Freddy and His Magic Bath Mat

Freddy is an only child who hates being lonely. His father has a top job in the corporate world, and with this type of money the family lives in the best places where there are very few children and pets are not allowed, which makes Freddy very unhappy. School days are wonderful but the weekends are miserable. He escapes by dreaming that his bath mat is a magic flying carpet that takes him to places and eras in the past that he reads about at school. Unfortunately, corporate misdeeds leave many people unemployed, including his dad. In this work, you have not only a neat story but also a gentle look at four centuries of American history.

On the Quest to Find Mr. Right

On the Quest to Find Mr. Right is about twenty-nine-year-old Samantha Kiara Jones. She enjoyed living the single life and was in no hurry to get married. Although she was in no hurry, she hoped to accomplish that feat before she turned thirty. Samantha figured at thirty that her biological clock would transform into a stopwatch. After many heartaches and disappointments, she decided to give up looking, that is, until she looked around and noticed that out of all her family and friends, she was the only one still not married. For fear of spending the rest of her life alone, she goes on a journey, a mission of sorts, a quest to find Mr. Right.

Grease

Welcome to Saguaro Riptide Motel. It's a seedy little surf joint where the not-so-elite are about to meet. Ex-boxer Jack "Battle-Ax" Baddalach has to find two million in cash. Everyone wants the cash. Everyone's got a gun. And it's about to get really ugly.

The Perils of the Peoples of Pine Hills

Dating back to the dawn of the twelfth century, the ancient Order of the Knights Templar is one of the most powerful and mysterious international organizations in history. Its power lies within its ability to keep its secrets secret and its assets even more clandestinely hidden from the public eye. Kemp Hastings has been sent by outsiders to locate an ancient document known only as the Templari Thesaurus the ultimate inventory of biblical deposits held by the Grand Masters of the Order over the centuries. After a series of inexplicable deaths and even more inexplicable events, Hastings and his trusted companions, Darlene Gammay and Erica Vine, flee to Cairo, Malta, and Switzerland. They struggle to stay even one step ahead of a German splinter group desperate to locate 300 million dollars of gold and silver bullion from World War II. Hastings believes that the Order may have hidden the treasure on Scottish soil. Once Hastings discovers the Templari Thesaurus, he is shown the core workings of the Order. He has been indoctrinated as to how the Order manages its ancient business in this modern world. As the journey unfolds, Hastings discovers the darker sides and Teutonic elements of the Order. Now he engages the modern Scottish Order to assert their military power and authority to deal with unwelcome visitors. How far will the Order go to protect itself?

Agnus Dei

It all begins with a strange coin on a sun-warmed sidewalk. Jane finds the coin, and because she and her siblings are having the worst, most dreadfully boring summer ever, she idly wishes something exciting would happen. And something does: Her wish

The Jungle Book

This is the story of loss – and what happens afterwards... When Emma gets home after work one evening, she calls hello to her husband Jay, as she always does. Stepping into the kitchen, she sees he has done the shopping, as she had reminded him to; remembered to buy peppercorns; has bought her flowers. Everything is neatly put away. But Jay is not there. A photographer, all Jay has left behind is his camera containing five photographs, which are unlike his other work. Emma follows the images to Cornwall, beginning a journey in which old relationships are re-written and new ones are formed. As the visual mystery of each photograph unfolds, Emma finds herself unravelling and perilously close

to breaking point. But could her unlikely salvation lie in the sea, a small community of swimmers and the promise of something Emma thought she didn't want? 'Truly beautiful' Debbie Johnson 'A stunning story about love, longing and learning to live again after loss. Utterly immersive, and brimming with exquisite prose, AFTERWARDS is a thought-provoking and powerful debut with a message of hope at its heart. Emma's journey is guaranteed to stay with you long after you turn the final page' Holly Miller 'A delicately crafted literary novel, capturing in pin-sharp prose the myriad of emotions that grief can cause and how even in the darkest of circumstances, we can learn to live again' Living Magazines 'I've already given this debut novel to my mum and my best friend. It's a raw and very human account of what happens "afterwards"' Back Story

Billboard

The awkward and lovable hero of Andrew Sean Greer's bestselling and prize-winning novel *Less* returns in this unforgettable road trip across America. 'Wildly, painfully funny' David Sedaris 'Unforgettable' Elizabeth Day 'The joyfulness of this book is a balm' Madeline Miller 'What a joy' Katie Kitamura For Arthur Less, life is going surprisingly well: he is a moderately accomplished novelist in a steady relationship with his partner, Freddy Pelu. But nothing lasts: the death of an old lover and a sudden financial crisis has Less running away from his problems yet again as he accepts a series of literary gigs that send him on a zigzagging adventure across the US. Less roves across the 'Mild Mild West', through the South and to his mid-Atlantic birthplace, with an ever-changing posse of writerly characters and his trusty duo - a human-like black pug, Dolly, and a rusty camper van nicknamed Rosina. He grows a handlebar mustache, ditches his signature gray suit, and disguises himself in the bolero-and-cowboy-hat costume of a true 'Unitedstatesian'... with varying levels of success, as he continues to be mistaken for either a Dutchman, the wrong writer, or, worst of all, a 'bad gay'. We cannot, however, escape ourselves - even across deserts, bayous, and coastlines. From his estranged father and strained relationship with Freddy, to the reckoning he experiences in confronting his privilege, Arthur Less must eventually face his personal demons. With all of the irrepressible wit and musicality that made *Less* a bestselling, Pulitzer Prize-winning, must-read breakout book, *Less Is Lost* is a profound and joyous novel about the enigma of life, the riddle of love, and the stories we tell along the way.

Life Revisited

"Meet Leda Foley; Devoted friend, struggling travel agent, sometime psychic. When Leda, proprietor of Foley's Flights of Fancy, books Seattle PD Grady Merritt on a flight back from Orlando, she does not expect it to change her life. When Grady watches the plane he was set to travel on catch fire while he remains safely in the airport, he seeks out Leda, and despite her rather scattershot premonitions, he enlists her help in investigating a cold case he just can't crack. But Leda has her own reasons for helping: her fiancé Tod was murdered under mysterious circumstances several years ago. Her psychic abilities weren't good then, but now she's been honing them at her favorite bar's open-mic nights, where she draws a crowd clairvoyant karaoke-singing whatever song comes to mind after holding other patrons' personal effects. With a rag-tag group of bar patrons and friends, Leda and Grady set out to catch a killer--and find that the two cases that haunt them may have more in common than they think"--

Less is Lost

An explosive insider account of grime, from subculture to international phenomenon. ***** A group of kids in the 2000s had a dream to make their voice heard - and this book documents their seminal impact on today's pop culture. DJ Target grew up in Bow under the shadow of Canary Wharf, with

money looming close on the skyline. The 'Godfather of Grime' Wiley and Dizzee Rascal first met each other in his bedroom. They were all just grime kids on the block back then, and didn't realise they were to become pioneers of an international music revolution. A movement that permeates deep into British culture and beyond. Household names were borne out of those housing estates, and the music industry now jumps to the beat of their gritty reality rather than the tune of glossy aspiration. Grime has shaken the world and Target is revealing its explosive and expansive journey in full, using his own unique insight and drawing on the input of grime's greatest names.

Living for Young Homemakers

"Miles ahead of the average ghost-story" — Sunday Times. A novelist retreats to an abandoned house in the heart of London, where he becomes enthralled by an 18th-century spirit — and where his contact with the outside world gradually diminishes. Acclaimed by such masters as Lovecraft as one of the best ghost stories in the English language.
