Religion, faith and the role they play today - Religion, faith and the role they play today by The Economist 141,920 views 6 years ago 2 minutes, 39 seconds - Religion, and faith are an integral part of people's lives **worldwide**,. But in many countries the number of people who believe in God ... In Israel, only 39% of the population consider themselves a religious person.

Only 9% of Chinese people report themselves as being religious and the majority say they are committed atheists, making China the least religious country in the world.

84% of the world's population say they are affiliated to a religious group.

It's predicted there will be almost as many Muslim's as Christians by 2050.

... where religious affiliation is declining, **spirituality**, is not.

Globally 15% of atheists believe in life after death - So if faith deserts you here, there's always the hereafter.
