This guide is for anyone who has ever thought of screenwriting. Written by someone who has "been there, done that," and lived to tell the tale, it reveals the most popular genres, explains how stories need to be structured for feature films and TV movies, offers the freshest look at workshops and online classes, and disusses how to set up a step-by-step path to success.

The Complete Idiot's Guide to Filmmaking

The most comprehensive introduction to film making. -- Some how-to books on filmmaking focus on making specific types of films, such as short dramatic films or documentaries. Others focus on one aspect of filmmaking, such as directing or editing. Still others focus on a particular medium, such as digital filmmaking. The Complete Idiot's Guide "RM" to Film Making covers all of these topics -- and more! -- This book will appeal to film students, wannabe film students, and writers tired of trying to get their own work sold/distributed, and want to go it alone. The Complete Idiot's Guide "RM" to Film Making will do for aspiring filmmakers what The Complete Idiot's Guide "RM" to Screenwriting is doing for aspiring screenwriters. In fact, this book should have the added luxury of also appealing to aspiring screenwriters, especially those who have struggled to get their work purchased, who have considered trying to produce and direct their own screenplays. Regardless of motivation for picking up The Complete Idiot's Guide "RM" to Film Making readers will find it to be the most comprehensive book on the subject -- and on two different levels. First, it will cover every aspect of the filmmaking process, from script to pre-production, to directing, to post-production, to distribution. Secondly, it will cover virtually every form of filmmaking, including independent features, Hollywood films, television movies, documentaries, corporate and educational films, "reality films," digital/Internet films, and music videos.

Screenplay to Novel

A ten-step guide to turning any screenplay into an excellent novel that you can sell, whether the script sold or not, by the author of the Complete Idiot's Guide to Screenwriting, who has had more than 50 books and novels published and taught 100,000+ writers to be more profitable.

The Complete Idiot's Guide to Creative Writing, 2nd edition

A creative writing class in a book -REVISED. Major revisions take this popular Complete Idiot's Guide to a new level, offering readers a better way to unlock their creativity from the first page. Exercises help them explore their talents and experiment with different genres and forms of writing, including short stories, narrative fiction, memoirs, magazine articles, poetry, drama, blogging, and freewriting.

The Complete Idiot's Guide to Independent Filmmaking

You ought to be making pictures. Designed for people who want to tell a story their way, The Complete Idiot's Guide® to Independent Filmmaking explains everything a budding auteur needs to know—from literary development and financial and organizational pre-production to principal photography production, post-production assembly, exhibition and distribution, and more. • The advent of desktop editing and a wide range of consumer cameras enable the average person to create a "film studio" at home. • A great "textbook" for novice filmmakers, whether film students or on-their-own auteurs. • The proliferation of film festivals around the world, many of which encourage submissions from "amateur" filmmakers, shows there are countless filmmakers who aren't learning the ropes in school. • Author has terrific credentials and has a feature-length script in development in Hollywood.

The Complete Idiot's Guide to Making Money with Craigslist

A guide to doing business on craigslist covers how it works, accounts, listings, scams, payments, similar sites, hiring workers or finding work, commercial opportunities, legal matters, and discussion forums.

The Complete Idiot's Guide to Writing Business Books

The great idea is only the beginning. The typical business book author often lacks style, voice, pace, or focus. This guide takes the reader on a virtual tour of business book publishing, providing all the information essential to a successful book, from shaping the idea to writing the proposal to approaching an agent and beyond. ?Covers the essentials of marketing and publicity ?Addresses self-publishing, for those business book writers who simply look to sell their books at conferences ?The Complete Idiot's Guides® dedicated to writing and publishing continue to do well

How to Write what You Want and Sell what You Write

Press has appeared as a featured speaker at writer's conferences across the United States and regularly serves on entertainment industry panels. He lives in Southern California.

