Selected Essays on China's Education: Research and Review, Volume 1

Selected Essays on China's Education: Research and Review (4 volumes) consists of 22 most influential theses on the history and tradition of Chinese Education. These essays explore important educational and cultural issues in China with a transcultural perspective.

Chinese Primer, Volumes 1-3 (Pinyin)

This revised and updated edition of the Chinese Primer--an introductory textbook in wide use for more than a decade--uses proven techniques to put beginning learners of Mandarin Chinese on the path toward true mastery. The goal of the book is internalization--to lead students to adopt Chinese as one of their own languages and not to regard it merely as an object of study and translation. Features include: Use of hànyu pinyin romanization Rigorous foundation work in pronunciation, including tones and the other special phonemes that are crucial to mastery Lesson texts that combine authentic, natural Chinese expression with lively everyday topics that allow students to immediately begin using Chinese themselves Carefully designed incremental introduction of grammar, accompanied by thorough and precise notes Completely revised notes that link Chinese language to Chinese culture--such as names, modes of address, and conventions of politeness Additional lessons for self-study during the summer following a first-year course A completely revised character workbook that introduces both traditional and simplified characters and that simulates the way native speakers learn characters as children: in small doses that eventually "catch up" with speaking ability Like its earlier edition, The Chinese Primer: Revised Edition is composed of three integrated volumes: (1) the Blue Book [Lessons]: introduction; foundation work on pronunciation; lesson dialogues in romanized Chinese and English; appendices; glossary-index; (2) the Red Book [Notes and Exercises]: vocabularies; grammar notes and culture notes keyed to the lessons; exercises; and (3) the Yellow Book [Character Workbook]. (There is also a fourth volume, the Green Book [Pinyin Character Text], which is sold separately.) Texts of the lessons are in both traditional and simplified Chinese characters, and there is a Chinese introduction for teachers.

Chinese Phrase A Day Practice Volume 1

A Chinese Phrase A Day is a fun, less-intimidating way to learn Chinese! Part of Tuttle's best-selling page-a-day line, this new edition teaches useful everyday phrases and words. Although more people are studying the Chinese language than ever before, others are still wary of starting because they believe, "it's too difficult." But A Chinese Phrase A Day will show absolute beginners that Chinese is in many ways much easier than other languages and it will help intermediate Chinese learners review and improve upon their past studies and practice Chinese everyday. With almost no grammar or tense, no verb conjugation and a consistency that English, Spanish, French and Japanese learners can only wish for, Chinese enables you to start conversing relatively quickly. After a few weeks of gradual progress your ability to read Chinese, write Chinese and speak Chinese will grow tremendously. This calendar like desk companion is divided into monthly topics and builds upon itself, one day at a time. Chinese phrases are kept short, simple and functional. Each of the 365 pages include these four components: The simplified Chinese characters. The romanized Chinese (hanyu pinyin). The English phrase. A related cultural note to put the phrase into context. Audio for all of the A Chinese Phrase A Day entries is available online. Listening and repeating after the native speakers in the audio files will help you to practice Chinese regularly and polish your spoken Mandarin Chinese and Mandarin listening comprehension. To get started, turn to Day One and begin studying the phrase, its meaning, pronunciation and cultural context. Then tear off the sheet and practice writing it a few times. In a matter of days you'll be on your way to reading and writing Chinese!

A Trip to China

Parallel title with statements of responsibility in Chinese characters.

Cambridge IGCSE Chinese aims to offer insights into the culture and civilization of countries where Mandarin Chinese is spoken, encouraging positive attitudes towards language learning and towards speakers of foreign languages.

Selected Essays on China's Education: Research and Review, Volume 2

Selected Essays on China's Education: Research and Review (4 volumes) consists of 22 most influential theses on the history and tradition of Chinese Education. These essays explore important educational and cultural issues in China with a transcultural perspective.

Bridge to China

"Bridge to China is a new, four-Part Mandarin Chinese primer series for today's North American college and high school students. The series opens with an introduction to Pinyin, the Chinese phonetic alphabet, which optimizes students' ability to speak successfully as they learn. the first two books are for beginning students and emphasize pronunciation, listening, and speaking. Book 2 also incorporates reading skills. Books 3 and 4 target intermediate Mandarin Chinese learners and place equal emphasis on speaking and reading skills. The series offers well-Chosen, high-Interest topics for oral activities, lively situational dialogues, important grammatical structures, and select usages of modern Chinese.

