Angus, Thongs and Full-frontal Snogging

The delightful story told by British teen Georgia Nicholson through her journals--a Michael L.

Knocked Out by My Nunga-Nungas

As I was going out of my bedroom door I remembered my nungas. Perhaps I should take some precautions to keep them under strict control. Maybe bits of Sellotape on the ends of them to keep them from doing anything alarming? I'd like to trust them, but they are very unreliable. The irrepressible heroine of the Michael L. Printz Honor Book *Angus, Thongs and Full-Frontal Snogging* is back, and funnier than ever! Georgia has finally landed Robbie the Sex God, but he's never around, and Georgia's ex, Dave the Laugh, is starting to look quite dreamy. Strangely, so does just about every other guy Georgia meets, even the new French teacher. In this third installment of Georgia's hilarious confessions, Georgia's "red bottomosity" is out of control! Whatever will happen next?

'...Then He Ate My Boy Entrancers'

In this latest instalment of the confessions of Georgia Nicolson, she recounts her trip to Hamburger-a-gogo land and her attempts to entice Masimo, the Italian stallion. Can she become the composed sex kitten she aspires to be?

'...and That's When It Fell Off in My Hand'

Time to gird the loins and pucker up. Blimey O'Reilly's trousers! When Georgia embraced being the girlfriend of a Rock Legend/Luurve God, she thought that was the end of her lovenosity woes. As usual, Georgia is the last to know what she is talking about. Now there's the small matter of a snogging accident involving her matey-type mate Dave the Laugh and some toasted newts in her undercrackers. Can Georgia lock up her red bottom and throw away the key?

Stop in the Name of Pants!

Georgia thought she had put her "red-bottomosity" to rest when she finally chose Robbie the Sex God over Dave the Laugh. Anyway, Dave the Laugh is now dating her friend Ellen (which didn't stop Georgia from snogging him at a party...) But when Dave breaks up with Ellen and the Sex God is never around, Georgia doesn't know what to do! As always, in Georgia's life, nothing ever turns out as planned!

Dancing in My Nuddy-Pants

5:35 p.m. Oh yippee. This is my gorgeous life: I haven't been kissed for a month; my snogging skills will be gone soon. (2) I have a HUGE nose that means I have to live for ever in the Ugly Home.Address:Georgia NicolsonUgly HomeUgly KingdomUgly Universe (3) My Red Herring plan has failed. (4) I am the Bummer Twins' armchair. Georgia Nicolson is back!The irrepressible heroine of *Angus, Thongs and Full-Frontal Snogging* has just started dating the Sex God (aka Robbie). So life should be perfect except in Georgia's life, nothing is ever perfect.Readers will be laughing (and groaning!) out loud all through this "fabbity-fab-fab" sequel!

On the Bright Side, I'm Now the Girlfriend of a Sex God

She only remembers the fear . . . When Mallory's parents send her away to a boarding school, she thinks she can escape the gossip and the threats. But someone, or something, has followed her. There's the hand that touches her shoulder when she's drifting off to sleep. A voice whispering her name. And everyone knows what happened. Hysteria

Three boys, one summertime goal: to see a real-live naked girl. Fifteen-year-old Matt Gratton and his two best friends, Coop and Sean, always set themselves a summertime goal. This year's? To see a real-live naked girl for the first time - quite a challenge, given that none of the guys have the nerve to even ask a girl out on a date. But catching a girl in the buff starts to look easy compared to Matt's other summertime aspiration: to swim the 100-yard butterfly (the hardest stroke known to God or man) as a way to impress Kelly West, the sizzling new star of the swim team. In the spirit of Hollywood's blockbuster comedies, screenwriter-turned-YA-novelist Don Calame unleashes a true ode to the adolescent male: characters who are side-splittingly funny, sometimes crude, yet always full of heart.

Swim The Fly

Fifteen-year-old Virginia feels like a fat, awkward outsider in her perfect family, especially next to her golden-boy big brother Byron. She's got a lot to deal with – her weight, her best friend moving away, the mean girls at school – not to mention a boy who seems to like her! To survive, she decides to follow the 'Fat Girl Code of Conduct' to make herself acceptable, unnoticed ... invisible. It seems to be working until something unthinkable happens and, before her eyes, Virginia's flawless family begins to fall apart. As her world spins out of orbit, Virginia realises that breaking the Fat Girl Code might be the only way to create a life that belongs to her. Carolyn Mackler's acclaimed book has been updated for a new audience and is as relevant, funny and full of heart as it was when it was first published fifteen years ago.

Are These My Basoomas I See Before Me?

The New York Times bestselling debut novel from critically acclaimed author Jodi Lynn Anderson follows three very different girls as they discover the secret to finding the right boy, making the truest of friends, and picking the perfect Georgia peach. Murphy McGowen has bright green eyes, a reputation as the wildest girl in Bridgewater, and a way of getting out of all the trouble she gets into. But when she's caught stealing from the Darlington Orchard, she's forced to repay her debt picking peaches in the hot Georgia sun. Leeda Cawley-Smith has professionally whitened teeth and the softest skin her boyfriend has ever touched. Unfortunately, Leeda's parents aren't too keen on her being touched anymore. Now Leeda's country-club summer is out the window—she'll be getting a serious sock tan working at her uncle's peach orchard instead. Birdie Darlington used to dance around her family's orchard picking peaches for fun. But now that her parents are getting divorced, Birdie would rather spend the summer in the A/C eating Thin Mints than pick another peach—too bad she doesn't have a choice. Thrown together at Darlington Orchard, Murphy, Leeda, and Birdie discover what it means to find a real soul mate, and that sometimes cute boys know a lot about peach cider. And, of course, they learn the trick to picking a perfect peach. One thing's for sure—it's going to be a juicy summer.

Peaches

A “gripping historical drama” that tells the story of young Elizabeth Tudor’s journey to the throne—and her fierce rivalry with her half sister (School Library Journal). Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor's teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth's own father, Henry VIII. Her jealous half sister, Mary, has her locked away in the Tower of London. And her only love interest betrays her in his own quest for the throne... Told in the voice of the young Elizabeth and ending when she is crowned queen, this novel in the exciting Young Royals series explores the relationship between two sisters who became mortal enemies. New York Times-bestselling author Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became Elizabeth I, one of England's most powerful monarchs—and the sister who tried everything to stop her.
