The Painted Man (The Demon Cycle, Book 1)

A stunning special edition of Peter V. Brett's thrilling debut THE PAINTED MAN, the modern fantasy classic that began The Demon Cycle, featuring over 30 illustrations by acclaimed fantasy artist Dominik Broniek.

The Demon Cycle Series Books 1 and 2: The Painted Man, The Desert Spear

Books one and two of the impressive debut fantasy series The Demon Cycle by Sunday Times bestselling author Peter V. Brett. This bundle includes The Painted Man and The Desert Spear.

The Desert Spear

Continuing the impressive debut fantasy series from author Peter V. Brett, The Desert Spear is book two of the Demon trilogy, pulling the reader into a world of demons, darkness and heroes.

The Skull Throne (The Demon Cycle, Book 4)

In the grand tradition of George R.R. Martin and Robert Jordan, Sunday Times bestselling author Peter V. Brett continues his critically acclaimed Demon Cycle with the next dramatic instalment: THE SKULL THRONE.

The Demon Cycle Books 1-3 and Novellas: The Painted Man, The Desert Spear, The Daylight War plus The Great Bazaar and Brayan's Gold and Messenger's Legacy

A collection of the first three books of the impressive debut fantasy series The Demon Cycle, and two novellas set in the same world, all from the imagination of Sunday Times bestselling author Peter V. Brett.

The Daylight War

Civil war ravages the north and south, battles fought between those who should be working together. It is up to Arlen and Jardir to put aside their differences and bring their people to terms if they are to have any chance of saving their civilisation from demon-rule.

The Desert Prince

Peter V. Brett, Sunday Times bestselling author of *The Demon Cycle*, begins a brand new epic fantasy adventure set in his beloved world, following a new generation of heroes.

The Great Bazaar & Brayan's Gold

Follows mercenary explorer Arlen as he learns to navigate a world where the elemental forces of evil conjure themselves from the earth each night.

Barren (Novella)

A new *Demon Cycle* novella from internationally bestselling author Peter V. Brett

The Painted Veil

Garstin, a pretty upper-middle class debutante, squanders her early youth amusing herself by living a social high life, during which her domineering mother attempts to arrange a "brilliant match" for her.

Painted Men in Britain, 1868-1918

An original and overdue exploration of the representation of masculinity in British academic art in the late nineteenth and early twentieth centuries, *Painted Men in Britain, 1868-1918* analyzes transgressions of gender and sexuality as represented in paintings by Leighton, Sargent, Tuke, and their contemporaries in the Royal Academy. This volume treats paintings as eloquent objects, no narratives of which are too elusive to be traced, and challenges conventional binaries of masculine versus feminine or heterosexual versus homosexual. Consulting not only the paintings themselves but also newspapers, journals, criticism, novels, and poetry of the day, *Painted Men* argues against the misconception of British academic art as merely reactionary and even blind to the dynamism of its own time. Instead, this art is shown to engage with broader social attitudes and contemporary sexual debates. As the book reveals the complexities of specific paintings, it illuminates different and competing attitudes toward masculinity and modernity in British art of the period.

Arm of the Sphinx

'Josiah Bancroft is a magician. His books are that rare alchemy: gracefully written, deliriously imaginative, action-packed, warm, witty and thought-provoking' Madeline Miller, author of *Circe* 'Like its predecessor, it is a brilliant piece of work . . . these two books are genius. I just love them. The story, characters and imagination shine' Mark Lawrence 'Forced by necessity into a life of piracy, Senlin and his eclectic crew struggle to survive aboard their stolen airship as the hunt for his lost wife continues. But the Tower of Babel is proving to be as difficult to re-enter as it was to escape. Hopeless and desolate, they turn to a legend of the tower, the mysterious Sphinx. But help from the sphinx doesn't come cheaply and, as Senlin knows, debts aren't always what they seem in the Tower of Babel. Praise for the series: 'Brilliant' - Publishers Weekly 'I loved it' - Django Wexler 'An engrossing intoxicating delight' - Forbidden Planet 'An extraordinary debut that is well worthy of the hype. A beautifully written, highly engaging page-turning masterpiece' - Fantasy Book Review 'Thomas Senlin is the most unlikely yet likeable hero since a certain hobbit rushed out of Bag End leaving his second breakfast half-finished and entirely unwashed-up' - Fantasy Faction

Messenger's Legacy

A thrilling novella set in the world of *The Demon Cycle* from bestselling fantasy author Peter V. Brett.

