[#FMHACA guidelines](#) [#Ethiopia food and drug administration](#) [#Ethiopian health regulations](#) [#medicine safety Ethiopia](#) [#food quality standards Ethiopia](#)

The Federal Democratic Republic of Ethiopia Food, Medicine and Health Care Administration and Control Authority (FMHACA) sets crucial guidelines to safeguard public health. These comprehensive regulations govern the production, distribution, and sale of food, medicines, medical devices, and other healthcare products, ensuring their safety, quality, and efficacy across Ethiopia.

Our thesis collection features original academic works submitted by graduates from around the world.
