At first, we will look at the ...

Intro

Published in Blackwood's Magazine in 3 parts. The novella is a critique of the European colonial rule in Africa.

One of the passengers, Charles Marlow tells his fellow passengers an experience of his that took place on The Congo River in Africa

Marlow had heard about The 'Company' running a Colonial enterprise in the Belgian Congo. Marlow soon got appointed as the Captain of a river steamer & he sets out for Africa

Marlow witnesses the evil of imperialism in Africa He encounters inefficiency & brutality in the Company's stations. The native people of Africa have been forced into the Company's service. They suffer from overwork and ill-treatment

Marlow arrives at the central station run by the general manager. He hears of a man named Kurtz, a

colonial agent who is unmatched in his ability to procure ivory from the continent's interior
Kurtz gives Marlow a packet of personal documents, including a pamphlet on civilizing the savages which ends with a message - 'Exterminate all the brutes'

Imperialism : European colonization of Asian & African countries for resources. Kurtz was in Congo for ivory trade but he tried to civilize the natives, Marlow sees scenes of torture, cruelty & slavery in the Company's Stations

Madness because of Colonization: The novella shows colonization is not only a curse to the colonized people but also a curse to colonizers.

Moral Corruption: Kurtz became the top agent by robbing the locals off their treasure & exporting ivory. He is engaged in corrupt practices of punishing those who oppose him. Marlow sees other agents doing the same.

Human Greed: Colonization is an act of human greed. Marlow says he has seen the devil of greed' which refers to the ivory trade at the expense of the native Africans' freedom and life.
