### Haganai: I Don't Have Many Friends Vol. 9

The Neighbors Club may be a group of friendless misfits who can't get the hang of socializing despite their best efforts, but at least they have each other to practice on! Sena's continued attempts to make Kobato love her result in the entire club taking an outing to an amusement park, where they turn a death-defying roller coaster into a competition, while eating curry and... getting kidnapped by demons?! But there's more going on at the club these days than meets the eye. One of the girls has a surprise in store for everyone - including herself! And when Kodaka challenges Rika to make a truly impressive invention, the skeleton he and Yozora have been hiding may not stay in the closet for long!

### Haganai: I Don't Have Many Friends Vol. 8

Kodaka's life hasn't been easy since joining the Neighbors Club. Getting dragged into a conversation by another strange nun was the last thing he needed. Then again, her advice seemed sound, until he discovered she was seriously twisted. Now her close ties to another member of the club will make it even harder for Kodaka to escape her. At this point, however, Kodaka is used to not being in control of his destiny. Whether it's studying with Sena (and discovering an unnatural obsession!), or having Maria invade his home to fight with Kobato, Kodaka's learned to go with the flow. Of course, this may not be the best approach to life, especially when it seems like other people are calling the shots for him!

### Haganai: I Don't Have Many Friends Vol. 10

Kobato's birthday is coming up, so what better excuse for a party? For the Neighbors Club, a group of socially-inept students with no clue how to make friends, it's an opportunity for a practice party so they'll know how to behave when they go to a real party... someday. Of course, a party calls for presents, so it's time for a group shopping trip! Kodaka comes along to help the girls shop, but what our favorite misfits will come back with is anybody's guess. Also on the horizon is the school festival, an opportunity for clubs to strut their stuff! The question is, how does a dysfunctional group like the Neighbors Club come up with a single idea that will appeal to anyone but themselves?

### Haganai: I Don't Have Many Friends Vol. 14

A wild and offbeat comedy manga about social outcasts who are obsessed with fandom, Haganai: I Don't Have Many Friends continues its wild antics in its fourteenth volume. Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. Kodaka is an outcast, with his natural blond hair which he inherited from his deceased English mother, and his unpleasant, fierce gaze. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the

two outsiders become the unlikeliest of allies. Realizing that they have no hope of a normal social life, the two rejects decide to form a group called "The Neighbor's Club" in order to make friends and maybe even learn a thing or two about social skills. As luck would have it, five new members, each more socially awkward than the next, join the club. Will these quirky misfits ever make normal friends or are they all doomed to social failure?

#### Haganai: I Don't Have Many Friends Vol. 18

The eternal rivals Sena and Yozora face off on the basketball court, where Sena dominates all other players with her power, speed, and technique. What does Yozora have up her sleeve in this fight? When Christmas Eve arrives and the club members attend a school holiday party, they each have their own hopes about how things will unfold...but the events that await are even harsher than they might imagine.

#### Haganai: I Don't Have Many Friends Vol. 7

Ten years ago, Kodaka's best - and only - friend was a kid he knew only as "Sora." Now he finally knows that Yozora and Sora are the same person, but that doesn't mean their friendship can pick up where it left off. And to make things more complicated, she's known who he was all along... and chose not to tell him. Despite all that, life in the Neighbors Club continues as always. There are elaborate new hairstyles to try out, and new kinds of anime to explore! It all sounds normal enough, but if there's one thing you can count on with the Neighbors Club, it's that "normal" does not apply!

#### Haganai: I Don't Have Many Friends Vol. 11

The Saint Chronica school festival is coming fast, and the Neighbors Club still hasn't figured out how to present themselves to the world. They're running out of time and ideas, but a solution may have presented itself, if only they can agree to disagree. In order to make their idea a reality, the Neighbors Club will have to trust Yozora's talent as a writer - and her track record on that front is questionable. And while Yozora and Sena are known to squabble, their relationship is now more strained than ever. Have they crossed a point of no return? Is Yozora even capable of seeing the good in the present rather than dwelling on the past? Will the Neighbors Club spontaneously combust before we ever find out...?

#### Haganai: I Don't Have Many Friends Vol. 15

Sena and Kodaka have a choice to make: do they keep their feelings bottled up? Or do they start dating and destroy the Neighbors Club? With their friend Yozora already shunning them outside of class, getting together just might ruin the friendships they've worked so hard to build. And just what does a certain bat-earned superhero have to do with all this?!

