Healing Through Divine Light

In this book, her wondrous photographs are full of light and the sense that the Divine is everywhere. Efy makes the case that the Divine reveals itself in the most unusual of circumstances. She was searching for physical healing, which she received. Yet she was also gifted with an emotional, psychological, and spiritual healing as well. Nature and the spirits in nature were partners in her healing. One cannot help but want to be propelled on such a journey to a transformed life. The author tells us how it happened for her, where she started, and where she ended up. Each person's journey is, of course, unique. But Efy has given us all a gift by revealing how it happened for her.

The Divine Light Invocation

A man describes how he has been visited by angels and other guardian spirits since his childhood and how they helped him heal and bring light back into his life after suffering abuse by two of his Catholic school teachers. Original.

Crystals of Mythos

Growing up on a farm in Kentucky, I know the meaning of a "hard day's work." As the sun was setting, we could hear Mom ringing the dinner bell. With a country meal on the table, Dad began to say the blessings. Believing life was simple, I had no idea of the turmoil ahead of me. After high school, I soon married, and my life changed forever as the beatings began. And within a few years, we had two little girls. I turned to the church for help, but they told me to turn the other cheek. My family could not help me financially. With no one to turn to, I fell into the darkness. So I filed for a divorce. One day, the girls' father took them for a weekend visit but ended up kidnapping them for three years! I prayed every day for my children's safety. Finding my girls was by the grace of God. We suffer with an emotional handicap, but because of our strong faith in God, we all now have wonderful lives. And I hope my book will touch many lives, covering issues such as bullying, human trafficking, women's rights, and spousal abuse to name a few. Writing Edge of the Light has given me a chance to continue to heal. Each chapter is inspired by one of the seven divine powers. The edge is a most divine place to be, it is structured by the hand of God. There you will be comforted and healed. Never lose hope, for the darkness is short-lived, but the Light shines forever. I can now ring my bell of freedom!

Divine Light Meditation

Divine light is a metaphorical representation of spiritual illumination that has the power to dispel our inner darkness—the fear, ignorance, negativity, and suffering that hinder our growth. Just as light illuminates a room, divine light illuminates our consciousness, bringing clarity, understanding, and liberation. Recognizing the presence of darkness within ourselves is the first step toward inviting the divine light. It serves as a guide and catalyst for transformation, offering wisdom, compassion, and love.

In *Let There Be Light: Healing and Transformation through Divine Consciousness*, author and healer Anila Gada presents simple yet profound practices that can help us create a receptive space for the divine light to permeate our being. These include meditation, prayer, self-reflection, gratitude, and the cultivation of positive thoughts. By aligning ourselves with the light, we can embrace its transformative power, gain insight into our true nature, and deepen our connection with the divine—all of which can help us navigate life's challenges with grace and equanimity. This book offers tools to embrace divine light, dispel inner darkness, and journey toward self-discovery, healing, and growth, unveiling our true essence.

Edge of the Light: Healing through my Seven Divine Powers

My message in this book is be flexible when your life is demanding change. Do not resist change, instead welcome it. When you are going with the flow of change, new doors are opening for your spirit to experience it! Though you may not understand at the time when you are going through a change, however, you will realize it in due time; as you see the whole picture, you will appreciate the benefits of the change. Know for sure, the outcome will be positive at least in one area of your life: whether its career, finances, or relationships. Writing this book was the result of the monumental changes I endured from 2007-2010. Despite the challenges and the adversities I went through during this period, riding along and adjusting accordingly was the key to my latest and finest accomplishment. Again, my advice to you is when change knocks on your door, welcome it, and accept the process without resistance. Probably it will be easier for you to understand after you read this book. Here is my experience with change....

Soul Heart Mind Merge

Few American spiritual teachers of recent years have inspired others as lovingly as Ron Roth. After serving the Roman Catholic Church as a priest for twenty-five years, Roth left to pursue a more universal spirituality, teaching the possibility of a one-to-one relationship with Divinity as well as the belief that healing and enlightenment are available to all people. Speaking from the cornerstone teachings that have inspired his ministry, Roth journals his reflections on his personal realizations in *The Sacred Light of Healing*. He reflects on the Holy Spirit, the original teachings of Jesus, and the inner way of the ancient monks known as the Therapeutae. Roth also discusses his late-life journey to India and an awakening to his own work for global peace. As related to and written by Roger Montgomery, this first-person account is Roth's moving true story of how we all can move into a closer relationship of Oneness with God.

