### Esther, Job and Gideon

This book contains three Bible stories written for young readers. **ESTHER** When a timid, sensitive foreign girl suddenly becomes the queen of the most powerful king in the world, how would she feel? This is the story of Esther, a Jewish exile in the Kingdom of Persia in the Sixth Century B.C. The story has captured the imagination of readers who are attracted to this pretty but humble girl who lived twenty-five centuries ago. The story begins when King Xerxes, ruler of the vast Persian Empire, boasts that his wife, Queen Vashti, is the most beautiful woman in the world. He is taunted to prove it by making her dance nude at one of his drunken parties. She refuses, and he exiles her. Now he must find a new queen. The most important qualification for his new queen is beauty. To find her, he decrees a beauty contest, and all the young girls in the kingdom are forced to enter. The winner is a shy, reluctant foreigner named Esther. She knows what happened to her predecessor, and she is afraid it might happen to her. But Uncle Mordecai, her guardian, insists she obey the decree, because, as he says, Who knows? Maybe you have come to the kingdom for just such a time as this! She wins the beauty contest and becomes queen of Persia. There must be some hidden secret to her beauty that is not disclosed in the Bible or Apocryphal stories. She obviously has some hidden beauty, some vivid enchantment, a vivacious personality, which is far more than mere physical attractiveness. She is evidently a clever girl, because she both pleases her husband and retains her honor. She is constantly surprised at the power of her position, but she does not abuse it, remaining in the background quietly. Then the time comes when Uncle Mordecai's words come true, and she is called on to save her people. How she does that has become one of the best-loved stories in history. In the Bible and the Apocrypha, this story is simply told, and doesn't capture the drama and excitement of what that simple shy girl must have experienced. And yet she has become one of the most popular heroines in history. Every year the Jewish people celebrate her life and tell her story during their holiday known as the Feast of Purim. This is her story. **JOB** The story of Job has been universally recognized as one of the greatest pieces of writing in world literature. It has been included in the Harvard Classics. For centuries, theologians and philosophers have struggled with the questions raised by this book. Questions such as: Why do the righteous suffer? What is the origin of evil? Can mortal man understand the ways of God? Can a

man remain true to God, even if he is not rewarded? And others. Is it possible that a story this profound, this complicated in its theology, which has puzzled the philosophers throughout the history of mankind, can be presented to young readers in a way they can understand? Yes! This novel attempts to do just that. Children and young adults do struggle with these questions. This book, while not giving all the answers, does clarify the questions for young readers. In the story of Job, the Biblical author (or authors) uses a fascinating literary device. He presents the problem in a dialogue between God and Satan, and then in this rather bizarre setting, proceeds to discuss and interpret the philosophic aspects of the story. In this youth-oriented novel, a similar device is used, for much the same purpose. Two children, Dottie and Jimmy, have just learned about the story of Job in Sunday School. Their teacher, Mr. Henderson, presented the story in a clear and memorable way. Dottie and Jimmy, while playing in the snow in Dotties back yard, discusses Jobs dilemma. Dottie, the viewpoint character, struggles to understand the great themes of the book, while Jimmy plays the Devils Advocate. For the significance of the childrens names, see the footnote at

### Harvest of Hope

This novel is written about Esther Graber and her family. No mention was made throughout the book as to where the family actually lived. All of my characters are fictional and in no way do they resemble anyone in the Amish community. With any work of fiction an author must take license to create situations and or circumstances for his or her characters. I have done this throughout this book. It was my sincere intent to write this work of fiction using only my imagination. Then, I combined accurate details whenever possible. Any inaccuracies regarding the Amish culture or beliefs written within the pages of this book were unintentional. These inaccuracies can be attributed to fictional license. Thank you for reading my first book.