#### Haganai: I Don't Have Many Friends Vol. 6

As summer break draws to a close, the Neighbors Club members decide to make the most of it! And what could be more seasonally appropriate than bonding during an overnight trip at a beach house, or going to a festival and having a little "friendly" competition? It's all good in theory, but there's one thing this dysfunctional club can always count on: if something can go wrong, it will! In a whirlwind of festive fun and scary stories, Kodaka's past may just come back to haunt him.

#### Haganai: I Don't Have Many Friends Vol. 12

With the Saint Chronica school festival quickly approaching, the Neighbors Club is going all out to get their movie finished on time - and in the process, the group is getting along better than ever! But the club's newfound spirit of cooperation may not survive the realization that Yozora's screenplay bears more than a little resemblance to a cult classic film. That's not the only surprise in store for this band of misfits. Kodaka and Sena's fathers are old friends, and would love nothing more than to see Kodaka and Sena get closer. Meanwhile, one particular club member is far more talented than anyone ever knew...!

#### Haganai: I Don't Have Many Friends Vol. 14

After Sena unexpectedly told Kodaka how she felt about him, he ran away...and a week later, he still hasn't been back to the Neighbors Club. Instead, he's been forging new connections--with the girls from the student council! But Kodaka can't hide from his complicated club relationships forever, especially

when things aren't going so well with the Neighbors Club in his absence. And if he won't come back on his own, Rika's ready to take things into her own hands...!

#### Haganai: I Don't Have Many Friends Vol. 13

Saint Chronica's school festival is finally here, and the Neighbors Club is excited to show off their finished movie...which isn't quite finished. With the screening time looming, the club must make a decision about how to apply the final touches--and fast! Meanwhile, someone on the student council has it in for the club. How far will she go to shut the Neighbours Club down once and for all?

#### Haganai: I Don't Have Many Friends Vol. 19

After the tumultuous events of the Christmas party, Kodaka has plans to withdraw from the Neighbors Club, but avoids the club room where Sena and Yozora await. But as soon as he chooses this, he is confronted by Yukimura draped in a beautiful dress. What will Kodaka do when Yukimura forces him to make a romantic choice?

#### Haganai: I Don't Have Many Friends Vol. 1

Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikeliest of allies. Realizing that they have no hope of a normal social life, the two outcasts decide to form a group called "The Neighbors Club" in order to make friends and maybe even learn a thing or two about social skills. This wild and offbeat comedy manga about quirky misfits who are obsessed with fandom is the basis for the hit anime!

#### Haganai: I Don't Have Many Friends Vol. 5

It's been a month since the misfits of the Neighbors Club joined forces to make friends, but now it's summer break and not one of them has had a shred of success. Rather than face the summer alone, the club heads out to the pool, where they can beat the heat and hang out together as practice for when they have real friends. What could possibly go wrong?

#### Haganai: I Don't Have Many Friends Vol. 3

Meet the Neighbors Club—an unfortunate group of even more unfortunate people trying to make friends by doing things like playing bishoujo games and trying their hand at acting...to no avail. Existing members Mikazuki Yozora and Kashiwazaki Sena (two beautiful girls to be avoided) and Kusunoki Yukimura (a boy dressed as a lovely—and female—maid) are joined by a young nun and a girl genius who push all the limits. How will this affect Hasegawa Kodaka (the only one with common sense, although that doesn't mean he has any friends either)? And then there's his little sister, with a look in her eyes that says she's hatching a sinister plot...!

#### Haganai: I Don't Have Many Friends Vol. 2

Hasegawa Kodaka, a boy with few friends, along with his beautiful classmate, the oddball Mikazuki Yozora, form the Neighbors Club, a group dedicated to making friends. While this sounds innocent enough, the only people who end up joining the club are total freaks and outcasts. Together, they geek out over RPG games, pit imaginary friends against each other, and wreak havoc in one another's lives while struggling to build social skills. Can black sheep like these really learn to become friends? And for a hot-blooded guy like Kodaka, why must everyone else in the club be females who are so attractive yet so insane?!

#### Haganai: I Don't Have Many Friends Vol. 4

The antisocial members of the Neighbors Club waste their time playing bishoujo games, playacting, and getting into arguments about the geekiest things. Yet somehow they've managed to add seven members to their pathetic ranks. Whether it's writing a round robin short story together - a seemingly innocent affair until someone goes berserk - or taking things too far in an MMORPG, these freaks take their fantasy seriously. But can a group of people so alienated from the rest of the world really make friends with each?

## Haganai: I Don't Have Many Friends Vol. 20

The final days of high school have arrived for Kodaka, Yozora, and Sena. But even though the days might be ticking slowly down to the end of school, the antics of the Neighbors Club crew are as boisterous, meandering, fun, and slightly heartbreaking as ever.
