Cape Cod Stories

In 'Cape Cod Stories,' Joseph Crosby Lincoln presents a vivid tapestry of coastal life through an engaging collection of narratives set on the windswept dunes of Cape Cod. His literary style is imbued with a blend of wit and charm that captures the essence of New England's vernacular and landscape. Each story is carefully crafted to reflect the enduring qualities and peculiarities of Cape Cod's society in the early 20th century. Within this anthology, Lincoln expertly weaves themes of community, resilience, and the quintessential human spirit through the lives of his richly drawn characters. In the context of American regional literature, this work stands out for its authenticity and its dedication to preserving the nuances of a distinct cultural setting. Joseph Crosby Lincoln (1870-1944) was an American author of novels, poems, and short stories, mainly focusing on themes of coastal and rural New England. His upbringing on Cape Cod profoundly influenced his literary work, as evidenced by his recurring choice of setting and character types that typify the region. Lincoln was known for his ability to portray the idiosyncrasies of small-town life, often injecting his work with local dialects and folklore. His storytelling was not merely for entertainment but served as a careful preservation of the Cape's historical and cultural identity during a time of great change in American history. 'Cape Cod Stories' is wholeheartedly recommended to those who appreciate the art of short story writing, as well as readers who find joy in the exploration of regional culture and history. Lincoln's collection provides a charming yet insightful glimpse into Cape Cod life, resonant not only to those familiar with New England but captivating to anyone who values masterful storytelling that transcends place and time. This compilation by DigiCat Publishing constructs a bridge from the past to the present, offering modern readers a chance to indulge in the enduring legacy of a storied locale through the eyes of one of its most cherished chroniclers.

Cape Cod Stories

"Cape Cod Stories" by Joseph Crosby Lincoln is a quaint short story collection. Written in authentic dialect, you'll be able to learn about Cape Cod before it became the high-class haven that it is today. The stories in this particular book are told from the point of view of Barzilla Wingate and his old friend, Cap'n Jonadab Wixon. Most center around the old hotel they run and the tourists who stay there.

Cape Cod Stories

From the drifting sand dunes and quaint shops of Provincetown to Nantucket's whitewashed verandas and craggy beaches, Cape Cod Stories evokes all the rustic beauty and history of this picturesque area in the words of America's best writers. With a striking new cover, this popular anthology is the next best thing to a summer on the Cape.

Cape Cod and All Along Shore

Joseph Crosby Lincoln (February 13, 1870 - March 10, 1944) was an American author of novels, poems, and short stories, many set in a fictionalized Cape Cod. Lincoln's work frequently appeared in popular magazines such as the Saturday Evening Post and The Delineator. Lincoln was aware of contemporary naturalist writers, such as Frank Norris and Theodore Dreiser, who used American literature to plumb the depths of human nature, but he rejected this literary exercise. Lincoln claimed that he was satisfied "spinning yarns" that made readers feel good about themselves and their neighbors. Two of his stories have been adapted to film. Lincoln was born in Brewster, Massachusetts, on Cape Cod, and his mother moved the family to Chelsea, Massachusetts, a manufacturing city outside Boston, after the death of his father. Lincoln's literary career celebrating "old Cape Cod" can partly be seen as an attempt to return to an Eden from which he had been driven by family tragedy. His literary portrayal of Cape Cod can also be understood as a pre-modern haven occupied by individuals of old Yankee stock which was offered to readers as an antidote to an America that was undergoing rapid modernization, urbanization, immigration, and industrialization. Lincoln was a Republican and a Universalist. Upon becoming successful, Lincoln spent his winters in northern New Jersey, near the center of the publishing world in Manhattan, but summered in Chatham, Massachusetts. In Chatham, he lived in a shingle-style house named "Crosstrees" that was located on a bluff overlooking the Atlantic Ocean. Lincoln died in 1944, at the age of 73, in Winter Park, Florida.

