Text Messages from God

Don't you sometimes wish that God would send you text messages through the day, giving you advice and encouragement? Well, actually he has already sent you countless messages through the greatest text of all: the Bible. This devotional book for junior high aged students will unlock some of the things God has to say to them from his Word: guidance for their day, comforting words, and challenges for their lives.

Text Messages from God

Text Messages From God is the gripping story of Dave, a hard-driving, successful attorney, whose self-centered existence is suddenly turned upside down by text messages he receives from a mysterious person claiming to be God. Dave, who likes to be in control and prides himself on being self sufficient, notices that the messages draw out another side of him, exposing that he is not an impenetrable fortress after all. Gradually Dave's skepticism gives way to curiosity, and he plays along with captivating challenges from the message sender. As he cautiously begins to take the messages to heart, Dave is forced to deal with painful memories that he had blocked out for many years. Dave's tough shell finally begins to crack and he is faced with making a decision that could change his life forever. Text Messages From God is John Mark Stewart's third book, and his first work of fiction. He is an attorney, Christian apologist, and international speaker. John's website is www.JohnMarkStewart.com.

Messages From God's Humble Servant

As the title states, this is the third book in the Messages series from Christian author David W. Crump. In book 3, the same theme is carried over from books 1 and 2. In this book, David again serves as God's messenger, bringing you thoughts based on biblical scripture to help you find or renew your faith. He writes in easy-to-understand plain language using common symbols and everyday events to bring you God's messages clearly. One example is the message entitled "If You Could Measure the Bible," where it says, "Think of the Bible as a treadmill, no matter how many steps you take, you never reach the end. In other words, the more your eyes are opened by the Scriptures, the more you yearn to see." Another example is the message titled "I Rejoice in His Choice," which says, "By choosing me to be one of His Holy Messengers, God has given me an opportunity to use the gift that I freely received. He blessed me with the skillful use of words. With this gift, I glorify Him. I rejoice in His choice." In Messages from God's Humble Servant, David has written compelling messages. The seeds of which are sent to him from our Father in Heaven to help those who are searching for the road that leads back to God.

Messages from God

MESSAGES FROM GOD is based on God's answer to my prayer: "God, if there is more to life than I am experiencing, show me!" Some-thing was missing in my life. Surely, there was to be more in life than work and checklists of problems to solve. More than work and nudging chaos into order. More meaning? More purpose? Yes, there is more, much more! God spoke the exact Messages given here for anyone wanting to have more understanding of the meaning and purpose God has designed for his life. May non-believing and be-lieving readers discover more of the love of God for all His creation. May each hear Him for themselves.

99 Messages from God & Other Received Poems

This is a series of 99 Messages from God and Other Poems Sally received beginning 1974 through 1979 & 1981.

A Message From God

When Aldo McPherson was 12 years old, a car accident left him in a coma. While in the coma, he had a supernatural experience where he went to heaven, saw God, the angels, Moses and Abraham. Aldo came back with one message: "Jesus is Alive!" This book challenges the complacent. Is God still your first love? Are you sold-out to Him? Filled with Scripture references, and direct quotes from the Bible, A Message from God will ignite the sparks of the Holy Spirit in your life and bring you closer to God, while Aldo's letters in his own hand writing give a sense of authenticity not often found in miracle stories.

Text Messages From God

This is God's personal word to you for such a time as this. Consider what God says about Himself, what others say about Him and to Him, and what He says about you and to you. Text Messages from God makes the Scriptures come alive with meaning as God speaks in first person directly and personally to the reader. Draw near to God; listen to Him speak to you in His still, small voice. Read and feed upon God. Respond in praise, thanksgiving, and worship. Get to know God better and more intimately. Memorize His promises. Learn His principles. Put your name in the blank and let God change your life through His living Word. "I am not far from you, _____. I am your strength; I will hasten to help you!" —Psalm 22:19 "_____, I, the LORD your God, will hold your right hand, saying to you, 'Fear not, I will help you.'" —Isaiah 41:13 "I have loved you with an everlasting love, _____; therefore with loving-kindness I have drawn you." —Jeremiah 31:3 "Most assuredly, I say to you, _____, you and all who believe in Me have everlasting life." —John 6:47 "I am able to do exceedingly abundantly above all that you ask or think, _____, according to the power that works in you." —Ephesians 3:20 "Be confident of this very thing, _____, that since I have begun a good work in you, I will complete it until the day of Jesus Christ." —Philippians 1:6 "_____, I am faithful, and I will establish you and guard you from the evil one." —II Thessalonians 3:3