The Illustrated Man

Eighteen science fiction stories deal with love, madness, and death on Mars, Venus, and in space.

Toilet-bound Hanako-kun, Vol. 0

The origin of Aidalro's masterpiece! Toilet-bound Hanako-kun was originally published as a self-contained short series, and you can read those three chapters here along with Aidalro's debut work, "My Dear Living Dead." If you want to see Nene try to curse her ex to death, Kou fall off a roof (more than once), or Hanako-kun butt heads with a new group of School Mysteries, come and see where it all began!

The Demon Cycle Complete Collection: All five novels and three novellas in the bestselling epic fantasy series

A captivating and thrilling adventure, pulling the reader into a world of demons, darkness, and heroes, The Demon Cycle is one of the 21st century's most acclaimed fantasy series.

Tomorrow, the Killing

Dark, violent, and shot through with corruption, TOMORROW, THE KILLING is a fantastic successor to THE STRAIGHT RAZOR CURE, one of the most heralded fantasy debuts of recent times. Once he was a hero of the Great War, and then a member of the dreaded Black House. Now he is the criminal linchpin of Low Town. His name is Warden. He thought he had left the war behind him, but a summons from up above brings the past sharply, uncomfortably, back into focus. General Montgomery's daughter is missing somewhere in Low Town, searching for clues about her brother's murder. The general wants her found, before the stinking streets can lay claim to her, too. TOMORROW, THE KILLING was chosen as one of the best novels of 2012 by Forbidden Planet, Fantasy Faction, The Founding Fields and A Fantastical Librarian.

The Man Who Laughs

Moving away from the explicitly political content of his previous novels, Victor Hugo turns to social commentary in The Man Who Laughs, an 1869 work that was made into a popular film in the 1920s. The plot deals with a band of miscreants who deliberately deform children to make them more effective beggars, as well as the long-lasting emotional and social damage that this abhorrent practice inflicts upon its victims.

The Demon Cycle 5-Book Bundle

One of the most exciting new sagas in epic fantasy, The Demon Cycle became a phenomenon with readers and launched the brilliant career of New York Times bestselling author Peter V. Brett. Now start from the beginning with all five novels in one convenient ebook bundle: THE WARDED MAN THE DESERT SPEAR THE DAYLIGHT WAR THE SKULL THRONE THE CORE As darkness falls after sunset, the corelings rise—demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile. It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault. Now, with hope for the future fading, three young survivors of vicious demon attacks will do the unthinkable, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Arlen Bales will pay any price, embrace any sacrifice, for freedom, and his grim journey will take him beyond the bounds of human power. Crippled by the demons that killed his parents, Rojer Inn seeks solace in music, only to discover that his instrument can be a weapon as well as a refuge. Wanting to cure the sick and injured, Leesha Paper overcomes great hardship to become a guardian of old world science, learning that what heals can also harm. Together, they will stand against the night. "Inspired, compelling, [The Demon Cycle is] the most significant and cinematic fantasy epic since The Lord of the Rings."—Paul W. S. Anderson, director of Alien vs. Predator

Bruce Minney: the Man Who Painted Everything

In the days of Mad Men, men's adventure magazines thrived. With titles like Stag, Male, For Men Only, and Man's Illustrated their crazy covers and even crazier stories were distinctly American. Bruce Minney spent 20 years working as an illustrator for men's adventure magazines painting beautiful women, gorillas, lions, tigers, bears, elephants, alligators, headhunters, Nazis, airplanes, aircraft carriers, tanks, guns, and lots of explosions but hardly anyone knows who he is. He worked another 20 years painting

covers for all kinds of paperbacks including western (The Lone Ranger), historical romance, action, military (Hornblower), biography, and Gothic horror. He truly was the man who painted everything. With over 380 illustrations, this book provides an overview of Bruce's career.

