THE CAT'S MAW

A BOY. A CAT. A NIGHTMARE LOOSED IN TWO WORLDS! In the sleepy town of Appleton, a young loner follows a stray cat onto the road and is struck by a car. A leg is shattered, a summer is ruined, and the troubled life of Billy Brahm goes from bad...to cursed. When the mysterious cat appears at his bedside, Billy is haunted by strange and prophetic dreams -- the creatures in them speak of Watchers, and Shadows, and the Enemy that Awakens. Does this impossible realm hold the key to healing the broken boy? Is the golden-eyed cat there to help him...or to make the nightmares come true? Too frightened to share the truth with his strict adoptive parents, Billy realizes that the only ones he can turn to are the local vet's daughter, the town's 'crazy cat lady'... ..and a mystical tiger, beckoning from his dreams. 'If you are the sort of person who sometimes enjoys being the first to know about something important, it's high time you read this. Because this is important.' ~ THE GUARDIAN Award-winning storyteller BROOKE BURGESS (Broken Saints) makes a haunting, touching, and inspired children's fiction debut with The Cat's Maw, the first volume in his new mystery/fantasy saga for brave young readers. A moving, gripping, and quietly powerful tale awaits, with countless rewards for those who crave a creepy adventure, for fans of smart mysteries and contemporary fantasy...and, of course, for cat lovers of all ages!

The Word Rhythm Dictionary

This new kind of dictionary reflects the use of "rhythm rhymes" by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

Undertow

For fans of Rick Yancey and Marie Lu, Undertow is book one in this much-anticipated, genre-breaking, breath-catching new trilogy for teens from New York Times bestselling author Michael Buckley in which

a 16-year-old girl is caught in an epic clash of civilizations when a society of undersea warriors march out of the ocean into modern-day Coney Island.

The Outcasts

Sue Jones is a spacebus driver from a nowhere colony. Yearning for adventure, she pilots a shuttle into uncharted regions—and crash-lands in a harsh world. Kara is an alien whose people are Outcasts who have been banished to this world and survive in Rings above the storm-swept surface. When Kara rescues her and brings her to the Rings, Sue soon learns that the Outcasts believe humans belong on the surface. As Sue discovers her protector's secrets, Kara struggles to keep Sue safe and her own feelings at bay. Can love bridge the gap between worlds and heal the deepest of wounds?

Peter Carey

Peter Carey, writer of such celebrated works as *Oscar and Lucinda*, *True History of the Kelly Gang*, and *His Illegal Self*, is one of Australia's most critically acclaimed novelists. Deeply concerned with South Pacific culture, especially the lives of its most downtrodden citizens, Carey uses popular art as a tool for raising the consciousness of readers. This book provides an introduction to the author's life, as well as a guided overview of his body of work. Designed for the fan and scholar alike, this text features an alphabetized, fully-annotated listing of major terms in the Carey canon, including fictional characters, motifs, historical events, and themes. Additional features include a listing of headwords, a Carey history, 44 reading and writing topics, and bibliographies of primary and secondary sources. A comprehensive index is included.

Stygian

#1 New York Times bestselling author Sherrilyn Kenyon brings us back to the astonishing world of the Dark-Hunters in *Stygian*, with a hero misunderstood by many . . . but most of all by himself. Born before man recorded time, I lived for thousands of years believing myself to be something I'm not. Someone I'm not. Lied to and betrayed by gods, Daimons and Dark-Hunters, I've struggled to find my way in a world where I've been cursed since the moment I was prematurely ripped from my mother and planted into the womb of an innocent woman who thought me her son. Trained as a slayer and predator, I learned to fit in and stay low. To become a tool for evil. Until I was sent to kill the one woman I couldn't. My hesitation cost her her life. Or so I thought. In an act of betrayal that makes all the others pale in comparison, I've learned that this world is an illusion and that my Phoebe still lives. Now I will have to travel into the very pits of Hades to try and save her, even as everyone around me attempts to steal what little soul I have left. There's only one person at my back and I'm not sure I can trust her either, for she was born of an enemy race. Yet sometimes the road to redemption is one that singes us to our very core. And if I fail to find the answers I need to save Phoebe, more than just my wife will die. We will lose the world. Both human and Daimon.

