### International English Coursebook 3

A brand new coursebook, complete with audio CD, in a three-level lower secondary ESL programme designed to boost students' abilities and confidence in English. Each unit is divided into sections dealing with different aspects of language and skills development, including grammar, language, vocabulary, study and research skills, etc., The audio CD includes all the texts read aloud by native speakers. Attractively illustrated and presented and thoroughly researched, this resource will give a perfect grounding in ESL for those requiring either a stand-alone course or preparation for the IGCSE or an equivalent qualification.

### The English Connection Coursebook 3

The English Connection, an integrated skills course, highlights the holistic approach to language teaching and learning. The underlying principles of language learning advocated by the CBSE, i.e., learner autonomy, reflective thinking, creativity, and interactive learning, have been incorporated in the pedagogy that is embedded in the course content of the series.

### International English Workbook 3

A brand new workbook to accompany the coursebook and audio CD, in a three-level lower secondary ESL programme designed to boost students' abilities and confidence in English. Each unit is divided into sections dealing with different aspects of language and skills development, including grammar, language, vocabulary, study and research skills, etc. Attractively illustrated and presented and thoroughly researched, this resource will give a perfect grounding in ESL for those requiring either a stand-alone course or preparation for the IGCSE or an equivalent qualification.

### Nelson English International Student Book 3

Nelson English International teaches the skills and craft of quality writing, catering for the 6-12 year age range, and provides a six year programme of study. It is easily managed in the classroom, with three components at each level: a student's textbook; a student's workbook and a Teacher Resource Book. The Student Textbook gives a thorough coverage of the key skills of Grammar, Spelling, Punctuation, Comprehension and Vocabulary Building. The units are designed to build pupils' knowledge of these language skills and apply them in their written tasks, with the aim of writing effectively for a wide range of purposes. Planning, drafting, revising and editing copy are all covered in developing these writing skills. Students are also taught to understand the characteristics of different styles and forms of writing.