Are You a Lightworker? A Lightworker is someone who has a rare gift: the ability to lend their healing energy to a planet that is now heavy with fear and negativity. But Lightworkers aren't necessarily well-known spiritual gurus—they are also musicians and artists, shopkeepers, accountants, stay-at-home moms, and people you pass on the street. They share their gifts in many ways; by speaking out for those who have no voice, creating glorious works of art that uplift our planet, or perhaps writing music that elevates our spirits. But many Lightworkers have forgotten their divine purpose. They live among us, unaware of who they really are. And we can't always recognize them or fully understand their special qualities. But one thing is certain: the Earth is more in need of them than ever before. Here, Sahvanna Arienta—long-time psychic medium and intuitive advisor with clientele from around the globe—shows how to: Discover the true origin of your soul Realize your unique gifts Learn how anxiety, depression, or addiction may actually be signs of a Lightworker's highly sensitive nature Transform your sensitivities into extrasensory perceptions And use these qualities as healing powers Sahvanna Arienta's Lightworker will change the way you view yourself and your life's challenges and to discover your true place in the world.

Energy Healing for Everyone

We , the human beings , are divine energy beings residing in a physical body. We have an in-built system in our energy body which connects us to the One divine source. Due to the deviation from the universal laws/principles that govern life , the consciousness of mankind fell gradually from the golden age of light to the iron age of darkness . This resulted in the spiritual DNA being deactivated and mankind lost his direct connection with the Divine. In the dark ages, the psyche of mankind suffered great damage due to experiencing immense pain and suffering. Now the cycle of human consciousness is on an upward swing , ultimately leading to the golden age of light. It is now possible for every man to re-establish his divine connection with the help of various energy healing techniques which are now widely practiced and can be easily incorporated in our day to day life. These divine healing energies have the ability to repair the damaged energy field/ aura of man and help him to re-create a life for himself which is a

reflection of his dreams. For , reality that is experienced by each man is nothing but a reflection of his thoughts/ emotions.

Path to the Divine Light

During a miraculous moment of healing, Dr. Stainetti experienced divine Light and a heart opening to love. He was gifted with the ability to heal the suffering within "The Human Condition" leading to the path of self-love. The human condition is your life's journey to discover your inner love and your soul's uniqueness. Our consciousness drives and creates our living reality. Our Consciousness is an evolving state of beingness based in two minds seemingly separate from each other. Our heart mind is our love, intuition, joy and creativity. Our physical mind is a living record of emotional wounds since birth. One must know the difference between them. Hurtful emotions of the past drive all suffering in the present. Prayers from the Divine Source

Divinely Touched is a story of personal transformation. It chronicles Mary's spiritual awakening, how she was divinely saved, led, and transformed. From the depths of depression, from battles with physical ailments for which the medical profession had no explanations, from being led into worlds she never knew existed, she survived being taken to the underworld. She was guided and healed by light workers, shamans, and avatars from this world and the spirit dimension and led on a journey of personal, physical, mental, and spiritual healing. Mary's experience, like that of a caterpillar when transformed into a beautiful butterfly, is one that will inspire, enlighten, and transform your life as well. Dr. Dave uses science, research, and "knowledge of the ages" to explain what Mary experienced and open worlds to the reader that they may never have imagined. Divinely Touched: Transform Your Life can, in fact, do just that. "With painstaking detail, Mary describes her descent into darkness and her triumphant return. Like Margaret Starbird, in The Goddess in the Gospels, who also has a spiritual awakening that took her into the realms of psychosis, Mary describes a similar personal descent into darkness before bursting forth into spiritual awareness. Inside you will find a compelling story that may help you or someone you love." —Maureen St. Germain, author of Beyond the Flower of Life & You Are the Genie in the Bottle "The world is waiting for this powerful story of good vs. evil. Mary's story is amazing, compelling,

eye-opening, and courageous. Her faith has carried her through the darkness into the light. She is God's instrument and truly a living expression of divine light flowing forth into the world. Divinely Touched is a must-read, and you won't want to put it down. It will blow your mind!" —Pat Hastings, Author of *Simply a Woman of Faith: How to Live in Spiritual Power and Transform Your Life* "Mary's amazing story will capture your interest and touch your heart. You will be inspired to move forward on your own journey of awakening." —Andrew Oser, author of *How Alternation Can Change Your Life; Finding the Rhythms of Health and Happiness* "Divinely Touched is a wonderful book that documents an impassioned and heartfelt account of the pitfalls and triumphs of personal awakening." —Dr. Michael Sharp, author of *The Great Awakening, The Book of Light, The Book of Love, The Dossier of Ascension*
