The Lawman

On the run from her ex-lover...Jilted by a no-show husband...And now mistaken for a whore in the Diamond Back Saloon...Abigail Thornton doesn't think things can get any worse. That is until a single slap to a man's face starts a barroom brawl that lands her in the last place she expected to be. Town Marshal Morgan Avery wants nothing more than to wash away the trail-dust and sleep for a week, preferably with a soft, willing woman by his side. Instead, he gets Abigail Thornton - all one hundred pounds of her thrust at him seconds before a fist connects with his face. Breaking up the fight takes more effort than he wants to admit and when the last man falls he finds Abigail still standing and not looking the least bit contrite. Throwing her into the town jail for the night would salve his wounded pride and then he will let her go. Or that was the plan. When morning comes he finds himself oddly reluctant to do so. Miss Thornton is hiding something and he aims to find out what, even if he has to bed her to do so. But will one night in her bed be enough? The Lawman is a novella of approximately 36,000 words and is Book 1 in the Willow Creek Series. This ebook also contains bonus material: An excerpt of The Outlaw, Willow Creek #2 by Lily Graison. Books in The Willow Creek Romance Series #1 - The Lawman #2 - The Outlaw #3 - The Gambler #4 - The Rancher #5 - His Brother's Wife #6 - A Willow Creek Christmas

A Soft Kiss in Winter

Running away from home to marry the man she thought was the love of her life should have been the happy ending Victoria Stanford expected it to be, but things rarely work out as one plans. When her husband suddenly dies and leaves her stranded in the middle of nowhere, alone and scared, she thinks she's saved when she sees three men headed her way. Relief turns to fear when she realizes they weren't the type of men a single woman should trust. When they chase up the side of a mountain and overtake her, she does the only thing she can. She screams and hopes they kill her quickly. Gideon Hart has spent the last six years roaming the mountain after tragedy changed his life forever. Since then, he's never encountered another living soul other than his brother—until now. The scream he hears echoing through the trees brings back memories he's been trying to forget. When he finds a woman being attacked, he does what he has to in order to ensure her safety. Getting her to town should be his only concern but the trek across the mountain with Victoria causes his world to shift and for feelings

he's denied himself for too long to surface. He doesn't deserve to be loved. With a past like his, no one would love him once they found out what he'd done. Getting Victoria to Silver Falls is the only way to save them both but as the nights grow longer and winter settles in over the mountain, one soft kiss may change both their lives. * * *This story contains smokin' hot love scenes. It is 'not' a sweet romance.*

Willow Creek Showdown

Hawk knew all about death and trouble, and that's why he was a loner. He had a quick smile, a fast gun and a horse that had sense enough to turn its rear to the wind in a storm. He was a smart horse and that was more that he could say for some humans he had met lately. They all seemed to have one thought on their minds and that was attending his funeral and if a popularity poll was taken, it looks like he would have to hire pallbearers. In 1863, Bloody Bill Anderson and his outlaws stopped a westbound train just outside Centralia, Missouri. They stole the strongbox, which contained three thousand dollars, and executed twenty-five Union Soldiers. Hawk remembered his two brothers who were killed that day. As a small boy he tried in vain to comfort his mother who died a few months later of a broken heart. It was that day in the churchyard that he swore on his mother's grave that he would get revenge. Now his time had come and the trail of these killers had lead him to Frank James and Bob Ford and a question he may not live long enough to answer. Why was it that everyone who knew about the agreement between the Ford Brothers and the James Brothers, committed suicide, died mysteriously, or was murdered? Hawk knew he would have to find the answer to that question or die trying.

The Outlaw

Sarah Hartford always dreamed of a grand adventure. She just never expected to find it in the arms of an outlaw. When her father's bank is robbed, Sarah doesn't make the gunslingers' escape easy. Putting her own safety behind those she hopes to protect backfires when she's kidnapped by one of the escaping men. Now her only hope for survival lies with the same arrogant man who laughed at her while staring down the barrel of her gun. Colton Avery spent months planning the perfect heist, every detail fine tuned and executed with precise timing. Nothing could go wrong. That is until he comes face to face with a determined woman holding a shotgun. She aimed at his head and never flinched when she took a shot at him. He wanted her the moment the smoke cleared and he saw her face. Robbing the bank, and handing over the gang of notorious outlaws to US Marshals, would be routine and boring. Sarah Hartford made it anything but. Taming the woman who stole his heart the instant he saw her was a challenge he was more than willing to take on. All he has to do now is escape the gang of outlaws he just double-crossed, hideout from an Indian raiding party and elude the town marshal who just happens to be his little hellion's new fiancé. The Outlaw is approximately 51,000 words and is Book 2 in the Willow Creek Series. The Calling