Cape Cod Stories

From the drifting sand dunes and quaint shops of Provincetown to Nantucket's white-washed verandas and craggy beaches, this collection of stories captures all of the rustic beauty and history of this picturesque area in the words of Kurt Vonnegut, Sylvia Plath, John Cheever, Herman Melville, and other American writers.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Cape Cod Stories

Joseph C. Lincoln's stories echo back to a time of whaling, fishing, snowy Cape Cod Christmas', friends, warm summer days on the beach, sailing, and working the cranberry bogs. It is quintessential Americana, with a twist of adventure, drama, and sometimes mystery wrapped up in a flavorful, Jimmy Buffet-esque atmosphere of life on old Cape Cod.

Cape Cod Stories

Cape Cod Stories: Or "The Old Home House". Formerly Published Under The Title Of "The Old Home House". This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

Cape Cod Stories

This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Cape Cod and All Along Shore; Stories

Excerpt from Cape Cod and All Along Shore Stories: Stories The stories collected in this volume have been printed at different times in Harper's Magazine, except one which appeared in the Atlantic Monthly. Collections of stories like this, I have noticed, are commonly published at the earnest solicitation of friends, or to gratify the desires of an amiable but indiscriminating public. To prevent misunderstanding in the present case, it is perhaps well to say that the public is guiltless in respect to this volume, and that no fond friend has ever expressed even a willingness to have my stories assume this more enduring form - except the publishers, who, it will be readily believed, have no especial desire to see the book permanently on their shelves. I have noticed that it is customary with writers, when they collect their shorter tales, to set them into one general story, which serves as a frame-work to the smallpieces, and furnishes a name for the volume, such as the Queen of Hearts of Mr. Wilkie Collins, and Miss Edwards's Miss Carew. In this way a story writer gives his collection the appearance, at first sight, of what is called a novel. It naturally occurred to me to follow this fashion, which has the advantage of deceiving purchasers, who buy what they imagine from the title and chapter heads to be a novel, and do not discover, until they get home, that what they took to be a fat chicken is only a small basket full of stale eggs. But I refrained, for two reasons: 1st., I think it wrong to practice such a cheat upon an unoffending and confiding public; and, 2dly., I tried in vain to invent a tale which should serve me as such a frame-work; and had at last to give it up, for lack of ingenuity. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Cape Cod

NEW YORK TIMES BESTSELLER "Engrossing...entertaining...the perfect book to take to the beach."
- Boston Herald Two families, both carried by the Mayflower across stormy seas... both destined to generations of proud leadership, shameful intrigue, and passion for the sandy crest of land that became their heritage... This is the story of the Bigelow and Hilyard clans, from their first years on America's shores, through the fury of her wars and the glory of her triumphs, to our own time when young Geoff Hilyard must fight to save both his marriage to a Bigelow heir and the windswept coast he loves. It is a struggle that will take him deep into the past, to a centuries-old feud that never died..And on a dangerous quest for a priceless relic of American history that has lain hidden in the Cape for over two hundred years.

Reflections of Cape Cod

Several generations of one family have lived, loved, and lied at Whimsy Towers, a unique oceanfront house in Chatham, Massachusetts. Strong women who refuse to be suffocated by marriage have found excitement and refuge in this house filled with artists and parties. Love surfaces in unexpected ways. The newest owner, Theresa Alston Crandall, has just inherited the property and leaves her too-predictable husband in Virginia to spend time on the Cape and unravel family secrets and history. She swims, reflects, explores, and watches dramatic cloud formations float high over the ocean as she sorts through the choices in her path forward. Romance arrives in the form of a young widower and landscape gardener with an awesome pickup truck, who likes Theresa's dog and provides temptation to stay at Whimsy Towers. Tips of tree branches dance with the weight of birds that seem to scream warnings of danger, and the churning ocean disrupts family continuity. Theresa learns how her Southern grandmother came to buy a storm-weathered New England house and how loveless marriage is not a mandatory life style. The final decision feels just right.

