The Best of White Eagle

Introducing the ultimate book of the White Eagle teachings... The Best of White Eagle is a unique compilation of the most significant, memorable, and inspirational of the White Eagle works. In this collection, extracts from best-selling books including The Quiet Mind, Heal Thyself, the Spiritual Unfoldment series and many others have been carefully selected and combined with less familiar gems to create a book representing the essence of the White Eagle philosophy, providing wisdom, encouragement and a blueprint for living. For those who know and love White Eagle, this book gives an opportunity to have his collected teachings in one easily accessible and portable book. For newcomers to this teaching, in this book is presented a perfect overview of his inspiring spiritual teaching.

The Best of White Eagle

Ideal for those exploring White Eagle's teaching for the first time.

The Quiet Mind

Contains the sayings of the spirit teacher White Eagle. This is a book of spiritual inspiration and comfort.

White Eagle, Red Star

Surprisingly little known, the Polish-Soviet War of 1919-20 was to change the course of twentieth-century history. In White Eagle, Red Star, Norman Davies gives a full account of the War, with its dramatic climax in August 1920 when the Red Army - sure of victory and pledged to carry the Revolution across Europe to 'water our horses on the Rhine' - was crushed by a devastating Polish attack. Since known as the 'miracle on the Vistula', it remains one of the most decisive battles of the Western world. Drawing on both Polish and Russian sources, Norman Davies illustrates the narrative with documentary material which hitherto has not been readily available and shows how the War was far more an 'episode' in East European affairs, but largely determined the course of European history for the next twenty years or more.

The Still Voice

Features 46 readings for meditation from White Eagle's teaching, with each in itself providing a theme for meditation. This work includes a short visualization, and some basic words of instruction.

White Eagle Medicine Wheel Deck

A poignant look at racism in a small town in the American West. A boy witnesses a friend commit a hate crime against a Ponca elder. If he doesn't step up, another classmate will be charged with the crime. Introduces the Native American civil rights activist Chief Standing Bear.

Lesson of the White Eagle

This comprehensive monograph is a second edition of one of the most popular Poyser monographs; it covers all aspects of this spectacular eagle's biology and ecology, including a full review of the literature and incorporating the considerable body of research on the species since the publication of the first edition in 1997. The late Jeff Watson was one of Scotland's foremost eagle experts, with more than 20 years of research on the birds; following Jeff's untimely death, the book is being completed by his colleagues Des Thompson and Helen Riley. Scottish studies provide the foundation for a treatment that also includes up-to-date information from work in North America, continental Europe and elsewhere. This global view allows fascinating insights into the species' relationships with a variety of different habitats and leads to many new and important conclusions regarding its ecology. This highly readable and authoritative account is destined to become the standard reference on the species, both in Scotland and elsewhere in the world. The text is enriched with many superb pictures of this majestic bird and additional wash landscapes capture the very special atmosphere of Scotland's Golden Eagle country.

The Golden Eagle

In 1944, the Nazis razed Warsaw's historic Cathedral of St. John the Baptist. "They knew that the strength of the Polish nation was rooted in the Cross, Christ's Passion, the spirit of the Gospels, and the invincible Church," argued Cardinal Stefan Wyszyński in a letter celebrating the building's subsequent reconstruction. "To weaken and destroy the nation, they knew they must first deprive it of its Christian spirit." Wyszyński insisted that Catholicism was an integral component of Polish history, culture, and national identity. The faithfulness of the Polish people fortified them during times of trial and inspired much that was noble and good in their endeavors. Filling a sizable gap in the literature, *White Eagle, Black Madonna* is a systematic study of the Catholic Church in Poland and among the Polish diaspora. Polish Catholicism has not been particularly well understood outside of Poland, and certainly not in the Anglophone world, until now. Demonstrating an unparalleled mastery of the topic, Robert E. Alvis offers an illuminating vantage point on the dynamic tension between centralization and diversity that long has characterized the Catholic Church's history. Written in clear, concise, accessible language, the book sheds light on the relevance of the Polish Catholic tradition for the global Catholic Church, a phenomenon that has been greatly enhanced by Pope John Paul II, whose theology, ecclesiology, and piety were shaped profoundly by his experiences in Poland, and those experiences in turn shaped the course of his long and influential pontificate. Offering a new resource for understanding the historical development of Polish Catholicism, *White Eagle, Black Madonna* emphasizes the people, places, events, and ritual actions that have animated the tradition and that still resonate among Polish Catholics today. From the baptism of Duke Mieszko in 966 to the controversial burial of President Lech Kaczyński in 2010, the Church has accompanied the Polish people during their long and often tumultuous history. While often controversial, Catholicism's influence over Poland's political, social, and cultural life has been indisputably profound.

