Moon Michigan's Upper Peninsula

Born-and-raised Michigander Paul Vachon provides an insider's view of the Upper Peninsula, from the rocky outcrop of Copper Peak in the Superior Upland to the meadows and forests of quiet Drummond Island. Vachon also offers carefully designed itineraries to match the interests of any traveler, such as "Echoes of the Edmund Fitzgerald," "Getaway to Mackinac Island and Beyond," and "Camping Out in the U.P." Complete with details on discovering the tranquility of Tahquamenon Falls, boating at Indian Lake State Park, and enjoying music and dance at the glamorous Calumet Theatre, Moon Michigan's Upper Peninsula gives travelers the tools they need to create a more personal and memorable experience.

Moon Michigan

Discover Michigan with Moon Travel Guides! Moon Michigan reveals the best of the Great Lakes States' charming small towns, vibrant urban hubs, and vast, untouched wilderness. Moon Michigan's Upper Peninsula

Travel writer and Michigan native Josh Bishop provides an insider's view of the Upper Peninsula, from Mackinac Island's horse-drawn carriages and historic Grand Hotel to the dense yet easily accessible Hiawatha National Forest. Josh includes several trip strategies that highlight the region's unique sights, including a Waterfall Tour and a section devoted to winter activities like skiing and snowmobiling. Bishop also structures the book to guide travelers in a loop around the peninsula, making the information more accessible and easy-to-follow. Whether it's exploring the miles of trails on the Keweenaw Peninsula or kayaking in Isle Royale National Park, Moon Michigan's Upper Peninsula provides all the information needed for a more personal and memorable experience.

Moon Michigan's Upper Peninsula

"Consistently rated the best guides to the regions covered...Readable, tasteful, appealingly designed. Strong on dining, lodging, and history."—National Geographic Traveler At the intersection of Lakes Superior, Michigan, and Huron is one of America's best-kept secrets: Michigan's Upper Peninsula. Westervelt's friendly and knowledgeable advice points you to secret waterfalls, breathtaking vistas, excellent trout-fishing, romantic dinner spots, and the best hot pasties in the U.P. Moon Wisconsin's Door County

Did you know . . . ? Michigan is seventeenth in oil production in the United States. The Great Lakes are said to be the only glacially produced structures that can be seen from the moon. Michigan was once part of a coral reef. The wood frog is one of the commonest true frogs of moist woodland floors in Michigan today and is able to freeze solid during the winter without harmful effects. These and many more amazing facts await the curious traveler in *The Michigan Roadside Naturalist*, J. Alan and Margaret B. Holman's captivating guide to the natural treasures of Michigan. A perfect accompaniment to the classic *Michigan Trees* and *The Forests of Michigan*, this user-friendly guide offers a Who's Who of the geology, biology, and archaeology of the Great Lakes State, as well as highway adventures along the state's major routes. The book begins with an educational yet accessible tour of important points in Michigan's natural and archaeological history, followed by seven road trips based on commonly traveled state routes, moving from south to north in the Lower Peninsula and east to west in the Upper Peninsula. Readers can proceed directly to the road trips or familiarize themselves with the state's treasure trove of fascinating features before embarking. Either way, an informative and fun odyssey awaits the passionate naturalist, amateur or otherwise. J. Alan Holman is Curator Emeritus of Vertebrate Paleontology at the Michigan State University Museum and Emeritus Professor of Geology and Zoology at Michigan State University. Margaret B. Holman is Research Associate at Michigan State University Museum and Department of Anthropology, Michigan State University.

The most up-to-date and complete reference source on the Upper Peninsula

Discovering Michigan County by County

From an underground copper mine to a remote mountainside overlook, waterfalls, the Porcupine Mountains, and a host of other sites, this book explores the western side of Michigan's Upper Peninsula. Ralph G. Pifer, who has explored the area for more than forty years, celebrates the beauty of the less explored, less known, and wilder part of the state--a place that was the home of famous residents such as Ernest Hemingway. Ancient mountain ranges, numerous lakes and rivers, museums, ghost towns, endless trails, and miles of Lake Superior's lakeshore make up this part of Michigan that tourists and area residents alike fail to fully appreciate. Once a thriving area with mines and logging, it is today a quiet backwater. Its history stretches back thousands of years, and it remains a place of great beauty, solitude, and wonderful people. Filled with photographs, site descriptions, maps, and helpful suggestions for travelers who want to avoid the beaten path, this book is an essential resource for anyone seeking to know more about this vibrant area.

Michigan's Upper Peninsula

Bring Lake Superior Magazine's 30-years of experience along on your next visit. Discover the best boat and wildlife watching, photographic hot spots, trails, nightlife, restaurants, lodging and magnificent landmarks. See side-trip options, a must-see itinerary and more in this 304-page alphabetical format guide.