Seven End-Times Messages from God

Are we in a Biblical End-Times scenario? What does Jesus teach about current events and what takes place during the End-Times? Rev. Edward G. Palmer provides answers in seven messages he received from God. "Seven End-Times Messages From God" will shock Christians as they learn most of what is preached today runs counter to what is found in the Holy Bible. The seven messages is prefixed by a chapter titled "The End-Times." The seven messages are "The Invitation"; "The Messenger"; "The Message"; "Law of Christ"; "The Seven Spirits"; "The Tithe Lie"; and, "The Unfaithful." Those who desire to understand what is going on in the world today from a spiritual and scriptural perspective will find the SEVEN MESSAGES an indispensable resource. Every Christian who wants to understand the End-Times and what God has planned will want to get their own personal copy. The End-Times? Yes!

Messages From God And Answered Prayers

God, Jesus, and the Holy Spirit talks to all of us, not just the well educated, the evangelist, the pope, or church leaders. He talks to you and me-everyday, regular people. He is looking for people that He can use to do His work here on earth. The Holy Spirit has for many years, been asking Sharlene to write about the supernatural experiences that she has had most of her life, and also to write about answered prayers. Sharlene felt that she was not qualified to be a writer. She is a little dyslexic, and some of her experiences are a little way out there for some people, but she is writing for the glory of God, not man. She is now obeying God, doing His will. The Holy Spirit told her, "Moses was not a speaker and look what God did through him!" Sharlene is passionate about helping people learn how to hear God, Jesus, and the Holy Spirit. She also has a passion for healing God's people and exposing the lies of the enemy. Do His will. He has a plan for you, and it is wonderful!

Messages from God

Standing in the presence of death, I was witnessing my best friend's passing. In those brief moments, what I saw and what he said to me forever changed my life. My soul was so radically impacted, I was left to ponder why God had chosen me to tell "The Benny Story." A story that will change your life forever, as it has mine.

God Used My Messages for His Messages

I was born on a cold, winter night in January in Georgia. As youngster growing up, I didn't have what most called a normal household. I was raised in a nondenominational church where everyone loved

the Lord. However, I encountered the abused bestowed upon my mother by my father. Eventually, I internalized that abuse, and later, it caused me to make poor spiritual and physical decisions in life. It is through these poor spiritual and physical decisions that I share my testimony and become set free. It is also through these messages that God will deliver and set free your wounded, hurt, and abused soul.

Messages of God's Abundance

At the height of Nazi power, amid the horrors of a concentration camp, the seeds of faith and forgiveness grew to fruition in the heart of a young Dutch woman named Corrie ten Boom. Outlasting Ravensbruck and Hitler's regime, Ms. ten Boom went on to accomplish what brute power never could: conquer hearts across the world with healing words of hope, forgiveness, and trust in God. Broadcast across Europe using the very radio equipment the Nazis had built to spread their propaganda, the inspirational messages of Corrie ten Boom appear at last in print. As in this book's predecessor, *Reflections of God's Glory*, the twenty-six sermonettes in *Messages of God's Abundance* are first-ever English translations of the scripts for Ms. ten Boom's Trans World Radio broadcasts from the Netherlands. Emerging after many years, these jewel-like writings reflect the broad experiences of a woman who preached the gospel around the world, yet who found her greatest adventure exploring the endless riches of God's Word. In 1983, Corrie ten Boom went to be with her beloved Jesus, but the timeless truths of Scripture spoken through the lips of this remarkable woman remain alive, vibrant, and as able as ever to touch, convict, and encourage our hearts.

Inspirational Messages from God to Us

Filled with inspirational words that describe everyday life, this book's messages are assembled together as parables similar to those Jesus used while talking to his disciples in order to convey the spiritual truth.

American Bible Society Messages from God

Most people see the Bible as a collection of short stories, but it is much, much more: We know that the wise men came to visit Jesus, but what was the meaning behind their visit?? We've heard that Jesus calmed a storm, but what does that story really reveal?? We know the story of Joseph and his amazing, colorful coat-but what is the underlying message of his story?? We've read of Jonah being swallowed by a whale, but what hidden meaning swims underneath the surface of this familiar story? Yes, the Bible contains some great stories, but it is not a storybook. Every story in the Bible has a deeper meaning and message that is hidden to many. *Messages from God* helps you decode and discover deeper meaning behind the classic stories you've grown up hearing. And just when most readers think they've got the Bible figured out, they will be surprised to find that each Bible story contributes to a singular storyline that the original writers of the Bible wanted you to discover for yourself: The message and mission of God.

