A Family Outing in the Atlantic

When she set off to cross the Atlantic as part of a delivery crew, Jill Dickin Schinas had no idea that she was embarking on a whole new life, but within a week of setting out she and the skipper were making plans for a journey to Cape Horn. One year later the couple were on their way but had detoured up the Amazon to get married. Two years after that they were crossing the Atlantic again, this time from the Caribbean and this time with the ship's company enlarged by the addition of a two year old son and a babe in arms. Together the little family then headed directly for the Falkland Islands and the southern tip of South America - travelling via the Bahamas, the Azores, Portugal, the Canaries, Cape Verde, Senegal, Guinea Bissau, Guinea Conakry, Cote d'Ivoire, Ghana, Sao Tome and Principe, Uruguay, Argentina, and various tenanted and untenanted islets and lumps of rock cast adrift in the Atlantic Ocean. Seven years after setting out, they almost reached their destination... On the face of it, this book is a travelogue, but it is also a portrait of the cruising lifestyle- the hand-to-mouth, alternative lifestyle, not the early-retirement luxury cruise. Yes, we were bound for Cape Horn... in as much as we had a destination, this indeed was it. But we were in no great hurry, and even this goal was viewed as little more than a staging post on our journey, for we meant to journey indefinitely. Truly, it was not a place but a lifestyle which we were setting forth to find. The family's adventures range from fighting gales and battling with immigration officials, to exploring uncharted African waters and abandoning ship to board a chopper via the winch cable. There is much in here that will be of value to other yachtsmen and other travellers, and heaps which will appeal to armchair voyagers and to families seeking to turn away from the nine-to-five motorway and tread a road of their own. Contains 31 pen-and-ink drawings and cartoons. Includes a brief glossary for people not conversant with sailing terminology. By the author of Kids in the Cockpit (a guide to sailing and cruising with children). The Schinas family are talented people. There's nothing on the planet that Nick can't fix, while Jill is an artist of character. The children are developing in the same mould, but the overriding feature of all their lives and the guiding spirit of this book, is their self-sufficiency and courage to make their own choices, come fair weather or foul. Casting fate to the ocean winds without visible means of support in the third millennium demands a lot more guts than ever it did thirty years ago. Keeping going, despite producing three fine children and

surviving a capsizing off the Falklands that ended on the winch cable of an RAF helicopter, shows the true spirit of seafaring. TOM CUNLIFFE

This is a guidebook to 23 breweries and brewpubs across the Garden State, from corporate giants to the newest brewpubs.

New Jersey Breweries

The essential guide to Jewish family life and fun activities at home and on the road! This celebration of Jewish family life is the perfect guide for families wanting to put a new Jewish spin on holidays, holy days, and even the everyday. Full of activities, games, and history, it is sure to inspire parents, children, and extended family to connect with Judaism in fun, creative ways. With over 85 easy-to-do activities to re-invigorate age-old Jewish customs and make them fun for the whole family, this book is more than just kids' stuff. It's about taking the Jewish family experience to a new educational and entertaining level. The Jewish Family Fun Book details activities for fun at home and away from home, including recipes, meaningful everyday and holiday crafts, travel guides, enriching entertainment, and much, much more! Clearly illustrated and full of easy-to-follow instructions, this lively guide shows us how to take an active approach to exploring Jewish tradition and have fun along the way. Each of The Jewish Family Fun Book's three sections offer dozens of ideas and easy-to-understand instructions: ? ?Holiday Fun? aims to enrich the appropriate seriousness of Jewish holidays with a healthy dose of fun. How about having a Passover seder in a tent, like Israelites in the desert? Or celebrating the harvest holiday of Shavuot by taking your kids strawberry picking? ? ?Fun at Home? features Jewish activities ranging from relaxing (with a guide to Jewish books, music, movies, and websites) to exhausting (instructions for games and other outdoor fun); from creative (ideas for arts and crafts projects and recipes) to unforgettable (mitzvah and volunteer opportunities). ? ?Fun on the Road? is an easy-to-use travel guide, with suggestions for adding a memorable Jewish component to already built-for-fun family vacations. There's information on Jewish museums, historical sites, camps, festivals, and kosher restaurants across the U.S.