White Eagle, Black Madonna

Behind many religious systems there is a hidden, esoteric tradition. This title takes the reader into the workings of a Mystery School and explains how esoteric understanding is to be arrived at.

Spiritual Unfoldment

The Ninth Legion marched into the mists of northern Britain - and they were never seen again. Four thousand men disappeared and their eagle standard was lost. It's a mystery that's never been solved, until now . . . Marcus has to find out what happened to his father, who led the legion. So he sets out into the unknown, on a quest so dangerous that nobody expects him to return. The Eagle of the Ninth is heralded as one of the most outstanding children's books of the twentieth century and has sold over a million copies worldwide. Rosemary Sutcliff writes with such passion and attention to detail that Roman Britain is instantly brought to life and stays with the reader long after the last page has been turned. The book is also now the subject of a major film.

The Eagle of The Ninth

Seeks to bring readers close to Jesus, the Great Healer. This work discusses Jesus as a spiritual being, the working of divine law, the sayings and parables of Jesus, and his teaching. It looks at the age to which Jesus' teaching is leading - the Aquarian Age.

Jesus, Teacher and Healer

A chronicle of battle and bravery in the Civil War, as Polish officers who had lost their own country remained determined to fight for their new one, and for the ideals they had always upheld, whether freedom or independence, or whether North or South . . .

Sons of the White Eagle in the American Civil War

Most people who have a sense of reverence for life also sense a strong feminine energy at the heart of life. White Eagle speaks of a divine Feminine who neither supplants the masculine God nor is overshadowed by Him. Rather, this new book avoids focusing on the gender of spirit to provide pure inspiration that will lead you on a path that is rich with understanding of all that life brings. Included in this book is a substantial amount of teaching about ancient worship, Mary, the myth of Isis and Osiris, and the stone monuments that are to be found all round the world. About White Eagle White Eagle is the name by which we know a very wise and loving teacher in the world of spirit. He brought about the formation of the Lodge in 1936 through his earthly instrument Grace Cooke, and since her death (1979) and that of her husband Ivan (1981) White Eagle's inspiration - and theirs - has continued to guide the work of the Lodge. The name "White Eagle" is not attached only to an individual, but stands for a true vision through the mists of earth into a larger and more perfect life.

White Eagle on Divine Mother, the Feminine, and the Mysteries

In this series of talks, White Eagle gives much practical information about spiritual matters, meditation and our lives in the world today. The subjects include reality of the invisible worlds, the universal spirit and inner attunement.

Wisdom from White Eagle

It is a joyful day when an infant boy is born into a free roaming tribe of Abnaki Indians residing in Vermont. As the village celebrates little White Eagles birth, a pair of unfriendly eyes watches from the distance and contemplates how to uproot the friendly tribe from their home. While White Eagle grows up in a loving family, the white man settles closer every day to their village, eventually forcing the tribe to move to a reservation governed by their race. As White Eagles journey eventually leads to become the one of tribes best hunters and the next-in-line to become chief, he finds love, marries, and sires a son. But when smallpox takes his family away forever, a devastated White Eagle buries them away from their village. Determined not to abandon them, White Eagle finds refuge from his troubles inside a nearby mountain cave and creates a solitary existence. As years and seasons pass, White Eagle quietly ages without any idea that he is about to finally realize his purpose in the world. In this historical novel, an Abnaki Indian journeys through a challenging existence as he attempts to avoid capture by the white man and bravely confronts his destiny as life comes full circle.

Chief White Eagle

An action-packed story of love, duty and destiny, by global sensation Wilbur Smith. 'A master storyteller' - Sunday Times 'Wilbur Smith is one of those benchmarks against whom others are compared' - The

Times 'No one does adventure quite like Smith' - Daily Mirror The higher you fly, the harder you fall . . . From a young age it's clear that David Morgan is a 'bird', a natural pilot, most at home in the air. His family want him to take over the family business, but David is determined to follow his destiny, and joins the South African Air Force, where he is commended for his skills. When he meets Debra, a beautiful young Israeli writer, David once again feels the pull of destiny. He joins the Israeli Defence Force and finds himself caught up in the country's struggles. But when the war separates him from Debra, David feels his two destinies pulling him apart. Can he become the man he always dreamed of being, without losing the woman he's fighting for?

The Black Eagle

A visual study offering the most comprehensive reference drawings on the majestic bald eagle-down to each feather-that can be infused into your carving creations.

