Brothers and Friends

An Intimate Portrait of C.S. Lewis.

Can Brothers Be Friends?

Can Brothers Be Friends? is a sweet story about two young brothers. Impressionable Jake becomes confused about his relationship with his brother, Mason, after having a conversation with a friend at school. Jake's struggle with his friend's negative comment is shown in his behaviors throughout the day. By the end of the story, Mommy and Daddy finally understand the source of Jake's confusion and they lovingly correct their sweet son. This story promotes the importance of close relationships and has a positive, character building theme. This book is recommended for families with young children (ages 4-10). About the Author Cherie Scheurich is very close to her parents, brother, and two children, Bria and John. She grew up with a large extended family of aunts, uncles, and cousins who were always loving and lots of fun. She wrote Can Brothers Be Friends? to pass along the importance of being a close family to her three precious grandsons - Jake, Mason, and Johnzinho. Cherie has worked in social services and as a teacher for many years. She has instilled the importance of family to all her clients and students and wishes to stress the importance of family relationships to her readers.

Brothers in Battle, Best of Friends

The story of two inseparable friends and soldiers portrayed in the HBO miniseries Band of Brothers. William "Wild Bill" Guarnere and Edward "Babe" Heffron were among the first paratroopers of the U.S. Army--members of an elite unit of the 101st Airborne D

Friends and Brothers

William's brother Charlie is full of questions, fond of showing off and says 'absolutely' to absolutely everything. He doesn't even know what it means!

Brothers Make the Best Friends

Did you know brothers make the best friends? Well they do! Watch as this brother and sister play and grow together, to become life long friends.

Making Brothers and Sisters Best Friends

Brothers and sisters are among the most important people in life. The emphasis of this book is not merely "getting along" but being best friends.

We're Very Good Friends, My Brother and I.

A boy explains why he is glad to have a brother to play with, to feel sad and happy with, or just to be with.

We Are Brothers, We Are Friends

Being a big brother is a BIG job. There's lots to show your little brother . . . Trains . . . Planes . . . How to be a dinosaur. There are games to play and adventures to be had. And if trouble comes, it's big brother to the rescue because there's no better friend than a brother.

Friends...Brothers...Soldiers All.

Packed with more than 60 photographs, DEA Reports of Investigation and de-classified documents, this book details a record-setting cocaine transportation deal from Colombia to Miami with connections to heroin traders in Afghanistan. It is the story of three real brothers - the youngest a Special Agent in the DEA, the middle one a contractor for the CIA and the eldest the Carrier Air Wing Commander aboard the USS Teddy Roosevelt - and how a series of unrelated events brings them together in the mountains of Pakistan.

My Brother's Best Friend

Nico's it for me, too bad he's my brother's best friend ...Friends and brothers are off limits. That's always been the rule in our house. In a big family it's the only way to keep the peace. That doesn't stop my heart from belonging to Nico, my older brother's best friend. I've been able to put aside my feelings for years, but now that I'm an intern at the law firm he owns, all those feelings are threatening to overflow. He says he doesn't do relationships, and that work is all he has time for, but when things heat up between us I know I've found something worth fighting for. I'll prove to Nico that I'm the guy for him. It's time to throw out the old rules and make new ones of our own.

Best Friend Brothers

Ragan and Jacob are brothers and friends who decide life might be a little more exciting if they had a little brother or sister. Will they get their wish? Find out in this real-life blended story inspired by the author's family.

Friends and Brothers

A brother explains to his new baby brother all the fun adventures they will have together because they are brothers and friends.

We Are Brothers, We Are Friends

Brothers: Best Friends Growing Up How do you share your life? Two brothers invite you to share their adventures of growing up together. Readers will relate to the variety of activities and simple but memorable moments. Love and support are key messages in this engaging story. Brothers: Best Friends Growing Up is the first book of A Considerate Curriculum Series 2010 by Sherry Ramrattan Smith.