It also provides entertaining, culturally informative readings, supplementary vocabulary lists, and two-Way vocabulary glossaries at the end of each book. Extensively class-Tested, Bridge to China integrates the 5 Cs of language learning--Communication, culture, comparisons, connections, and communities. It lays a solid foundation in the target language and successfully prepares students for advanced study. This series can be used in two-Year college programs, four-Year high school programs, and short-Term intensives. Xiaozhou Wu earned his Ph.D. at Emory University. Dr. Wu is a professor in the Department of Modern Languages and Culture at Santa Monica College, where he teaches various levels of the Chinese Language. In addition to teaching, Dr. Wu has led summer programs at Nankai University in China. He is the co-Author of New Century Chinese, a college-Level language text."

Existential Psychology East-West (Volume 1 - Revised and Expanded Edition)

Existential Psychology East-West is a collection of chapters exploring existential psychology in a cross-cultural context. The original version was published in preparation for the First International Conference on Existential Psychology held in Nanjing, China in 2010. This revised and expanded edition includes several updated chapters as well as four new chapters. The book consists of three sections. The first section provides an introduction to existential-humanistic psychotherapy along with a case illustration. Section two contains 13 chapters from Eastern and Western scholars exploring the theory of existential psychology. The third section contains 10 chapters building from Rollo May's work on myth. Each chapter explores the existential themes of a myth embedded within a particular cultural context. The book concludes with an Annotated Bibliography of important works in existential psychology. Existential Psychology East-West is an important contribution to the field with many influential Eastern and Western scholars including Kirk Schneider, Xuefu Wang, Ilene Serlin, Mark Yang, Ed Mendelowitz, Heyong Shen, Erik Craig, Myrtle Heery, Alan G. Vaughan, Louis Hoffman, and Nathaniel Granger, Jr.

Far East Chinese for Youth Level 2 (Revised Edition)(Traditional and Simplified in one book) Textbook `q t-†(,ŒŠ)(î H)(²,)

Oh, China! meets the needs of advanced beginners or "heritage learners" who already speak some Chinese but require instruction in reading and writing fundamentals before moving to the intermediate level. In this fully revised edition, state-of-the-art lessons go over the basics of standard Mandarin pronunciation and introduce students to Chinese characters. The textbook moves at a faster pace than those designed for absolute beginners and allows students to rapidly develop strong foundations in grammar and vocabulary. It contains topics that are especially relevant to heritage learners, such as growing up in a bilingual, bicultural environment, and exposes students to essential issues for understanding contemporary China today, including economic development and political relations with Taiwan. This essential of Chinese language learning contains updated lessons, grammar notes, and exercises, and its new user-friendly format juxtaposes text and vocabulary on adjacent pages. Updated and revised edition Designed for advanced beginners who already speak some Chinese Offers strong foundations in pronunciation, characters, and grammar Covers topics relevant to heritage speakers and contemporary Chinese society Single volume user-friendly format

Selected Essays on China's Education: Research and Review, Volume 4

Anthony C. Yu's translation of *The Journey to the West*, initially published in 1983, introduced English-speaking audiences to the classic Chinese novel in its entirety for the first time. Written in the sixteenth century, *The Journey to the West* tells the story of the fourteen-year pilgrimage of the monk Xuanzang, one of China's most famous religious heroes, and his three supernatural disciples, in search of Buddhist scriptures. Throughout his journey, Xuanzang fights demons who wish to eat him, communes with spirits, and traverses a land riddled with a multitude of obstacles, both real and fantastical. An adventure rich with danger and excitement, this seminal work of the Chinese literary canon is by turns allegory, satire, and fantasy. With over a hundred chapters written in both prose and poetry, *The Journey to the West* has always been a complicated and difficult text to render in English while preserving the lyricism of its language and the content of its plot. But Yu has successfully taken on the task, and in this new edition he has made his translations even more accurate and accessible. The explanatory notes are updated and augmented, and Yu has added new material to his introduction, based on his original research as well as on the newest literary criticism and scholarship on Chinese religious traditions. He has also modernized the transliterations included in each volume, using the now-standard Hanyu Pinyin romanization system. Perhaps most important, Yu has made changes to the translation itself in order to make it as precise as possible. One of the great works of Chinese literature, *The Journey to the West* is not only invaluable to scholars of Eastern religion and literature, but, in Yu's elegant rendering, also a delight for any reader.

