The Nitwits Come to Town

Why did the Nitwit fall out of the tree? His mom told him to rake the leaves! The Nitwits Come to Town is a story where some two-liner jokes take life and where Joe Christmas wants you to know about his new neighbors, the Nitwits. According to him, they are crazy. He also wants you to know about his three sisters—sisters, uhhhhh! He definitely wants you to see how he is going to exact revenge on Trudy, Cece, and Aggie for making his life one more chore after another. As Joe recruits a Nitwit to help him fulfill his fail-safe plan, he not only shows how crazy the Nitwits are but reveals how crazy (Joe would say “normal” crazy) his own family is. You can certainly make a game of it by guessing which family is crazier: which family cooks a meal on a car's engine or which family has tongue-sticking contests on frozen poles; who throws doll heads into a dog run and who continually falls asleep in piles of leaves and gets weird rashes. Find out in The Nitwits Come to Town. Jim Chrisman is an award-winning author having won the 2009 Next Generation Indie Book Award for Young Adult Fiction for Substitute Wizard. Jim lives in California with his wife of fourteen years and his two sons.

Rufus and the Nitwits

Between the mid-1930s and the late '40s the centre of the jazz world was a two-block stretch of 52nd Street in Manhattan. Dozens of crowded basement clubs played host to legends like Charlie Parker and Billie Holiday. These clubs defied the traditional boundaries between art and entertainment, and between the races.

Andrew Ciulla hadn't intended to spend most of his life as a freelance writer at age 18 after high school. He entered an art school to learn to paint like the da Vincis and Botticellis of Italy's golden age of art. This volume titled Cabbages and Kings is sort of a quick review of what Andrew Ciulla has been up to these years. His injection of eighteen poems to the eighteen short stories makes this a good book to have in everybody's library. Sort of two books in one.

"The entire field of film historians awaits the AFI volumes with eagerness."--Eileen Bowser, Museum of Modern Art Film Department Comments on previous volumes: "The source of last resort for finding socially valuable . . . films that received such scant attention that they seem 'lost' until discovered in the AFI Catalog."--Thomas Cripps "Endlessly absorbing as an excursion into cultural history and national memory."--Arthur Schlesinger, Jr.

Cabbages and Kings

From Goat Hill to City of the Arts

This biographical dictionary shines the spotlight on several hundred unheralded stunt performers who created some of the cinema's greatest action scenes without credit or recognition. The time period covered encompasses the silent comedy days of Buster Keaton and Harold Lloyd, the early westerns of Tom Mix and John Wayne, the swashbucklers of Douglas Fairbanks, Errol Flynn, and Burt Lancaster, the costume epics of Charlton Heston and Kirk Douglas, and the action films of Steve McQueen, Clint Eastwood, and Charles Bronson. Without stuntmen and women working behind the scenes the films of these action superstars would not have been as successful. Now fantastic athletes and leading stunt creators such as Yakima Canutt, Richard Talmadge, Harvey Parry, Allen Pomeroy, Dave Sharpe, Jock Mahoney, Chuck Roberson, Polly Burson, Bob Morgan, Loren Janes, Dean Smith, Hal Needham, Martha Crawford, Ronnie Rondell, Terry Leonard, and Bob Minor are given their proper due. Each entry covers the performer's athletic background, military service, actors doubled, noteworthy stunts, and a rundown of his or her best known screen credits.

Odyssey (Academy - Book 5)

This book presents a provocatively, outrageously assertive exposure of fools in their not infrequently bizarre manifestations, the object being to leave no halfwits behind. It explores the world of the fool from many perspectives, including Engines of Limited Cognition: Dumb Bells, Dumb Clucks and Dumb Waiters; Imprudence and Its Imbecilic Implications; Fools, Eccentrics & Sons of Momus; and Idiotic Opportunities: Putting Fools to Work. This is not to infer (or even hint) that either the author or his readership is in any demonstrable sense of the word foolish, now or at any other time. After all, no fool would write a book like this, and no fool would read it. Precisely who does read it is a discretely personal decision we leave to those gifted with more than ordinarily inquiring minds. Indeed, those who elect to come along for the ride are likely to find their minds piqued, tickled and enriched by this tour de farce. True to form, Reed illustrates Ambrose Bierce's definition of educational -- 'that which discloses to the wise and disguises from the fools their lack of understanding.' Abundantly documented, endlessly subtle, hopelessly eccentric and deadly funny, the book blends history, sociology, literature, philosophy, etymology and even theology, all with a good laugh.

In SCOUNDRELS, an all-original anthology featuring bestselling and Edgar and Shamus award-winning writers, you'll read stories of desperate grifters, brokers hedging big bets for the big take, schemers working the long con for the sure money, used car salesman with golden dreams and rusted hopes, crooked lawyers and bent clients, one percenters hustling for that last half-percent, kind-hearted killers and the lonely hearted who tell themselves any lie as the double down for the long count. Stories by Reed Farrel Coleman, David Corbett, Tyler Dilts, Brendan DuBois, Seth Harwood, Darrell James, Gary Phillips, Travis Richardson, SJ Rozan, Kelli Stanley, Eric Stone, Bob Truluck, Lono Waiwaiole and Pamela Samuels Young. Praise for SCOUNDRELS ... "Much will be made of the timeliness of SCOUNDRELS, and with good reason; these days Enron executives and securities brokers are far scarier than serial killers. But SCOUNDRELS is more than just timely — it's a great read, a collection of fabulous stories by remarkable authors. Bravo." — Marcus Sakey, author of The Two Deaths of Daniel Hayes, and host of Hidden City on the Travel Channel What other group of human beings inspires such a level of hatred and disgust in us as the white collar crook? Lesser thieves don't get the level of hatred and contempt that these high-flying kleptomaniacs generate. Why does a Bernie Madoff or a Kenneth "Kenny Boy" Lay inspire nearly as much opprobrium from the rest of us as a serial killer, a genocidal dictator or a child molester? — Scott Phillips, from the Forward

Hearings

Try if you will, to imagine a time when automobiles were virtual bars, DWI roadblocks were in their infancy and MADD's mothers were still in utero. A time when "impaired" drivers were not vilified and hunted down like wild animals, but praised and admired for their deftness, agility, and multitasking ability. Ah my friends, but not so many years ago such an era did exist! Herein lies the tales of the brave young men who took to their vehicles, beer can in hand, fearing nothing but incompetent sober drivers and the occasional moving telephone pole.