Brothers

After five years of tracking and capturing spies on English soil, Philip Jonquil, Earl of Lampton, is in pursuit of his last quarry--a dangerous French spy. But when Sorrel Kendrick inadvertently stumbles upon a crucial piece of the puzzle (making her indispensable to the mission), can these two proud hearts negotiate a ceasefire when cooperation matters most?

Friends & Foes

A young boy describes his life with his brother.

We're Very Good Friends, My Brother and I

Tom Hanks introduces the "remarkable" (Publishers Weekly) true story of two inseparable friends and soldiers portrayed in the HBO® miniseries Band of Brothers. William "Wild Bill" Guarnere and Edward "Babe" Heffron were among the first paratroopers of the U.S. Army—members of an elite unit of the 101st Airborne Division called Easy Company. The crack unit was called upon for every high-risk operation of the war, including D-Day, Operation Market Garden in Holland, the Battle of the Bulge, and the capture of Hitler's Eagle's Nest in Berchtesgaden. In his own words, Guarnere gives a gripping account of D-Day from the paratrooper's perspective. Both men vividly re-create dropping into Holland to capture the roads and bridges between Eindhoven and Arnhem, known as Hell's Highway. Through

much of 1944 both friends fought side by side—until Guarnere lost his right leg in the Battle of the Bulge and was sent home. Heffron went on to liberate slave labor and concentration camps and capture Hitler's Eagle's Nest hideout. United by their experience, the two reconnected at the war's end and were inseparable up until their deaths. *Brothers in Battle, Best of Friends* is a tribute to the lasting bond forged between comrades in arms under fire and to all the brave men who fought fearlessly for freedom. Includes photographs

Brothers in Battle, Best of Friends

Xavier, who is eleven years old, is having somewhat of an ordeal with his little brother Rion. Some days they are friends and other days they are enemies. Do you have a younger brother? Does he get you into trouble or embarrasses you in front of your friends? If so, Xavier knows how you feel. Read along to see if he learns what type of friendship he has with Rion, if at all.

The boy friends: or, More than brothers

Let's say you're an independent, self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now, more than ever, you need to count all the reasons why you need to abandon falling. Abandon Falling #1 – He's a womanizer. Hasn't had a serious relationship a day in his life and changes women more often than he changes his sheets. Abandon Falling #2 – He's never serious. He cracks one-liners, mostly at your expense. Abandon Falling #3 – When things go wrong, he seems unfazed and always remains in control. It's so annoying. Abandon Falling #4 – He has tattoos. Lots of them. Everywhere. Not to mention, he owns a tattoo parlor. (Damn it! Why doesn't that sound like a bad thing anymore?) Abandon Falling #5 – There's a growing list of how different you two are. You can't get along for fifteen minutes—a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don't notice his good qualities or how enticing he looks without a shirt, and do not, I repeat, do not agree to live with the man while your place is being repaired from flood damage. Trust me, even the strongest of us can only forego temptation for so long.

The Boy Friends; Or, More Than Brothers

This book is different A delightfully illustrated book for school friends or brothers and sisters aged 8-13 of children with autism, it explains the characteristics of autism, explores what it feels like to be a brother or sister of someone with an autistic spectrum disorder, and suggests some approaches to making life more comfortable. This book is different A new, delightfully illustrated book for school friends or brothers and sisters aged 8-13 of children with autism by Fiona Bleach, an accomplished artist and art therapist who has worked in a National Autistic Society school. It explains the characteristics of autism, investigates what it feels like to be a brother or sister of someone with an autistic spectrum disorder, and suggests some approaches to making life more comfortable for everyone. Written with insight and charm, this book offers real and accessible support.