CAPE COD & ALL ALONG SHORE STO

Discover the fascinating and nearly forgotten history amid Cape Cod's salty waves and sandy beaches—photos included. From Provincetown to Falmouth, the Cape's fifteen towns offer a plethora of hidden and enchanting tales. Learn why one of the most famous rescues in Coast Guard history spent nearly fifty years in the shadows without public notice. Discover which wild creature went from the nineteenth-century soup pot to enjoying conservation protection under state law. Historian Theresa Mitchell Barbo explores these mysteries and more, from the lost diary of a nineteenth-century schoolteacher to the reason Cape Codders call their lunch “the noontime dinner.” Join the author as she lifts the lid on the quirky and remarkable character of Cape Cod and its colorful past.

Cap'n Abe, Storekeeper

This fun combination of original fable and factual information introduces young readers to the state of Massachusetts through an entertaining and educational story based on the state symbols, history and geography. Take a trip through Massachusetts as Buster, the Boston terrier searches for his family on their way to Cape Cod. Along the way Buster meets new friends and learns about the animals, plants, geography, and culture that make Massachusetts a great state! In addition to the illustrated story, interesting and informative factual sidebars & photos about the state are found throughout the book. A treasure-hunt map plots the journey and a cultural recipe is also included. This book ends with state facts at a glance, a reading comprehension quiz, and more things to see and do around Massachusetts with a map showing the locations. This title is a great way to explore Massachusetts in preparation for state reports or family vacations! Super SandCastle is an imprint of ABDO Publishing Company.

The Story of Cape Cod

The glittering, exalted world of art auctioning hides love, hate, and parricidal murder in a wealthy and socially prominent family when forgery of an anonymous Cape Cod painting is used to steal a world-famous portrait that's worth a fortune.

Cape Cod Stories

From the wreck of the Sparrow-Hawk in 1626 to the grounding of the Eldia in 1984, Cape Cod's outer beach--often referred to as the "Graveyard of Ships"--saw the demise of more than three thousand vessels along forty miles of shifting shoals. The October Gale of 1841 claimed the lives of fifty-seven sailors from Truro, a devastating toll for a small seaside community. Survivors from the 1896 wreck of the Monte Tabor in Provincetown were arrested for a suspected mutiny. Aboard the Castagna, which stranded off Wellfleet in 1914, several sailors froze to death in the masts, while the crew's cat survived. Local author Don Wilding revisits these and many other maritime disasters, along with the heroic, and sometimes tragic, rescue efforts of the U.S. Life-Saving Service and Coast Guard.

Cape Cod Stories

Joseph C. Lincoln's stories echo back to a time of whaling, fishing, snowy Cape Cod Christmas', friends, warm summer days on the beach, sailing, and working the cranberry bogs. It is quintessential Americana, with a twist of adventure, drama, and sometimes mystery wrapped up in a flavorful, Jimmy Buffet-esque atmosphere of life on old Cape Cod.

Cape Cod Stories

Cape Cod Stories: Or "The Old Home House". Formerly Published Under The Title Of "The Old Home House". This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity

and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

Cape Cod Stories: Formerly Published Under the Title of the Old Home House

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Cape Cod Stories

This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Cape Cod and All Along Shore; Stories

