How to Clean the Inside of a Laser Printer - How to Clean the Inside of a Laser Printer by viandant5 240,799 views 3 years ago 4 minutes, 18 seconds - Over time, laser printers can become dirty due to excess toner leaking out of the cartridges. This video explains how to clean the ...

First of all turn off the printer

Remove the toner cartridge and the drum unit

The drum is often built into the toner cartridge

Keep the drum in a dark place the light may damage it

Here's what the drum looks like

A laser printer uses powdered toner in the print process
you need alcohol and a clean cloth

The average vacuum cannot filter toner dust effectively

Do not use compressed air or canned air

and the dust could fly all over the printer

and inside the scanner unit causing more problems

Don't use flammable substances or any type of spray

Remove the spilled toner and the dust

Toner is likely to build up under the cartridge housing

To clean parts that are difficult to reach use a paintbrush

To clean the electronic contacts isopropyl alcohol is ideal

Alcohol is great for dissolving grease, and oil

to remove built-up toner and the dust

Clean the paper pick-up roller with a soft dry cloth and alcohol

The rollers might be near the paper tray
Clean the transfer roller (the foam roller near the drum)
Clean the glass of the scanner unit with a cotton cloth
You can use normal glass cleaner or alcohol
Remove the paper tray

in this case you can use a normal vacuum

2012 Kia Optima Owner Manual Compatible with OEM Owners Manual, Factory Glovebox Book

When I looked up, I was startled by a vision that invaded all of my view. From out of the sun, I watched a line of people walking across the sky toward me. They were covered with sunlight and seemed to be of the sunlight. The first person to appear from within the sunlight was a man. Following behind him was a woman who had a large load in her arms as she walked. The person to follow her was a greater Man. He held an even greater load in His arms. As I looked at this third person, The Lord spoke into my heart and said, "You are carrying a load, but while you carry this load, I will carry you. You are pregnant. Now go and carry Isabella to her parents." Following that man from within the sun, many people were walking. Some of them held things like instruments, and some held tools and equipment while marching. And in this large group, there were others who seemed to be dancing while following in this great formation. The vision came to an end, and I became aware of myself lying on my sheet again. I was in awe at what I had seen and began thinking about what The Lord had spoken to my heart, as I was absolutely sure of His communication with me in that moment. Though every piece of the vision was yet to be interpreted to me, I knew I was pregnant, and I was sure that that baby girl growing inside of me was to be named Isabella.

2018 Kia Sportage Owner Manual Compatible with OEM Owners Manual, Factory Glovebox Book
