Movies, murder and too much vodka ... Mixologist Pepper Revelle is thrilled the Bohemia Bartenders' latest gig is in her backyard: a cocktail-themed film festival that draws all the usual suspects to Bohemia Beach. But good suspects are in short supply when a body wearing an antique gold coin necklace washes up on the Florida sand. Pepper's colleague and elusive crush Neil fears the worst for his grandfather, a treasure hunter who's been missing for months. Meanwhile, Pepper's big-bearded ex-boyfriend, an obnoxious celebrity mixologist with a TV crew in tow, is convinced someone's trying to kill him, too. To Pepper's dismay, he begs her for protection. Stir in a couple of flickering Hollywood stars, a pushy TV producer, dashing distillers, a frantic festival chairman, a garnish-eating dog, vats of vodka and a double dose of danger, and Pepper's patience is poised to pop like popcorn. Can the mixologists shake up a solution to multiple mysteries before they're skewered like the olive in a martini? Vexed by *Vodka* is the third book in the Bohemia Bartenders Mysteries, funny whodunits with a dash of romance set in a convivial collective of cocktail lovers, eccentrics and mixologists. These quasi-cozy culinary comedies contain a hint of heat, a splash of cursing and shots of laughter, served over hand-carved ice.

The Celebration Series: Part 3 The Celebration Series is a 13-book series that celebrates friends, family, love & holidays in the fictional town of Celebration PA. Part 3 includes Books 10-13: *Working under Wheels*, *Masquerading at Midnight*, *Blessings & Beans* and *Velvet & Vows*. In *Working Under Wheels*... Levi Rivers is one of the most protective men in Celebration, so when his neighbor passes away, he feels responsible for not having noticed her absence. Alesandra Findley moved away from Celebration when she was four years old and was told that her mother had died when she was young. When Alesandra returns to Celebration, Levi is there to lend his guidance, support, and encouragement. Levi will need to learn to live with his guilt while Alesandra learns the truth about her mother. When it's time for her to return to New York City, she's not sure she wants to leave Levi and all she has discovered to return to the cold world of fashion. But can life with Levi working with chrome and wheels instead of glamour and glitz be enough for her? In *Masquerading at Midnight*... Deklan Kelly comes from a family of well-known attorneys, and his parents pushed him into it, too. Privately, he wished he could sketch and paint the beauty of life instead of wheeling and dealing with the dregs of humanity. Sky Clarke hides behind the walls of her family's home, protecting women and children from abusive partners. She is devoted and passionate to her cause and will do anything for her clients—she'll even break the law. What she won't do is put up with annoying attorneys. After Sky finds Deklan innocently sketching on her property, the two of them are thrown together into a spiral of events that keeps them on their toes. Will Deklan finally remove the mask and be the man he wants to be, or will Sky run from the passion because she's afraid to remove her own mask? In *Blessings & Beans*... Hope Wells is a lifetime resident of Celebration and lives on coffee fumes and love stories. As each one of her friends has found love, she's been glad for them—and secretly envious of their happiness. As much as she wants to find love, she knows that the odds are against her, especially with the medical issue she has kept hidden. Aaron Findley was born in Celebration but left when he was a boy. A few months ago, he returned after his mother

passed, and even the racecars he drives couldn't get him out of town fast enough. His sister, Alesandra might enjoy the podunk town, but he prefers the fast life of cars, cities, and beautiful, flashy women. Six weeks before Thanksgiving, Aaron crashes his racecar and end up fighting for his life. When he is discharged three weeks later, he finds that he has fewer friends than he thought and a career that went up in flames with his car. His only choice is to convalesce at his sister's house in Celebration. Grumpy and bored, Aaron finds himself hiding at the small coffee shop for hours as he comes to terms with his new life. As Hope befriends a less arrogant Aaron, she chips away at his thick armor and realizes that the two of them have a lot in common—but will their friendship turn into a blessing for them both, or will it be another crash and burn that will destroy them? In Velvet & Vows... Velvet & Vows starts twenty days before the wedding and there is a lot to be done. With showers, parties, dress fittings, holiday preparations and the last of the details for the ceremony and reception, Celebration is crackling with energy—but it's not all good. With a few misunderstandings, secrets and a serial arsonist running rampant, the days leading to the wedding are far more stressful than Casey and Thad ever planned for. It will take the entire town to tell this story as we pass from one character to another. Prepare yourself for this one-of-a-kind novel which brings insight into every character you've fallen in love with, and even a few characters

Healthy Or Else

As a seven-year-old boy, Jon Coile dreamed of spending the summer sailing Author of Evolution of an Xmas Letter the Atlantic. He just couldn't get his friends to cooperate. Coile grew up and spent time on the water, and in Adventures in the Ditch, he shares one story of a family nautical adventure. Hoping to rekindle the wanderlust and excitement of earlier sailing experiences, Coile, his thirty-seven-year-old brother Andrew, and their eighty-one-year-old father Russell embark on a nine-day, 2,500-mile, round-trip voyage on the Intracoastal Waterway—from the Chesapeake Bay to Miami. Their refurbished vessel, the Griffin, throws them some curveballs, and the trio encounters other unexpected situations, calling for creative and whimsical solutions. More than a mere boat trip, Adventures in the Ditch presents a rich, warm, and personal story of family relationships. Praise for Adventures in the Ditch "Jon Coile's action-packed account of a journey on the Inland Waterway with his elderly father beautifully captures the challenges of navigating and the tensile strength of family ties." —Susan Moger, Former Senior Editor, Scholastic Inc.