Eagle in the Sky

"The best nature writer working in Britain today." – The Los Angeles Times. Eagles, more than any other bird, spark our imaginations. These magnificent creatures encapsulate the majesty and wildness of Scottish nature. But change is afoot for the eagles of Scotland: the golden eagles are now sharing the skies with sea eagles after a successful reintroduction programme. In 'The Eagle's Way', Jim Crumley exploits his years of observing these spectacular birds to paint an intimate portrait of their lives and how they interact with each other and the Scottish landscape. Combining passion, beautifully descriptive prose and the writer's 25 years of experience, 'The Eagle's Way' explores the ultimate question - what now for the eagles? - making it essential reading for wildlife lovers and eco-enthusiasts.

The Illustrated Bald Eagle

Encompasses each of the world's currently recognized eagle species, from the huge Steller's Sea Eagle that soars above Japan's winter ice floes to the diminutive Little Eagle that hunts over the Australian outback

The Eagle's Way : Nature's New Frontier in a Northern Landscape

New York Times Bestseller: The "extraordinary" true story of a golden eagle adopted by a California ranching family, and how she changed their lives (Delia Ephron). In 1955, Ed Durden brought a baby golden eagle home to his ranch in California, where she would stay for the next sixteen years. As her bond with Ed and the Durden family grew, the eagle, named Lady, displayed a fierce intelligence and strong personality. She learned quickly, had a strong mothering instinct (even for other species), and never stopped surprising those who cared for her. An eight-week New York Times bestseller, *Gifts of an Eagle* is a fascinating up-close look at one of the most majestic creatures in nature, as well as a heartwarming family story and "an affectionate, unsentimental tribute" (Kirkus Reviews).

The Empire of the Eagle

Two principles inform the White Eagle way of meditation, which has been presented in books and classes since 1955. One is working from the heart - the heart chakra, rather than the brow - and the other is that the best meditation is effortless. This, the latest White Eagle book - put together and introduced by Anna Hayward - demonstrates both principles, and it will take the beginner into a developed understanding of the benefits of meditation. Yet for the student who already meditates regularly it will deepen and inform their practice. Among meditation books it is almost unique in offering the special 'heart' perspective and includes helpful teaching from White Eagle about visualisation, breathing, inner peace, finding 'heaven', what the etheric is, how to work with the light, using the senses, the power of the 'Word', and a whole lot more. It is both a book to dip into and one to read from cover to cover, and it ends with an eight-week programme of exercises to develop our meditation potential.

Gifts of an Eagle

It is a joyful day when an infant boy is born into a free roaming tribe of Abnaki Indians residing in Vermont. As the village celebrates little White Eagle's birth, a pair of unfriendly eyes watches from the distance and contemplates how to uproot the friendly tribe from their home. While White Eagle grows up in a loving family, the white man settles closer every day to their village, eventually forcing the tribe to move to a reservation governed by their race. As White Eagle's journey eventually leads to become

the one of tribe's best hunters and the next-in-line to become chief, he finds love, marries, and sires a son. But when smallpox takes his family away forever, a devastated White Eagle buries them away from their village. Determined not to abandon them, White Eagle finds refuge from his troubles inside a nearby mountain cave and creates a solitary existence. As years and seasons pass, White Eagle quietly ages without any idea that he is about to finally realize his purpose in the world. In this historical novel, an Abnaki Indian journeys through a challenging existence as he attempts to avoid capture by the white man and bravely confronts his destiny as life comes full circle.

Beyond and Within

This unique introduction to Native American sacred teachings offers a powerful resource for problem-solving on all fronts, whether at home, at work, or in relationships. With Eliana Harvey and Wa-Na-Nee-Che as your guides, you will discover how to communicate with the animals and other sacred archetypes as they become your teachers and reveal their medicine ways to steer you in your everyday life. Use the animal, grandfather/grandmother, and totem cards for healing and for developing your intuitive abilities as you progress through three levels of learning. Their age-old wisdom will help you to live in harmony with yourself and with all living things. Replaces ISBN 978-1-85906-257-9

Chief White Eagle

Hand in Hand with Angels takes the reader step by step through a growing process of co-operation - developing a daily communication with your own personal and family angels as well as angels in your workplace. It offers methods of communicating with landscape angels and angels of the environment. There are techniques showing how to work with the angels of the plant and crystal kingdoms, the archangels and others of the angelic hierarchy, to bring about peace and healing for ourselves, for each other and for the environment. It provides a new vision of humanity's future. Each section is accompanied by clear visualisations and attunements, techniques that help the reader to establish the partnership with angels clearly and safely, and developing confidence in it. You might call it team building with a difference! When people and angels again work consciously together, says Kathleen, there will be a new Golden Age.