Snow Whyte and the Queen of Mayhem

Stuck in her family's apple orchards, Kat's got plenty of work to do and only pesky Jeremy to help. But when Jeremy convinces her to run away, Kat will discover that nothing---and no one---in her life is quite what it seems. Wonderfully reimagined, this is the magical tale of Snow White as you've never read it before!

TechGnosis

How does our fascination with technology intersect with the religious imagination? In *TechGnosis*—a cult classic now updated and reissued with a new afterword—Erik Davis argues that while the realms of the digital and the spiritual may seem worlds apart, esoteric and religious impulses have in fact always permeated (and sometimes inspired) technological communication. Davis uncovers startling connections between such seemingly disparate topics as electricity and alchemy; online roleplaying games and religious and occult practices; virtual reality and gnostic mythology; programming languages and Kabbalah. The final chapters address the apocalyptic dreams that haunt technology, providing vital historical context as well as new ways to think about a future defined by the mutant intermingling of mind and machine, nightmare and fantasy.

Chasing the Boogeyman

"In the summer of 1988, the mutilated bodies of several missing girls begin to turn up in a small Maryland town. The grisly evidence leads police to the terrifying assumption that a serial killer is on the loose in the quiet suburb. But soon a rumor begins to spread that the evil stalking local teens is not entirely human. Law enforcement, as well as members of the FBI are certain that the killer is a living, breathing madman--and he's playing games with them. For a once peaceful community trapped in the depths of paranoia and suspicion, it feels like a nightmare that will never end"--

Sissy Dreams: From Boyfriend to Girlfriend

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

The Eighth Day

Fans of Percy Jackson will devour this first book in Dianne K. Salerni's time-bending series that combines exciting magic and pulse-pounding suspense. In this riveting fantasy adventure, thirteen-year-old Jax Aubrey discovers a secret eighth day with roots tracing back to Arthurian legend. When Jax wakes up to a world without any people in it, he assumes it's the zombie apocalypse. But when he runs into his eighteen-year-old guardian, Riley Pendare, he learns that he's really in the eighth day—an extra day sandwiched between Wednesday and Thursday. Some people—like Jax and Riley—are Transitioners, able to live in all eight days, while others, including Evangeline, the elusive teenage girl who's been hiding in the house next door, exist only on this special day. And there's a reason Evangeline's hiding. She is a descendant of the powerful wizard Merlin, and there is a group of people who wish to use her in order to destroy the normal seven-day world and all who live in it. Torn between protecting his new friend and saving the entire human race from complete destruction, Jax is faced with an impossible choice. Even with an eighth day, time is running out. Stay tuned for *The Inquisitor's Mark*, the spellbinding second novel in the Eighth Day series!

Aseptolin

The original series from the Master of Fright--now a major motion picture in theaters August 7, 2015! Tommy Frazer's dad just got married. Now Tommy's got a new mom. And he's going to a new school-Bell Valley Middle School. Tommy doesn't hate school. But it's hard making friends. And his new school is so big it's easy to get lost. Which is exactly what happens. The Haunted School (Goosebumps)

For the first time an award-winning Harvard professor shares the lessons from his wildly popular course on classical Chinese philosophy, showing you how these ancient ideas can guide you on the path to a good life today. The lessons taught by ancient Chinese philosophers surprisingly still apply, and they challenge our fundamental assumptions about how to lead a fulfilled, happy, and successful life. Self-discovery, it turns out, comes through looking outward, not inward. Power comes from holding back. Good relationships come from small gestures. Spontaneity comes from practice. And excellence comes from what you choose to do, not your "natural" abilities. Counterintuitive. Countercultural. Even revolutionary. These powerful ideas have made Professor Michael Puett's course the third most popular at Harvard University in recent years, with enrollment surging every year since it was first offered in 2006. It's clear students are drawn by a bold promise Professor Puett makes on the first day of class: "These ideas will change your life." Now he offers his course to the world.