### Gideon

Some have gone before us in the christian journey whose stories are written in the Bible. These stories are written not just for history, but also for us; to learn a lesson or two from their lives, to emulate their strength and faith, and to avoid their weaknesses and pitfalls. The lives of our patriarchs in faith serve as a guide to us, their stories let us see how they walked with God, it also helps us to know and understand deeper who God is and how He deals with men. This is in addition to our personal relationship with Him. The exemplary lives of Daniel, David, Job, Jonah, Shedrach, Meshach and Abednego, Deborah, Esther, Gideon (whom we will be studying in this book), and a host of others are worth studying and learning from. While we look up to Jesus Christ and copy His lifestyle, we also learn from the lives of our patriarchs. The story of Gideon is found in the book of Judges Chapters 6,7, and 8. As we look into the person and life of Gideon, I pray that we would pick one or two practical lessons from his life. Takes readers' through the life and times of a great man: Gideon.

### 3 1/2 Years

Esther Amariah always knew she was different. At 6 years old she accepted Christ into her life and so followed a series of painful years in public school with bullying after she was horrifically bitten by a dog the same day her dad was hit by a drunk driver. After learning to accept herself for who she was in Christ, she moved on with her life getting married and having children after moving out of her home state. 12 years of marriage ended up leaving her homeless with two toddlers, moving back in with her parents to start all over with nothing while her husband cheated. Soon after, Esther's father had a widow maker heart attack, leaving the whole family to survive on small child support payments, no jobs, no vehicles...no hope. See how God provided!!

Heads of Families at the First Census of the United States Taken in the Year 1790 ...

This beautifully illustrated multidisciplinary study addresses interpretations of the Genesis creation story in Paradise Lost and other seventeenth-century English poems and in the visual arts from the Middle Ages through the Reformation. It considers poems, visual images, and music concerned with divine and human creativity and interprets these works as salutary examples for the creation of the arts and the preservation of the earth. The central topic is the daily work of body or mind of Adam and Eve in Paradise Lost as primal artists and caretakers of nature before the Fall, developing the arts of language, music, liturgy, and government, discovering the rudiments of a technology harmless to the biosphere, and dressing and keeping a garden that is an epitome of the whole earth. These unfallen arts promote awareness of the complex harmonies of creation and potentially of civilization: an awareness that is not only linear or binary but radiant and multiple; not only monodic but also choral. McColley argues that

northern European visual artists and seventeenth-century English poets reimagined Eden in order to re-Edenize the imagination as a source of ethical and ecological healing. The best-known depictions of Adam and Eve in the visual arts, which focus on the drama of the fall, depart from a widespread but undervalued tradition that more celebratory and regenerative and less susceptible to misogynous interpretation. This tradition includes the neglected topos of original righteousness and contributes to what we would now call ecological awareness. Poets allied to this view foster Edenic consciousness by creating a Paradisal language that weaves form, sound, image, metaphor, concept, and experience as closely as nature weaves life, and so exercises our sense of connections

The objective of "The Sacred Scriptures" by John Biernanski is to revoke all falsifications in today's Bibles known so far (in the Old and New Testament), and to restore the original state of the verses as far as possible. In the present work, you will find "The Acts of the Apostles" to "The Letter of Paul the Apostle to Philemon", in which the verses are written in German and English, as well as an appendix with various elaborations and statements, etc. (see the table of contents). There is both a German and an English edition in which the attachments are available in the respective selected language. This is an English edition. The author was born in 1963 in North Rhine-Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company. In the course of his professional development, he used to be a freelancer but was also officially employed; he has experienced a lot rises and falls throughout his life. While studying the Scriptures, he was led by the Spirit of the only God, the Almighty and the only Holy Father in heaven, whereas, by grace, he could recognize many things that are now presented as heresies to the world. In recent years he has been active in the proclamation of the Word of YAHWEH Elohim (G-d) in Europe, Canada, particularly in Brazil (South America), and has enlightened many people by his message, so that they get to know the true God, His holy name and His will and only obey Him (Exodus 20:2-11; Leviticus chapter 19 and 23 etc.) – and start to think about all this, i. e. "so that they finally decide themselves in favour of the living Elohim (G-d): YAHWEH, instead of against Him, and their names are not erased from the divine 'Book of Life' forever."