White Eagle Medicine Wheel

From Dan Dare, Pilot of the Future, to PC 49, Harris Tweed, Extra Special Agent and Jeff Arnold in Riders of the Range, The Eagle carried numerous strips right from its launch in 1950 through to the sixties. The fourpence-halfpenny weekly also featured plenty of sports coverage and the famous 'cutaway' diagrams of battle ships, steam trains, light aircraft, etc. Taking over the publishing licence from Egmont and Titan, we now have the opportunity to step up the current vogue for 'retro-futurism': rather than simply re-run straight facsimiles of the comics, the Eagle Annuals of the 1950s and 60s will be drawn from the vast Eagle archive and feature the strips as well as individual drawings/artwork, original advertisements and a present-day narrative. The idea is to create a superior object of desire for boys, lads and dads everywhere.

Forever Love, White Eagle

Best Books of the Month: Wall Street Journal, Kirkus Reviews From the Pulitzer Prize-winning author of *The Gulf*, a sweeping cultural and natural history of the bald eagle in America. The bald eagle is regal but fearless, a bird you're not inclined to argue with. For centuries, Americans have celebrated it as "majestic" and "noble," yet savaged the living bird behind their national symbol as a malicious predator of livestock and, falsely, a snatcher of babies. Taking us from before the nation's founding through inconceivable resurgences of this enduring all-American species, Jack E. Davis contrasts the age when native peoples lived beside it peacefully with that when others, whether through hunting bounties or DDT pesticides, twice pushed *Haliaeetus leucocephalus* to the brink of extinction. Filled with spectacular stories of Founding Fathers, rapacious hunters, heroic bird rescuers, and the lives of bald eagles themselves—monogamous creatures, considered among the animal world's finest parents—*The Bald Eagle* is a much-awaited cultural and natural history that demonstrates how this bird's wondrous journey may provide inspiration today, as we grapple with environmental peril on a larger scale.

Hand in Hand with Angels

The powerful new novel from the master storyteller - inspired by the true story of one man who might have stopped World War II.

Eagle Annual

Presents cards for those interested in angels who wishes to work with them for self- and planetary transformation. This title has a White Eagle saying on each card, along with a zodiacal connection, and a process or exercise to enable the user to put angelic teaching into practice.

The Bald Eagle: The Improbable Journey of America's Bird

The first volume of The Ptolemies Quartet, the start of a spellbinding saga that triumphantly spans the ancient world. Chronicles the golden years of the first three Ptolemies and their tragic queens, pampered mistresses and turbulent children.

An Eagle in the Snow

In this first book of a new historical fiction series, a crack Roman legion invades Britain in this brazen tale of military adventure, political intrigue and heroism. It is the year 42 AD, and Centurion Macro, battle-scarred and fearless, is in the heart of Germany with the Second Legion, the toughest in the Roman army. Cato, a new recruit and the newly appointed second-in-command to Macro, will have more to prove than most. In a bloody skirmish with local tribes, Cato gets his first chance to prove that he's more than a callow, privileged youth. As their next campaign takes them to a land of unparalleled barbarity - Britain - a special mission unfolds, thrusting Cato and Macro headlong into a conspiracy that threatens to topple the Emperor himself. Filled with the kind of historical details that brings the adventure to life, Simon Scarrow's *Under the Eagle* is destined to become a military fiction classic.

The White Eagle of Poland

Beginning with *The Skystone*, the first in his riveting *Camulod Chronicles*, Jack Whyte has embarked on an ambitious and remarkable re-telling of the Arthurian cycle, giving us a fresh and compelling take on a story that has been beloved for centuries. *The Eagle* brings us at last to the heart of the tale, the creation of fabled Camelot and the love story that enshrined its glory. Whyte takes us into the minds and lives of Arthur, Guinevere, and Lancelot, three astonishing but fallible people who were bound together by honor, loyalty, and love. Three who created the glory that was Britain's shining dream...and, some say, caused its downfall. The Gaulish nobleman Clothar—known in our time as Lancelot—is drawn to the young High King's court by tales of honor and nobility, where he meets a man whose love of law matches his own. More, he finds in Arthur a life-long friend whose dream of uniting the people of Britain in peace Clothar embraces. And Clothar meets Arthur's queen, a wondrous beauty whose passion and ideals match her husband's. Together they work to bring Arthur's dream to life. But dark forces rise in opposition to Arthur's plans for creating this noble island nation and it is hard to tell friend from foe in the swirling chaos that ensues. Many tales have been told of the dream that shined and died. This one will astonish even the most jaded. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Zodiac Angel Cards