The Demon Cycle (1) - The Painted Man

The stunning debut fantasy novel from author Peter V. Brett. The Painted Man, book one of the Demon Cycle, is a captivating and thrilling fantasy adventure, pulling the reader into a world of demons, darkness and heroes. Voted one of the top ten fantasy novels of 2008 by amazon.co.uk.

The Warded Man - Limited Edition

Mariam is only fifteen when she is sent to Kabul to marry Rasheed. Nearly two decades later, a friendship grows between Mariam and a local teenager, Laila, as strong as the ties between mother and daughter. When the Taliban take over, life becomes a desperate struggle against starvation, brutality and fear. Yet love can move a person to act in unexpected ways, and lead them to overcome the most daunting obstacles with a startling heroism.

A Thousand Splendid Suns

Winner of the National Book Award The Painted Bird is one of the most shocking indictments of Nazi madness and terrors of the Holocaust during World War II. It is a story about the proximity of terror and savagery to innocence and love. It is a vivid and graphic portrayal of the hellish Nazi occupation of Eastern Europe as seen through the eyes of a boy struggling for survival, an alien child lost in a world gone mad.

The Painted Bird

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

The Rime of the Ancient Mariner

"America's nerviest journalist" (Newsweek) trains his satirical eye on Modern Art in this "masterpiece" (The Washington Post) Wolfe's style has never been more dazzling, his wit never more keen. He addresses the scope of Modern Art, from its founding days as Abstract Expressionism through its transformations to Pop, Op, Minimal, and Conceptual. The Painted Word is Tom Wolfe "at his most clever, amusing, and irreverent" (San Francisco Chronicle).

What Did Jesus Look Like?

Two exciting short stories set in the engrossing world of The Demon Cycle from bestselling fantasy author Peter V. Brett, available together in the UK in hardback and on e-book.

The Painted Word

Outside London behind a stone wall stands Lake House, a private asylum for genteel women of a delicate nature. In the winter of 1859, recently-married Anna Palmer becomes its newest arrival, tricked by her husband into leaving her home, incarcerated against her will and declared hysterical and unhinged. With no doubts as to her sanity, Anna is convinced that she will be released as soon as she can tell her story. But Anna quickly learns that liberty will not come easily. And the longer she remains at Lake House, the more she realises that - like the ethereal bridge over the asylum's lake - nothing is as it appears. She begins to experience strange visions and memories that may lead her to the truth about her past, herself, and to freedom - or lead her so far into the recesses of her mind that she may never escape.

The Great Bazaar and Brayan's Gold: Stories from The Demon Cycle series

- THE RECORD-BREAKING, MULTIMILLION COPY GLOBAL BESTSELLER AND TIKTOK SENSATION - Discover the #1 New York Times and Sunday Times bestselling thriller with a jaw-dropping twist that everyone is talking about - as seen on TikTok. Soon to be a major film. Alicia Berenson lived a seemingly perfect life until one day six years ago. When she shot her husband in the head five times. Since then she hasn't spoken a single word. It's time to find out why. READERS LOVE THE SILENT PATIENT 'Everything you need from a psychological thriller with a killer twist that is impossible to see coming!' 'Fiendishly clever ... believe the hype.' 'Grabs your afternoon from the start and never lets go' 'A fantastic thriller with an incredible plot twist that I really didn't see coming. I highly recommend.' 'OMG, my heart is still pounding from the final chapters of this amazing thriller.' The Painted Bridge