Little Brothers Friends...Enemies...Frenemy

"Why was Banaras such a mystery to me when I arrived in 1981? Was it ironically because I was an Indian and expected to have a privileged insight into it?" In this unusually personal, evocative account of her fieldwork experiences, Kumar tackles the dilemma of how a Western-trained Indian intellectual adapts to the field and builds deeply affecting relationships with strangers. She discloses what it is like to be a native researching her own culture, offering her fieldwork memoirs in all their spontaneity and candor. We see Banaras through her eyes when she first arrives: throngs of people, cramped and dark lodgings, unappetizing food, mischievous monkeys, and almost overwhelming filth. But as she establishes friendships, we are treated to her discoveries not only about the city and its people, but also about her place in this society. The familiar problems that face most anthropologists conducting fieldwork—of Self versus Other, objectivity versus bias, familiar circumstances versus new and dismaying ones—are given a surprising and complex dimension. Through a narration of her own experiences, the author demonstrates how personal locations—habits, preferences, expectations deriving from childhood memories, and areas of ignorance—impose themselves on the process of selection, observation, and interpretation in research.

Falling for my Brother's Best Friend

Darkly funny, shockingly honest, *Brothers in Arms* is an unforgettable account of a soldier's tour of Afghanistan, the brutal reality of war – every scary, exciting moment – and the bonds of friendship that can never be destroyed. 'If you could choose which two limbs got blown off, what would you go for?' Danny said. 'Your arms or your legs?' In July 2009, Geraint (Gez) Jones was sitting in Camp Bastion, Afghanistan with the rest of The Firm – Danny, Jay, Toby and Jake, his four closest friends, all junior NCOs and combat-hardened infantrymen. Thanks to the mangled remains of a Jackal vehicle left tactlessly outside their tent, IEDs were never far from their mind. Within days they'd be on the ground in Musa Qala with the rest of 3 Platoon – a mixed bunch of men Gez would die for. As they fight furiously, are pushed to their limits, hemmed in by IEDs and hampered by the chain of command, Gez starts to wonder what is the point of it all. The bombs they uncover on patrol, on their stomachs brushing the sand away, are replaced the next day. Firefights are a momentary victory in a war they can see is unwinnable. Gez is a warrior – he wants more than this. But then death and injury start to take their toll on The Firm, leaving Gez with PTSD and a new battle just beginning. 'Jones writes of his brothers and their Afghan experience, from its adrenalin-filled highs to the many lows, with passion and candour.' – Major Adam Jowett, bestselling author of *No Way Out* 'A gritty, brutal book about men at war. Raw and real. Brilliant.' – Tom Marcus, author of *Soldier Spy*

Everybody is Different

Special Brothers and Sisters is a collection of real-life accounts from the brothers and sisters of children with special needs, disability or serious illness, ranging in age from 3 to 18 years. They explain, in their own words, what it's like to live with their siblings. There is a lot of advice available for parents of a child with a disability or illness, but very little about the important issue of educating their siblings about how they feel, and why they may behave differently from other children. These stories - from 40 different families - come with related tips to help siblings deal with some of the things that happen in their family lives. The book also provides a helpful glossary to explain, in child-friendly language, the disabilities and medical conditions mentioned, including: * ADHD * autism * cerebral palsy * cystic fibrosis * Down syndrome *Special Brothers and Sisters* is an engaging and educational collection that will enable young people and adults to share in the extraordinary experience of being a sibling of a child with special needs, a disability or serious illness.

Friends, Brothers, and Informants

Ginny Hart loves men. And she loves dating. She just doesn't want a serious relationship. She's tried it before--with her brother's best friend, Ryan--and it's clear she's not cut out for it. So she'll keep having fun and focusing on the new tea shop she recently opened with her best friend. That's all she needs in her life. She definitely doesn't need Ryan, who is always hanging around and has turned into a real player. When he challenges her to prove which of them is more popular with the opposite sex, she takes him up on the bet. One month. Four Saturday nights. She'll show him she's not still holding on to old feelings. It doesn't matter if she can't seem to keep her hands off him. She's not about to let him win. Fifteen years ago, three girls were thrown together because their brothers were best friends. Now they're all grown up, and their brothers are grown up too. The *Tea for Two* series tells their stories.

Brothers in Arms

"Brothers are forever friends! Through good times and bad, a brother is someone to cherish!"--Cover back.

