Italian Food - AMAZING ROMAN FOOD and Attractions in Rome, Italy! - Italian Food - AMAZING ROMAN FOOD and Attractions in Rome, Italy! by Mark Wiens 3,220,726 views 7 years ago 29 minutes - Day 14 on our Round **The**, World Trip for **Food**,: Rome, **Italy**, - On our very first day **in**, Rome, we set off early **in the**, morning **to**, see ...

Breakfast at the hotel - To begin the day of sightseeing in Rome, we had breakfast at the hotel, and did the final planning of the day.

Colosseum - One of the most important and well recognized attractions in Rome is the Colosseum and we arrived pretty early to get in, and I also had pre-purchased my tickets online to attempt to beat the crowds and not have to waste time waiting in line. It worked well, and as soon as the Colosseum opened, we went through security and got in. It was an amazing sight to see, especially because it was so quiet when we arrived.

Roman Forum and Palatine Hill - Locate in the same area as the Colosseum is the Roman Forum and Palatine Hill, and so that's where we went next. Again, seeing the ancient ruins of Rome was truly spectacular.

Trattoria Luzzi - I wasn't quite sure where to eat lunch, and located right around these famous attractions in Rome, there are a lot of expensive, and probably not so good restaurants. We decided to go check out a restaurant called Trattoria Luzzi, just down the road from the Colosseum on the opposite side of the road. I ordered Trippa Alla Romana, a Roman tripe dish and also a pasta of Amatriciana. Overall, the food was good, and it was a friendly little restaurant and the location was good. Total price - 21 EUR (\$23.47).

Basilica di San Giovanni in Laterano - After lunch we headed to Basilica di San Giovanni in Laterano, a huge basilica in Rome. Right across the plaza is Scala Sancta, a small chapel with a 28 step staircase where Jesus is believed to have ascended.

Gelateria Valentino - I don't know of anyone that goes to Rome without eating some gelato, and right around the Trevi fountain area of Rome, you'll find a lot of gelato spots. We tried Gelateria Valentino. Gelato - 3 EUR (\$3.35)

Trevi Fountain - Another one of the most iconic attractions in Rome is the Trevi fountain. We didn't spend too much time there, but it is pretty cool to see in person.

Amazing Italian Roman food at Trattoria Dal Cavalier Gino Restaurant - For dinner, my wife and I met up with Valentina and Antonio. After walking through the amazing narrow lanes of Rome, we navigated our way to Trattoria Dal Cavalier Gino Restaurant, where they had made a reservation for dinner. The restaurant is exactly what you want in a classic Roman Italian food restaurant, a family style restaurant that offers an abundance of Roman dishes. We first started with some types of Roman pasta including cacio e pepe, and carbonara, all of which were incredible - the best pastas I've ever had. Then we moved on to an amazing assortment of main Italian food dishes, including veal, lamb, and so many other amazing dishes. It was an Italian food meal like I've never had before. Most of the dishes were Roman food style. Thank you Valentina and Antonio for the amazing dinner!