In a world where the supernatural isn't supposed to exist, one woman comes face to face with the monsters and fights to survive their call. Investigative reporter Rayna Ford is sent to the small community of Wolf's Creek to write an expose on a town supposedly overrun with werewolves. Assuming the inhabitants to be under a mass delusion, she learns quickly that all isn't as it seems. Their plans involve more than a newspaper article and her life hangs in the balance as their motive for luring her to them is revealed. Garrett Kincaid knows a thing or two about werewolves. He is one. After leaving his pack, he's spent the last twelve years pretending to be something he isn't. His closely guarded secret threatens to destroy him when he meets Rayna Ford, the woman his wolf has claimed as his own. When he learns the pack has lured Rayna to them in order to get to him, he races to Wolf's Creek to protect her from the very thing he fears the most. Himself. The power struggle within the pack becomes clear once Garrett reaches his old home and learns of the pack's plans for Rayna. The beast lurking beneath his skin is torn between protecting the woman he wants to call mate and keeping the balance within the pack on neutral ground. When choosing a side no longer matters, he does what he must to save his mate, even if that means making one of the most difficult decisions of his life. When the stakes are high, and lives hang in the balance, can you ignore life as you know it to answer... The Calling.

The Gambler

Emmaline Hunt only had one thing she could call her own. A piece of land that held a secret not even her drunken stepfather knew about. When he gambles it away in a high stakes poker game, Emmaline does the only thing she can. She tries to steal the land deed back. Tristan Avery has seen his share of bloodshed while sitting at a gaming table and knows its time to lay low when he wins a wad of cash and a piece of land. Especially after his opponent ends up dead at his feet. High tailing it out of town is his only option but things take a drastic turn when he finds a woman in his hotel room trying to rob him blind. The botched robbery attempt is only the start of his troubles when Tristan finds his new land occupied by the same girl who tried to rob him. When he realizes he's left her homeless, and killed her stepfather, his conscience forces him to do the right thing. Taking her to his hometown and setting her up with a new life will make up for all he's taken from her. But Emmaline has other plans. She wants her land, and Tristan's money, and she'll do whatever it takes to get them. All she has to do is convince him she's there to stay, outwit him, find a way back home and not let a single soul know she has a gold mine bursting at the seams with untapped wealth. The Gambler is approximately 45,000 words and is Book 3 in the Willow Creek Series. Books in The Willow Creek Romance Series #1 - The Lawman #2 - The Outlaw #3 - The Gambler #4 - The Rancher

This comprehensive film guide lists the screen credits and provides synopses of more than 5,400 silent western features, documentaries, shorts and serials released from the 1890s through 1930. Numerous one-, two- and three-reelers are included in this guide. These westerns came from both the major and lesser known American film studios, many long defunct. The term western is hard to define; someone once commented that a western had to have a horse in it. The genre generally applies to that post-Civil War period beginning with the great cattle drives and ending around 1890. But the author has included tales about early California, Mexico, various Indian tribes along the Eastern seaboard, the building of

the railroad, the gold rush of 1849 and the search for gold in the Yukon. Other films which seem to have less in common with the genre, such as northern westerns, are listed in a separate appendix.

Solitude's Lawman

When Grace Kingston accepts a wedding proposal through a mail-order bride agency and travels across the country to be married, she has no idea her bridegroom is a fourteen-year-old boy. There's no way she can accept his offer but with depleted funds, and winter coming on, Grace has little choice but to stay. Things go from bad to worse when she meets Jesse's older brother, Rafe. The attraction is immediate. He's surly, rude and downright pig-headed but he makes her pulse race with a single glance. Rafe Samuels thought to teach his brother a lesson by making him take responsibility for his rash behavior but one look at Grace and his plans go up in smoke. She isn't the dowdy spinster he imagined and having her live in his house and not be able to have her is the worst kind of torment. But putting her out of his mind is impossible. As fall turns to winter, Grace finds that living with the two brothers isn't as simple a thing as she once thought. Jesse still thinks marriage is in the cards, and Rafe is a devilishly handsome distraction she doesn't need. She can't decide if he hates her or wants to kiss her. And how does she avoid breaking Jess's heart when it becomes clear that the attraction between her and Rafe is mutual?