"Haunted and haunting. . . . With fearlessness and humility, in a narrative that flows more artfully than ever between destruction and rebirth, Erdrich has opened herself to possibilities beyond what we merely see—to the dead alive and busy, to the breath of trees and the souls of wolves—and inspires readers to open their hearts to these mysteries as well."— Washington Post Book World From the author of the National Book Award Winner *The Round House*, Louise Erdrich's breathtaking, lyrical novel of a priceless Ojibwe artifact and the effect it has had on those who have come into contact with it over the years. While appraising the estate of a New Hampshire family descended from a North Dakota Indian agent, Faye Travers is startled to discover a rare moose skin and cedar drum fashioned long ago by an Ojibwe artisan. And so begins an illuminating journey both backward and forward in time, following the strange passage of a powerful yet delicate instrument, and revealing the extraordinary lives it has touched and defined. Compelling and unforgettable, Louise Erdrich's *Painted Drum* explores the often-fraught relationship between mothers and daughters, the strength of family, and the intricate rhythms of grief with all the grace, wit, and startling beauty that characterizes this acclaimed author's finest work.

The Silent Patient

Experience the world of The Demon Cycle to its fullest with a collection that brings together, for the first time, all of the short stories and novellas in Peter V. Brett's bestselling series.

The Painted Drum

Some Lessons Must Be Learned The Hard Way. Since its inception, The Order has been dedicated to the prevention of the misuse and abuse of magic. For seven decades this mandate has guaranteed peace and stability throughout The Nine Kingdoms. But a potential threat to the peace has emerged, and its source is much closer to home than the leadership of The Order may realise. Arrogant, manipulative, confrontational and angry. Undesirable qualities in a person at the best of times, but more so in a young woman born with the power to bring kingdoms to their knees. Kayden Jayta, precocious apprentice of The Order, is all these things and more, yet wholly unwilling to acknowledge and rectify her many troubling traits. Unbeknown to anyone, Kayden's resolute determination to join the ranks of The Order is born of a secret that puts her priorities at odds with the precepts of the organisation, setting her inexorably on a collision course with the most powerful institution in The Nine Kingdoms. If Kayden is to be dissuaded from walking the path she has chosen, averting tragic consequences in the process, two unanswered questions must be answered: What is the dark secret guiding Kayden's actions? And, why has a legendary figure within The Order, with a secret of her own, taken undue interest in Kayden's future?

The Demon Cycle Novella Collection: The Great Bazaar And Brayan's Gold, Messenger's Legacy, Barren

An encounter with a devil leaves Red Sonja, the legendary swordswoman, bereft of her signature chainmail and fleeing murder charges, but a change of clothes and venue aren't enough to escape the

guilt in her heart. Penniless and under pursuit, she has no choice but to accept a dangerous mercenary job: to search for the tomb of an ancient warrior queen. But the spirit of Queen Gheta lives on... a fierce and unnatural combatant who may be the only creature in history capable of defeating Sonja. Meanwhile, the demonic entity Bhamothes wreaks havoc in her homeland of Hyrkania... and only the forgiveness of a murdered boy can end its killing spree!

The Exercise Of Vital Powers

Prepare for the final descent into darkness. Sunday Times and New York Times bestselling author Peter V. Brett brings one of the most imaginative fantasy sagas of the twenty-first century to an epic close.

Red Sonja

"It was surprising what old experiences remembered could do to a presumably educated, civilized man." And Hugh Denismore, a young doctor driving his mother's Cadillac from Los Angeles to Phoenix, is eminently educated and civilized. He is privileged, would seem to have the world at his feet, even. Then why does the sight of a few redneck teenagers disconcert him? Why is he reluctant to pick up a disheveled girl hitchhiking along the desert highway? And why is he the first person the police suspect when she is found dead in Arizona a few days later? Dorothy B. Hughes ranks with Raymond Chandler and Patricia Highsmith as a master of mid-century noir. In books like *In a Lonely Place* and *Ride the Pink Horse* she exposed a seething discontent underneath the veneer of twentieth-century prosperity. With *The Expendable Man*, first published in 1963, Hughes upends the conventions of the wrong-man narrative to deliver a story that engages readers even as it implicates them in the greatest of all American crimes.