Special Brothers and Sisters

The emphasis of this book is not merely "getting along" with your brothers and sisters, but making them your best friends. Every chapter of the book has a section written by Sarah, Stephen, and Grace, giving the book three perspectives and three personalities. It includes many personal stories, insights, cartoons, and practical ideas and we encourage entire families to read it aloud together. By: Sarah, Stephen, and Grace Mally Pages: 272

Winning Her Brother's Best Friend

Hi we are the Banana Brothers, Bashful and Boastful Here are some facts about us: Bananas are one of the healthiest snacks you can eat. We contain fibre, potassium, high levels of vitamins and minerals, like vitamin A, B, C, calcium, magnesium, some iron and zinc. Bananas are full of goodness,

they help give you energy and strong bones. Put bananas in your pack, for when you want a healthy snack Banana-ra-ma!

Brothers are Forever Friends

"I remember when you used to follow me everywhere." He smirked as I stared at him in shock. His eyes trailed over my uniform as I glared at him. "You've certainly grown." "I remember when your shorts fell off in the pool and I saw your dick." I smiled sweetly as his jaw dropped. "I hope for your sake that it's grown." Alicia Randall is dismayed to find her older brother's best friend standing by her fridge one day, drinking orange juice and wearing nothing but his shorts. He was devastatingly attractive, and he had a way with words that used to make Alicia doodle about him in her diary for years. Now he was back, in town visiting his folks for the summer. It was a little crush. I was fifteen. I need to move on. Except Cole has other plans...

Haciendo de Hermanos y Hermanas Mejores Amigos

Welcome to the Friends & Brothers Series Where three lifelong friends end up falling for one of the other friend's brothers. Three full-length books. Sky High Love Sloan Hayes loves her job as a pilot. But lately, all the travel, the never seeing her family or friends, was getting to her. Thanks to her two best friends, Camilla and Hazel, she knows she needs to make a change if she ever wants to get out of her funk. She wasn't expecting Asher Rickman to be her change. Asher was Camilla's older brother who moved away to live in London when he was in college. She hasn't seen him in years until one night, out of the blue, she runs into him while in London. He's funny, smart and so sexy it makes her eyes hurt just looking at him. But nothing can happen. He's her best friend's brother. Asher hasn't seen Sloan Hayes in who knows how long, but she's no longer the lanky, pre-teen girl he remembered from his own teen years. She was all woman. And he wanted her. There's just one problem. She's his sister's best friend. And there is no way he can have her. But he can't stop thinking about her no matter how hard he tries. Could he somehow convince her that it didn't matter? That love could be worth it? Bridge To Love Hazel Landenberger believes there is a perfect person in the world for everyone. Only, hers is taking forever to show up. Until he does, she stays busy with her job as a county engineer and her two best friends. But then, an accident happens, injuring her badly with no one around to take care of her. No one but Nash Hayes. Nash is her friend Sloan's brother and she'd never once had an impure thought about him. He can't say the same about her, though. Years ago, Nash had secret feelings for his sister's friend, but knowing nothing could ever come of them, pushed them deep down inside his heart, never to be seen again. Or so he'd thought. But seeing her in the ER, hurt and in pain, brought them barreling back to the surface. He wanted her. Badly. But would she feel the same way? Could he convince her that he was her perfect man? When It's Love Camilla Rickman was a woman who knew what she wanted out of life. Or at least she'd thought she did. With both of her friends in love and on their way to being married, she'd started questioning her own life. Was she doing enough to put herself out there? To find her own happily-ever-after? Deciding it's now or never, she joins a gym only to find her best friend's brother, Keaton at her first class. Keaton had never been someone she'd thought about in any way other than brotherly. Until she saw him working out. Keaton's been back in town a year and in that time, hadn't done much socializing. When he runs into his sister's best friend Camilla at his workout, he doesn't think anything of it until he sees her butt in those tight pants. Now he can't think of anything else. It's wrong and improper but he can't stop himself. He wants Camilla and nothing is going to change that. But first, he has to find out if she feels the same way.

