Vocabulary For Dummies

Someone just called you captious. Should you be flattered? Considering your extreme lactose intolerance, is it a good idea to order veau au béchamel from a French menu? Calumny is to slander as obloquy is to a) flattery, b) sermon, or c) invective? You've just heard that your new boss is a real martinet, should you be worried or excited about an attractive new addition to your workplace? Your boyfriend says you have no élan, is he telling you you're all out of yogurt? Starting to wish you'd paid more attention in English class? Don't worry, it's never too late to develop a million dollar vocabulary—and Vocabulary For Dummies offers you a fast, fun and easy way to do it. Whether you're facing standardized tests, or you want to feel more knowledgeable at work or more comfortable in social situations, this book is for you. In no time you'll: Dramatically expand your vocabulary Speak with style Write with panache Make a better impression a work or school Dine out with confidence Have the right words for formal occasions and ethnic events Get more out of what you read Vocabulary For Dummies doesn't overwhelm you with endless word lists. Instead, it gives you a complete vocabulary-building program that familiarizes you with words from all areas of life as they're used in context—from bar mitzvahs to business meetings, PCs to politics—with a host of fun features, including: Word tables organized by common features, such as language of origin, professional or social contexts, similarities, and more Sample conversations incorporate new terms and define related ones Before-and-After examples show how to replace old, general terms with new specific vocabulary Pointers reinforce understanding with examples of correct and incorrect usage Chapters on terms from finance, law, medicine, eating and shopping, history and mythology, various languages, and more Vocabulary For Dummies makes it easier than ever for you to get a handle on difficult words and get ahead at school, at work, and in life.

English Words

How do we find the right word for the job? Where does that word come from? Why do we spell it like that? And how do we know what it means? Words are all around us - we use them every day to communicate our joys, fears, hopes, opinions, wishes and demands - but we don't often think about them too deeply. In this highly accessible introduction to English words, the reader will discover what the study of words can tell them about the extraordinary richness and complexity of our daily vocabulary and about the nature of language in general. Assuming no prior knowledge of linguistics, the book covers a wide range of topics, including the structure of words, the meaning of words, how their spelling relates to pronunciation, how new words are manufactured or imported from other languages, and how the meaning of words changes with the passage of time. It also investigates how the mind deals with words by highlighting the amazing intellectual feat performed routinely when the right word is retrieved from the mental dictionary. This revised and expanded second edition brings the study of words right up to date with coverage of text messaging and email and includes new material on psycholinguistics and word meaning. With lively examples from a range of sources - encompassing poetry, jokes, journalism, advertising and clichés - and including practical exercises and a fully comprehensive glossary, English Words is an entertaining introduction to the study of words and will be of interest to anyone who uses them.

Greek Vocabulary for English Speakers - 9000 Words

T&P BOOKS VOCABULARIES are intended to help you learn, memorize, and review foreign words. The dictionary contains over 9000 commonly used words. Or build your own phrasebook of words and phrases you really want to know when on holiday or living and studying in English speaking countries. Ideal gift for someone studying English or going to the UK, Ireland, USA, Canada, Australia, New Zealand or any other English speaking countries. Glossy cover with 122 pages, this notebook fits easily into a bag

A Word a Day

A Word a Day contains 365 carefully selected words that will enhance and expand your vocabulary, along with their meanings, origins and sample usage and fascinating word-related facts and trivia. It is estimated that on average an English-speaking adult has acquired a functioning vocabulary of 25,000 words by the time they reach middle age. That sounds like a lot-- and more than enough for the daily purposes of communicating with each other in speech and writing. However, it is hard to feel quite so sanguine about our word power when considering those 25,000 words account for less than fifteen per cent of the total words in current usage in the English language. Furthermore, new words are created all the time and, as the word pool flourishes, can we afford to allow our vocabulary to stagnate? Logophile Joseph Piercy has the answer: a simple challenge to learn A Word a Day from this user-friendly onomasticon (that's a word list designed for a specific purpose--in case you were wondering ...). Each of the 365 words have been carefully selected for their elegance and pertinence in everyday situations and every entry contains a clear and concise outline of meaning, origin and sample usage in context, alongside fascinating word related facts and trivia. A Word a Day is a treasure trove of fascination and fun for all language lovers--delve in and enhance your vocabulary.