'Salah ad-Din, or Saladin as he is known to the Franks, was a Kurd, the son of despised people, and yet he became Sultan of Egypt and Syria. He united the peoples of Allah, recaptured Jerusalem, and drove the Crusaders to the very edge of the sea. He battled, and in the end tamed King Richard the Lionheart, who well deserved his savage name. He was a great man, the greatest man that I ever knew, but when I first met him, he was only a skinny child . . .' *The Chronicle of Yahya al-Dimashq* But alongside the legend of Saladin there is another story. When the Crusader army is routed beneath the walls of Damascus in 1148, a young Saxon named John is captured and enslaved. He is bought by Yusuf, a slight, bookish boy, for the price of a pair of sandals. And so begins the story of two enemies brought together by fate and of a friendship that will change the face of the Holy Land. Timid Yusuf will grow up to become the warrior Saladin, nicknamed 'the Eagle'; John will first teach his young master the art of war, before returning west to serve first the King of Jerusalem and then King Richard himself. From spectacular set-piece battles to the political manoeuvrings of the corrupt Crusader court, from the brutality of single combat to the sophistication of Islamic life, this is the first in a remarkable trilogy that will chart the story of the greatest leader the Middle East has ever known.

The House of the Eagle

NOMINATED FOR THE 2018 ANDRE SIMON FOOD & DRINK BOOK OF THE YEAR BBC RADIO 4 FOOD PROGRAMME BEST FOOD BOOKS OF 2018 THE TIMES BEST FOOD BOOKS OF 2018 FINANCIAL TIMES SUMMER FOOD BOOKS OF 2018 "A one-off, the kind of food book that I believed was no longer being published... When I reached the last page, I went back to the beginning." – Bee Wilson, The Times "A book as rich and rewarding as the rabbit stew he spends so many chapters making." – Jenny Linford, Times Literary Supplement "A wonderful taste of fresh air... First, Catch is almost revolutionary... His words are delicious, musical heaven." – William Sitwell 'Thom Eagle's writing is pure joy – effortless and unaffected. Even such a seemingly banal and simple thing as boiling vegetables is engaging and illuminating in his hands. He is easily one of my favourite writers, and this book deserves to become a classic.' – Olia Hercules, author of Mamushka and Kaukasis "It feels so tantalisingly transgressive to find a book that looks beautiful, feels lovely in the hand and just contains words — gorgeous, thoughtful essays... from a talented chef and writer." - Tim Hayward, Financial Times 'The thing to do is just begin. The question, of course, is where?' So opens Thom Eagle's hymn to a singular early spring meal. A cookbook without recipes, this is an invitation to journey through the mind of a chef as they work. Stand next to Thom in the kitchen as he muses on the very best way to coax flavour out of an onion (slowly, and with more care than you might expect), or considers the crucial role of salt in the creation of the perfect assembly for early green shoots and leaves. In an era when we are so distracted that we eat almost without realising what we've just put in our mouth, this is food and writing to savour, gently steering the cook back towards simplicity, confidence and, above all, taste.

Under the Eagle

In this volume, pilgrimages to Avebury, Maiden Castle, Stonehenge and elsewhere bring a clairvoyant vision of the ageless light in Britain. The text is illustrated with Ivan Cooke's own paintings, as well as with photographs.

The Eagle

Well-paced and intricately plotted, When the Eagle Hunts is a brazen tale of military adventure, political intrigue, and a suicide mission. Is the unflinching courage of the Roman army a match for the ruthless barbarity of the British tribes? In the bitter winter of a.d. 44, the Roman troops in Britain are impatiently awaiting the arrival of spring so that the campaign to conquer the island can be renewed. But the native Britons are growing more cunning in their resistance, constantly snapping at the heels of the mighty Roman forces. When the most brutal of the native tribesmen, the Druids of the Dark Moon, capture the shipwrecked wife and children of General Plautius, quick action is called for. Two volunteers from the crack Second Legion must venture deep into hostile territory in a desperate attempt to rescue the prisoners.

Eagle

Golden eagles are some of the fiercest raptors in the world! But what would happen if a great horned owl challenged their territory? This high-interest title examines the advantages and attack moves of each of these birds of prey. Charts offer side-by-side comparisons, while profiles highlight stats for each animal. A final narrative imagines a battle between the two predators. Who will control the skies?

First, Catch

The Light in Britain