Excerpt from Cape Cod and All Along Shore Stories: Stories The stories collected in this volume have been printed at different times in Harper's Magazine, except one which appeared in the Atlantic Monthly. Collections of stories like this, I have noticed, are commonly published at the earnest solicitation of friends, or to gratify the desires of an amiable but indiscriminating public. To prevent misunderstanding in the present case, it is perhaps well to say that the public is guiltless in respect to this volume, and that no fond friend has ever expressed even a willingness to have my stories assume this more enduring form - except the publishers, who, it will be readily believed, have no especial desire to see the book permanently on their shelves. I have noticed that it is customary with writers, when they collect their shorter tales, to set them into one general story, which serves as a frame-work to the small pieces, and furnishes a name for the volume, such as the Queen of Hearts of Mr. Wilkie Collins, and Miss Edwards's Miss Carew. In this way a story writer gives his collection the appearance, at first sight, of what is called a novel. It naturally occurred to me to follow this fashion, which has the advantage of deceiving purchasers, who buy what they imagine from the title and chapter heads to be a novel, and do not discover, until they get home, that what they took to be a fat chicken is only a small basket full of stale eggs. But I refrained, for two reasons: 1st., I think it wrong to practice such a cheat upon an unoffending and confiding public; and, 2dly., I tried in vain to invent a tale which should serve me as such a frame-work; and had at last to give it up, for lack of ingenuity. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Cape Cod Stories

Cape Cod Stories: Large Print Joseph Crosby Lincoln And it was still as could be for a minute, and then two or three of the girls begun to squeal and giggle behind their handkerchiefs. Jonadab and me went away, too. We didn't flounce any to speak of. I guess a "sneak" would come nearer to telling how we quit. I see the cap'n heading for the stairs and I fell into his wake. Nobody said good-night, and we didn't wait to give 'em a chance. 'Course we knew we'd put our foot in it somewheres, but we didn't see just how. Even then we wa'n't really onto Phil's game. You see, when a green city chap comes to the Old Home House--and the land knows there's freaks enough do come--we always try to make things pleasant for him, and the last thing we'd think of was making him a show afore folks. So we couldn't b'lieve even now 'twas done a-purpose. But we was suspicious, a little. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The

aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Cape Cod Stories Or the Old Home House

Joseph Crosby Lincoln (February 13, 1870 - March 10, 1944) was an American author of novels, poems, and short stories, many set in a fictionalized Cape Cod. Lincoln's work frequently appeared in popular magazines such as the Saturday Evening Post and The Delineator. Lincoln was aware of contemporary naturalist writers, such as Frank Norris and Theodore Dreiser, who used American literature to plumb the depths of human nature, but he rejected this literary exercise. Lincoln claimed that he was satisfied "spinning yarns" that made readers feel good about themselves and their neighbors. Two of his stories have been adapted to film. Lincoln was born in Brewster, Massachusetts, on Cape Cod, and his mother moved the family to Chelsea, Massachusetts, a manufacturing city outside Boston, after the death of his father. Lincoln's literary career celebrating "old Cape Cod" can partly be seen as an attempt to return to an Eden from which he had been driven by family tragedy. His literary portrayal of Cape Cod can also be understood as a pre-modern haven occupied by individuals of old Yankee stock which was offered to readers as an antidote to an America that was undergoing rapid modernization, urbanization, immigration, and industrialization. Lincoln was a Republican and a Universalist. Upon becoming successful, Lincoln spent his winters in northern New Jersey, near the center of the publishing world in Manhattan, but summered in Chatham, Massachusetts. In Chatham, he lived in a shingle-style house named "Crosstrees" that was located on a bluff overlooking the Atlantic Ocean. Lincoln died in 1944, at the age of 73, in Winter Park, Florida.

Cape Cod and All Along Shore Stories

Originally brought to America's shores by the Mayflower, two families unearth their family skeletons--which have lain buried in Cape history for more than 200 years.

Cape Cod Stories

This book is an anecdotal history of Cape Cod and its residents from colonial times to the present. For the curious as well as the student of Cape Cod history, Reflections of Cape Cod's interesting facts and anecdotes are entertaining and educational. From cranberries to cemeteries, from economics to elixirs, Reflections of Cape Cod is an historical "off the beaten path" journey.