A Guide to Silent Westerns

When her husband, the town marshal, dies suddenly, 25-year-old Dara Rose Nolan, a seamstress with two young daughters to care for, agrees to a marriage of convenience with the town's new marshal, Clay McKettrick.

In the summer of 1930, two federal prohibition agents were murdered. The first died in a hail of buckshot on a dark street in Aguilar, Colorado. Six weeks later, the second agent and his vehicle disappeared on a sunny afternoon along a New Mexico state highway south of Raton. During their fifty-year search, the authors sought answers to why no one was ever prosecuted for these crimes. This is the first book to correlate the two murders, identify how and why they occurred, and name the parties involved and the roles they played. Drawing from first-hand interviews and National Archives files, this book lifts the shadows along the trail as the light of truth is shown upon this mystery. Two federal agents can now rest in peace.

Includes Part 1, Number 1 & 2: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - December)

Commerce Business Daily

A bookish cozy mystery series debut full of “rekindled friendships, family secrets, a twisty mystery, and a hint of romance” (Victoria Gilbert, author of the Blue Ridge Library mysteries). When a body turns up near Rain Wilmot’s rustic Wisconsin cabin, she must discover the killer—before the book closes on her life. Rain Wilmot has just returned to her family’s waterfront log cabin in Lofty Pines, Wisconsin after the untimely death of her husband. The cabin is peaceful compared to Rain’s corporate job and comes with an informal library that Rain’s mother, Willow, used to run. But as Rain prepares for the re-opening of the library, all hopes for a peaceful life are shattered when she discovers the body of Thornton Hughes, a real estate buyer, on the premises. The community of Lofty Pines starts pointing fingers at Willow, since she has been unusually absent from the library this summer. A fishy rumor surfaces when Rain learns that Willow had been spending a lot of time with Thornton. The town even thought they were having an affair. While theories swirl about Thornton’s death, Rain takes it upon herself to solve the case to exonerate her mother. As more clues surface, Rain will have to piece together the mystery. But if she isn’t careful, she may be the next to end up dead in the water in *Murder at the Lakeside Library*, the first in Holly Danvers’ new Lakeside Library mysteries.

Trail of Shadows

Running from a life she no longer wanted... Widowed with two young children, Keri Hiram is desperate to escape her abusive brother in law, going so far as sneaking away in the dead of night in hopes of finding a better life. She never regrets leaving, not even when they find themselves stranded, starving, and alone. Fate brings them to Willow Creek, Montana, where they’re rescued by an unlikely hero, an ex-confederate soldier who seems more monster than man. Hiding from a past he can’t seem to forget... The war leaves Noah Lloyd scarred and bitter. When the girl he left behind broke his heart, he turned his back on the life he used to know, and sought refuge in a dusty little town that afforded him the solitude he wanted. Finding a woman and her kids hunkered down in an abandoned line shack in the middle of a blizzard is the last thing he needs. They’re ragged, half starved and vulnerable, but he’s determined to leave the trio in the care of the town marshal. Can a future together erase all the pain... But the innocence of a child at Christmas breaks through Noah’s hard exterior and Keri’s tender care allows him to see that life may be worth living. All he has to do is let go of his past and let this unlikely family love him.

A man ruled by his gun meets a woman led by her heart in a dazzling western historical romance from the bestselling author of *Shameless*. When Moss Tucker smells danger, he shoots it. When he needs shelter, he grabs it. And when he wants a woman’s touch, he buys it. But then he sees Amanda Boone’s sparkling azure eyes—an innocent beauty like her would never get involved with a law-breaking man like him. Chestnut-haired Amanda tries to keep her gaze on the vast frontier that flashes past her train

window—but it keeps straying to the buckskin-clad stranger. Every inch of him is virile and strong. She knows it's wrong to even think of his muscular arms crushing her soft curves in a fierce embrace. Yet she vows that before the trip is over he will be the one to tame her savage desire with his wild and lawless love. "Bittner's characters spring to life . . . Extraordinary for the depth of emotion with which they are portrayed." —Publishers Weekly

A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on "Chick Lit" in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.
