Bound by Honor

Born into one of the leading Mob families in Chicago, Aria Scuderi struggles to find her own path in a world where no choices are given. Aria was only fifteen when her parents betrothed her to Luca - The Vice - Vitiello, the oldest son of the head of the New York Cosa Nostra to ensure peace between the two families. Now with eighteen, the day Aria has been dreading for years is looming dangerously: her wedding to Luca. Aria is terrified of marrying a man she hardly knows, especially someone like Luca who got his nickname 'the Vice' for crushing a man's throat with his bare hands. Luca might be one of the most sought after men in New York thanks to his good looks, wealth and predator-like charisma that radiates power, but the society girls throwing themselves at him don't know what Aria does: that the bad boy aura isn't just a game; blood and death lurk beneath Luca's striking gray eyes and arrogant smile. In her world a handsome exterior often hides the monster within; a monster who can just as easily kill as kiss you. The only way to escape the marriage to Luca would be to run away and leave everything she's ever known behind but Aria can't bear the thought of never seeing her family again. Despite her fear, she decides to go through with the marriage; Aria has grown up among predators like Luca and knows that even most cold-hearted bastards have a heart and she has every intention of working her way into Luca's. **!Mature content!** Books in the Born in Blood Mafia Chronicles: Bound By Honor Bound By Duty Bound By Hatred

Sinner

An Entertainment Weekly Top 10 Romance of 2018! I'm not a good man, and I've never pretended to be. I don't believe in goodness or God or any happy ending that isn't paid for in advance. In fact, I've got my own personal holy trinity: in the name of money, sex, and Macallan 18, amen. So when the gorgeous, brilliant Zenny Iverson asks me to teach her about sex, I want to say yes, I really do. Unfortunately, there are several reasons to say no--reasons that even a very bad man like myself can't ignore. 1. She's my best friend's little sister. 2. She's too young for me. Like way too young. 3. She's a nun. Or about to be anyway. But I want her. I want her even with my best friend and God in the way, I want to teach her and touch her and love her, and I know that makes me something much worse than a very bad man. It makes me a sinner. And it's those very sins that are about to save me... ***Sinner is a standalone companion to Priest about Father Bell's brother Sean. You do not have to read Priest or Midnight Mass to read Sinner***

Corrupt

Dreams might be a heart's desire, but nightmares are its obsession in the first novel of a dark romance series from New York Times bestselling author Penelope Douglas. Erika Fane's boyfriend's older brother is handsome, strong, and completely terrifying. The star of his college's basketball team gone pro, he's more concerned with the dirt on his shoe than he is with her. But she saw him. She heard him. The things that he did, and the deeds that he hid... For years, Erika bit her nails, unable to look away. Now, she's in college, but she hasn't stopped watching him. He's bad and the things she's seen aren't content to stay in her head anymore. Because he's finally noticed her. But Michael Crist knows the hold he has on Rika, how much she fears him. She looks down when he enters the room and stills when he's close. He knows she thinks only of him. When Michael's brother leaves for the military, leaving Rika alone and unprotected, he knows the opportunity is too good to be true. Three years ago she put Michael's friends in prison, and now they're free. Every last one of her nightmares is about to come true.

From Blood and Ash

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the

shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. I share everything with my twin. But not her. AUDREY If there is one thing I don't have time for, it's men. Especially not men six years my junior, with a wicked smile and abs for days. How can I, when being with me means she's marked for death? LOUIS It was always Liam and me. Through every hit we've done, every woman we've f*cked and every loss we've suffered, we've been left standing because we had each other's backs. Then she showed up. The prissy little bird who's wrapped my twin around her finger, making him careless. Making him vulnerable. In our business, you have a weakness, you're dead. And if there's one thing I won't survive, it's losing Liam. So I'll protect him-even from himself, if I have to. I'll make her think I'm him. And then I'll break her. She'll regret the day she fell in love with a Steel.

Filthy

She captivates me the second I lay eyes on her. Everything about her is pure, delicate beauty, and in my world, those things are commodities. Even Aoife can be bought and sold. Even Aoife has secrets that will see her getting into bed with the Irish Mob to protect. The truth won't set her free, it will entangle her deeper in my web. Exactly where I want her. One taste was all it took. She's mine. Whether she likes it or not... This is Finn O'Grady's story.

Malice

There are three rules for being best friends with a mafia princess: 1. Don't ask any personal questions. 2. Don't show up at her house unannounced. 3. Don't ever, ever let anyone know you're friends. For three years, I followed the rules. Vicky and I met once a week at the diner where I worked. I was her slice of normalcy, she was the one person I could confide in. It might have been unconventional, but it worked for us. One night, all hell broke loose and I got caught up in a battle of bloodshed where we almost lost our lives. I ended up face to face with Vicky's dangerous older brothers. Anthony, William, and Nicholas Civella--the made men of the Kansas City Mob. After fighting for my life and proving myself worthy, they brought me into their deadly world. It was glamorous but twisted. Torture, death, and crime followed me everywhere I went, chiseling away at parts of me until I wasn't the same anymore. Slowly, I betrayed my best friend, and fell in love. Chances are they'll ruin me. This thing between us has deadly consequences. But in this criminal world, I'm learning that the rules don't apply when you're the boss.

