## Chakra Wisdom Oracle Toolkit

"Each poignant and thought-provoking story will give you the feeling of a long-lost treasure." – Mark Victor Hansen, Co-creator of The New York Times Best-selling Series, Chicken Soup for the Soul  
In 52 weeks of self-discovery, The Chakra Wisdom Oracle Toolkit guides you in opening up your intuition, removing blockages from your life, improving your relationships and realizing your highest potential. Here is the full text of the fables that were revealed by angels to the popular intuitive Tori Hartman and then lost for two decades. Week by week, you will explore the 49 fables, beginning with "Renewal" – the fable of Geranium, which promises a new beginning. This standalone book can also be used in conjunction with the Chakra Wisdom Oracle Cards, a divinatory deck of 49 cards, each one representing one of the fables. Each fable is associated with one of the major chakras and has its own shade of colour (Geranium Red, for example) and a fairy-tale illustration; the visuals add extra layers of meaning to the words of the fable. There are five days of activity per week, each requiring just 10–20 minutes. On Monday, you read the fable and set your intention for the week. On Tuesday, you explore the meaning of the week's colour. Wednesday is the Journal Journey, when you complete a written task. On Thursday there are exercises in self-understanding, to be done alone or in a group. Friday has a guided meditation. Through short bursts of activity each day, the fables will seep into your life, giving you new perspectives and helping you to make the changes you truly want.

Working with Chakras for Belief Change transforms people's unhelpful beliefs through clearing their chakras, raising their vibrations, and creating a fertile space for the New to come in. The Healing InSight Method presented in this practical full-color book is based on affirmations used together with individual chakra work and specific bodywork exercises, including techniques drawn from kinesiology, qigong, whole-brain integration, visualization, and infinity symbol exercises. Psychologist and energy therapist Nikki Gresham-Record channeled 28 common beliefs for each chakra, 196 total, which can be fully realigned using this transformational system of complete mind-body-spirit healing. The author organizes the beliefs around the chakra system and explains how unhealthy beliefs can take root within the chakras and the body. She shows how her belief realignment method is capable of changing beliefs and their associated vibrations in the subconscious mind and energy body, thus enabling any blocks to dissolve and your system to open up to the opportunity for change. The 56 high-vibration chakra images included in this book can be used as a tool for therapeutic guidance as well as for positive manifestation. Each chakra is represented by a main chakra image along with 7 chakra aspect images, affirming potent qualities that we are all able to access when balanced and in harmony within ourselves. The artistry of the chakra images offers an immersion in the vibration of the empowering chakra-related beliefs and aids energetic resonance to help people feel good and begin healing. Also offering case studies and a life-review process to help the reader take stock of their situation before and after they begin the Healing InSight Method, Working with Chakras for Belief Change provides a gentle, energetic, yet potentially life-changing tool for personal growth and development.
