[#calligrammes](#) [#visual poetry](#) [#concrete poetry](#) [#shape poems](#) [#Guillaume Apollinaire](#)

Calligrammes are poems, words, or phrases where the typeface, arrangement, and overall design of the letters create a visual image related to the text's subject. This unique blend of literary art and graphic design, often referred to as visual poetry or concrete poetry, was notably popularized by Guillaume Apollinaire, transforming written language into captivating shape poems.