The Complete Idiot's Guide to Digital Video

Join the digital revolution. With the availability and affordability of digital movie-making equipment, it's now easier than ever for aspiring filmmakers to create the great movie they've always wanted to make. From information on creating mini-films on a PDA to making low-budget, full-length digital movies, *The Complete Idiot's Guide® to Digital Video* provides all the information you need to turn your idea into reality. -A must-read for every film student or novice -Covers all aspects of production, from casting and directing to light and sound to digital editing -Includes 8-page, 4-color insert -Up-to-date recommendations on equipment and software -Clear, easy-to-follow instructions and guidance, as well as all the practical, artistic, and technical "step-by-step" advice that only an experienced writer/director can offer

How to Write what You Want and Sell what You Write

Not loaded with theory, Skip's invaluable book contains concise, easily understood and applied advice for both writing and marketing any kind of book, article, story, play, screen-play, report, proposal or anything else you can think of. *How to Write What You Want and Sell What You Write* is for every writer or wannabe who needs to sort out his or her desires, capabilities and strengths and, even more importantly, learn the particular formats for the kind of writing in which he or she is interested.

The Complete Idiot's Guide to Writing Well

You're no idiot, of course. You know how to tap out an email to your boss, scrawl a note to your sweetheart, even throw in an extra flourish when you sign a greeting card. But when it comes to really writing that excruciating process of transferring your thoughts to paper without inventing some strange new language well, let's just say you think you lack the write stuff. The written word was a great achievement in human history; don't give up on it just yet! 'The Complete Idiot's Guide to Writing Well' is the writing book you've been waiting for everything you need to know to make writing of any kind as easy as thinking or speaking. In this 'Complete Idiot's' Guide, you'll get : -Expert advice on making your writing as clear, persuasive and painless as possible, whether it's a thank-you note, a school paper, or an executive briefing. Easy-to-follow guidelines on a structure, spelling, punctuation, vocabulary and style. No-nonsense advice on figuring out the three hardest parts of any writing: the beginning, middle and end.

The Complete Idiot's Guide to Comedy Writing

Comedy is serious business—and serious money. In this guide, comedian, writer, and teacher James Mendrinos explains the principles of comedy and how to apply them to forms from stand-up to sitcoms—including fiction, film, speeches, articles, essays, and more. He also includes exercises designed to hone the craft, break through writer's block, and tailor a piece to its intended audience. In this *Complete Idiot's Guide®*, you get: • Foolproof advice for writing scripts, feature films, plays, cartoons, stand-up

jokes—even working humor into your presentation at work. • Terrific techniques for brainstorming, free associating, and drafting lists to make your writing better—and funnier. • Stand-up tips on identifying with and writing for your audience and genre. • Navigation tools for the inroads to marketing and selling your comedy.

Writer's Guide to Hollywood Producers, Directors and Screenwriter's Agents, 2002-2003

Now You Have a Friend in the Industry! So you want to get into show business? In Hollywood, it's not what you know, but who you know that counts. Whether your dream is to become a Hollywood writer or find the perfect producer to buy your script, at your fingertips are the insider hints and secrets you need to get discovered and succeed in this ultracompetitive industry. Hollywood guru and screenwriter Skip Press introduces you to hundreds of producers, directors, and agents and tells you how to reach them--by mail, phone, fax, or e-mail. You'll learn how to: -Market screenplays, novels, or short stories to the right people -Tailor your proposal to the preferences of each producer, director, or agent -Understand the real Hollywood and everything show business -Find the best agent or manager "Thoughtfully written, clearly laid out, and of great value to beginners and old-timers alike. This book combines fearless opinions and invaluable hard facts--both of which are hard to find in Hollywood." --Gareth Wigan, co-vice chairman, Columbia TriStar Motion Picture Group "An entertaining and valuable tool for anyone interested in show business." --Paul Mason Sr., vice president of production, Viacom "An invaluable resource for breaking into the movie and television business." --Barbara Anne Hiser, Emmy-winning cable and network television producer "An insightful guide to the intricate Hollywood network." --Oliver Eberle, founder and CEO, ShowBIZData.com "The bonus for readers of this book is that Skip Press is a good writer--accessible, clear, persuasive, motivating, and easy to understand." --Jerry B. Jenkins, coauthor, the Left Behind series

Writer's Guide to Hollywood Producers, Directors and Screenwriter's Agents, 1999-2000