The Path

Book 1 in the Calendar Moonstone "Brilliant" series. Meet Calendar Moonstone, acclaimed creator of jewelry for the rich, the royals and the famous. And compulsive part-time cat burglar whenever there are rare diamonds whispering her name. It was planned as a routine Thanksgiving part-time job: get in, crack the safe, fetch the diamonds. Instead Calendar finds the dead body of a night watchman and by sheer chance becomes involved to find the murderer and the stolen jewels. She gets teamed up with a cute police detective and a not so cute insurance investigator who sees Calendar behind almost every jewelry heist ever committed. To stay out of jail, Calendar has to use all her wits, skills and charm. And must solve a century old jewelry mystery.

A Brilliant Plan

"Glad ghosts" by D. H. Lawrence is a quirky and tasteful book that follows Lawrence's signature style. Though one of his lesser-known books, it's still a tale that captures the hearts and minds of everyone who reads it. Surprisingly, this was the author's first published work of fiction and was inspired by his trip to final Europe in the early 1900s.

Glad ghosts

"Live long enough and you'll see, people are the worst monsters." Defeated. Betrayed. Exiled. Jett Lasting finds himself alone in the place he fears more than death itself: the Outlands. Wracked with guilt and desperate to find his friends, he journeys through the barren wastelands where the air itself is a toxic fume. Jett soon discovers that the Outlands are not what he was led to believe, but in many ways worse. Filled with horrifying monsters, bandits, and marauders, the Outlands prove to be a living nightmare. Jett must find a way to survive if he's going to return to Dios and get his revenge. Amidst the dangers, Jett is surprised to learn he is not alone in his desire to bring down the Patriarch. Potential allies are rallying forces to invade Dios. The tides of retribution are growing. The stakes have never been higher, as almost every choice is a matter of life and death.

The Tides of Reckoning

Drawn directly from the journals of L.M. Montgomery herself, "Lucy Maud and the Cavendish Cat" tells the story of the writing of "Anne of Green Gables" through the eyes of the author's constant companion, her beloved gray cat. Montgomery was an avid journal-writer. She recorded how Daffy sat on her lap as she struggled with the first draft of the book that would become a worldwide classic, and how her cat accompanied her to Ontario and to her new life when she married. Filled with gentle insight, "Lucy Maud and the Cavendish Cat" is a delight for cat lovers everywhere, and of course, for the millions of readers who love "Anne of Green Gables."

My Summer in a Garden

BOOK 1 IN THE NEW YORK TIMES BESTSELLING SERIES 'Gripping, thrilling and brutal . . . a masterpiece of suspense' Publishers Weekly 'The zombie novel Robert A. Heinlein might have written' Sci-Fi Magazine The year was 2014. We had cured cancer. We had beaten the common cold. But in doing so we created something new, something terrible that no one could stop. The infection spread, virus blocks taking over bodies and minds with one, unstoppable command: FEED. Now, twenty years after the Rising, bloggers Georgia and Shaun Mason are on the trail of the biggest story of their lives - the dark conspiracy behind the infected. The truth will get out, even if it kills them.

Lucy Maud and the Cavendish Cat

Feed

Convinced that there is something creepy about his new piano teacher, Jerry soon hears terrifying stories about Dr. Shreek's music school and students who never completed their lesson alive.

The Sophisticated Cat

It is the twilight of mankind. Depleted by generations of war with a race of dark beasts, humanity stands on the brink of extinction. The outlands are soaked with the blood of the fallen. The midlands are rotting with decadence and despair. Elfkind, estranged by past crimes, watches and waits for nature to run its course. And then the two collide. Ayden's life has long been guided by two emotions: love for his sister, and hatred of all things human. When he's captured in battle, he is enslaved in the service of a human prince, Freyrik Farr. Freyrik's always known elves to be beautiful and dangerous, but never has one affected him as deeply as Ayden. Teetering on a dagger's edge between duty and high treason, Freyrik discovers that some choices can change a life, and some an entire world. Between prejudice, politics, pride, and survival, Ayden and Freyrik must carve a new path, no matter how daunting. For nothing less than the fate of both their peoples rests on the power of their perseverance — and their love.

