When children awake, the elf has returned from the North Pole and can be found hiding in a different location. This activity allows The Elf on the Shelf to become a delightful hide-and-seek game.

Santa's Bedtime Stories - Magic and Mischief

Hi it's Santa! What's that you're thinking... 'What's this daft book about then?' Well it's filled with magical bedtime stories about reindeer races, magic robins, fairies who save the day, snow men that like to have snowball fights and ticklish Polar Bears but that's not all. Oh yes, I might also get a mention here and there, but I am not as interesting as a pair of rascals that magic children to the north pole without me knowing or a silly reindeer that accidentally turns all my good elves into naughty goblins. There are tea parties at the north pole with stacks of sandwiches bigger than the elf that's eating them, there's a two hundred foot Christmas tree with Mother Christmas's bloomers trapped at the top (after they were turned into a kite), and there's Rudolph's first flying test and how his first tooth got stolen by-guess who? Yep, a naughty little elf called Dramaticus. Oh, and there's that time when Rudolph's antlers fell off! So here are twelve of my best stories for you to read when you want to dream of flying with silly old Rudolph, sitting next to me at our Christmas party or going around the world on a mission with Mother Christmas. Now I wonder why the pets ate all those Christmas presents? Come and find out, you are only a dream away.

His job is to make sure that all of the electrical stuff that gets put into all the toys is working properly: no loose wires, everything oiled, and the fresh batteries of the right size and shape! While dusting off Mostly Official Bookshelf Number 17, on the seventeenth shelf, he noticed something a little strange about book number seventeen. It looked much older than the rest of the books around it. The book turned out to be full of short stories. Stories all about Christmas! A Magical Discovery! The kids Christmas stories that you will read in this book are directly from that dusty book on Bookshelf Number 17. He had to write them down each by hand since the book is not allowed to leave the Library. But he wanted to make sure that as many children as possible would be able to hear these stories, and so he spent many long days writing each one down and creating the book that you hold in your hand right now. I hope you enjoy reading these kids Christmas stories as much as I enjoyed writing them. This is the perfect kids Christmas book for bedtime stories (or morning stories, or afternoon stories for that matter) during the Christmas season or any time of year!
