of life and death at sea. James P. Delgado re-examines the circumstances, drawing from a rich historical record and from the investigation of the ship's sunken remains. What surfaces is an all-too-human tale that resonates and chills across the centuries.

Lucas

People have simple needs. Food, water, light, space. Maybe a small measure of dignity. What happens when someone takes all that away? This pulse-pounding, award-winning novel explores what happens when your worst nightmare comes true.

The Spaghetti Western

Late one night, two brothers learn that their sister has died in the worst way imaginable. She's found strangled, hundreds of miles from home. Ruben is the smarter of the two, with a gift for getting into other people's hearts. Cole doesn't care if he lives or dies. Together they set out to find their own answers and retrace Rachel's final journey.

I See You Baby

"This book offers a rare study of cinema in the Philippines. The first half of the work presents the little-known history of Filipino cinema. The second half of the book is the most comprehensive published filmography of Filipino cinema to date"--Provided by publisher.

The Curse of the Somers

The Bible has inspired Western art and literature for centuries, so it is no surprise that Christian iconography, characters, and stories have also appeared in many comic books. Yet the sheer stylistic range of these comics is stunning. They include books from Christian publishers, as well as underground comix with religious themes and a vast array of DC, Marvel, and Dark Horse titles, from Hellboy to Preacher. Christianity and Comics presents an 80-year history of the various ways that the comics industry has drawn from biblical source material. It explores how some publishers specifically targeted Christian audiences with titles like Catholic Comics, books featuring heroic versions of Oral Roberts and Billy Graham, and special religious-themed editions of Archie. But it also considers how popular mainstream comics like Daredevil, The Sandman, Ghost Rider, and Batman are infused with Christian themes and imagery. Comics scholar Blair Davis pays special attention to how the medium's unique use of panels, word balloons, captions, and serialized storytelling have provided vehicles for telling familiar biblical tales in new ways. Spanning the Golden Age of comics to the present day, this book charts how comics have both reflected and influenced Americans' changing attitudes towards religion.

Pelikula

From the Oscar-winning blockbusters *American Beauty* and *Shakespeare in Love* to Sundance oddities like *American Movie* and *The Tao of Steve*, to foreign films such as *All About My Mother*, the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published in *The New York Times* between January 1999 and December 2000. Includes a full index of personal names, titles, and corporate names. This collection is an invaluable resource for all libraries.

The Bunker Diary

The Road of the Dead

A Companion to Latin American Cinema offers a wide-ranging collection of newly commissioned essays and interviews that explore the ways in which Latin American cinema has established itself on the international film scene in the twenty-first century. Features contributions from international critics, historians, and scholars, along with interviews with acclaimed Latin American film directors. Includes essays on the Latin American film industry, as well as the interactions between TV and documentary production with feature film culture. Covers several up-and-coming regions of film activity such as nations in Central America. Offers novel insights into Latin American cinema based on new methodologies, such as the quantitative approach, and essays contributed by practitioners as well as theorists.

Cinema of the Philippines

A boy raised by wild dogs fights for survival in this gripping post apocalyptic tale by an acclaimed Carnegie Medalist. Jeet is a dogchild, raised by the wild dogs who killed his parents, then recaptured and "rehumanized." He now lives with one of only two remaining human communities in the world, besieged by the much larger enemy clan. In a wasteland shaped by war, starvation, and haunting violence, Jeet grapples with his identity — he misses his wild family, and the people of his clan see dogchildren as less than human. When the human clans begin to prepare for a final, bloody battle against each other, Jeet is at the center. His struggle and his relationship with another rehumanized dogchild shed light on what it means to be human or inhuman — and what it takes to be a survivor. In his most ambitious novel yet, Carnegie Medalist Kevin Brooks offers a breathless work of speculative fiction that will have readers at the edge of their seat.

Christianity and Comics

16-year-old Robert lies anaesthetized. A routine operation has just gone wrong. As Robert slowly wakes, he can hear, he can feel, but he can't scream. The operation isn't over. But life, as Robert knows it, is. He goes on the run, terrified and desperate for answers.

The New Real Book

While violence runs rampant throughout New York, a teenage girl faces danger within her own home in Meg Medina's riveting coming-of-age novel. Nora Lopez is seventeen during the infamous New York summer of 1977, when the city is besieged by arson, a massive blackout, and a serial killer named Son of Sam who shoots young women on the streets. Nora's family life isn't going so well either: her bullying brother, Hector, is growing more threatening by the day, her mother is helpless and falling behind on the rent, and her father calls only on holidays. All Nora wants is to turn eighteen and be on her own. And while there is a cute new guy who started working with her at the deli, is dating even worth the risk when the killer likes picking off couples who stay out too late? Award-winning author Meg Medina transports us to a time when New York seemed balanced on a knife-edge, with tempers and temperatures running high, to share the story of a young woman who discovers that the greatest dangers are often closer than we like to admit — and the hardest to accept.