Banana Brothers Boastful and Bashful

For thirty years, the Oxford C. S. Lewis Society has met weekly in the mediaeval colleges of Oxford University. During that time, it has hosted as speakers nearly all those still living who were associated with the Inklings - the Oxford literary circle led by C. S. Lewis - as well as authors and thinkers of a prominence that nears Lewis's own. 'C. S. Lewis and His Circle' offers the reader a chance to join this unique group, with the best of traditional academic essays, thoughtful memoirs, and informal reminiscences about C. S. Lewis and his circle.

My Brothers Best Friend

Robert F. Kennedy was the first conspiracy theorist about his brother's murder. In this astonishingly compelling and convincing new account of the Kennedy years, acclaimed journalist David Talbot tells in a riveting, superbly researched narrative why, even on 22 November 1963, RFK had reason to believe

that dark forces were at work in Dallas and reveals, for the first time, that he planned to open an investigation into the assassination had he become president in 1968. *BROTHERS* also portrays a JFK administration more besieged by internal enemies than has previously been realised, from within the Pentagon, the CIA, the FBI and the mafia. This frightening portrait of sinister elements within and without the government serves as the background for the emotionally charged journey of Robert Kennedy. Reading it, you can absolutely believe any number of people would have been happy for both brothers to meet a sticky end. The tragedy, not just for America but for the world, is that since their murders no one has had the nerve to stand against the dark forces they challenged in quite the same way.

Friends & Brothers

By following key families in Cherokee, Chickasaw, and Anglo-American societies from the Seven Years' War through 1845, this study illustrates how kinship networks—forged out of natal, marital, or fictive kinship relationships—enabled and directed the actions of their members as they decided the futures of their nations. Natalie R. Inman focuses in particular on the Chickasaw Colbert family, the Anglo-American Donelson family, and the Cherokee families of Attakullakulla (Little Carpenter) and Major Ridge. Her research shows how kinship facilitated actions and goals for people in early America across cultures, even if the definitions and constructions of family were different in each society. To open new perspectives on intercultural relations in the colonial and early republic eras, Inman describes the formation and extension of these networks, their intersection with other types of personal and professional networks, their effect on crucial events, and their mutability over time. The Anglo-American patrilineal kinship system shaped patterns of descent, inheritance, and migration. The matrilineal native system was an avenue to political voice, connections between towns, and protection from enemies. In the volatile trans-Appalachian South, Inman shows, kinship networks helped to further political and economic agendas at both personal and national levels even through wars, revolutions, fiscal change, and removals. Comparative analysis of family case studies advances the historiography of early America by revealing connections between the social institution of family and national politics and economies. Beyond the British Atlantic world, these case studies can be compared to other colonial scenarios in which the cultures and families of Europeans collided with native peoples in the Americas, Africa, Australia, and other contexts.

C.S. Lewis and His Circle

We used to call ourselves The Three Musketeers. I know it's cliché, but we were only kids. They usually took turns being in charge, which was fine with me. I was just happy to go along with them. After all, I thought I was the luckiest little girl in the whole world. Most of my classmates only had one best friend, but I had two: my best friend Izzy and her twin brother. Back then, I hoped things would never change, but that's the problem with more. Once I saw a glimpse of it, it was impossible to stop wanting it. Especially when it came to Shane. **This standalone best friend romance has no cheating, no cliffhangers, and is intended for a mature audience.

Friends Talk about Brothers and Sisters

The sunlit rails gleamed like dark mercury, arteries branching out silver from the switch points; the old telegraph poles were shaggy with kudzu and Virginia creeper and, above them, rose the water tower, its surface all washed out by the sun. Harriet, cautiously, stepped towards it in the weedy clearing. Around and around it she walked, around the rusted metal legs. One day is never, ever discussed by the Cleve family. The day that nine-year-old Robin was found hanging by the neck from a tree in their front garden. Twelve years later the family are no nearer to uncovering the truth of what happened to him. Inspired by Houdini and Robert Louis Stevenson, twelve-year-old Harriet sets out to find her brother's murderer – and punish him. But what starts out as a child's game soon becomes a dangerous journey into the menacing underworld of a small Mississippi town.

