

# constructing the world a study in paul cosmological language

[#Pauline cosmology](#) [#biblical creation](#) [#Paul's cosmic language](#) [#New Testament theology](#) [#world construction theology](#)

This study explores the profound ways the Apostle Paul articulates his understanding of the cosmos, delving into how he envisions God's act of constructing the world. It examines his unique cosmological language and its implications for biblical creation narratives within early Christian thought, offering insights into Pauline theology.

Students can use these syllabi to plan their studies and prepare for classes.
