Classical Indian Ethical Thought A Philosophical

Delve into the rich traditions of classical Indian ethical thought, exploring the profound philosophical underpinnings that shaped ancient moral frameworks. This area examines diverse schools of Indian philosophy, including concepts like Dharma, Karma, and the pursuit of Moksha, offering insights into human conduct and the nature of virtue within the ancient Indian context.

This collection represents the pinnacle of academic dedication and achievement.

Excerpt & brief history of Jiddhu Krishnamurti
You are the world, learn to observe yourself without judgement

Know yourself

You need discipline to become free, not gurus (Don't let your past baggage cloud your ability to experience the present)

The impact of losing his mother, sister, and brother

Why live in an immoral world and what we can do about it

Fear is the root of all problems, but you can change this reality immediately

The way out of "thought" is not escaping it to monasteries or drugs

What is meditation?

How do you meditate properly & why enjoying a sunset fully will you meditate

How to live in the present moment

Step out of the circle, and end all conflict

Challenge