Brothers

My teammate's incredibly sweet and gorgeous younger sister should have been off-limits, but my hockey stick didn't get that memo. After our team won the championship, and plenty of alcohol, our flirting turned physical and I took her to bed. Shame sent her running the next morning from our catastrophic mistake. She thinks I don't remember that night—but every detail is burned into my brain so deeply, I'll never forget. The feel of her in my arms, the soft whimpers of pleasure I coaxed from her

perfect lips... And now I've spent three months trying to get her out of my head. Which has been futile, because I'm starting to understand she's the only girl I'll ever want. I have one shot to show her I can be exactly what she needs, but Elise won't be easily convinced. That's okay, because I'm good under pressure, and this time, I'm playing for keeps. Get ready to meet your new favorite hot jocks in this series of stand-alone novels. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series of athlete romances is perfect for you!

Brothers and Friends

I had just gotten home from spending a few days with two of best friends in Vegas. All I wanted was a little time to relax and rejuvenate before going to work the following day. I'd just set my bags down, closed my door, and fell onto my couch when my phone rang. I should have known it was my big brother. That was always a joke with him. We were twins, and he was minutes older than me. He'd been protecting and hovering over me my entire life. Of course he'd call to make sure I was home safe and in one piece. He was a thousand miles away, but it never felt like it. When he announced that he was getting married, I was surprised. They had only known each other for about a year. What he said next shocked me even more. They were getting married in two weeks, and he wanted me to be in the wedding. I hadn't been home for more than a moment in over ten years. He'd come to visit me plenty of times, and he'd even brought her with him. No matter what was happening, I'd always found a way out of going home. His wedding was the exception. My brother was getting married, and I needed to be there. There was only one problem. His name was Jackson, but I called him Jackie. He was my brother's best friend and the reason I'd been running for so long. Could I do it? Could I face him after all those years? I didn't have a choice. I knew I had to go, but I didn't have to do it alone. I talked one of my best friends into going with me. His name was Chris. I promised him a weekend of fun on the beach with all expenses paid. That all changed the moment I saw HIM. I did the only thing I could think of and hoped it wasn't going to blow up in my face.

Ednah and Her Brothers

Excerpt from Ednah and Her Brothers The two boys ran towards the tree, which was not very much larger than they were. Gordon got there first, and began to climb up very fast to get ahead of Donald. The little tree swayed back and forth as if Gordon were a tornado. Presently there came an ominous crack, and in another minute boy and tree were lying on the ground in a confused mass of branches and legs and arms. Ednah and Her Brothers (Classic Reprint)

In 1868, Neubauer's services were secured by the University of Oxford for the task of cataloguing the Hebrew manuscripts in the Bodleian Library. The catalogue appeared in 1886, after eighteen

years' preparation. In 1878 Neubauer edited the Aramaic text of the Book of Tobit. (Source: Jewish Encyclopedia).

Ednah and Her Brothers

Reprint. Originally published: Oxford: The Clarendon Press, 1878.

The book of Tobit, a Chaldee text, with other rabbinical texts, Engl

This third volume of The Zohar: Pritzker Edition completes the Zohar's commentary on the book of Genesis. Here we find spiritual explorations of numerous biblical narratives, including Jacob's wrestling with the angel, Joseph's kidnapping by his brothers, his near seduction by Potiphar's wife, his interpretation of Pharaoh's dreams, and his reunion with his brothers and father. Throughout, the Zohar probes the biblical text and seeks deeper meaning—for example, the divine intention behind Joseph's disappearance, or the profound significance of human sexuality. Divine and human realities intertwine, affecting one another. Toward the end of Genesis, the Bible states: Jacob's days drew near to die—an idiomatic expression that the Zohar insists on reading hyperliterally. Each human being is challenged to live his days virtuously. If he does, those days themselves are woven into a garment of splendor; at death, they "draw near," enveloping him, escorting him to the beyond. Sefer ha-Zohar (The Book of Radiance) has amazed and overwhelmed readers ever since it emerged mysteriously in medieval Spain toward the end of the thirteenth century. Written in a unique Aramaic, this masterpiece of Kabbalah exceeds the dimensions of a normal book; it is virtually a body of literature, comprising over twenty discrete sections. The bulk of the Zohar consists of a running commentary on the Torah, from Genesis through Deuteronomy.