Cape Cod

NEW YORK TIMES BESTSELLER "Engrossing...entertaining...the perfect book to take to the beach."
- Boston Herald Two families, both carried by the Mayflower across stormy seas... both destined to generations of proud leadership, shameful intrigue, and passion for the sandy crest of land that became their heritage... This is the story of the Bigelow and Hilyard clans, from their first years on America's shores, through the fury of her wars and the glory of her triumphs, to our own time when young Geoff Hilyard must fight to save both his marriage to a Bigelow heir and the windswept coast he loves. It is a struggle that will take him deep into the past, to a centuries-old feud that never died..And on a dangerous quest for a priceless relic of American history that has lain hidden in the Cape for over two hundred years.

Reflections of Cape Cod

Several generations of one family have lived, loved, and lied at Whimsy Towers, a unique oceanfront house in Chatham, Massachusetts. Strong women who refuse to be suffocated by marriage have found excitement and refuge in this house filled with artists and parties. Love surfaces in unexpected ways. The newest owner, Theresa Alston Crandall, has just inherited the property and leaves her too-predictable husband in Virginia to spend time on the Cape and unravel family secrets and history. She swims, reflects, explores, and watches dramatic cloud formations float high over the ocean as she sorts through the choices in her path forward. Romance arrives in the form of a young widower and landscape gardener with an awesome pickup truck, who likes Theresa's dog and provides temptation to stay at Whimsy Towers. Tips of tree branches dance with the weight of birds that seem to scream warnings of danger, and the churning ocean disrupts family continuity. Theresa learns how her Southern grandmother came to buy a storm-weathered New England house and how loveless marriage is not a mandatory life style. The final decision feels just right.

CAPE COD & ALL ALONG SHORE STO

Discover the fascinating and nearly forgotten history amid Cape Cod's salty waves and sandy beaches—photos included. From Provincetown to Falmouth, the Cape's fifteen towns offer a plethora of hidden and enchanting tales. Learn why one of the most famous rescues in Coast Guard history spent nearly fifty years in the shadows without public notice. Discover which wild creature went from the nineteenth-century soup pot to enjoying conservation protection under state law. Historian Theresa Mitchell Barbo explores these mysteries and more, from the lost diary of a nineteenth-century schoolteacher to the reason Cape Codders call their lunch “the noontime dinner.” Join the author as she lifts the lid on the quirky and remarkable character of Cape Cod and its colorful past.

Cap'n Abe, Storekeeper

This fun combination of original fable and factual information introduces young readers to the state of Massachusetts through an entertaining and educational story based on the state symbols, history and geography. Take a trip through Massachusetts as Buster, the Boston terrier searches for his family on their way to Cape Cod. Along the way Buster meets new friends and learns about the animals, plants, geography, and culture that make Massachusetts a great state! In addition to the illustrated story, interesting and informative factual sidebars & photos about the state are found throughout the book. A treasure-hunt map plots the journey and a cultural recipe is also included. This book ends with state facts at a glance, a reading comprehension quiz, and more things to see and do around Massachusetts with a map showing the locations. This title is a great way to explore Massachusetts in preparation for state reports or family vacations! Super SandCastle is an imprint of ABDO Publishing Company.

The Story of Cape Cod

The glittering, exalted world of art auctioning hides love, hate, and parricidal murder in a wealthy and socially prominent family when forgery of an anonymous Cape Cod painting is used to steal a world-famous portrait that's worth a fortune.

Cape Cod Stories

From the wreck of the Sparrow-Hawk in 1626 to the grounding of the Eldia in 1984, Cape Cod's outer beach--often referred to as the "Graveyard of Ships"--saw the demise of more than three thousand vessels along forty miles of shifting shoals. The October Gale of 1841 claimed the lives of fifty-seven sailors from Truro, a devastating toll for a small seaside community. Survivors from the 1896 wreck of the Monte Tabor in Provincetown were arrested for a suspected mutiny. Aboard the Castagna, which

stranded off Wellfleet in 1914, several sailors froze to death in the masts, while the crew's cat survived. Local author Don Wilding revisits these and many other maritime disasters, along with the heroic, and sometimes tragic, rescue efforts of the U.S. Life-Saving Service and Coast Guard.