Selected Messages, Vol. 3

My wife Betty and I traveled as one until last November when our LORD GOD called, when my wife went on to heaven to walk alongside Him, while I stayed behind to continue down GOD's path alone. A few days before my dear wife Betty passed, after being unable to speak or move for many days, she suddenly turned and spoke out clearly and loudly, "You have to keep writing your books!" "You have to keep writing your books!" Stunned, I was speechless for an instant...and then told her that I would and that I promised. I never heard another word from My Betty. A week after she passed, I came across this Bible verse (Jeremiah 30:2) "This is what the LORD, the GOD of Israel, says: 'Write

in a book all the words I have spoken to you." This is that book... For My GOD and My Betty. More at www.Messages-from-GOD.org and www.DarrelKaiserBooks.com

3 Messages From God: Read in an Hour, Remember for a Lifetime

Why are we here? Who really wrote the Bible? Was Jesus actually a messenger of God? Can science and religion be reconciled? Do we have free will? Divine Wisdom and Warning: Decoded Messages from God introduces a new way of using the ancient system of Gematria to solve these and other timeless questions. Nicholas Gura has developed an original technique, easily reproducible without the use of computers, that uncovers hidden, encoded messages in the Bible. These mathematically generated messages are both profound and metaphoric and will contribute to the meaning, quality, and purpose of our lives. Divine Wisdom and Warning reveals new insights on the parting of the Red Sea, suffering, quantum physics, the environment, treatment of women, and answers the eternal question: What is God's true religion?

Three Messages From God

Feeling tired, stressed or disconnected with God? In this devotional, authors Pam Farrel and Dawn Wilson provide real-life stories mixed with a splash of humor and an encouraging word from God to help women get through hectic days. Joy from God, unlike the fleeting happiness of the world, transforms the soul and helps to heal frazzled, broken women. A cheerful heart is still good medicine (Proverbs 17:22), and women need it in megadoses! There will always be a need for humor to cheer our hearts, and when that humor is paired with powerful truth principles from Scripture, women will be revived and refreshed. To make it fun, the authors have taken Scripture verses and made them into text messages similar to those you might see on your cell phone, but these are from God's Word.

LOL with God

Messages from God is written by a woman who has walked with God her whole life. When she was 6 she began searching for God. One day she heard a sermon about Jesus climbing the mountains to hear God so she began climbing mountains. There she heard him. These are the messages God gave her to give to His people. May they bring you hope in this troubled world and bring you closer to God.

Words of Power

What does the Bible say about itself? Before this question can be addressed, Tim Meadowcroft argues, we have to address the wider notion that God speaks. Accordingly, Meadowcroft offers fresh, wide-ranging expositions of key passages in both Testaments on the character and power of God's word.

6-Minute Messages for Children

Learn to trust God and follow God's Word, in the middle of your mess, and he can turn your mess into a message. "Your word is a lamp to my foot, and a light to my roadway" (Psalm 119:105). When life gets messy, it is natural for us to get stressed, angry, or bitter, especially when life takes a turn we didn't expect--the loss of a loved one, being widowed with small children, going through a divorce, cancer, family overcome with drugs and alcohol, and the death of a dream. The unexpected mess has happened in my life many times. But I've learned how to turn to God for direction. God wants to sharpen us, mold us. He wants us to see a side of himself that we haven't seen yet. He wants a relationship with us, totally dependent upon him. And he wants others to see the amazing things he can do in our lives when we trust him with the mess. No matter how much pain, disappointment, or situation that placed you in that deep dark place in your life, there is a way to come into the light of healing and restoration. By applying God's Word, you can turn your mess, your tests, and your trials into a beautiful message, testimonies, triumph, and victory. This book will show the turning point in my life that started my climb out of darkness. I am starting at the point of the deepest darkness I was living in, in order to fully explain what drove me to the point of recognizing I could no longer live like this and getting help. The help I found was applying God's Word to my life and listening to the Holy Spirit and moving my feet when I was led to. This book is for anyone who is struggling in any area of their life. You will learn what I have learned--that calling on Jesus is the only way to get through, when you are in the middle of a big ol' mess. The Bible has a clear plan and instructions, and you too can make it through. Reading God's Word, the Bible, and following his plan is an amazing journey to true peace, happiness, and freedom.