The Jewish Family Fun Book

"Hundreds of family attractions less than 10 miles off Interstate 95 from the Mid-Atlantic to Miami"--Page 4 of cover.

Kids Love I-95, 2nd Edition

"Adventure on the High Sea! A Family's Sailing voyage Across the Atlantic" is a true story for young readers ages 8 to 13 but should also appeal to a parent's sense of adventure. A young girl and her family set out for the adventure opportunity of a lifetime. It's an exciting story about a family's life onboard a 38-foot sailboat and their many experiences along the way. They embark on a year-long voyage beginning in England with proposed stops in Spain, the Canary Islands, the Caribbean and Bermuda. Nothing ever goes as planned and their journey detours to Africa and later to America where they eventually settled. susanbarryblair.com

Adventure on the High Sea!

The year is 1966, and a pioneering English yachtsman heads south - alone - towards Cape Horn, and into a territory unknown to yachtsmen. This is the tale of a wilderness cruise on the desert coast of Argentina and in the snowy Chilean fjords, but between the two halves, at the summit of the adventure, is the story of a sailor fighting for his life.

Solo around Cape Horn

Atlantic City Queen of Resorts or America's Playground - you decide. Come inside and take a new look at Atlantic City today, a family destination with something for everyone and more surprises to come.

Atlantic City

New England & the Mid-Atlantic's National Parks

Separately they were formidable—together they were unstoppable. Despite their intriguing lives and the deep impact they had on their community and region, the story of Richard Joshua Reynolds (1850–1918) and Katharine Smith Reynolds (1880–1924) has never been fully told. Now Michele Gillespie provides a sweeping account of how R. J. and Katharine succeeded in realizing their American dreams. From relatively modest beginnings, R. J. launched the R. J. Reynolds Tobacco Company, which would eventually develop two hugely profitable products, Prince Albert pipe tobacco and Camel cigarettes. His marriage in 1905 to Katharine Smith, a dynamic woman thirty years his junior, marked the beginning of a unique partnership that went well beyond the family. As a couple, the Reynoldses conducted a far-ranging social life and, under Katharine's direction, built Reynolda House, a breathtaking estate and model farm. Providing leadership to a series of progressive reform movements and business innovations, they helped drive one of the South's best examples of rapid urbanization and changing race relations in the city of Winston-Salem, North Carolina. Together they became one of the New South's most influential elite couples. Upon R. J.'s death, Katharine reinvented herself, marrying a World War I veteran many years her junior and engaging in a significant new set of philanthropic pursuits. Katharine and R. J. Reynolds reveals the broad economic, social, cultural, and political changes that were the backdrop to the Reynoldses' lives. Portraying a New South shaped by tensions between rural poverty and industrial transformation, white working-class inferiority and deeply entrenched racism, and the solidification of a one-party political system, Gillespie offers a masterful life-and-times biography of these important North Carolinians.

Katharine and R. J. Reynolds

Every year, U.S. casinos give away more than a billion dollars worth of amenities to customers in return for their gambling action. These giveaways, known as "comps" (short for complimentaries), range from parking and drinks to gourmet meals and airfare. Are you getting your share? From nickel slot players to \$500 a hand blackjack high rollers, Comp City has shown tens of thousands of gamblers how to get free casino vacations.

The Legacy of Zig

First Published in 2004. Volume II provides the hard facts and the history behind the headlines; significant 20th-century events in the evolution of all aspects of business and commerce are described in chronologically-arranged articles. The text of each article is divided into two sections: Summary of the Event describes the event itself and the circumstances leading up to it, and Impact of the Event analyzes the influence of the event on the evolution of business practice or on a major industry in both the short and long terms. Each article concludes with a fully annotated Bibliography.

Comp City

Geared towards parents with children between the ages of two and twelve, Fun with the Family Massachusetts features interesting facts and sidebars as well as practical tips about traveling with your little ones.