The New York Times Film Reviews 1999-2000

An explosive collision between a pickup truck and a Volvo erases two momentous scientific discoveries. Quantum probability results in complex emotional entanglements. Voices return from the dead. A blood-stained piano becomes an heirloom. Although a picture-perfect family, Beth Sturgess divulges an ignominious past to her loving husband--who has deadly secrets. Mistakes are fatal. With deeply flawed, relatable characters, *Entanglement--Quantum and Otherwise* is an intricate literary crime story that unravels the generational impact on reality after a loved one's death.

Dramas and Works Prepared for Oral Delivery

Integrated English Practice II es un libro de curso intermedio para la formación de profesores de inglés de pregrado en Cuba; que hace propio un enfoque comunicativo para la enseñanza y el aprendizaje de idiomas y que tiene la intención de responder a las necesidades particulares de los educadores. Está conformado como un cuaderno de ejercicios y forma parte de una serie que le permitirá al lector practicar sistemáticamente la comprensión auditiva, la expresión oral, la lectura y la escritura, así como el vocabulario y la gramática. También incluye oportunidades para aprender sobre la lengua extranjera, a través de la lengua extranjera y sobre la cultura en la que se usa.

Catalog of Copyright Entries, Third Series

This tightly edited volume contains the finest, highly accessible articles in the fast-growing legal genre of critical race theory--a field which is changing the way this nation looks at race, challenging orthodoxy, questioning the premises of liberalism, and debating sacred wisdoms. Including treatments of two new, exciting topics--Critical Race Feminism and Critical White Studies--this volume is truly on "the cutting edge." Questions for discussion and reading suggestions after each part make this volume essential for those interested in law, the multiculturalism movement, political science, and critical thought. In this wide-ranging second edition, Richard Delgado and Jean Stefancic bring together the finest, most illustrative, and highly accessible articles in the fast-growing legal genre of Critical Race Theory. In challenging orthodoxy, questioning the premises of liberalism, and debating sacred wisdoms, Critical Race Theory scholars writing over the past few years have indelibly changed the way America looks at race. This edition contains treatment of all the topics covered in the first edition, along with provocative and probing questions for discussion and detailed suggestions for additional reading, all of which set this fine volume apart from the field. In addition, this edition contains five new substantive units--crime, critical race practice, intergroup tensions and alliances, gay/lesbian issues, and transcending the black-white binary paradigm of race. In each of these areas, groundbreaking scholarship by the movement's founding figures as well as the brightest new stars provides immediate entry to current trends and developments in critical civil rights thought. Author note: Richard Delgado, Jean Lindsley Professor of Law at the University of Colorado at Boulder, is one of the founding members of the Conference on Critical Race Theory. Winner of the Association of American Law Schools' 1995 Clyde Ferguson Award for outstanding law professor of color, he is the author of over 100 articles in the law review literature on civil rights and of several books, including *Failed Revolutions*, *Words that Wound*, and *The Rodrigo Chronicles*. Jean Stefancic, Research Associate in Law at the University of

Colorado, is the author of leading articles and books on Critical Race Theory, Latino/a scholarship, and social change, including No Mercy: How Conservative Think Tanks and Foundations Changed America's Social Agenda (Temple).

A Companion to Latin American Cinema

Includes section "Laws, regulations and rules affecting wharves, warehouses and cargo."

Dogchild

Finbar Black's day is turned upside down when a crazy, beautiful girl bursts into the house with a gun and a bag full of cash. Here we meet the Black family: four generations of schemers, liars, cheats and losers and, via a succession of twists and turns, we find out why she's there.

Being

Successful journalist Emily Kirkland secretly marries her close friend and gubernatorial candidate Christopher Delgado, but their growing relationship is soon threatened by scandal and by powerful enemies out to destroy them. Reissue.

Burn Baby Burn

Theodore Boone is back on the case in an all-new adventure! Bestselling author John Grisham delivers a page-turning legal thriller for a new generation of readers. Theo has been worried about his good friend Woody Lambert. Woody is struggling at school and making bad choices. But when Woody is arrested—an unwitting accomplice to armed robbery—Theo knows he is innocent. Racing the clock while Woody sits in jail, Theo will do everything in his power to help his friend and save Woody from an unforgiving system where justice is not equal for all. Brimming with the intrigue and suspense that made John Grisham a #1 international bestseller and undisputed master of the modern legal thriller, Theodore Boone's trials and triumphs will keep readers hooked until the very last page.