Adventures in the Ditch

When detectives have exhausted every lead in their arsenal of tools, they turn to the only people who can help solve the crime. This novel has a flair for the "why done it" with lots of twists and turns, southern exposure, police procedures where the good guys are not always good, and an ending that forces you to sit up a little bit straighter. The characters come to life with suspense, drama, and explosive action. Seasoned Detectives Oliver Rousseau and Jack Deveraux of the New Orleans PD are stumped when a sophisticated killer who targets his victims on rainy nights during hurricane season evades suspicion as the police quickly run out of leads on the murder of a prominent doctor's wife. When Jennifer Dolan, an employee at the Criminal Courthouse fails to show up for work police are dispatched to her residence,

just houses from the murdered doctor's wife, to discover she has been killed with the same M.O. – a single gunshot to the head on a rainy night. With the clock ticking on the second murder, Oliver resorts to unorthodox methods and enlists the aid of his beautiful wife Marin, and her twin sister Megan - who hold the clues and a carefully guarded secret of the affluent Carrington women – their psychic ability that allows them to see the calculated murder of Jennifer Dolan and identify the killer. Oliver knows only hard evidence will lead to an arrest so it's up to him to convince Jack, and a small task force to focus the investigation on an unlikely killer without telling them where he gets his information, in order to protect his wife's secret. But, when the suspect terrorizes Oliver's family and one of them is shot, the case explodes as Oliver and Jack go on the hunt for a sniper - Trained To Kill.

Let's face and share the pain. Under the Yoga Mat lifts the veil on the underexposed dark side of the history of Yogi BhaJan's Kundalini Yoga and his revered 3HO Healthy, Happy, Holy community. This is the first book presenting the multifaceted character and extent of the wrongdoings and the tactics used by its leadership to keep horrific abuse hidden for five decades. This meticulously researched non-fiction work delves deep into the tragedies that unfolded when Harbhajan, a 39-year-old Sikh-born Indian customs officer, arrived in Los Angeles in 1968, posing as a master of Kundalini Yoga. Through a thoughtful selection of testimonies, historical records, and expert insights, this work unravels the rise of Yogi BhaJan, as disillusioned American youth embraced him as the Eastern guru, they believed they needed. As his following grew rapidly, he proclaimed that his devotees were predestined to guide humanity in the transition from the Piscean to the Aquarian Age. Yet, behind the facade of spiritual enlightenment, BhaJan cunningly manipulated, controlled, exploited, and abused his followers and their children. He was involved in drug and arms smuggling and fraudulent businesses. Under the Yoga Mat challenges our perception of spiritual leaders, champions the resilience of survivors, and sparks a critical conversation about power, manipulation, and the darker side of spiritual movements.

The Heart of Central New York

As a young medical student, Dr. David Casarett was inspired by the story of a two-year-old girl named Michelle Funk. Michelle fell into a creek and was underwater for over an hour. When she was found she wasn't breathing, and her pupils were fixed and dilated. But after three hours of persistent work, a team of doctors and nurses was able to bring her back. If Michelle could come back after three hours

of being dead, what about twelve hours? Or twenty-four? What would it take to revive someone who had been frozen for one thousand years? And what does blurring the line between "life" and "death" mean for society? In *Shocked*, Casarett chronicles his exploration of the cutting edge of resuscitation and reveals just how far science has come. He takes us to a conference of "cryonauts" who want to be frozen after they die, a dark room full of hibernating lemurs in North Carolina, and a laboratory that puts mice into a state of suspended animation. The result is a spectacular tour of the bizarre world of doctors, engineers, animal biologists, and cryogenics enthusiasts trying to bring the recently dead back to life. Fascinating, thought-provoking, and funny, *Shocked* is perfect for those looking for a prequel—and a sequel—to Mary Roach's *Stiff*, or for anyone who likes to ponder the ultimate questions of life and death.

Feral Eyes Book Two... takes us on a tumultuous ride into the mind of Wendi Feral's brother's misogynistic mindset. Mark Feral is... in one word, 'Sinister!' Many characters are back from the original 'Feral Eyes' manuscript, yet this standalone story is an intriguing blend of personalities. After being paroled by San Quentin Prison, Mark Feral, Wendi's brother, absconded; Mark is hell-bent on punishing his sister. This story is action-packed with diverse counterpunching factions, with toxic aligned relationships that appear to coalesce at times and at other times are at each other's throats. Like real life, these characters exhibit jealousy, lust, envy, and a smattering of love and passion. In these pages, you will read about the personalities of a few narcissistic psychopaths. These individuals have their agendas and will not let anyone stand in their way. Tell me, does any of us know what the other is thinking and planning? Behind that smile is their ulterior motives; we're all actors on Earth's stage. If pushed into a corner,

what extremes would you resort to? Survival is instinctual in all living entities Fight, Freeze, or Flight. We come into this world alone and leave it the same way. Be wary. Even the most docile person can be aggressively motivated; we portray what we want others to perceive. Stare into a mirror, slow your breathing meditate, and stay still for 3 minutes. Whom did you see? Peer inside your real spirit; your soul is glaring back at you. We're many people; whom are you impersonating this evening? This is not a book for you if you're easily shocked by matters of real life or if you're a stalwart for the politically correct crowd or prudish; sorry, much of this action narrative is outrageously on slippery slopes. Please read the sneak-peak before venturing out without a parachute.
