Introducción

Presentado por Andrés G. C.

1.- Hay tres mil alemanes, tres mil de otras nacionalidades y seis mil soldados
Donde un español no llega con la mano llega con la punta de su espada
A más gente y más moros más ganancia y gloria
Son tantas las victorias que cada día sería fiesta
No hay un pedazo de tierra sin una tumba española
Los infantes españoles prefieren la muerte a la deshonra. Ya hablaremos de la capitulación después
de muertos
La más alta ocasión que vieron los siglos
No saques tu espada sin razón ni la envaines sin honor
Santiago y cierra, España