Messages Inspired by God

The book that inspired the major History Channel special *God Code* shows there is more to the Bible than meets the eye—messages from God hidden for ages, now revealed by modern computer technology. In *God Code*, antiquities expert Timothy P. Smith reveals his decades-long quest to understand the complex messages he discovered in an ancient Hebrew manuscript of the Bible. This painstaking search involves adventure and mystery, but instead of consulting ancient maps to find buried treasure, Smith relied on the data calculation power of modern technology. His quest shows how Scripture is more amazing than we ever dreamed—and that it may even reveal the future of generations living today. *God Code* reveals:

- An encrypted code in Genesis, in the oldest known Hebrew text of the Old Testament, that predicted the birth and resurrection of Jesus.
- Scientific evidence that this encrypted code was authored by the divine hand of God.
- Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity.
- Hidden clues that may lead to the location of long-missing sacred artifacts, such as the Ark of the Covenant.
- Insights on why Smith was chosen to uncover this encrypted code.
- A dire warning that God wants us to hear—and heed.

In the companion History Channel series, the author travels across continents in search of artifacts missing since Bible times—clues to their location revealed in *God Code*. Previously published as *The Chamberlain Key*

The Message of the Word of God

And Jesus said to Gregory, "Do this one thing and you will be mine. Surrender! This is the flame of love that calls all souls to My mercy. This is My hope for mankind to live in peace." Since August of 1991, he has been receiving visions and messages from God the Father, God the Son, God the Holy Spirit, and the Blessed Virgin Mary, and has been called to be a messenger of God's love. Gregory, whose life is dedicated to the Lord, guides us, In the Joy of Surrender, along a journey in the beauty and serenity of God's love and faith, eternal and miraculous. In this journal of inspirational messages, day after day we are brought closer to God's love to rise beyond fear and despair, where peace and joy are not only possible, but exist within our hearts. We are called to return to the arms of God that will illuminate our souls, our hearts, and our lives.

Some books can, in fact, be judged by their cover. Or at the very least, by their title. One such book is More Messages from God's Humble Servant. The title tells you exactly what you're going to find inside. The author, David W. Crump, has put together another book of messages sent to you from our heavenly father. These messages are meant to spark your faith. They are meant to have the same effect on you as if you poured gasoline on a fire. Take for example "God's Hands" . . . "I am in the palm of God's hands. When the storms of life come upon me, God closes his hands to protect me from the storms." Another example is "The Account" . . . "If you live a very short life but you walk with God every day, your heavenly account will show paid in full." As in his first book Messages from God's Humble Servant, this edition is a continuation of the same theme. It is meant to help those who have somehow lost their way or whose faith has been eroded by the hard knocks of life. In More Messages from God's Humble Servant, David delivers God's messages to you in easy to understand terms to help you find your way back to our heavenly father.

Sermon Messages from God's Man, Finis Steelman

Robert Warren pastors Faith, Hope, and Love Ministries, a church located in Suffolk, Virginia. Born December 2, 1950, he was raised in a small area of Suffolk, known as Driver. Upon graduating from John F. Kennedy High School, located in Suffolk, VA; he attended C. H. Mason Bible College and The Virginia Seminary and College in Lynchburg, Virginia. Happily married to the loving Mary Baker Warren, a woman, after God's own heart; the two reside in Suffolk, Virginia. Robert Warren is a lover of people who loves preaching God's word and is a poet at heart. His inspiration for this book came from a dream he once had several years ago. In this dream he saw the light that David had seen in Psalm 119:105 appear where it says; Thy word is a lamp unto my feet, and a light unto my path. Bright, beaming, and shaped like a ball; men were passing this spherical ball of light to one another. Seemingly to had never hit the ground; these men had come from everywhere and every walk of life frantically enjoying this bright, beaming ball of light. "What does this mean?" You ask! The bright, beaming ball of light represents God's word and how he wants us to pass it on to EVERY man, woman, and child. But don't just pass it on needlessly, find pleasure in it! Enjoy passing on God's Word so that others may see your shining joy and want to pass it on also. Stay focused, don't faint, and remember to keep the ball of light going, never dropping it. When we pass His Word, lives are changed. Thus, resulting in the writing of this book, God's Heavenly Messages. This is one way I have chosen to pass God's Word around, believing it will help people change their lives and come to know Jesus Christ.