The Book of Tobit

"An example of how two men could—precariously and passionately—live together and love each other in the America of the 1930s and 1940s." —Colm Tóibín, New York Times bestselling author of *The Magician* After a chance meeting aboard the ocean liner *Paris* in 1924, Harvard University scholar and activist F. O. Matthiessen and artist Russell Cheney fell in love, and remained inseparable until Cheney's death in 1945. During the intervening years, the men traveled throughout Europe and the United States, achieving great professional success while contending with serious personal challenges, including addiction, chronic disease, and severe depression. Situating the couple's private correspondence alongside other sources, Scott Bane tells the remarkable story of their relationship in the context of shifting social dynamics in the United States. From the vantage point of the present day, with marriage equality enacted into law, Bane provides a window into the realities faced by same-sex couples in the early twentieth century, as they maintained relationships in the face of overt discrimination and the absence of legal protections. "A nuanced exploration of a marriage, one characterized by great joy but also buffeted by tremendous conflict (societal, financial, and health-related)." —R. Tripp Evans, author of *Grant Wood: A Life* "A smart, sensitive study of a gay couple...extremely readable." —Gay & Lesbian Review "An arresting account of how a same-sex relationship endured." —Library Journal

The Book of Tobit

To whom does a father, retiring from his life as a successful entrepreneur, pass control of the business he has built? Once it would always have been his eldest son, but increasingly women are becoming involved in family firms having risen to positions of influence and leadership. Using revealing case studies from the daughters who succeeded their entrepreneur fathers in a wide variety of challenging situations, cultures and continents, *Father-Daughter Succession in Family Business* discusses the changes which have led to daughters gaining influence in more and more family businesses. It looks at the tensions this succession can produce between old notions of how men and women should behave, and the new style of leadership that often comes about when a woman takes the helm. This book will help consultants, business educators, and researchers, as well as those who are themselves involved in significant family managed enterprises to better understand why it can no longer be assumed in any part of the World that the first born son will take over the reins of the family business.

The Weekly record of the temperance movement [afterw.] The Weekly record. [Continued as] The Temperance record

This book is about the life of a physician, scientist, psychiatrist, and bioethicist that has been interwoven with the coexistence of the hepatitis C virus (HCV). It entails medical, ethical, spiritual, and historical reflections, as well as the objective and personal history and science of viral hepatitis as well. His life might also be seen as a story of multiple survival episodes—not all related to HCV—that suggests providential oversight.

The Zohar

Profiles the lives and careers of twenty-six women who were pioneers in the field of aviation.

A Union Like Ours

She wants her past hidden... Amy Kincaid is running from her controlling ex-husband, who will stop at nothing to find her. With a new identity and a new job as a housekeeper, she just wants to be left alone to raise her daughter. Then Eddie Fitzgerald rolls into town and turns her world upside down. He's in the business of exposing the truth... Eddie Fitzgerald, L.A.P.D.'s finest, lives for his job and nothing else, until he decides to take a break at the family summer home and is held at gunpoint by the most annoying, sassiest woman to ever cross his path. But something is off about Amy, and the more he learns about her, the more he's convinced she's a fugitive. When her past catches up to her, Amy has no choice but to trust Eddie. Unfortunately, Eddie has demons of his own, and struggles with the decision to protect her or uphold the law. The truth takes them down a deadly path, and only love can save them.