Untouchable

Senior year was off to a rough start: lube in my locker, panties on my front porch, unimaginative name-calling. See, I got a player suspended from the football team for harassing me, and in my small Texas town, you don't mess with the football players—even if they mess with you first. I didn't care if it was an unpopular thing to do; I stood up for myself... and in doing so, opened Pandora's Box. I never dreamed I would attract the attention of locally worshiped star quarterback, Carter Mahoney. Never imagined his coveted attention would turn out to be such a nightmare. Beneath his carefully constructed façade lurks a monster, a predator looking for the perfect prey to play with. Now, since I'm the girl no one likes or believes, I guess I'm the perfect target for his dark games and twisted desires. After surviving my first encounter with his casual depravity, all I really want is for Carter to leave me alone. But all he seems to want is me.--publisher description.

He thought I owned him. He thought he loved me, that I was enough. But this animal, this sex god who could drive me crazy and steal my heart in the same breath, he would never fully be mine. It was impossible. No one ever owned a God... One year. I have one year to find out more about this man I am marrying. More about his family. More about our sex, and all of the dirty, delicious places it will take me. I thought I'd spend this year making a decision. I never thought the decision would be taken from me, snatched right from my naive little hands. The final book in the Innocence Trilogy. PRAISE: "Julia Campbell, a college intern in a law office, becomes sexually involved with Brad, one of the senior partners, while working for another. Evidently nonorgasmic before she met Brad, Julia is enjoying her sexual awakening with him in threesomes, sex parties, and anything and everything (except S and M)—until her boss is murdered, and she finds out that she's on a hit list for having overheard a conversation involving his representation of Mob families. Brad, the son of one of those mobsters, though not involved in the family "business," has to figure out how to protect her. Torre gives readers erotica with a plot, despite the bromide of the alpha male introducing the naïve young woman to sex and a variant of the marriage of convenience. Julia is a classic "spunky Suzy," and unlike *Fifty Shades of Grey*, the story is plausible." —Mary K. Chelton, Booklist, on *Masked Innocence* (Book 2 in The Innocence Trilogy) "Torre's erotic sequel to the indie digital hit *Blindfolded Innocence* returns to the dangerous, decadent world of divorce lawyer Brad De Luca and law student Julia Campbell. In the bedroom, Brad is slowly pushing Julia to the very edges of her sexual limits, including threesomes and sex parties. At the office, Julia accidentally overhears her boss, Brad's business partner, engaging in a shady Mafia-related deal, and her new knowledge could get her killed. When she tells Brad about the conversation, it becomes clear that he's hiding a big secret that could drive him and Julia apart forever. Will losing her inhibitions also mean losing her life? Despite a dead end or two and a cliffhanger conclusion, Torre keeps readers engaged with this fast-moving tale of deceit, treachery, and love." —Publishers Weekly on *Masked Innocence* (Book 2 in The Innocence Trilogy)

End of the Innocence

At just 30 years old, with dark-blond hair and freckles, Barbara Weaver was as pretty as the women depicted on the covers of her favorite "bonnet" stories - romance novels set in Amish America. Barbara had everything she'd ever wanted: five beautiful children, a home, her faith, and a husband named Eli. But while Barbara was happy to live as the Amish have for centuries - without modern conveniences, Eli was tempted by technology: cell phones, the Internet, and sexting. Online he called himself "Amish Stud" and found no shortage of "English" women looking for love and sex. Twice he left Barbara and their children, was shunned, begged for forgiveness, and had been welcomed back to the church. Barb Raber was raised Amish, but is now a Conservative Mennonite. She drove Eli to appointments in her car, and she gave him what he wanted when he wanted: a cell phone, a laptop, rides to his favorite fishing and hunting places, and, most importantly, sex. When Eli starts asking people to kill his wife for him, Barb offers to help. One night, just after Eli had hitched a ride with a group of men to go fishing in the hours before dawn, Barb Raber entered the Weaver house and shot Barbara Weaver in the chest at close range. It was only the third murder in hundreds of years of Amish life in America, and it fell to Edna Boyle, a young assistant prosecutor to seek justice for Barbara Weaver.

A Killing in Amish Country

It was such a shame that she was in the wrong place, at the wrong time. She knew that we would come for her. We had seen her delicate face that night, hidden in the shadows, and she had seen what we did, her gasp of horror giving her away. She was perfection, beauty, and oozed goodness but that wasn't going to save her from us. No one could ever find out our secret, which meant we needed to get rid of her. Killing her wasn't an option and scaring her into silence wasn't as easy of a task as we expected. She was strong, resilient, and smart doing whatever she could to evade us. Without even knowing it she turned it into a game, and so we became blood thirsty wolves. Run and we'll find you. Keep our secret and you might live. That is until someone else finds out what we did... **This is a standalone DARK bully romance. This book contains scenes that may be triggering to some readers. This is not a YA romance novel and should be read by those only 18+ or older. **

Hurting You

Rules are made to be broken . . . If England had yearbooks, I'd probably be "Arden St. Ives: Man Least Likely to Set the World on Fire." So far, I haven't. I've no idea what I'm doing at Oxford, no idea what I'm going to do next and, until a week ago, I had no idea who Caspian Hart was. Turns out, he's brilliant, beautiful . . . oh yeah, and a billionaire. It's impossible not to be captivated by someone like that. But Caspian Hart makes his own rules. And he has a lot of them. About when I can be with him. What I can do with him. And when he'll be through with me. I'm good at doing what I'm told in the bedroom. The rest of the time, not so much. And now that Caspian's shown me glimpses of the man behind the billionaire I know it's him I want. Not his wealth, not his status. Him. Except that might be the one thing he doesn't have the power to give me. Arden and Caspian's love story continues in *How to Blow It with a Billionaire*, coming Fall 2017.