Chronology of Twentieth-Century History: Business and Commerce

Fulfilling the need for English-source material on contemporary Spain, this book supplies readers with an in-depth, interdisciplinary guide to the country of Spain and its intricate, diverse culture. Far from a usual reference book, Modern Spain takes the reader through the country's history, economy, and politics as well as topics that address Spain's popular culture, such as food, sports, and sexuality. Because of the interdisciplinary nature of its content, this book differs from the average typical English manuals that very rarely cover in depth the whole array of interesting issues that define Spain in the 21st century. The vast amount of information makes this book the perfect companion for any reader wishing to learn more about Spain. Packed with current facts and statistics, this book offers an unbiased view of a modern country, making it an ideal source for undergraduate students and scholars.

Outing

The Mashantucket Pequots have had a long and proud history, enduring for centuries even after colonists and historians believed them to have been exterminated by the British in 1637. By the

early 1970s, however, the legacy of their generations rested on the shoulders of a single elderly woman, upon whose death the Pequots' reservation would fall into government hands. Her grandson, Richard "Skip" Hayward, and other relatives responded to her pleas and kept alive the tribe and its land by coming to live on the reservation. Journalist Kim Isaac Eisler tells in riveting detail how Hayward and others skillfully manipulated laws, court decisions, and political connections to permit the Mashantucket Pequots to found the Foxwoods Resort and Casino in 1992. Located in Ledyard, Connecticut, Foxwoods today is arguably the world's most profitable casino complex, grossing over one billion dollars annually. The Mashantucket Pequots have become staggeringly rich, their tribal membership has swelled, and they are now an influential force in national politics. Their triumph has not been without controversy: Eisler also examines the volatile issue of racial identity among the Pequots and looks at the negative impact of Foxwoods on those who also make their home in the Connecticut woods.

Fun with the Family Massachusetts, 7th

Now in a revised and expanded 12th edition, New Jersey Day Trips offers everyone a fascinating journey through hundreds of tourist attractions in all corners of the Garden State. Plus, this comprehensive resource explores the most popular points just beyond the state's borders. Patrick Sarver has updated most entries and added more than twenty new points of interest to an already extensive list of destinations, making this the most sought-after guidebook about New Jersey.

Modern Spain

"A lighthearted, entertaining trip down Memory Lane" (Kirkus Reviews), Don't Make Me Pull Over! offers a nostalgic look at the golden age of family road trips—before portable DVD players, smartphones, and Google Maps. The birth of America's first interstate highways in the 1950s hit the gas pedal on the road trip phenomenon and families were soon streaming—sans seatbelts!—to a range of sometimes stirring, sometimes wacky locations. In the days before cheap air travel, families didn't so much take vacations as survive them. Between home and destination lay thousands of miles and dozens of annoyances, and with his family Richard Ratay experienced all of them—from being crowded into the backseat with noogie-happy older brothers, to picking out a souvenir only to find that a better one might have been had at the next attraction, to dealing with a dad who didn't believe in bathroom breaks. Now, decades later, Ratay offers "an amiable guide...fun and informative" (New York Newsday) that "goes down like a cold lemonade on a hot summer's day" (The Wall Street Journal). In hundreds of amusing ways, he reminds us of what once made the Great American Family Road Trip so great, including twenty-foot "land yachts," oasis-like Holiday Inn "Holidomes," "Smokey"-spotting Fuzzbusters, twenty-eight glorious flavors of Howard Johnson's ice cream, and the thrill of finding a "good buddy" on the CB radio. An "informative, often hilarious family narrative [that] perfectly captures the love-hate relationship many have with road trips" (Publishers Weekly), Don't Make Me Pull Over! reveals how the family road trip came to be, how its evolution mirrored the country's, and why those magical journeys that once brought families together—for better and worse—have largely disappeared.

A Family of Six at Sea

An investigation of tourism and its transforming impact on cities, by urban experts from a variety of disciplines. They examine such tourist meccas as Las Vegas, Orlando and Boston, and take up themes such as the marketing of cities and how tourists perceive places.

Comprehensive Calendar of Bicentennial Events

Great Family Trips in New England is full of fascinating and fun things to do -- children's theaters, aquariums, and ice cream parlors are just the beginning. This easy-to-use guide concentrates on the spots children and families like the most.