The Core (The Demon Cycle, Book 5)

As darkness falls, the demons will rise: This first book in the Demon Cycle series by New York Times bestselling author Peter V. Brett has been "justifiably a fan favorite for fifteen years" (Robin Hobb). The time has come to stand against the night. At sunset, the corelings rise—demons who well up from the ground like hellish steam, taking on fearsome form and substance. Immune to mortal weapons, they burn with a consuming hatred of humanity. For hundreds of years corelings have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and mystery. It was not always this way. Once, men and women battled the corelings on equal terms. Once, under the leadership of the legendary Deliverer, and armed with powerful wards that were not merely shields but weapons, they took the battle to the demons. Now those days are gone. The fighting wards are lost. Night by night, the demons grow stronger, while human numbers dwindle. With hope for the future fading, three young survivors of vicious demon attacks will dare the impossible, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Includes a bonus Demon Cycle novella: *The Great Bazaar* Don't miss any of the thrilling novels in Peter V. Brett's Demon Cycle **THE WARDED MAN • THE DESERT SPEAR • THE DAYLIGHT WAR • THE SKULL THRONE • THE CORE**

A Painted Devil

The Obsidian Throne is J.D. Oswald's stunning conclusion to 'The Ballad of Sir Benfro' series - an epic high fantasy tale of dragons, swordsmanship, honour and two of the most unlikely yet extraordinary heroes in all of fiction. There is no war in the northlands, just annihilation. Either the dragons will destroy this world or Queen Beulah will raze it to the ground. Below the city is a secret the House of Balwen have kept for millennia, a treasure beyond imagination. None but a direct descendent of Balwen himself can open the escape routes from this cavern. To do so, Princess Iolwen will need to claim the Obsidian Throne. Meanwhile Errol and Sir Benfro find their destinies drawing closer together, with the future of all life in the Twin Kingdoms resting on these two unlikely heroes. There will be self-sacrifice and terrible betrayals. And the lives of boy and dragon will be forever changed. J. D. Oswald is the author of the epic fantasy series 'The Ballad of Sir Benfro', which includes *Dreamwalker*, *The Rose Cord*, *The Golden Cage*, *The Broken World* and *The Obsidian Throne*. He is also the author of the Inspector McLean series. James runs a 350-acre farm in north-east Fife.

The Expendable Man

One of the most exciting new sagas in epic fantasy, The Demon Cycle became a phenomenon with readers and launched the brilliant career of New York Times bestselling author Peter V. Brett. With the popularity of this groundbreaking tale of demons and destiny growing with each book, now is the time to catch up from the beginning with the first four novels in one convenient ebook bundle: THE WARDED MAN THE DESERT SPEAR THE DAYLIGHT WAR THE SKULL THRONE As darkness falls after sunset, the corelings rise—demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile. It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault. Now, with hope for the future fading, three young survivors of vicious demon attacks will do the unthinkable, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Arlen Bales will pay any price, embrace any sacrifice, for freedom, and his grim journey will take him beyond the bounds of human power. Crippled by the demons that killed his parents, Rojer Inn seeks solace in music, only to discover that his instrument can be a weapon as well as a refuge. Wanting to cure the sick and injured, Leesha Paper overcomes great hardship to become a guardian of old world science, learning that what heals can also harm. Together, they will stand against the night. Praise for The Demon Cycle “There is much to admire in Peter Brett’s writing, and his concept is brilliant. There’s action and suspense all the way.”—Terry Brooks, on The Warded Man “[A] fast-paced and thoroughly enjoyable dark fantasy.”—The Miami Herald, on The Warded Man “Inspired, compelling, and totally addictive: the most significant and cinematic fantasy epic since The Lord of the Rings.”—Paul W. S. Anderson, director of Resident Evil: Afterlife “Peter V. Brett is one of my favorite new authors.”—New York Times bestselling author Patrick Rothfuss “Fans of epic fantasy in the tradition of Robert Jordan and George R. R. Martin will enjoy the arrival of a strong voice in multivolume epic fantasy.”—Library Journal “[Brett is] at the top of his game.”—Tordotcom, on The Daylight War

The Warded Man: Book One of The Demon Cycle

The Obsidian Throne
