Cricket at the Zoo

Arvi hears a strange buzz
as he is walking through the zoo.

He looks up curiously
and sees a group of monkeys
he walks up to them and asks
Are you really listening to cricket?

Of course, you silly ape.

Don't you know all animals love cricket?
chatter the monkeys.

Excitedly, Arvi throws his ball
high up into the air.

An elephant catches it.

We will make a big score

Sri Lanka will win!

trumpets the elephant.

A royal Bengal tiger leaps across a fence
and snatches the ball from the elephant.

He whacks the ball with his paw
and sends it flying high up into the sky
India will win!

growls the tiger.

The lions swiftly build a pyramid
and catch the ball.

England will win!

Just then a flock of kiwis
burrow underneath the lions' paws
and the lion pyramid collapses.

Don't underestimate our strategy.

New Zealand will win!

Then the mountain goats skip in
Let's see who can handle the spin
and speed of our bowlers.

Pakistan will win!

No the Cup is ours!

We will steal quick runs

South Africa will win!

cheer the deer.

wakes up the kangaroos.

For us, it's a simple hop
skip and jump to the Cup.

Australia will win, mates!

chortle the kangaroos.

The animals all close in on Arvi
So which team are you supporting?

Who do you think will win, Arvi?

demand the animals.

Wake up Arvi, Wake up!

Arvi yawns and wakes up
to find his parents smiling at him
the magical words

the finals of the Cricket World Cup!

So, which team do you think will win?