The Journey to the West, Revised Edition

Pearson Edexcel AS believes languages should appeal to all students. The new Pearson Edexcel AS Level in Chinese has been developed to inspire all students who have an appreciation of the language, literature, film and culture of the Chinese-speaking world. Pearson Edexcel AS designed a motivating course of study that will enable your students to develop an advanced level knowledge and understanding of the Chinese language, the culture of China and other Chinese-speaking countries and communities, as well as practical and valuable language and transferable study skills. This specification will help to prepare students for higher education and enhance their employability profile. The two Inspiring and engaging themes are studied alongside either one literary text or one film and assessed through two externally-examined papers (Papers 1 and 2) and one teacher-examiner conducted speaking assessment (Paper 3). Theme 1: Changes in contemporary Chinese society ~~Theme 2: Chinese culture~~ - We are expert in Chinese for foreigners and we pay attention to Edexcel GCSE, GCE Chinese closely since 1999. We build a huge database to cover all GCSE, A LEVEL, AP, SAT, IB Chinese from different exam board and HSK (Chinese Proficiency Test). We collected 250,000 plus vocabulary with the best possible English translation to help foreigners understand Chinese better. We are building the most authentic teaching materials for Chinese oversea teaching, combining the cutting-edge IT and modern teaching methods. In our textbooks, we give the English Translation for main paragraph for better understanding. Meanwhile, we use footnotes to give vocabulary with the HSK classification. If necessary, we will give vocabulary expansion according to the root words. Using our research and theory to expand your vocabulary fast and gain fast reading and writing skill in Unique Smart Way. Combining our 26 years' experience in Teaching and editing our own materials, here is the "LIFE SAVING" book called by many students for their exams. Grab this unique book!

Learn Chinese - Level 3: Lower Beginner

The book describes how the three East Asian writing systems-Chinese, Korean, and Japanese-originated, developed, and are used today. Uniquely, this book: (1) examines the three East Asian scripts (and English) together in relation to each other, and (2) discusses how these scripts are, and historically have been, used in literacy and how they are learned, written, read, and processed by the eyes, the brain, and the mind. In this second edition, the authors have included recent research findings on the uses of the scripts, added several new sections, and rewritten several other sections. They have also added a new Part IV to deal with issues that similarly involve all the four languages/scripts of their interest. The book is intended both for the general public and for interested scholars. Technical terms (listed in a glossary) are used only when absolutely necessary.

Writing and Literacy in Chinese, Korean and Japanese

The 'rule of law' is more than the mere existence and application of law within the sphere of state activity. Contemporary Chinese debate on the 'rule of law' underlines the limiting of arbitrary government, the materialisation of 'human rights', legal protection of 'rights and interests' and the principle of equality in the impartial legal mediation of conflicts within society's 'structure of interests'. Based upon China interviews and a comprehensive survey of the domestic press and Chinese-language legal journal materials, this book places pre- and post-Tiananmen Square legal reform in political context. The evolving contents of specific laws across the departments of constitutional, administrative, criminal, civil and economic law are assessed in light of the politics and intellectual dynamic of China's legal circles in their struggle to create a 'rule of law'.

Learn Cantonese - Level 4: Intermediate

"Ideal for: Intermediate. This text is an updated and revised version of A Chinese Text for a Changing China. All of the strengths of the former text have been preserved in this update, but the content has been revised and freshened to reflect the most recent developments in Chinese society and language. (Please note: This text and the Peking University Press text of the same title are quite different in both content and presentation. The PUP text is written completely in Chinese except for its vocabulary lists, while the Cheng & Tsui book's content, carefully and independently revised by Prof. Irene Liu, provides grammatical explanations and exercises in English for the student.) Material is in both T and S, with vocabulary and pattern examples in P."

China's Struggle for the Rule of Law

This new major reference work provides a comprehensive overview of linguistic phenomena in a variety of Sinitic languages in a global context, highlighting the dynamic interaction between these languages and English. This "living reference work" offers a window into the linguistic sphere in China and beyond, and showcases the latest research into diverse and evolving linguistic phenomena that have resulted from intensified interactions between the Sinophone world and other lingua-spheres. The Handbook is divided into five sections. The chapters in Section I (New Research Trends in Chinese Linguistic Research) present fast-growing research areas in Chinese linguistics, particularly those undertaken by scholars based in China. Section II (Interactions of Sinitic Languages) focuses on language-contact situations inside and outside China. The chapters in Section III (Meaning, Culture, Translation) explore the meanings of key cultural concepts, and how ideas move between Chinese and English through translation across various genres. Section IV (New Trends in Teaching Chinese as a Foreign Language) covers new ideas and practices relating to teaching the Chinese language and culture. The final section, Section V (Transference from Chinese to English), explores dynamic interactions between varieties of Chinese and varieties of English, as they play out in multilingual sites and settings