Piano Lessons Can Be Murder (Goosebumps #13)

When you can't hear...death comes silently. Scotland Yard detective Valerie Crowther is assigned to investigate the murder of a student at a university for the Deaf in London, England. The murder investigation coincides with a deadly flu virus outbreak, resulting in the university being quarantined from the outside world. When more Deaf students are murdered, it becomes clear there is a serial killer operating within the sealed-off university. A chilling cat-and-mouse game evolves as the unknown killer targets Valerie and the virus claims more lives. A stunning, claustrophobic, "whodunit" murder mystery, *Silent Fear* (A novel inspired by true crimes) is the eighth novel by father-and-son writing team Lance & James Morcan. Included is a commentary by Deaf filmmaker Brent Macpherson on the unique aspects of Deaf culture the story covers. Together, the Morcans and Macpherson are currently developing a feature film adaptation of *Silent Fear*.

Counterpoint

Climate change moved faster than anyone anticipated and the Earth, along with many of its inhabitants, is dying. When a military convoy arrives to pick up Devin Rossi and Karissa Decker, along with dozens of other bewildered people, the two have no idea they are part of a group selected by the government to be transported to a space station preparing for the colonization of another planet. They are members of the Chosen. On their way to the military base, their convoy is attacked and Devin and Karissa learn the real reason behind their selection. Their attraction grows as they struggle to survive and wrestle with the decision to continue on to the base as part of the Chosen, which means leaving millions of others behind to die. Will they face an uncertain future together, or will the cost be too high?

Silent Fear (a Novel Inspired by True Crimes)

Fate has torn us apart and sometimes I believe the stars have given up on us altogether. Without my sister, the world seems darker than ever before and the shadows loom thicker, rising up to answer the call of the Shadow Princess and changing the face of Solaria for good. Now Lionel Acrux has the strength to make a move for the throne, I'm not sure how much time we have left to stop him. Our only hope is to find the Imperial Star before he does. We made the sacrifice the stars called for and we're paying the price for that decision so it can't be for nothing. But with the stars turning against us at every move, and the last light in the world seeming to fade, I'm afraid we're almost out of time. Hope is a dangerous thing. It's the key to us fighting on. But it could be what destroys us in the end. One thing is for certain, I won't stop until I have been reunited with my other half and together we will fight to take our crowns. A war is coming. The throne is calling for a new monarch. And someone must answer its call.

Chosen

Attempts to provide a new agenda for British housing by looking at developments in three other countries: West Germany, the Netherlands and the U.S.A. Sets out an alternative vision of the possibilities for permanently available low cost, good quality housing while providing new ideas for alternative forms of housing finance, tenant management, greater control for housing consumers and new forms of social housing.

Zodiac Academy

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books,

A View from the Bridge

Curious about the world of obstetrics and gynecology? Want to know why a future doctor would want to specialize in gynecology? Or perhaps you'd just like a peek behind the curtain, so to speak -- and to hear some OBGYN secrets. If you're intrigued by any of these topics, or just want to know about women's health from an OBGYN who tells it like it is, this book is for you. "Confessions of a Male Gynecologist" reveals not only what your gynecologist is thinking when your feet are in the stirrups, but provides women with some frank advice. Dr. Bellanger provides readers with an education, gets on his high horse, and shares some unbelievable (and in many cases), "laugh-out-loud" stories. Here's what readers have to say ... "... full of insights you had no idea you wanted to know." "... informational, educational, and at times downright hysterical" "... answers all the questions you've ever had about your gynecologist" "... an entertaining experience." "... an insightful look into the complexity and realities of not only women's health, but the state of our health care system today."