Great Lakes and Midwest Catalog

Featuring more than 150 color photos of the U.P.'s most beautiful, historic, and natural locations! I've spent many years exploring the wilderness of Michigan's Upper Peninsula (U.P.), and one thing has become apparent: no matter what part in which you find yourself, fascinating sights are around every corner. There are parks, wilderness areas and museums. There are ghost towns and places named after legends. There are trails to be walked and waterways to be paddled. In the U.P., life is meant to be lived to the fullest. In this book, I've listed 40 destinations from every corner of the U.P. that have places of interest. Some reflect rich history, while others highlight the natural wonders that abound. So, join in the adventures. The Upper Peninsula is an open book--the one that's in your hand. "Without a doubt, Mikel Classen's *Points North* needs to be in every library, gift shop and quality bookstore throughout the country--particularly those located in Michigan's Lower Peninsula. Not only does Classen bring alive the U.P. through his polished words, his masterful use of color photography also makes this book absolutely beautiful. *Points North* will long stand as a tremendous tribute to one of the most remarkable parts of our country." --Michael Carrier, author, *Murder on Sugar Island* "Mikel Classen's love for Michigan's Upper Peninsula shines from every page in *Points North*, a fascinating insider's guidebook to the exceptional beauty and history of Michigan's far north. Whether you're still in the planning stages of your trip, or you're looking back fondly on the memories you created--even if you wish merely to enjoy a virtual tour of the Upper Peninsula's natural wonders from the comfort of your armchair, you need this book." --Karen Dionne, author of the international bestseller, *The Marsh King's Daughter* "Many of the places in *Points North* may sound familiar, but Classen has spent time exploring them all, finding out the wonders others drive by and miss. And some of them may baffle you as much as they did me: the UP has a WWII glider museum? Classen has scoured every inch of the UP, visiting every campground, ghost town, lighthouse, waterfall, and beach that you may have never heard of. This book is full of surprises for even the most knowledgeable visitors to the UP. And if you're like me, you'll find yourself marking up the pages, making notes of places you have to visit next time you're up north." --Steve Lehto, author of *Death's Door: The Truth Behind the Strike of 1913 and the Italian Hall Disaster* and *Michigan's Columbus: The Life of Douglass Houghton* "Until I read this book, I had not realized the large number of hidden treasures that the U.P. has. More than just an interesting history, this book is a descriptive roadmap to these treasures. *Points North* can be used as a guide to an adventure you would never have known about on your own. The pictures and place descriptions here are fantastic! These hidden locations have suddenly become easy to find with this book. I recommend it highly." --Bob Hruska, author of *Humorous Hunting, Fishing, and Camping in the U.P. and Canada* Learn more at www.PointsNorthBooks.com From Modern History Press www.ModernHistoryPress.com

Michigan's Upper Peninsula Almanac

Now in its fifth edition, the *Textbook of Diabetes* has established itself as the modern, well-illustrated, international guide to diabetes. Sensibly organized and easy to navigate, with exceptional illustrations, the *Textbook* hosts an unrivalled blend of clinical and scientific content. Michigan's Western U.P.

'The calendar said April, but April in Paradise is still cold enough to hurt you ' - a terrific Alex McKnight novel from award-winning Steve Hamilton. Alex McKnight is sipping his beer in the Glasgow Inn when Randy Wilkins, a friend from his days in Detroit, turns up out of the blue. Finally he gets to the point. Randy's in love with a girl called Maria and wants to find her. The only problem being that he last saw her thirty years ago. It's a test of friendship to say the least and, at first, Alex can't think of anything worse. But loyalty gets the better of him and together Alex and Randy go back to Detroit where, as a

police officer, Alex got shot. The bullet is still lodged in his chest. Their search for Maria leads them back to the past - a strange country which is unsavoury for Randy and painful for Alex as they hunt for Randy's lost love and Alex's lost life.

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Points North

The Intergovernmental Panel on Climate Change (IPCC) is the leading international body for assessing the science related to climate change. It provides policymakers with regular assessments of the scientific basis of human-induced climate change, its impacts and future risks, and options for adaptation and mitigation. This IPCC Special Report on the Ocean and Cryosphere in a Changing Climate is the most comprehensive and up-to-date assessment of the observed and projected changes to the ocean and cryosphere and their associated impacts and risks, with a focus on resilience, risk management response options, and adaptation measures, considering both their potential and limitations. It brings together knowledge on physical and biogeochemical changes, the interplay with ecosystem changes, and the implications for human communities. It serves policymakers, decision makers, stakeholders, and all interested parties with unbiased, up-to-date, policy-relevant information. This title is also available as Open Access on Cambridge Core.

Air Force Combat Units of World War II

What is the word for 'peace' in Thai or in Arabic? In Hausa or in Maori? And how is it written? The answers to these questions confront us to the specific languages we have learned or will be able to learn - and which help build our own identity - just as much as to those languages we have no access to

Textbook of Diabetes

To this day, no comprehensive academic study of the development of guidebooks to Rome over time has been performed. This book treats the history of guidebooks to Rome from the Middle Ages up to the early twentieth century. It is based on the results of the interdisciplinary research project Topos and Topography, led by Anna Blennow and Stefano Fogelberg Rota. From the case studies performed within the project, it becomes evident that the guidebook as a phenomenon was formed in Rome during the later Middle Ages and early Renaissance. The elements and rhetorical strategies of guidebooks over time have shown to be surprisingly uniform, with three important points of development: a turn towards a more user-friendly structure from the seventeenth century and onward; the so-called 'Baedeker effect' in the mid-nineteenth century; and the introduction of a personalized guiding voice in the first half of the twentieth century. Thus, the 'guidebook tradition' is an unusually consistent literary oeuvre, which also forms a warranty for the authority of every new guidebook. In this respect, the guidebook tradition is intimately associated with the city of Rome, with which it shares a constantly renovating yet eternally fixed nature.