In Hollywood, it's not just what you know, it's "who you know that counts! With "Writer's Guide to Hollywood Producers, Directors, and Screenwriter's Agents you have the friend you need to succeed in this very competitive industry. In this insider's guide, Hollywood screenwriter Skip Press tells you who's who, what they're looking for, and, most important, how to reach them--by mail, phone, fax, even e-mail. Also included: - Essential information on submission protocols and preferences for hundreds of agencies and production companies - Extensive interviews with key people - How Hollywood works: An A-Z tour - Books, CD-ROMs, and other back doors to Hollywood - And much, much more! "Skip Press has written a book that combines fearless opinions and invaluable hard facts, both of which are hard to find in Hollywood. This book is thoughtfully written, clearly laid out, and of great value to beginners and old-timers alike." --Gareth Wigan, co-vice chairman, Columbia TriStar Motion Picture Group "An invaluable resource for breaking into the movie and television business." --Barbara Anne Hiser, Emmy-winning cable and network television producer "[This book is] not only entertaining but a valuable tool for anyone interested in show business." --Paul Mason, Sr., vice president of Production, Viacom "The bonus for any reader of this book is that Skip Press is just a good writer--accessible, clear, persuasive, motivating, and easy-to-understand." --Jerry B. Jenkins, author of the "Left Behind series and "'Twas the Night Before "An insightful guide to the intricate Hollywood network." --Oliver Eberle, founder and CEO, ShowBIZ Data.com About the Author Skip Press, a novelist, screenwriter, and producer, is the author of "How to Write What You Want and Sell What You Write and dozens of other titles, as well as hundreds of entertainment articles and short stories. He lives in the Los Angeles area.

Original. (Beginner)

The Complete Idiot's Guide to Digital Video

A Guide to Screenwriting Success, Second Edition provides a comprehensive overview of writing—and rewriting—a screenplay or teleplay and writing for digital content. Duncan's handy book teaches new screenwriters the process of creating a professional screenplay from beginning to end. It shows that inspiration, creativity, and good writing are not elusive concepts but attainable goals that any motivated person can aspire to. Duncan includes sections on all aspects of screenwriting—from character development to story templates—and breaks down the three acts of a screenplay into manageable pieces. A Guide to Screenwriting Success contains dozens of exercises to help writers through these steps. The second half of Duncan's practical book covers another, often overlooked, side of screenwriting—the teleplay. Aspiring writers who also want to try their hand at writing for television will need to learn the specifics of the field. The book breaks down this area into two parts, the one-hour teleplay and the situation comedy. There is a section on writing and producing digital content that embraces the “Do It Yourself” attitude to approaching a career in the entertainment industry. Success in screenwriting is no longer a dream but an achievable goal for those who pick up Duncan's guide.

A Guide to Screenwriting Success

Designed to take you from the moment you first put your pen to paper to pitching and selling your completed screenplay, this is one of the most inspiring books on screenwriting you'll ever read. Practical exercises will teach you the craft of writing for film and television, both mainstream and independent, the art of building your own plots, characters, dialogue and scenes. It gives you the skills you need to succeed and helps you critique your own work, meaning that at every step of the writing process you'll be producing the best scripts you can. This book is filled with essential writing tools, including techniques for overcoming writer's block and how to find your unique voice. You will learn how to pitch and get your work optioned, how to work as part of a team and how to make the best use of social media - in all a comprehensive companion that you will keep coming back to as your career develops. ABOUT THE SERIES The Teach Yourself Creative Writing series helps aspiring authors tell their stories. Covering a range of genres from science fiction and romantic novels to illustrated children's books and comedy, this series is packed with advice, exercises, and tips for unlocking creativity and improving your writing. And because we know how daunting the blank page can be, we set up the Just Write online community, at tyjustwrite.com, for budding authors and successful writers to connect and share.

The Complete Idiot's Guide to Comedy Writing

To survive and thrive in the fantasyland that is show business, you need to know the realities of writing and selling. J. Michael Straczynski learned these realities the hard way. With his help, you'll learn them the easy way. Here the writer/producer of *Murder, She Wrote* and creator of *Babylon 5* tells you how it really is - and how you can really succeed writing scripts. Straczynski shows you the importance of distinguishing yourself, through professionalism and discipline, from the wannabes. He helps you strengthen your writing technique while urging you to bring your own vision to your work, avoid formula, and create from passion. And he takes you in for a close look at every entertainment medium hungry for good scriptwriters.

The Complete Idiot's Guide to Writing a Novel, 2nd Edition

Part of a mini book series. Lets the reader explore ways on how to overcome peer pressure, and becoming a better friend.

Cliffhanger
