A Match Made in Lipa

Childhood friends reconnect as grown-up rivals—and maybe something more—in this witty Filipino romance from Carla de Guzman. What's written in the stars isn't always the whole story... Chocolate maker and shop owner Kira Luz isn't looking for love, but if fate leads her that way, so be it. When she randomly runs into her childhood crush, Santi, on vacation, it feels like the stars are trying to tell her something. Memories of their time growing up in Lipa—not to mention the steamy kiss they share when they reconnect—get her heart pounding. But she has to go back to Lipa while he's headed for Manila, and long distance is kind of an issue. Until he moves back home...and distance becomes the least of their problems. Estranged hotel heir Anton "Santi" Santillan is left adrift when his grandfather abruptly cuts him out of the family business. But he finds his footing again running a small niche hotel back in Lipa. The downside of living in his old hometown: it's no Manila, that's for sure. The upside: seeing Kira again. Kira, who loves food as much as he does. Kira, who loves kissing as much as he does. Kira, whose family owns the property—including her shop—his grandfather wants him to buy out from underneath them. Mixing love and chocolate and family just might get messy. And sometimes messy is exactly what fate had in mind. *The Laneways Book 1: Sweet on You Book 2: A Match Made in Lipa*

The Stars We Steal

'Though we have come a long way this crippling, debilitating, often terminal illness is still shockingly misunderstood. This is my story that you have asked me to tell. Those who suffer from depression will understand and those who don't will hopefully learn how to.' This is the book that Denise Welch wished for as she found herself exhausted and defeated after yet another visit from The Unwelcome Visitor - the name she gives to the episodes of clinical depression she has suffered from over the past 30 years. For so many, understanding their mental health is a leap into the unknown, and they are left grappling with the physical and emotional fallout without any guidance or someone to tell them 'you're not alone and you can live a happy and successful life alongside your illness'. Within these pages Denise reveals her ongoing journey from breakdowns to breakthroughs and through self-destruction to self-acceptance. Typically candid, Denise brings her trademark humour and honesty to a conversation that we urgently need to have, and shows readers it is brave and courageous to be open and vulnerable, and you too can take back control.

The Unwelcome Visitor

"Greeley's storytelling is intricate, masterly, and delightfully imaginative. Highly recommended."—Library Journal (starred review) In this gorgeously written and spellbinding historical novel based on *Pride and Prejudice*, the author of *The Clergyman's Wife* combines the knowing eye of Jane Austen with the eroticism and Gothic intrigue of Sarah Waters to reimagine the life of the mysterious Anne de Bourgh. As a fussy baby, Anne de Bourgh was prescribed laudanum to quiet her, and now the young woman must take the opium-heavy tincture every day. Growing up sheltered and confined, removed from sunshine and fresh air, the pale and overly slender Anne grew up with few companions except her cousins, including Fitzwilliam Darcy. Throughout their childhoods, it was understood that Darcy and Anne would marry and combine their vast estates of Pemberley and Rosings. But Darcy does not love Anne or want her. After her father dies unexpectedly, leaving her his vast fortune, Anne has a moment of clarity: what if her life of fragility and illness isn't truly real? What if she could free herself from the medicine that clouds her sharp mind and leaves her body weak and lethargic? Might there be a better life without the medicine she has been told she cannot live without? In a frenzy of desperation, Anne discards her laudanum and flees to the London home of her cousin, Colonel John Fitzwilliam, who helps her through her painful recovery. Yet once she returns to health, new challenges await. Shy and utterly inexperienced, the wealthy heiress must forge a new identity for herself, learning to navigate a "season" in society and the complexities of love and passion. The once wan, passive Anne gives way to a braver woman with a keen edge—leading to a powerful reckoning with the domineering mother determined to control Anne's fortune . . . and her life. An extraordinary tale of one woman's liberation, *The Heiress* reveals both the darkness and light in Austen's world, with wit, sensuality, and a deeply compassionate understanding of the human heart.

He knows that this is the god-awful chapter of his life that will serve as inspiration for when he's a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him. When Sam and Penny cross paths it's less meet-cute and more a collision of unbearable awkwardness. The result is a compellingly readable memoir by one of the most significant Urdu writers of all time.

A Life in Words

Perfect for fans of Tweet Cute and Instant Karma, this YA romcom is a heartfelt story about a girl who thinks she knows everything about love -- until she relives a day and discovers she had it all

wrong. Sixteen-year-old Maggie Scott is a little dramatic. Both in the over-the-top sense and in the involved-in-every-possible-performing-arts-activity sense. Life is just more fun when you're always putting on a show! But apparently her boyfriend, Theo, disagrees, because he unexpectedly dumps her. She's so distressed she breaks her foot, has to be rescued by the most obnoxious boy in school, Carson, and can no longer star in the school play. Now everything is terrible and Maggie doesn't understand where it all went wrong. So when she gets a mysterious text from an unknown number offering her a chance to relive the day when she and Theo met, Maggie can't help clicking (even though she knows what they say about suspicious links and clicking). Suddenly, she finds herself transported from her worst day ever to her best day ever-but on second review, Maggie realizes there are some details she overlooked. Maybe she was so focused on starring in the Maggie show that she didn't pay enough attention. Maybe Maggie doesn't know the people around her as well as she thought-particularly Carson. And maybe her worst day ever isn't quite as terrible as it seems. In this funny and relatable YA romcom, Michelle I. Mason explores how there's always another way of looking at the situations we find ourselves in . . . and sometimes the people we overlook end up being the best ones of all.