The Hunting Wind

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The Illustrated London News

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Backpacker

Edgar Award Finalist: The true story of a serial killer who terrorized a midwestern town in the era of free love—by the coauthor of *The French Connection*. In 1967, during the time of peace, free love, and hitchhiking, nineteen-year-old Mary Terese Fleszar was last seen alive walking home to her apartment in Ypsilanti, Michigan. One month later, her naked body—stabbed over thirty times and missing both feet and a forearm—was discovered, partially buried, on an abandoned farm. A year later, the body of twenty-year-old Joan Schell was found, similarly violated. Southeastern Michigan was terrorized by something it had never experienced before: a serial killer. Over the next two years, five more bodies were uncovered around Ann Arbor and Ypsilanti, Michigan. All the victims were tortured and mutilated. All were female students. After multiple failed investigations, a chance sighting finally led to a suspect. On the surface, John Norman Collins was an all-American boy—a fraternity member studying elementary education at Eastern Michigan University. But Collins wasn't all that he seemed. His female friends described him as aggressive and short tempered. And in August 1970, Collins, the "Ypsilanti Ripper," was arrested, found guilty, and sentenced to life in prison without chance of parole. Written by the coauthor of *The French Connection*, *The Michigan Murders* delivers a harrowing depiction of the savage murders that tormented a small midwestern town.

The Ocean and Cryosphere in a Changing Climate

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Writing peace

Throughout history, the mysterious dark skies above us have inspired our imaginations in countless ways, influencing our endeavours in science and philosophy, religion, literature and art. *Heavenly Treasures* is a truly beautiful book showing the richness of astronomical theories and illustrations in Western civilization through the ages, exploring their evolution, and comparing ancient and modern throughout. From Greek verse, mediaeval manuscripts and Victorian poetry to spacecraft photographs and computer-generated star charts, the unprecedented wealth of these portrayals is quite breathtaking.

Forthcoming Books

From a Maui native and food blogger comes a gorgeous cookbook of 85 fresh and sunny recipes reflects the major cultures that have influenced local Hawaiʻi food over time: Native Hawaiian, Chinese, Japanese, Portuguese, Korean, Filipino, and Western. IACP AWARD FINALIST • NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY NPR AND LIBRARY JOURNAL In *Aloha Kitchen*, Alana Kysar takes you into the homes, restaurants, and farms of Hawaiʻi, exploring the cultural and agricultural influences that have made dishes like plate lunch and poke crave-worthy culinary sensations with locals and mainlanders alike. Interweaving regional history, local knowledge, and the aloha spirit, Kysar introduces local Hawaiʻi staples like saimin, loco moco, shave ice, and shoyu chicken, tracing their geographic origin and history on the islands. As a Maui native, Kysar's roots inform deep insights on Hawaiʻi's multiethnic culture and food history. In *Aloha Kitchen*, she shares recipes that Hawaiʻi locals have made their own, blending cultural influences to arrive at the rich tradition of local Hawaiʻi cuisine.

With transporting photography, accessible recipes, and engaging writing, Kysar paints an intimate and enlightening portrait of Hawaiʻi and its cultural heritage.

Rome and The Guidebook Tradition

Over 25 years ago, Raymond Williams' *Keywords: A Vocabulary of Culture and Society* set the standard for how we understand and use the language of culture and society. Now, three luminaries in the field of cultural studies have assembled a volume that builds on and updates Williams' classic, reflecting the transformation in culture and society since its publication. *New Keywords: A Revised Vocabulary of Culture and Society* is a state-of-the-art reference for students, teachers and culture vultures everywhere. Assembles a stellar team of internationally renowned and interdisciplinary social thinkers and theorists Showcases 142 signed entries – from art, commodity, and fundamentalism to youth, utopia, the virtual, and the West – that capture the practices, institutions, and debates of contemporary society Builds on and updates Raymond Williams's classic *Keywords: A Vocabulary of Culture and Society*, by reflecting the transformation in culture and society over the last 25 years Includes a bibliographic resource to guide research and cross-referencing The book is supported by a website: www.blackwellpublishing.com/newkeywords.

Los Angeles Magazine

Now in its second edition *Maritime Economics* provides a valuable introduction to the organisation and workings of the global shipping industry. The author outlines the economic theory as well as many of the operational practicalities involved. Extensively revised for the new edition, the book has many clear illustrations and tables. Topics covered include: * an overview of international trade * Maritime Law * economic organisation and principles * financing ships and shipping companies * market research and forecasting.