The Alphabet of Bugs

From the mines of remote India, to the streets of Paris and the lights of Las Vegas, Danielle Leaf is pursued by a terrible secret. Danielle came to India to find herself. Then she agreed to deliver a passport for her ex-boyfriend, legendary computer hacker Keiran Kell. It seemed like a simple favor for a friend - until she was abducted by thugs and imprisoned in a nightmarish cell. She is soon joined by another captive: Laurent, a Foreign Legionnaire turned international activist. Their daring escape is only the beginning. Now Danielle has been drawn into a war between a transnational mining company that is poisoning thousands of Third World farmers, and the invisible armies of anti-corporate protestors who oppose it. A cause, finally, that she can believe in. Amidst a whirlwind romance on the Goa coast, bloody street battles in Paris, cyberspace duels between shadowy hackers, and a bomb gone wrong in London, Danielle, Laurent and Keiran grow more deeply involved in this battle than they ever expected

... until the line between right and wrong begins to blur. For both sides of this war are willing to kill for their cause - and both sides hide deadly secrets. Award-winning author Jon Evans returns with new heroes and a compulsive, fast-paced story that examines issues of corporate exploitation and the extreme edge of anti-globalization activism. *Invisible Armies* is Cold War suspense for the modern age, a thriller that looks behind the power of protests and the politics of big business.

Confessions of a Male Gynecologist

An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. Invisible Armies

Did her parents send her to the Purgatorium to help her or punish her? A teen who feels guilty for her sister's death is sent by her parents to a remote island off the coast of California for "suicide therapy," where she learns that the doctor and her team use experimental methods that cross ethical lines. After undergoing one bizarre experience after another, the teen gets lost on the haunted side of the island and wonders if her parents meant to help or to punish her. Some readers have compared this young adult psychological thriller by USA Today bestselling author Eva Pohler to *Shutter Island* and *Lost*. "Love that it kept me guessing the whole time!"--Jamie, Amazon Reviewer "The story kept me guessing every turn. It also made me do a lot of thinking about my own situation. It was quite helpful in that regard. I would recommend this book to everyone. I will definitely be reading the rest of the series."--Roland Deshain, Amazon Reviewer "Wow. This book blindsided me. When I first started reading it, my initial reaction was that it wasn't my cup of tea. After I got past the first couple of chapters though, I was hooked. It's one of those books that lulls you into a false sense of predicting the outcome, and then, WHAM, it completely changes course and leaves you reeling. It's very well-written and every character makes you feel their pain and their emotions. I absolutely loved this book. Do I recommend? YES!! By all means, please read this book. You will not be sorry."--Michelle Westmoreland, Amazon Reviewer "Definitely kept me guessing and wanting to know what would happen next. This story had me in a roller coaster of emotions and worries. I was constantly in edge thinking what will happen? Is this real or part of the therapy. Eva did a wonderful job keeping me on my toes and making my mind work on overdrive. So many references from studies I myself have looked into. I loved. Excited to see what Dr. Gray will do next and where Daphne is going."--Mariela, Amazon Reviewer "Wow! This was so crazy. You really didn't know who to believe. Pohler really captures what goes through your head having been through something so traumatic and having survivor guilt."--Amazon Reviewer "Love, Love & Love this book. It has a little of everything: mystery, secrecy & craziness, horror, twist & turns with a past mix with modern."--Masterl Gray, Amazon Reviewer If you love puzzles and mind games, then this series is for you.

Slasher Girls & Monster Boys

The voice of a younger generation of visionary and psychedelic artists rings loud and clear in this compilation of Chris Dyer's works from 1979 to 2010. A Peruvian artist living in Canada, Dyer's globetrotting, multi-cultural, spiritual adventures and discoveries are referenced in hundreds of images of his work including paintings, sculptures, sketches, skateboard graphics, murals, graffiti, and more. Layered in multiple levels of color and creativity, this non-stop, hyper-visual experience reveals the development of an artist who has pushed his craft from doodling wrestlers and street gang warriors to unfolding soulful skate art, gritty graffiti, and lush visionary canvases. The constant promoter, Dyer's positive brand and aesthetic is infectious and his charismatic nature will win you over, over and over again through his images and prose. This art book is ideal for aspiring artists; fans of street art, visionary, and psychedelic art; and collectors.
