

race and residence in britain approaches to differential treatment in housing monographs on ethnic relations

[#Race and Residence](#) [#Housing Inequality UK](#) [#Ethnic Relations in Britain](#) [#Differential Treatment Housing](#) [#Housing Market Discrimination](#)

This monograph explores the complex interplay of race and residence in Britain, focusing on approaches to differential treatment within the housing sector. It examines the historical and contemporary factors contributing to inequality in housing access and experiences among different ethnic groups, offering insights into the mechanisms and consequences of housing discrimination within the UK context and the broader landscape of ethnic relations.

Our course materials library includes guides, handouts, and assignments for various subjects.
