Anticristo

The 'Nasty Nun' is a cultural icon whose ability to titillate remains undiminished after centuries in the public psyche. From 'The Devils' and 'Convent of Sinners' to 'The Singing Nun' and 'Sacred Flesh', the sinful antics of these wayward Brides of Christ have gained international prominence through the powerful medium of cinema. Now, this hardback series of 666 individually numbered books, offers over 800 beautiful and often explicit images, celebrating a fetish and a taboo subject that inhabits all forms of entertainment and consciousness.