Father-Daughter Succession in Family Business

Letters, essays, stories, speeches and poems by women who were social reformers from 1776 to 1936.

Ballou's Dollar Monthly Magazine

Nana (Edna) was born in 1888, and Grandpa (Edwin) was born in 1891. Their story starts back in 1861 in Dierdorf, Germany, with their grandparents. Their family generations lived through immigration to America, the Civil War, a new century, World War I, the Great Depression, and World War II. They lived in the midst of major difficulties in their lives. Learning from their parents and grandparents, Edwin and Edna each developed a strong personal faith and a close-knit family and marriage. With God's wisdom, they passed down that legacy to their children and grandchildren and many future generations.

Dollar Monthly Magazine

In this remarkable exploration, Judy Klitsner deftly pairs biblical stories to show how a later text will often comment on, or even subvert an earlier one. Klitsner draws bold, surprising parallels between biblical passages, revealing previously unexcavated layers of meaning that will intrigue both novice and experienced readers of the Bible. Klitsner's original readings of familiar narratives illustrate the dynamic nature of biblical attitudes on issues of ongoing relevance to the modern human experience: the individual's relationship to God, gender relations, and the notion of the self.

The Chautauquan

By 1888, twenty years after the publication of *Little Women*, Louisa May Alcott (1832-1888) was one of the most popular and successful authors America had yet produced. In her pre-*Little Women* days, she concocted blood-and-thunder tales for low wages; post-*Little Women*, she specialized in domestic novels and short stories for children. Collected here for the first time are the reminiscences of people who knew her, the majority of which have not been published since their original appearance in the 19th and early 20th centuries. Many of the printed recollections in this book appeared after Alcott became famous and showcase her as a literary lion, but others focus on her teen years, when she was living the life of Jo March; these intimate glimpses into the life of the Alcott family lead the reader to one conclusion: the family was happy, fun, and entertaining, very much like the fictional Marches. The recollections about an older and wealthier Alcott show a kind and generous, albeit outspoken, woman little changed by her money and status. From Annie Sawyer Downs's description of life in Concord to Anna Alcott Pratt's recollections of the Alcott sisters' acting days to Julian Hawthorne's neighborly portrait of the Alcotts, the thirty-six recollections in this copiously illustrated volume tell the private and public story of a remarkable life.

Louisa May Alcott

A playboy in hiding A woman searching for answers Will he let her in or send her packing? After a tragic accident, Chef Chase Fitzgerald left his life in Los Angeles behind and moved to a ranch in Montana. He's convinced that all he needs to be happy are his horses, a few ranch hands and the Big Sky Country. Until one day, Nikki Savoy walks through his doors with her city clothes, sexy mouth, and a body designed to drive a man insane. Nikki wants to know the truth about the accident that left her sister in a coma. Getting a job at Chase's ranch is just the beginning. Throw in a crafty housekeeper, a cantankerous old cowboy, a few adorable horses, and an attraction that can't be denied, and you have a recipe for disaster or romance. Will Nikki get her answers or will Chase offer her something better?

A Physician's Journey with the Hepatitis C Virus

As she struggles to get along with her brothers, a little girl learns valuable lessons about kindness, empathy, and the importance of family. I Do Not Like Living with Brothers aims to teach young siblings to see the value and goodness in each other. We never like everything about our brothers or sisters but if we focus on the positive and recognize that our family cares about us, then we can live together with greater joy. Exploring the family dynamic of a sister living with two brothers, in this children's book, our young narrator discovers that while her brothers are dirty, smelly, and sometimes selfish, they are also kind, funny, and helpful. Author and father Daniel Baxter, creator of the popular YouTube channel How It Should Have Ended, shows kids that perhaps living with your siblings is not all bad. I Do Not Like Living with Brothers is a great empathy book for kids. With creative examples and fun illustrations, it will teach young girls and boys how to be more generous, why we should appreciate the people we live with, and that even though living with siblings can be hard work, it's worth it! Great for readers of Be Kind, You're the Biggest, and Kindness Starts with You.