Learn Chinese - Level 6: Lower Intermediate

This Chinese conversation book is compiled for English speaking people, especially for American learners. All the Chinese words, phrases, sentences in the book are marked with pinyin (phonetic symbols) and have their English translations. Its contents cover all the activities of daily life. The dialogues in the book are interesting and absorbing with Chinese culture as the background. The more you read them, the more you want to read them. The vocabulary contains not only the words used in the text, but supplementary words that relate to the topic, so that the learners can apply them to expand their vocabulary in their practice. In addition to the main lessons, the book contains a collection of slang and colloquial expressions frequently heard in Beijing dialect. This material is not to be found in other conversation books, but it is what every learner of Chinese must learn. The four main sections of the book are arranged side by side for the convenience of the learners to refer to each section easily. It takes less than a year to finish the book. After finishing the book, the learner will possess a very solid foundation of Mandarin, the standard spoken Chinese dialect, and be able to communicate with Chinese people on daily topics. Since China is rising rapidly in the world, and since no one can afford to ignore that country and its immense market, a person who is bilingual (English and Chinese) no doubt will have many advantages in dealing with the Chinese people in whatever field he is in. This book will prove to be a gateway to your successful future.

The Eclectic review. vol. 1-New [8th]

This is Volume 1 of the book entitled "The Revival of China". The full book is about the revival of China in the 20th century and the first decade of the 21st century, and has eight parts. This volume contains the first four parts of the full book, and covers the history of overthrowing the Qing Dynasty and the establishment of Republic of China Part 1 the establishment of the Red Army in countryside bases (Part 2), the Long March of the Red Army (Part 3) and the war against Japanese invasion (Part 4).

A New Text for a Modern China

Speak Chinese

Bridge to China is a new, four-part Mandarin Chinese primer series for today's North American college and high school students. The series opens with an introduction to Pinyin, the Chinese phonetic alphabet, which optimizes students' ability to speak successfully as they learn. The first two books are for beginning students and emphasize pronunciation, listening, and speaking. Book 2 also incorporates reading skills. Books 3 and 4 target intermediate Mandarin Chinese learners and place equal emphasis on speaking and reading skills. The series offers well-chosen, high-interest topics for oral activities, lively situational dialogues, important grammatical structures, and select usages of modern Chinese. It also provides entertaining, culturally informative readings, supplementary vocabulary lists, and two-way vocabulary glossaries at the end of each book. Extensively class-tested, Bridge to China integrates the 5 Cs of language learning communication, culture, comparisons, connections, and communities. It lays a solid foundation in the target language and successfully prepares students for advanced study. This series can be used in two-year college programs, four-year high school programs, and short-term intensives.

The Palgrave Handbook of Chinese Language Studies

This updated language-learning e-guide, with a brand-new free audio app, helps you learn to speak Mandarin Chinese in 15-minute visual lessons themed around common situations. With clear photography and illustrations, 12 themed chapters are broken down into 15-minute daily lessons that combine vocabulary and grammar essentials about a range of themes, from socializing to doing business for the most user-friendly, accessible language guide on the market. The audio app, available for Apple (from the App Store) and Android (from Google Play), enables you to hear words and phrases spoken by native Mandarin Chinese speakers. Download the app and scan in the book's barcode. Once you've

unlocked your book and downloaded the audio files, you can enter any page number to find the word or phrase you're looking for to help improve your pronunciation.

Mandarin Conversation for English Speakers

This book addresses the fundamental issue: does the Chinese strategic mind have its own idiosyncrasies which differ considerably from those of the Western mind? It expounds and unravels the particular characteristics of the Chinese strategic mind: what they are, how they are evolved and what strategic implications they have. This book adopts a holistic approach to an analysis of Chinese strategic thinking, drawing upon the fields of literature (including the sources of both the Chinese and English languages), military studies, political science, history, sociology, psychology, philosophy, linguistics and business strategy. It combines a detailed consideration of these disciplines with a series of case studies to elucidate the formation, nature and crucial managerial implications of the idiosyncratic Chinese strategic mind.

The Revival of China, Volume 1

Area Studies - Regional Sustainable Development Review: China theme is a component of Encyclopedia of Area Studies - Regional Sustainable Development Review in the global Encyclopedia of Life Support Systems (EOLSS), which is an integrated compendium of twenty one Encyclopedias. This theme on Area Studies - Regional Sustainable Development Review: China reviews initiatives and activities towards sustainable development in China. Although these presentations are with specific reference to China, they provide potentially useful lessons for other regions as well. These three volumes are aimed at the following five major target audiences: University and College students Educators, Professional practitioners, Research personnel and Policy analysts, managers, and decision makers and NGOs.

Cambridge IGCSE Chinese Second Language (0523) 2020 Specimen Paper 1 Reading and Writing
